YEAR 2017 **FALL PARABLES IN LIFE**

POST October 1 at 8:36am · Photo of plump cat sleeping inside a “beehive” ball made out of same card board as scratching pads for cats.

I still laugh over a conversation 5 years ago. I took little Lea to a vet that's just for cats. After the exam, as the vet & her assistant were walking away, I remembered a question I'd planned to ask with concern: "Does Lea weigh enough? Is she too thin?" The vet kept walking and replied, "Oh, she's perfectly fine."... As they walked out the door, I heard the vet mutter to her assistant, "It's so NICE to have a cat that's NOT a basketball." !! ...//... Well, it IS a temptation to **over-ble**s those we love... even pets! Thanking God He knows when it's best for us that we get a "Not Now" blessing answer!

When I was 12, I got an EXCELLENT in a major piano competition, but of course I wanted to know why I didn't get a SUPERIOR when I knew my playing and form had been flawless. The answer: No passion..... a lesson that's been quite useful for a few more decades of music love. ...//.... I think about that when I hear people complain that churches and / or musicians for the LORD in church have no passion for Him... Is it a matter of insufficient practice? (See 1st Chronicles 25, working to increase skills.) Or a focus on "looking good"? Or a FEAR of mistakes that creates that focus?..... As a music leader for many years, I have often suggested:

PRACTICE as hard as you can during choir or band "practice"....
and WORSHIP with all your Heart for God during Worship Time.....

Paying attention in timing & notes etc to your leader, of course!

POST October 2 at 8:38pm ·

Coming back from studio in the city today, took 4-lane "back road" to avoid I-95: Car to my right decided to drift into my lane, so I braked gently & he eventually moved back--then raced ahead. Meanwhile, driver behind me got MAD that I dared slow him down! He raced around me, pulled in front, then slowed to 30 (in 45) to annoy me-- & hurting his own rush!

BUT I just laughed :) >> If he'd been paying attention, he would've seen that my few moments delaying him **SAVED him at LEAST 1/2 hour** waiting for police had the other car hit me right in front of him... and I wasn't in a bit of hurry.//... YET: **Isn't that EXACTLY what we're tempted to do with God: Get MAD when He slows us down,** not blessing as we prayed... when HE sees that delaying us saves us sadness!

October 3 at 9:21pm ·

Riddle: What's the LINK?> William Wilberforce of England & the topic of Sabbath? >>

W.W. struggled for years to convince British peoples that slavery was wrong.

Their common answer: "But we've always had it". ..//.. Matches a lot of "always have" in History. Including Q of the Sabbath being changed to Sunday.

It's Past Time to *STOP BLAMING* "The Catholic Church" for decisions of the past... Instead: *Today* be LIKE the BEREANS: Seek Truth diligently. (Acts 17)... Build on scriptures-- not "**Tradition**"... Jeremiah 16:19 is intriguing prayer: O LORD, my strength and my fortress, My refuge in the day of affliction, The Gentiles shall come to You From the ends of the earth and say, "Surely **our fathers have inherited lies**, Worthlessness and unprofitable things." JAMES 1:5... Pray for Wisdom, & God **will** Answer....

October 4 at 10:30am ·

The State Fair is always fun for watching people as well as learning things... like hogs can't read the sign that they're supposed to race. :) Enjoyed the different music styles from 25 miles from my husband's high school... versus (Not so much) the disorganized-sounding "hard rock" band-- and I do love super hard rock bands like Seventh Day Slumber... So MANY kinds of food there, it was amazing! And mostly greasy; I ate my package of rice+beans! ... //....

So fascinating to see how different we people are... Yet God loves us each, even inspired within us some very **very** different dreams.... like BlueGrass versus Grunge Rock sounds: Each can be used to attract people to His words, Truth.

