

These are the scriptures I "flipped" to on July 8, 1973 night after seeking some guidance from God... and on the NEXT night, out of 100s of pages, I flipped to exactly same verse-- NO bookmark or dog-eared page did this, but GOD - who has used me to give me HIS singing!

**YHWH God sings: "The LORD your God in your midst, The Mighty One, will save; He will rejoice over you with gladness, He will quiet you with His love, He will rejoice over you with singing." -- Zephaniah 3:17 >> "Rinnah" singing (as in Isaiah 44:23).**

"Iron sharpening Iron", the LORD describes it! >> Proverbs 27:17, "As iron sharpens iron, So a man sharpens the countenance of his friend." ... Even Facebook friends :) The KJV translates Strongs H6440 the Hebrew word 40 times as "SIGHT"... yet only 30 for 'countenance', as used most often for this verse.

I have a dumb phone. If I had a smart phone, I'd share a video of my computer screen slowly loading, line by line, the huge graphics files (oft with video links that got around my non-play setting) on a CHURCH's WEBSITE home pages. WEB DESIGN 101 simple basics:

- (1) Check your site on ALL common platforms (Mozilla, Chrome, Windows).
- (2) Get others to check church's website speed on something OTHER than fast cable (etc) -- incl WiFi (library, cafe), & MiFi (home- slower). Out here in the "boonies" we have neighbors still on dial-up... but that's extreme :) ...
- (3) Keep Home & Schedule pages FAST; graphics can go on another tab. Finally,
- (4) **Don't criticize persons trying to help the Church better serve the LORD by pointing out website difficulties.** THIS CHURCH's reaction to me trying to help? Sending an e-mail to a lot of people (forgetting to take ME off the distribution list) that called me a "**Critical Spirit.**"

Hardest thing about Faith is NOT about trusting God "even when you don't understand Him". (Duhh.. who will ever do THAT?!) .... It's trying to figure out whether Lack of Results that discourages you are

(1) you being Wimpy- which you can fight with Sword of God's Word (Eph 6 end); or  
(2) Satan being Tempting- which you can fight with SoGW (James 4:7-8); or  
(3) God showing you're pushing ahead of Him trying to serve where He doesn't want you...//...

How do we know 1-2-3 when prayers for wisdom still leave us with Q's 1-2-3. **CHOOSING to stay Damp-- discouraging pastors & SS teachers & visitors....** THE SONG OMITTS A KEY ELEMENT: In the woodstove, there is no wind-- we must let in air. Across centuries, the LORD has used the writing of words as a means of encouragement. The 150 published psalms are obvious examples. (There were many more, incl. Solomon's 1,005 - First Kings 4:32.) Another: Acts 15:30-32: "when they had gathered the multitude together, they delivered the letter. 31 When they had read it, they rejoiced over its ENCOURAGEMENT. 32 Now Judas and Silas, themselves being prophets also, EXHORTED & STRENGTHENED the brethren with many words.".... **The LORD God is able to MIGHT-ily use Facebook as One Tool for us to Encourage one another,** to share His words (Definition of prophecy)!! Not a lot of Creative, fun ones this year. We enjoyed the progression of Super Bowl Babies :) - And then there's the pregnant woman getting an ultrasound while "daddy" annoyingly munches Doritos... & he notices each time he moves, the ultrasound image is reaching a hand toward his chips... Now, most people thought "Cute but ho-hum."

I didn't learn until last night that some people are UPSET-- WHY? Because the company dared to **(QUOTE) "HUMAN-IZE an unborn fetus."** ... a baby in the womb PUSHING TO GET AT the father's Doritos corn chip.

With much COMPASSION for women feeling trapped in unwanted pregnancies... with much ENCOURAGEMENT that God forgives even the choice of abortion when we realize what we've done ... Nevertheless, The LORD God also clearly speaks such as in EXODUS 21:22-23 (see Pattern?) specifically about causing a pregnant woman's baby to die or even just be maimed before birth:

Genesis 3, Satan still lies to us, Let us pray for them to see Truth. Not "**our**" truth, whatever our political thoughts, but **GOD's** Truth. Let's pray the same for us... for God PROMISES it, when we ask: James 1:5 to 6.

