**Song Story "On Top"**: Song full of **ASTRONOMY HISTORY**: inspired by Research from "The 4 Percent Universe: Dark Matter, Dark Energy, and the Race to Discover the Rest of Reality" by Richard Panek; THIS SONG SOURCE: pg 9. Published only 20 DAYS before I wrote the lyrics to the related song, **FOUR PERCENT UNIVERSE SEE-ING** ..... after I had rapidly read the book – twice! Fascinating Science book published 10 January 2011. PROBABILITY STATISTICS must be ignored to ignore the **SCIENTIFIC METHOD of objective conclusion** > These millions of Physics/ Nature things working together **CANNOT** be accidents, but **DESIGN**.

**Hebrews 11.** " 1 Faith is the confidence that what we hope for will actually happen; it gives us assurance about things we cannot see. 2 Through their faith, the people in days of old earned a good reputation. 3 By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen... 6 Without faith it is impossible to please Him, for he who comes to God must believe that He is, & that **He is a rewarder** of those who **diligently seek Him.**"

**Proverbs 25: 2** *New KJV*: "It is the glory of God to conceal a matter, But **the glory of kings is to search out a matter.**" Like a Treasure Hunt: *Creator God created much **FUN** for us to discover: His Universe!*

**FINAL READING:** **Romans 1: 20-23.** 20 For ever since the world was created, people have seen the earth & sky. Through everything God made, they can clearly see his invisible qualities— His eternal power and divine nature. So **they have no excuse for not knowing God.**

- 21 Yes, they knew God, but they wouldn't worship him as God or even give him thanks. And they began to think up foolish ideas of what God was like. As a result, their minds became dark and confused. 22 Claiming to be wise, they instead became utter fools.
- 23 And instead of worshiping the glorious, ever-living God, they worshiped idols made to look like mere people & birds & animals & reptiles. (NLT)

**Song Story.** When I was in high school, the SCIENTIFIC METHOD was still being hammered home in Physics and Chemistry labs. Its MAIN PREMISE: You must NOT pre-decide what you expect the experiment to show, or that will CONTAMINATE your conclusion.... YET: We constantly see people PRE-DECIDE that "God does not exist" and thus "explain away" all the MANY evidences of Designs BEYOND Probability Statistics of accidentally all coming together to create this ONE "**SYSTEM**" (as scientists call sets that depend on each other).... & multiply that ONE system by the *millions* on our earth as well as in our Universe--- worlds beyond even what we see.