October 4 at 9:50pm - Romans 14:13 is SAD: "resolve this, not to put a stumbling block or a cause to fall in our brother's way." >> Jews think Jesus taught people that he ended the law, so they refuse to listen to any of his teachings out of fear YHWH will punish them after all His years of punishment for dishonoring His Sabbath laws and Isaiah 66 etc pork laws.... Really:

What harm is it for Christians to avoid pork, & avoid working Friday sundown to Saturday sundown, anyway? for the sake of being able to witness about Jesus as Savior to His People the Jews??... We SAY we'd do "anything" to tell people about their Messiah... God's laws were made for our good. Why do we fight so hard against them??? (Of COURSE *keeping* laws does not "save" us; shows that we respect God, though.)

Isaiah 66:22 is still **FUTURE**: "**when** new heavens & the new earth" come... So is verse 23: When God Himself still calls Day 7 "Sabbath" & people COME WORSHIP Him: '*And it shall come to pass that from one New Moon to another, and from one Sabbath to another, all flesh shall come to worship before Me,*' says the LORD."

October 5 at 10:13am · PHOTO = a Searching "This Mac" screen capture.

Funny comments on Facebook after Windows skipped from Version 8 straight to V.10 included: "Haven't they noticed that it's the *ODD* ones that work... and they SKIPPED it!"... Windows 10 HAS had problems! ;) I use it on my laptop (can't afford Mac laptop)... but I love my Music Studio workstation's Mac. Its SEARCH engine is WOW. I was struggling to remember which of many songs I'd recorded back in 2011 had JUST a specific lyrics line in it. *Not a chance* of finding it on PC. Went to my Mac: Found the 5 words INSIDE a doc in *seconds*...//...

VERY scary to remember God can search me even easier & know my every thought better than I myself can remember. Jeremiah 17:10. But AMAZING: He loves me **anyway**. Loves us EACH anyway. WOW.

October 6 at 2:34pm ·

A new college freshman, I walked a mile to church each Sunday August thru Oct: No one (I mean NO one) **ever** spoke to me. When the preacher (big church) shook hands after service: He never made eye contact. **EVER**: Smiled, but looked to next person. So hey, I had plenty of other things to do... & Quit, despite having gone to a service weekly for 17 years.

Guess it was a New Year's Resolution to go back, so in Jan I picked a Big Baptist church. 1/4 full each week, only one family talked to me-- AND gave me a ride 1 mile back to college each Sunday. Services were a BIT bigger than this cartoon video.

But then EASTER SERVICE came: 3 choirs, TV cameras, everyone clapping & singing loud, VERY different from normal. I wasn't "mad", I was **FURIOUS** at "The Show".And I left "Church" for 2 years.

Point: PLEASE look at your church from a Stranger's perspective. You never know when its coldness will be the Breaking Point when a visitor decides to Quit Church... or a regular come-r like I was...

POST October 6 at 8:56pm ·

A new friend had just moved to the DC area from a desert state. She expressed deep disappointment as we gathered for a church Bible Study right after a light rainstorm: Everyone was exclaiming, "Oh, did you see that GORGEOUS rainbow on the way here?!" She said "I didn't see it. I've seen pictures, but I've never seen a real rainbow."...//....

She KNEW of course rainbows exist. Is it not ASTOUNDING?: Technology has shown us microbiology critters & astronomy galaxies that once no one believed existed... **Yet so many humans still declare "I won't believe in a God unless I see Him."**...

POST 7 October 2017. Yesterday at 8:31am · at SUKKOT camping:

The full silver moon came up in early evening and lit the sky til the edge of dawn this morning... as it **always** does in the 7th month of God's calendar. Cool beauty for

the specific week EACH week for CENTURIES during the week God told people to *celebrate* & *remember* Him, during the Feast of Tabernacles, also called Sukkot. Leviticus 23 is reflected when Jesus & disciples went to mountain & they asked Him about building a tent (aka tabernacle): Matthew 17:4. FULL MOON: Light of God.

POST October 8 at 9:15pm - GREAT PHOTO of old man & woman passing, walking slowly on sidewalk in opposite directions – but the long morning shadows on wall show a young woman and man dancing like Fred Astaire and Ginger Rogers.