A parable 'of sorts' for church-seeking persons who've been hurt... A friend asked re good restaurant in city; I never can remember the 12-letter Japanese name of the one I've enjoyed frequently in last 3 yrs. So I googled it... & found ~5 really BAD customer reviews, all saying that ONE person in their group got really sick that night. Well.... the Flu season has been horrible; most likely a timing coincidence since no one else got sick... Yet **these few reviews will turn away some people from a really nice place... //....**

We have to be very careful to not be critical of new churches we visit, searching for a 'home, fearing to get hurt-- & careful to not later gossip re how 'unfriendly' some were on that 1 or 3 Sundays we visited... It's our LORD God we are hurting when we allow feelings to turn us away from churches based on a FEW churches we've been. AFTER ALL: **\*\*NO\*\*** one has been hurt as much as Jesus was by critical Pharisees even before He died... yet He kept going to synagogue to Worship together as God said. "CONSIDER HIM", God tells us in Hebrews 12:3, "who endured such hostility from sinners against Himself, lest you become weary and discouraged in your souls." ... Words not long after God's command to KEEP going to a church somewhere: Hebrews 10:25.

When finally I was allowed to go play outside again, I looked up & **Really** Looked at Power poles for first time-- **and I thought they'd sprouted mushrooms after the storm.** Mom was VERY confused by my questions... :) ..

... I LEARNED: There was a lot in the world that I was missing by not looking so I needed to Look More....

When I was 4, one day I went in front yard & rolled in grass for hours, refusing to come inside until Mom & Dad agreed to get me a horse... Their response was same as God's when we pray for something not good for us.....

Jesus used a Parenting line that often made us mad as children: John 13:7.. "You'll understand later"...

By LOGIC: YOU are the only way to know you. No one else has your memories, experiences. BY LOGIC: When we say with God's Bible that Jesus Is God-- Well, it's no surprise that Jesus Is the Only Way to Know God-- to Himself.

Interesting trickles of memories... When I was a girl, Grandmother got angry if she caught me crocheting on Sundays; my reason that "It's FUN, Not Work!" didn't fly with her...//..

Dad declared we were NOT going to break the Sabbath by eating out & giving owners reason to make waitresses work Sundays. But I could crochet all I wanted!..//...

My husband & I often took all the kids out to an inexpensive buffet on our "Day of Rest"; only Sunday rule was "Do your homework." (sorry, kids :( ! ) ... Now after finally paying atten to the decline & noticing that God gave 4 long verses to describe What He Wants in Exodus 20, Grandmother would be happy to see she taught me to try to honor Sabbath. We each respond our own ways as God helps us **grow** thru studying His Word Forever: John 14:26 help. 'Traditions' change. Jesus: Matthew 15, God's Laws are forever >> "Whoever therefore breaks one of the LEAST (more than 2) of these commandments, & teaches men so, shall be called least in the kingdom of heaven; BUT whoever does & teaches *them*, he shall be called **great** in the kingdom of heaven.

A child knows what's for dessert so refuses to eat supper. Don't have to be parent to know that yelling & shoving healthy food into mouth won't work. (You WERE a child!). Not good for child you love to just give in to junk food- Health & happiness eventually suffer for child. Only solution: "That's ok, I'll save your dessert for tomorrow after you choose to eat the **healthy** food." ..//..

How we train our child NOW will affect how our child grows up to respond to Father God-- Who will NOT shove His Good-for-us rules into us, even if the result is that our physical/ emotional Health & Happiness suffers. **WHEN DID WE START**

**BELIEVING THE LIE** that the **LORD's commandments are bad & we're happy that Jesus stopped them?** (Matthew 5:17 taken out of context with 18-19 & rest of both halves of God's Bible.) .... No LOGIC in it, we'll see: If we set aside Habitual, Learned Beliefs (Jeremiah 16:19) & *honestly* seek Truth- God's Revelation.

Already not in a 'happy mood' this AM, being lonely missing my husband who's on travel, I took a comfy slow pace this AM, enjoyed learning, worshiping & praising God at church. Then got home & glanced at paper: Full Front Page continued to Full Back Page with stories of mothers whose babies died before birth-- of programs to help them as they grieve. Two decades. :( Two decades & I still weep for Paul Joseph Osborne, whom I never held in my arms....

