dedicated to **YHWH THE Creator** 23 Nov 2011 renewed 24 July 2018

Album: Amazing **Savior 'n' Science**

REF: 13-page F

Song Story "On Top": Song full of **ASTRONOMY HISTORY**: inspired by Research from "The 4 Percent Universe: Dark Matter, Dark Energy, and the Race to Discover the Rest of Reality" by Richard Panek; THIS SONG SOURCE: pg 8. **Published only 20 DAYS** before I wrote the lyrics to the related song, **FOUR PERCENT UNIVERSE SEE-ING** after I had rapidly read the book – twice! Fascinating Science book published 10 January 2011. PROBABILITY STATISTICS must be ignored to ignore the **SCIENTIFIC METHOD of objective conclusion** > These millions of Physics/ Nature things working together **CANNOT** be *accidents*, but DESIGN.

Hebrews 11. " 1 Faith is the confidence that what we hope for will actually happen; it gives us assurance about things we cannot see. 2 Through their faith, the people in days of old earned a good reputation. 3 By faith we understand that the entire universe was formed at God's command, that what we now see did not come from anything that can be seen... 6 Without faith it is impossible to please Him, for he who comes to God must believe that He is, & that **He is a rewarder** of those who **diligently seek Him.**"

Proverbs 25: 2 *New KJV:* "It is the glory of God to conceal a matter, But **the glory of kings is to search out a matter.**" Like a Treasure Hunt: *Creator God created much FUN for us to discover when seeking thru His Universe!*

=====

VERSE 1

Eudoxus in the 4th century B.C. used math to show heavens nesting.
Mercury, Venus, Mars, Saturn, Jupiter each, with Sun & Moon,
moved with Geometry.
Nesting concentric'lly slow, or with speed. Heavenly bodies moving in a
system of 27 spheres. Seeking for mathematical patterns.

BRIDGE

Worlds in Motion proposed, going where MATH shows they might.... Go.

CHORUS

God gives us the **FUN** of seeking **TREASURE** through His Universe.
He rewards Greatly all who diligently seek complete **TRUTH**.....
objectively seek complete **TRUTH**.
Hebrews 11, God promised **YOU REWARDS** seeking Science and Truth.
God designed Great **TREASURE** hunts! Proverbs 25: 2, Seekers have **FUN!**
Proverbs 25: 2, Seekers have **FUN!**

VERSE 2

Eudoxus was Plato's student, like Aristotle, who used mechanics math to study counter-turns in interlocked systems of heavenly bodies moving with Geometry.

Earth amid a geometric universe. Heavenly bodies moving in a system of 56 spheres. Hoping for mathematical patterns.

BRIDGE

Worlds in Motion proposed, going where MATH shows they might.... Go.

CHORUS

God gives us the FUN of seeking TREASURE through His Universe.

He rewards Greatly all who diligently seek complete TRUTH.....
objectively seek complete TRUTH.

Hebrews 11, God promised YOU REWARDS seeking Science and Truth.

God designed Great TREASURE hunts! Proverbs 25: 2, Seekers have FUN!
Proverbs 25: 2, Seekers have FUN!

VERSE 3

Ptolemy added more -- 100 A.D. -- Kept Earth in the universe center, but developed math rules that showed the worlds in Motion. Stars, Sun & Moon moved with Geometry.

Planets predictably moving perfectly. Heavenly bodies moving but still puzzling, thinking Earth did NOT move. Predicting more mathematical patterns.

REPEAT CHORUS AND BRIDGE

FINAL READING: Romans 1: 20-23.

20 For ever since the world was created, people have seen the earth & sky. Through everything God made, they can clearly see his invisible qualities—His eternal power and divine nature. So **they have no excuse for not knowing God.**

21 Yes, they knew God, but they wouldn't worship him as God or even give him thanks. And they began to think up foolish ideas of what God was like. As a result, their minds became dark and confused. 22 Claiming to be wise, they instead became utter fools.

23 And instead of worshiping the glorious, ever-living God, they worshiped idols made to look like mere people & birds & animals & reptiles. (NLT)

Song Story. When I was in high school, the SCIENTIFIC METHOD was still being hammered home in Physics and Chemistry labs. Its MAIN PREMISE: You must NOT pre-decide what you expect the experiment to show, or that will CONTAMINATE your conclusion.... YET: We constantly see people PRE-DECIDE that "God does not exist" and thus "explain away" all the MANY evidences of Designs BEYOND Probability Statistics of accidentally all coming together to create this ONE "**SYSTEM**" (as scientists call sets that depend on each other)..... & multiply that ONE system by the *millions* on our earth as well as in our Universe--- worlds beyond even what we see.