NOSTALGIA: Is there a ONE among us who doesn't want a **DO-OVER** for something past that we'd like to "do better this time"? OR... a lovely period of life we yearn to have back & never shall? Ahh, how I dearly miss having all our children at home (despite the chaos :))... or teaching the H.S./College youth again: I love their honesty & ideas!... God actually COMFORTS us in His Bible about it! > I flipped without a plan into Bible, found Ecclesiastes 5:19-20, "...[to] rejoice in his labor—this is the gift of God. For he will not dwell unduly on the days of his life, because God keeps him busy with the joy of his heart."...//...

God comforts us when we're sad about our Past being Passed... "Peace I Give You..." -- Jesus, John 14:27. Peace that passes all understanding." -GOD thru Philippians 4:7.

POST October 9 at 6:55am - with photo by Bim Ingersoll (*see next post*): Shows old woman with smile & hair bun standing in front of her organ with a rifle over her shoulder and the caption, "Wilma quiets the congregation for her Prelude."

POST: ... a rather stronger version of a musician's thoughts after hours of practice for worship music :) ... Thought I'd share a smile with y'all "who understand" ;) I've never even *considered* such, of course: But it IS funny - every once in awhile (in a 'mood') --

to suddenly stop playing and then watch people suddenly realize how loud they sound from trying to talk above the prelude music that's supposed to draw people's focus to PREPARE their hearts for worshipping our LORD.

POST October 9 at 6:46am · Cartoon of GLADYS with electric guitar in front of Marshall stack of amps, caption: *After 50 years as the church organist, Gladys made a genuine effort to adjust to the new worship format. CREDIT (seldom given): Bim Ingersoll*

I'm highly amused when people assume that because I'm older, my "style" is *sweet, soft praise music*. I love their reaction when I say I spend much of my time at music festivals at the **hip hop & hard rock stages**... It's funny when they listen to a song & say "YOU recorded that style?!"... Of course it helps having fantastic Drummer & bass player and the amazing lead guitar (both credited on my website www.DianaDeeOsborneSongs.com **PARABLE:** Isn't it ****SO**** cool that The LORD knows exactly how we think! AND LIKES being with us, hearing us talk with Him (AKA "pray").... But He also wants US to not judge others based on our expectations of how people "like that" must think. CARTOON CREDIT (seldom given): Bim Ingersoll

My added COMMENT LATER: For those who don't get Bim's joke (the cartoonist) of the Marshall **style** amps being called **MarSHill**.... That's where Paul gave

his famous sermon in Athens thru which God reached 1000s of people with His Truth: Acts 17:22 (on)... Great SIMPLE outline as we seek to share God's gospel

POST October 10 at 12:29pm · PHOTO OF OPEN BIBLE says, "*Hey Satan, we read the back of the book. and guess what you lose.*"

People love to "mock-ingly" declare what this picture says. Forgetting: **Satan** has read it, too. **That just makes him all the MORE in a rush to try to deceive** as many of us as he can so that we whom God loves will be destroyed (John 10:10a, the less-quoted half)... Ephesians 6's end is about wearing God's weapons in CONSTANT readiness... as Satan mocks back all who think they're safe without daily putting on God's gift as God warns.... Satan's strategy is to bring you many battles between Now and Then. Eph. 6:12- WRESTLING against dark powers.

COMMENT 10-10-2017 to a post that "If we leave our heart open to Jesus, He won't have to knock to ask to be let it." Me: Amusing timing to see your post: Today I drafted lyrics to PORCH LIGHT PRAYER, based on back when our grandparents would invite people to "come over any time-- I always leave the porch light on for you!".... and the parable to **Leave our "porch light" to our heart open to the LORD. :)**

POST Oct 11, 2017 8:21am

Solomon was a BIOLOGY TEACHER: After we learn that he wrote 3,000 proverbs and 1,005 SONGS (of interest to us musicians!), God inspired the First Kings 4 writer to tell us: "**He described trees, from the cedar in Lebanon to the hyssop growing out of the wall. He also taught about animals, birds, reptiles, and fish.**" -- Verses 32-33... ALL wisdom being from God, of course... a Truth that reminds us to be humble!

