dedicated to YHWH God, 2 March 2011 ren 7 Jan 2017
Album: Amazing Teacher 'n' Parables
REF: 9-258

**TRANSLUCENT: allowing light, but not detailed images, to pass through.
Transmitting some light-- but not enough to allow clear vision.**

2nd Peter 1: 16 For we did **not** follow cunningly devised fables when we made known to you the power and coming of our Lord Jesus Christ, but were eyewitnesses of His majesty. 17 For He received from God the Father honor & glory when such a voice came to Him... "This is My beloved Son, in whom I am well pleased." 18 And we heard this voice... 19 And so we have the prophetic word confirmed, **which you do well to heed as a LIGHT that shines in a DARK PLACE, until the day dawns and the morning star rises in your HEARTS"**

CHORUS – My Prayer (at beginning & end)

When I'm tempted to be satisfied with a bit of DARK dulling the Light,
LORD, help me SEE and WANT only Light: all TRUTH with no Dark inside.
Forgive me when I find complete Light, to be uncomfortable so I prefer
TRANSLUCENT DARK..... that DULLS Your Light.

VERSES – The Parable

1

You can-NOT keep sunlight from your eyes just by shutting eyelids.
Yellow light still gets into your mind,
through your translucent eyelids skin, bringing some warmth & brightness.
Only by choice can you shut out all light
out of your eyes..... and out of your Life.

2

Sunlight still seeps through dark, brown stained glass. Just window shutters block it.
God's light still seeps through dark, sin- stained souls.
God's Light is There for us ALL to see: See Romans 1 at the end.
Like stained glass, sins will block out some light. God's
Truth then can NOT be truly seen.

3

God formed your heart to yearn for His Light. Psalm 139 shows this.
We cannot hide some dark in God's Light.
TRANSLUCENT DARK sins can still be seen. Two Peter 1 at the end.
Through cold blocks of ice, some light is seen, But
keeping ice means ... you lose God's True Peace. >> REPEAT CHORUS
