## **Song Story**

The 'funk' sound was inspired by enjoying listening to a church band's guitarist and bassist "jamming" after the New Year's Eve service ended at 12:30 A.M.! Several hundred people were rushing out, but I just sat and enjoyed the informal band practice, enjoyed watching the band laugh and worship God with this different sound in His creation.....

On January 1st, I started some “jamming” of my own in my home studio using the funk beat that the church band had.... but original music, of course:) I stored my music project under the title of “4-4 funk” without any idea what to do with it.

On January 2nd, I played the music tracks again to think about what I'd completed the day before.... and I just loved the music. I prayed for guidance, and a few moments later as I was cleaning papers off my keyboard stack, I saw the sketch of lyrics that became this song. I started singing the first lines of the lyrics.... and they fit perfectly.

Really different from my human plan, but SO much fun!