COMMENT added LATER: October 12 at 8:37am Job 38- BIOLOGY (geology, astronomy, zoology...) as God starts His answer to ALL of us, also >> "Who is this that questions my wisdom with such ignorant words? ... **Where were YOU when I laid the foundations of the earth?** TELL ME, IF YOU KNOW SO MUCH! Who determined its dimensions & stretched out the surveying line? What supports its foundations, & who laid its cornerstone as the morning stars sang together & all the angels shouted for joy?" QUOTE of Dr. Alveda King, niece of Martin Luther King, Jr. >>

"They great irony is that abortion has done what the Klan only dreamed of... Roughly 1/3 of the black population is now missing."

Not only those children aborted... but by now, all **THEIR** children who would have been born to them and even grandchildren & future great-grands.... a heart breaking truth for those who believe-- no, who KNOW that ALL lives have always mattered.....

COMMENT 10-11-2017 to someone asking what's a 1/8th note with a line thru the flag:

ME: I tell my bass students that if they hit the wrong note & quickly move to the right one fast, there's literally a music notation that makes it All Right: The Grace note. They get the Pun & God's parable. That's what you have: A GRACE note:)

Today = TRUE Columbus Day... Were you taught?>> God guided events to this Land of America at EXACTLY when His people Israel, "the Jews", needed to ESCAPE from all the murders of them being done overseas in the name of Christ... including during the Spanish Inquisition when Jews were given 24 hours to (1) convert, (2) get out of Spain, or (die)...

REMEMBER MOSUL just months ago? Same as radical Muslims said...The DATE of that Decree of Murder was only 7 MONTHS before Columbus found this place of REFUGE: >> "Ferdinand and Isabella issued an edict on March 31, 1492 that gave Jews the choice of exile or deny their faith in God-named-YHWH by baptism. 160,000 Jews found safety because GOD guided them to homes in America after COLUMBUS SAILED THE OCEAN BLUE IN... **1492**. <https://www.britannica.com/topic/Spanish-Inquisition>

POST **13 October 2017** about 7:15 AM. 37 mins ·

Feeling Weary? Many reasons to feel worn down-- these days Facebook is often discouraging too, EVEN WHILE having the potential of being a great communication tool for serving God.... Great reasons to IGNORE our weary feelings & focus on God's Truth! > Psalm 36:8 shows PROMISE of Jeremiah 31:25 beginning at 23a "Thus says the LORD of hosts, the God of Israel:..."

"For I have SATIATED <filled to the FULL-est!> **the weary soul, and I have REPLENISHED** every sorrowful soul." ...

We have only to call out to Him &, like the Prodigal Son's father, & like in James 4:8--- **He RUNS to us.**

POST October 13 at 3:37pm ·

This is sad... T just wrote a very good, very short summary of how Jesus ended the "LORD's PRAYER" example (Matt 6 & 18; Mark 11).... That God offers NO EXCUSES for us to refuse to forgive each person for each thing done against us... and THEN T.'s post got *swamped* with people declaring *all sorts of Theology about God & Forgiveness...* **not** the topic. Just moments after I typed ENCOURAGEMENT about his accuracy, but before I hit "Enter" >> T. gave up & not only hid his post, but left Facebook (FB 'couldn't find' him)...

Like my post early this AM says: We have many reasons to feel worn down, **INCLUDING Facebook. Take courage**, rest, & return to **Serve in any way God calls!**

POST watching TV movie – October 13 at 11:54pm ·

I was a child when my Dad 'treated' us to a rare movie theater trip... I still remember the trauma... Have NEVER again seen PAST the Wedding Scene which is now playing on TV, at 11:55 PM... not sure I'll have courage to, tonight, either...//..

I wonder if the little children actors in that movie-- now in their 50s-- feel the pain of remembering being in FIDDLER ON THE ROOF... And that was JUST the re-enactment that "ended better" than "real life" for most who suffered... and for their children today in their 50s & 60s:

I met one this week on the campground, whose father created Richmond Virginia's Holocaust Museum as his way of teaching what I NEVER learned in school... Surely God is heartbroken by both evil cruelty & its repeats in various "forms" of death & injustice.....