If we humans can grieve so much for an unborn child, how must infinitely more surely our Heavenly Father grieves when He sees the babies He created being carelessly (without a care) killed?... Two decades for me. An Eternity for our God of compassionate Love. ....

When we're studying scriptures about a topic we truly have a preferred opinion about: Do we KEEP searching for scriptures that support our own point "if it takes 50 scriptures" ... or determine to STOP when we've collected a few that "prove my point"?

Being "the good kid" had advantages like: When I did something wrong, Mom often didn't quite believe it was ME... so without proof, she'd "let it go". She hated punishing us & usually warned for Quite Awhile before finally exerting her authority to do the "Or Else" she'd Promised. We often stopped... but not always... to avoid Mom's OR ELSE.. // ....

2nd Peter 3:9, "The Lord is not slow about His promise, as some count slowness, but is patient toward you, not wishing for any to perish but for all to COME to repentance." .... That applied to His Nation of Israel who enjoyed years of warnings before YHWH God finally did what He'd repeatedly warned was His "Or Else". Matthew 24-25, that applies to All Nations. We need to Stay Aware & Sorrow for the fact that we often stop .. but not always... to avoid God's OR ELSE.. // ....

March 6, 2016 at 8:39am · **IMPORTANT POST RE GOSSIP IN CHURCH**

Most people think it's OK if you have a government Secret clearance and tell a tiny fact that's classified '**only**' Secret to someone with a **TOP secret** clearance. **NOPE**: You can get fired or JAILED - for that one "tiny fact".

The KEY: More than clearance level, the recipient must have a **NEED TO KNOW**. So next time a child- or someone in church-- tells you THIS LIE >>>

**"It's NOT gossip-- it's True! --**

**\*\*Please\*\*** follow Christ and tell them "What's that to YOU? Mind your OWN business!" ..... I'm not kidding, though I didn't believe it when a band member told me **Jesus REALLY said that**. John 21:21. And TWICE God guided his writers to warn us-- 2nd Thes 3:11 and 1st Tim 5:13 >> We ANGER God by being a **Busybody**. That's REALLY the word in God's Bible. And **Satan gets a Double Win**: We anger people & turn them away from coming where they can hear more of God's Truth, in church....

Maybe not a coincidence but a God-incidence example for yest's Secret/ Top Secret Clearance PARABLE re Gossip: To "hear a bit of happiness" this AM before heading out, I flipped TV to old TV station. A

bout 1955, Father Knows Best had SAME topic: Bud gets a BIG black eye! His family's reaction: **Concern about what People in Church will say Tomorrow**-- even discussed Staying Home so church people won't see Bud was in a fight...

Turns out: It's Youth Sunday; Bud has to quote a poem. While people are WHISPERING, mocking that he was in a fight: The Preacher comes to pulpit & reports that Bud's own baseball team beat on him for making an **HONEST** answer to the Referee, which gave the other team a Very Important Game win...

60 years later, & we can still nod our heads in empathy....

So Imagine God's thoughts when we gossip.. or believe gossip..or keep silent....

The intro shows King Saul fighting off Israel's enemies & declares that he "had no idea that his REAL enemy would be a shepherd"...

NOPE: Saul's real enemy was HIMSELF. God had chosen Saul as King, was "on his side"-- but Saul proudly chose to reject God as LORD & chose his own ideas on how to obey YHWH God.... "March 10th. WHY is this a Key Date in my life???"

After a struggle this AM, finally Remembered: A "few" :) decades ago, March 10 was the FIRST DAY anyone ever showed wanting to be with ME... just for me. (Family "doesn't count"! :) After I'd trudged off the school bus yet again-- I found one of the most popular seniors standing by my locker with a silly huge paper mache carnation he'd bought-- just for me.

1-1/2 years later, Steve was still proposing & I was still saying 'no'...

A wise, God-guided choice: When my now-husband proposed for 5 months, & I kept saying 'no', suddenly I realized YES, I REALLY WANT TO LIVE THE REST OF MY LIFE WITH THIS MAN! ...//....

YET: That Amazement is a FRACTION of my **Amazement that GOD repeatedly proposed to me (as He calls to each of us)**...

AND Joy beyond anything I could imagine when I finally said "yes" at 19... Still a Joy. God The Creator WANTS to BE with each "me" in this world. WOW. ... .

