Song Story. Lyrics written at the computer in less than an hour, as I thought on an earlier prayer for forgiveness when I realized that, before my Friend, I'd "done all the talking" in my previous prayer. We probably all hate it when we can see people are just WAITING for us to stop talking so THEY can share all the answers they're practicing in their head instead of listening to our thoughts on the topic...
A PARABLE for how we often talk to LORD God.