PHOTO: Man diving into dragon-like cave pile of gold and treasures: "What matters most to you shows the Most ABOUT you." -- a new bank commercial with an ancient Truth from God Himself.

"Better is a little with the fear of the LORD, Than great TREASURE with trouble." (Proverbs 15:16).

PEACEFUL PEOPLE trust God to provide all needs-- They don't accumulate TREASURE of gold, jewels, cars, mansions or big houses as "Joys in Life". Besides- these give more to *FEAR* of Loss, WORK to CLEAN or take care of, & use our precious TIME.

"For where your TREASURE is, there your heart will be also." - JESUS, quoted twice: Matthew 6:21 and Luke 12:34 PATTERN 1-2-3-4.

POST October 15 at 6:26am 51 mins

Awoke this cold AM, was startled as I walk out bedroom door barefooted & stepped on WARM floor. Realized: My huge Maine Coon cat had been sleeping there, waiting for me to awaken. (Wisely moving as I opened door :)

Sweet reminder of a prayer God guided me to put into song, based on Bill Watterson's strip: Hobbes awaken Calvin early in AM. At first Calvin is grumpy until he realizes Hobbes is excitedly speaking of all that they can do together now that Calvin AWAKE! Calvin jumps up with excitement, and he comments, "It's hard to be mad at someone who MISSES you while you're asleep." My Prayer: May our Lord Jesus find JOY in my Awakening each morning!

VERSE 1:

JESUS, I yearn to be such a good friend to
You look forward to when I'll awaken and
Jesus, for You're my dear Friend.

You that when You watch me sleep,
look forward to when I first speak to you,
Jesus, HELP me be Your friend.

VERSE 2

Awaken my love for You more and more so I won't cause You more hurt, my dear Friend.
I look forward to when I'll awaken and once again praise and worship Your name.
Jesus, for You're my dear Friend. Jesus, HELP me be Your friend.

VERSE 3

Help me to NOT love You JUST for Your blessings, though they all amaze me, as does Your Love!
Help me be YOUR friend, that when I awake, my first thought is of You,
eager to be with You, Jesus.... Jesus, for You're my dear Friend. Jesus, HELP me be Your friend.

SPOKEN: Jesus said, "No longer do I call you servants, for a servant does not know what his master is doing; but I have called you FRIENDS, for all things that I have heard from My Father I have made known to you." ---Jesus in John 15, verse 15. [all in New King James Version]

Song Story. These lyrics were written in six... 6... minutes, as an actual prayer closet prayer. Remember: I mention that not to brag on 'me' but as exciting example of Jesus's words in Matthew 6:6, of the adventure and joy of spending time with our God. May our Lord Jesus find JOY in our Awakening each morning!

The original inspiration for the song concept was a Calvin & Hobbes cartoon strip I had read the day before - Bill Watterson, IT'S A MAGICAL WORLD, Andrews and McNeel, ©1996, pg 37.

October 16 at 10:52am ·

Looked at billowing gray clouds blanketing sky, & grumbled-- as a friend often does with a friend-- "LORD, this is the 3rd morning on the beach without a sunrise." And then it seems I heard a LAUGH-- as a friend to a friend-- "The sun DID rise. You just couldn't see it :)" ... On Wrightsville Beach, NC, the Holy Spirit inspired song ALWAYS THE SUN... with simple LOGIC: (1) The sun rises EVEN when we don't see it. And (2) God is with us who truly love Him EVEN when we don't "see" Him. (3) Fact don't change with our VIEW. As the chorus concluded, repeatedly: ALWAYS THE SON is here. Matt 28; Hebrews 13:5. COMMENT 10-17-2017.