Mar 12, 2016 8:42am - God has a Quirky Sense of Humor.... I Like It :) .... Confession: I've been sorta whining to Him (as I think many of my carefully-accepted FB friends have: mostly Musicians who Love the LORD >>> "I **\*\*think\*\*** I'm serving you with this Facebook ministry of parables & quick scripture studies & prayers & Caring... YET.... if I **\*am\***, well...then Why Aren't You blessing it with more friend requests, LORD God?" ..//.. Yep, that's a frequent prayer, I admit. God's (really funny to me) Joke 2 days ago: I opened Facebook & had NINE Facebook friend requests! I'd just joined a Christ-following group-- thought maybe members were being friendly! Investigated each one: They were all fake. God's Joke: I hadn't specified "real" people! :)

*HOW TO BEWARE OF FAKE PEOPLE PRETENDING TO BE FRIENDS:*

IDEAS 4U: **WHAT I LOOK FOR before accepting a Request:**

1. Barely any friends? Sharing mutual friends isn't enough.
2. No profile picture?
3. Has female profile pic & name, but FB says **HE** asked you.
4. The ABOUT tab- usually empty.
5. The PHOTOS tab- usually only a few. Often duplicates.

6. The Public TIMELINE: Might even be full-- but no PERSONAL posts....  
NOT just people saying "Thanks for the request" or  
just photos shared from some other sites: NOTHING written.

**\*\*BUT\*\* this isn't a KEY; many of my TRUE ("real life") friends enjoy hearing ideas but don't post anything.** ..... IF UNSURE after 1-6, and 7 & 8 below are not true: I click "Confirm Request", immediately re-check 1-6, and then immediately Delete the friendship if needed.

7. If the 'person' asking you has a friend whose profile pic is a Black Horse & rider... Well, 7 of my 9 Fake Person requests had that.  
8. Really odd names... 8 of my 9 had that. (You'd think deceivers would have a BIT of intelligence to pick common names!)

I haven't mentioned **my actual first step: I really do pray for wisdom** -- even about REAL people-- God promises to answer that: James 1:6 & 5. SO..... If you're my Facebook Friend, you really ARE an answer to one Prayer! -- DianaDee :)

WATCH OUT, my friends: **Don't assume someone's safe because you share friends:**

AND ReMEMBER: YOU being careful helps OTHERS....If you're not Watchful & you accept any request just to increase your numbers >> **your REAL friends might be fooled because they trust your choice** in friends! ... and remember: SATAN KNOWS what you prayed for if you spoke it or wrote it.... Deceit is his favorite strategy.... Jesus said so: **John 8:44, the Father of Lies is a REAL ENEMY.**

POST -March 14, 2016 at 10:30am (Photo of Charlie Brown trying to hit baseball).

Anyone remember who was the "Fan" who lunged across the railing to catch the baseball-- making the team lose the game?.... I'm wondering if it was mocked in Charles Schultz's PEANUTS strip on 4-14-1999 >> Lucy is standing by outfield fence watching ball sail over. She calls to someone on other side, "Hey, how about throwing our ball back?" **Then someone replies, "Who hit it?" Lucy answers, "NOBODY IMPORTANT."** ... // ..

Last panel: the ball is coming back over fence-- unwanted.... // ...

**PARABLE: NO! DON'T BELIEVE IT! There's \*\*\*No Such Thing\*\*\* as**

**"NOBODY IMPORTANT" in God's Eye... \*\*YOU\*\* ARE important to God -- & \*HIS\* opinion is all that matters. Your DNA would take 1,000s of pages to describe-- ONE strand; God made \*NO one else like you\*! And knows YOUR Name: Psalm 147.**

Mar 14th 2016 9:33pm - Photo for March 14th - In honor of National PI Day, Here are some PI words from God that are Easy to Find when we remember that PI is **3.14**.... Starting with my favorite ever since I FINALLY saw the pattern to now always know where YHWH God says "I AM" is His Name: Exodus 3.14.

I \*LOVE\* God's PI verse thru **Titus 3:14** : "And let our people also learn to maintain good works, to meet urgent needs, that they may not be unfruitful."

