Song Story "On Top": Song full of **ASTRONOMY HISTORY**: inspired by Research from *"The 4 Percent Universe: Dark Matter, Dark Energy, and the Race to Discover the Rest of Reality"* by Richard Panek; THIS SONG SOURCE: pg **9. Published only 20 DAYS** before I wrote the lyrics to the related song, **FOUR PERCENT UNIVERSE SEE-ING** after I had rapidly read the book – twice! Fascinating Science book published 10 January 2011. <u>PROBABILITY STATISTICS must be ignored</u> to ignore the **SCIENTIFIC METHOD of objective** conclusion > These millions of Physics/ Nature things working together **CANNOT** be accidents, but <u>DESIGN</u>.

<u>Hebrews 11</u>. "1 Faith is the confidence that what we hope for will actually happen; it gives us assurance about things we cannot see. 2 Through their faith, the people in days of old earned a good reputation. 3 By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen... 6 Without faith it is impossible to please Him, for he who comes to God must believe that He is, & that **He is a rewarder** of those who **diligently seek Him.**"

<u>Proverbs 25: 2</u> New KJV: "It is the glory of God to conceal a matter, But **the glory of kings is to search out a matter.**" Like a Treasure Hunt: Creator God created much <u>FUN</u> for us to discover: His Universe!

VERSE 1

Spots on the sun... mountains on the moon...

thousands of stars can be seen by YOU,

thanks to Italy's mathematician, who in 1609 improved old telescopes from tubes that magnified just 3 times bigger to telescopes that showed things 20 times bigger. Copernicus pointed this Tube at the sky, saw Jupiter's 4 satellites, and saw sunspots, saw the phases of Venus, and saw supernova.

VERSE 2

Then math added to the Evidence: There's more than we see up in the heavens. Isaac Newton ins 1687 looked at all the works of Galileo and Keplar.

Newton concluded motions of heavens don't need dozens of spheres, but just gravitation. 3 laws of motion plus calculus were formed by Newton and then used to explore the worlds from spiraling galaxies to subatomic particles.

<u>CHORUS</u>

Hebrews 11, God promised YOU REWARDS seeking Science and Truth. God designed Great TREASURE hunts! Proverbs 25: 2, Seekers have FUN! Proverbs 25: 2, Seekers have FUN!

VERSE 3

Soon Newton's friend, Halley, studied gravitation. 341 stars he mapped with details. Predicted that comet would return again, Mathematics used again to reveal Earth's core possibilities to explore. Exciting findings keep showing much more to this galaxy, and more worlds for us to Know. **Daniel 4 Prophecy:** Knowledge will explode, toward the end when God returns to show HE is LORD!

REPEAT CHORUS AND BRIDGE

FINAL READING: Romans 1: 20-23.

20 For ever since the world was created, people have seen the earth & sky. Through everything God made, they can clearly see his invisible qualities—His eternal power and divine nature. So <u>they</u> <u>have no excuse for not knowing God</u>.

- 21 Yes, they <u>knew</u> God, but they <u>wouldn't</u> worship him as God or even give him thanks. And they began to think up foolish ideas of what God was like. As a result, their minds became dark and confused. 22 Claiming to be wise, they instead became utter fools.
- 23 And instead of worshiping the glorious, ever-living God, they worshiped idols made to look like mere people & birds & animals & reptiles. (NLT)

Song Story. When I was in high school, the <u>SCIENTIFIC METHOD</u> was still being hammered home in Physics and Chemistry labs. Its MAIN PREMISE: You must NOT pre-decide what you expect the experiment to show, or that will CONTAMINATE your conclusion.... YET: We constantly see people PRE-DECIDE that "God does not exist" and thus "explain away" all the MANY evidences of Designs BEYOND Probability Statistics of accidentally all coming together to create this ONE "**SYSTEM**" (as scientists call sets that depend on each other)..... & multiply that ONE system by the *millions* on our earth as well as in our Universe--- worlds beyond even what we see.
