

VERSE 2

Then math added to the Evidence: There's more than we see up in the heavens.
Isaac Newton ins 1687 looked at all the works of Galileo and Keplar.
Newton concluded motions of heavens don't need dozens of spheres, but just gravitation.
3 laws of motion plus calculus were formed by Newton and then used to explore the worlds
from spiraling galaxies to subatomic particles.

BRIDGE

WORLDS FOR KNOWING were ALWAYS THERE: In
time revealed by God, their Creator.

CHORUS

God gives us the FUN of seeking TREASURE through His Universe.
He rewards Greatly all who diligently seek complete TRUTH.....
objectively seek complete TRUTH.
Hebrews 11, God promised YOU REWARDS seeking Science and Truth.
God designed Great TREASURE hunts! Proverbs 25: 2, Seekers have FUN!
Proverbs 25: 2, Seekers have FUN!

VERSE 3

Soon Newton's friend, Halley, studied gravitation. 341 stars he mapped with details.
Predicted that comet would return again, Mathematics used again to reveal
Earth's core possibilities to explore. Exciting findings keep showing much more to this
galaxy, and more worlds for us to Know. **Daniel 4 Prophecy:** Knowledge will explode,
toward the end when God returns to show HE is LORD!

REPEAT CHORUS AND BRIDGE

FINAL READING: Romans 1: 20-23.

20 For ever since the world was created, people have seen the earth & sky. Through everything
God made, they can clearly see his invisible qualities—His eternal power and divine nature. So **they
have no excuse for not knowing God.**

21 Yes, they knew God, but they wouldn't worship him as God or even give him thanks.
And they began to think up foolish ideas of what God was like. As a result, their minds
became dark and confused. 22 Claiming to be wise, they instead became utter fools.

23 And instead of worshiping the glorious, ever-living God,
they worshiped idols made to look like mere people & birds & animals & reptiles. (NLT)

Song Story. When I was in high school, the SCIENTIFIC METHOD was still being hammered
home in Physics and Chemistry labs. Its MAIN PREMISE: You must NOT pre-decide what you
expect the experiment to show, or that will CONTAMINATE your conclusion.... YET: We constantly
see people PRE-DECIDE that "God does not exist" and thus "explain away" all the MANY
evidences of Designs BEYOND Probability Statistics of accidentally all coming together to create
this ONE "**SYSTEM**" (as scientists call sets that depend on each other).... & multiply that ONE
system by the *millions* on our earth as well as in our Universe--- worlds beyond even what we see.