First Kings 19 is one of God's "compassion" comforts for us... evidence that He Understands when we're down & even angry at Him, ready to give up... evidence that He doesn't "zap" us for lack of faith (especially after having proved Himself to Elijah just

hours before), but instead provides our simple needs until our bodies & 'heart' are ready to 'go' again... May you soon find joy in realizing all the people you have helped for the LORD thru your Facebook ministry alone... people who care about you, pray for you amid "everything"... share in sadness & in comfort: 2nd Corinthians 1: 2-4.

My mind's been SO exhausted all day... but I made myself go to gas station tonite: Was down to only 40 miles left on tank. Hospital is 35 miles away. There are NO stations during a 18-mile "country stretch"... So: Forced myself to do what I was too tired to do, "just in case".... The consequences of NOT could be terrifying: We've found from experience... In Ephesians 6's end, God tells us the same: We don't *expect* to need His weapons of defense against "Satan's flaming arrows", but must "keep our tank filled" >> pray & remind ourselves each day of God's Word: "Just in case." The consequences of NOT could be terrifying...

Sadly bemusing yet ENCOURAGING words for pastors and church leaders-- and those who seek to serve God thru a Facebook ministry. >> Jesus had barely begun his ministry (including feeding thousands and healing people)... and YET by John 7:12's time, already "There was much complaining among the people concerning Him." 1 fact: in **6:66 (fascinating number)** many **gossiped** against & left Him.... so: *Take Heart!* Jesus was perfect and **yet** people complained! Which proves He knows first-hand how you may sometimes feel. **Exactly what Hebrews 12:3 encourages!**

A wonderful river spot I found & call "Still Waters" (song title) yields not only peace, but some "good shows" watching inexperienced people bring their boats in. Today I was watching the geese fly & not paying attention til I heard two long "screeeeech"-es..... No kidding: The couple's little boy said as they finally pulled the boat up & away from concrete side of ramp, **"Don't worry, boat: You don't have to scream anymore."**.... //....When annoyed by struggles, it's interesting to ponder what others are thinking of us as they observe. Keeps down "bad words" too, though hopefully we'll never inspire "screaming boats" ideas!>>

Some of the best expressions of thoughts are not in Philosophy or Poetry but "fiction"... It is a flower dying in the desert." Some people understand better than others.... COMFORT:

Psalm 38:8 NKJV "The LORD is near to those who have a broken heart, and saves such as have a contrite spirit."

Psalm 147 interpretation: He who knows each STAR's name certainly knows YOURS!.. and He cares about you..... 3 "He heals the brokenhearted And binds up their wounds. 4 He counts the number of the stars; He calls them all by name."

Psalm 63:1 My soul thirsts for Thee, my flesh longs for Thee, in a dry and thirsty land, where is no water."

Awoke to find open Bible under my head; guess I fell asleep FAST last night! Laughed at sudden 'ancient' memory: In High School one night before an exam, I was desperate enough to try what some friends told me... that if you use the textbook as a pillow, you subconsciously absorb info in your sleep. Didn't work! 😊?... Doesn't for the Bible either. But unlike for physics texts, WE have Jesus's promise in John 14:26>> When we pray (sincerely), the Holy Spirit helps us remember what He said. Leading to vs 27, PEACE. And James 1:5, WISDOM.

COMMENT same night: Many of God's scriptures are comforting, like lullabies a father uses to help a child rest... As long as we do indeed seek to study His word like the Bereans did (Acts 17), I think He's pleased when we also use His words for comfort... Wonderful dream of people *welcoming* me to their group, smiling, encouraging.... Later after I'd been gone awhile, they were concerned & checked up on me... Such a LOVELY feeling of being "cherished", cared about... Awoke slowly, still enjoying... til I began wondering if this was God's dream to observe **what a CULT begins like**..... as compared to most churches where members can be gone for WEEKS without being "missed"... Has happened to me (several churches)... & more sadly, to my mom whose church hasn't contacted her for 5 years since she began being too sad to go "for a few weeks" & then **no one ever showed care**.... For FIVE years for an elderly woman who was faithful to church ALL her life.. Are we "open" to God's thoughts to write or call "missing" persons?

Exactly how DO we in "CHURCH" show "the love of God"?