The PI verse in **James 3:14** >> "But if you are bitterly jealous & there is selfish ambition in your heart, don't cover up the truth with boasting & lying." (NLT) >>

It oddly matches the PI verse of **Romans 3:14**, "...Whose mouth is full of cursing and bitterness." // - Back to beginnings: Genesis PI is where God cursed that Snake. It fits the sad PI verse of Acts to people who rejected Jesus: "But you denied the Holy One and the Just, and asked for a murderer to be granted to you..."

Psalms doesn't have a PI verse... but Psalm 3 ends in a Wondrous promise: "Salvation belongs to the LORD. Your blessing is upon Your people. Selah" ... Think on this.

Finally (for here :) **2nd Timothy's** PI verse reminds us in 3:14,

"But you must continue in the things which you have learned and been assured of, knowing from whom you have learned them" >>> on to 3:16:

ALL God's Bible Words are inspired by GOD Who Created all the universe -- and managed to inspired ALL His Bible Words. And I personally firmly believe God guided the assignment of verse numbering:

The study of 3:16's convinced me, there are so many key words there!

Many lovely pictures of "home"s.... it amuses me, how many of these I've lived in or near or visited often. When my hubby & I celebrated our 5th anniversary, I also celebrated living in one place longer than I ever had before! We laugh that he'll never truly understand that part of "me"... he graduated from H.S. with friends from first grade! Sometimes I think "Must be nice." And sometimes, like seeing this pics, I'm happy with my Grand Adventure of Life!

**Jeremiah 17:7-10.** 7 "Blessed is the man who trusts in the LORD, And whose hope is the LORD. 8 For he shall be like a tree planted by the waters, which spreads out its roots by the river, and will not fear when heat comes; But its leaf will be green, And will not be anxious in the year of drought, nor will cease from yielding fruit." 9 "The heart is deceitful above all things, And desperately wicked; Who can know it? 10 **I, the LORD, search the heart, I test the mind,** Even to give every man according to his ways, According to the fruit of his doings." New KJV

**The Romans 8:28 of this SADNESS:** We can honestly comfort others with the same kind of comfort given to US when people gave rejected us-- given by our Loving Father God. PROOF (since God cannot lie): 2nd Corin 1: "3 Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, 4 who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God."

This AM, I was sadly thinking, "**Should I pray about what to do-- or is this thing too dumb TO PRAY ABOUT?**".... "Duhhhhh" for my Q itself: >>

Unlike when we ask people for their opinions, **we never "waste God's time"** when we ask Him for wisdom... in fact, when sorta prioritizing what we will or won't pray for, we're expressing Doubt in His Promise of James 1:5-6, DIS-honoring Him, "If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him. BUT But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind." ... Why is it that most of us often do NOT ask?

One of my laments in private prayers this very week was while listening to **Day of Fire's** first album, & remembering one of their first concert tours I saw twice that year (about 2003?)... both festivals had REAL worship music during the worship time...

Now, barely a dozen years later, many Christian festivals still call a scheduled time "**worship**" -- but the bands play only their *own* songs-- *that no one knows*-- often with complicated music patterns not fast to learn or easy to worship with. Keith Green was "before my time" but I sure wish festivals esp still remembered heart felt worship times...

COMMENT, Happy memory, sad that it's less common now:

At some festivals like ALIVE in Ohio, if you're patient to wait til the end of the (not as long there) line to talk with "up and coming" band groups, they'll often talk a long time incl about their instruments, their history, their ministry goal being to serve the LORD...

An astounding insight about God's Love for you: He not only knows but COLLECTS your tears carefully. He invites us to cast our burdens on Him -- Why? "because He cares" (1 Peter 5:7)! Psalm 147, He

Psalm 124... my "go to" in all the times my heart has been broken... the LORD understands... cares... helps... and never calls our weeping some sorta 'lack of faith' as has been lied about Him...

**POST 2 PEANUTS CARTOON new photos.** - Mar 21, 2016 12:41am - A comic strip shows Charlie Brown, lying wide awake in bed, to Snoopy who's on top of blanket in the dark room:

Hart often had thought-filled cartoons not just of religious themes that reflected his own Christian faith, but as Doors to Explore ideas:

B.C.: "I hate the term "Good Friday. B.C.'s friend: "Why?"  
B.C. "My Lord was hanged on a tree that day.  
B.C.'s friend: "If you were going to be hanged on that day, and he volunteered to take your place, how would you feel?"  
B.C.: "Good". B.C.'s friend: "Have a nice day."