POST October 24 at 8:53pm · PHOTO: Nothing can stop the blessing of God in your life. What God has blessed, no one can curse.

It's become REALLY hard to truly enjoy fruits & flowers of God's Creation because of all the fake air fresheners & soaps imitating them.... No fair when the fragrance of fresh lemonade reminds me of doing dishes ?...//...

2nd Corinthians 2:15, "WE are to God the fragrance of Christ among" people. QUESTION: Do We actually STINK to seekers of Truth who are turned off by people who use His wonderful Name-- but show attitudes that reveal "fake smells", NOT God's??

God's FULL scripture passage re HIS Fragrance that we are to share: 2 Corin 2: 14-17, 14 Now thanks be to God who always leads us in triumph in Christ, and **through us diffuses the fragrance of His knowledge in every place**. 15 For **WE** are to God the fragrance of Christ **AMONG** those who are being saved and **AMONG** those who are PERISHING. 16 To the one we are the aroma of death leading to death, and to the other the AROMA OF LIFE leading to life. And who is sufficient for these things? 17 For we are not, as so many, peddling the word of God; but as of sincerity, but as from God, we speak in the sight of God in Christ."

REAL life... not fake flowers, however beautiful they look from a *distance*!

a "sermon never heard": The # of years to build the Ark is a "foolish dispute" (Titus 3:9). Whatever the #.... As that MASSIVE boat got built, it's "human" that people mocked at first... But don't you wonder?? >> **As people clearly saw the Ark nearing completion (or heard of it), surely they must have WONDERED if anything would happen at the end?.....** Surely mocking got more "nervous" when the final roof boards began to be put in place?..... Matthew 24: We're watching the "final roof boards" set ups needed for Prophecy quickly falling into place even within just the last 10 years.... Like Revelation 11:9's req't to see the 2 prophets "news event" around the globe. YES: people mock: But we KEEP warning, Ezekiel 33: God may use us to convince some to be "nervous" enough to seek Full Truth.

Comment added later: Photo: # of BITCOIN transactions per MONTH... I personally am fascinated by the possibility of BITCOINS being the universal monetary system that can prevent people from "buying or selling in the marketplace" (Rev 13:17)... esp when I can return something bought 3 months ago without a receipt because the store can look up EXACTLY everything I've paid for there with my credit card... Not so with bitcoins. ("They" say.)

No: That is a specific something (we don't yet know what) that people must have in order to buy food etc. BUT there needs to be a single currency to control. No matter what God has in mind: After all the annoying tracking of everything you buy using credit cards, I'm enjoying learning more about bitcoins even while using cash for a lot... while we *can* use non-tracked (usually though it's possible) *cash*.

Ever consider how big a paper Luther needed to fit a list of 95 detailed statements on it? Been reading the "95 theses" in prep for the 500th anniversary in 4 days... Rather understandable as Shakespeare, the way words are wrapped in the grammar of the day. But Luther's #86 truly was funny... which the Pope did not appreciate. NOT FUNNY: "Indulgences are most pernicious because they induce complacency and thereby imperil salvation."... CONSIDER people who go to church 2 hours a week & barely think of God the rest, feeling "secure" and "saved" (All week ignoring James 2)... Why did God pick PENTECOST Day (Day #50 after Passover) to send His Holy Spirit as a witness to PEOPLE OF ALL NATIONS? (Acts 1,2,3). Because ALL His people Israel were required to go to Jerusalem for the Festival of Weeks to bring offerings to The Temple. (See Comment 2 below for scripture info).

Why did Martin Luther pick October 31st to NAIL his beliefs to the church's front door?? (1) Nov 1 = required-by-the-Church day to attend services for All Saints Day. (2) **Possibly** because Luther knew Hebrew well, & knew **Nehemiah 9 is all about October 31, 445 B.C.** -- when the people had just found God's Torah... written in their own language (unlike Catholic Bible) -- and their JOYFUL response was to STAND IN HONOR "for 3 hours while the Book of the Law of the LORD their God was read aloud to them. Then for 3 more hours they confessed their sins & worshiped YHWH the LORD their God." (NLT)

So Amazing!! **We are offered, if** we honor God & show it by Obedience (Malachi 3: 16-17 in last post; plus John 14 & 15, Jesus defined how to be His Friend) **DIRECT ACCESS** >> **no** human priest needed (which people didn't know, with Bibles provided only in LATIN) >> 14 "Seeing then that we have a great High Priest who has passed through the heavens, Jesus the Son of God, let us hold fast our confession. 15 For we do not have a High Priest who cannot sympathize with our weaknesses, but was in all points tempted as we are, yet without sin.

16 Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need." COMMENT 31 October 2017.

Ever wonder why Luther picked Oct 31? Obviously, Nov. 1st as All Saints Day was mandatory mass, many would see. Luther as scholar also knew Oct 31, 445 B.C. was date of Nehemiah 9, when people had "FOUND" God's lost Laws (after captivity) & stood 3 hours in Respect to hear them read...+ another 3 hours of worship... >> https://www.blueletterbible.org/nlt/neh/9/1/p1/s_422001

IMPORTANT COMMENT to someone pointing out how churches are **drifting** from God's Scripture truth, & asking, "Should we flee the "church"?"

ME: A parable I use a lot:

If all the strong kids leave the playground, who will be left to defend the other children from the bullies??..... sometimes YHWH calls us to STAY (in faces) so people keep having to THINK about what His scriptures truly say..... Jeremiah 16:19, how else will church people know to even question traditions?

COMMENT 31 October 2017 to someone who asked "what to say"?:

Because other people bring up topic of "spirits" on Halloween, it's a great time to speak back to them about God's Truth. A FUN way to teach how there's NO CURSES for those who honor God: Sharing about how "poor **Balaam**" **tried his best to curse God's people** (Numbers 23 to 25)... But a SAD conclusion:

Like Satan, he figured out how to get us people to "get ourselves cursed" by convincing people of the "fun" of rejecting God-- like by honoring the Occult things. >> https://www.blueletterbible.org/nlt/num/23/1/p1/s_140001

COMMENT 10-31-2017 with Matthew 7:23, Jesus will say "*Depart from me-- I never knew you.*"..... **Me:** Because churches (in general) keep teaching the HALF-Truth that "God is LOVE LOVE LOVE", people aren't hearing the WHOLE Truth that "God is HOLY HOLY HOLY"..... Ezekiel 33 should scare them as much as this truth.

Mathematical extrapolation = dating method that claim "billions of years" by people who WANT Evolution to be true so search for "proof".... YET a simple example in daily news: Climate changes in only 200 years, whatever the cause, are recorded. YET evolution requires a CONSTANT weather pattern to "prove" with a math formula how many years it takes carbon based things to degrade...

THE FURTHER THE DISTANCE in geography OR in Time, the greater the influences that can create mistakes in estimates. *AIRPLANE eXAMPLE* >>>
Fast-moving objects are influenced by the Coriolis effect. Pilots must take the Earth's rotation into account when charting flights over long distances... A plane flying from Portland, Oregon, could not fly in a straight line and land in Portland, Maine. >>

We have MANY examples in science and math of how TIME affects things... obviously including weather, atmospheric conditions as the Earth cools or warms up a measurable even if small amount over years....

It is ONLY people who do not want to even consider the possibility that there is a Creator who could instantly speak Mountains into existence who accept Science & Math examples on everything else but demand "Evolution" theories be called facts... Despite proven examples of carbon dating being wrong when tested against known-age objects (such as things that were in a fire).

Thomas my original Web Developer hadn't yet added strings to his art photo of my Carvin guitar when God gave me this idea: I told Th to KEEP them off -- as a

Symbol Forever to teach via my Website: NO way to write songs without God being the Inspiring Power like The Strings: Ephesians 3:20-21... :) ...

BACKGROUND: Zephaniah 3:17... "The LORD your God in your midst, The Mighty One, will save; He will rejoice over you with gladness, He will quiet you with His love, He will rejoice over you with singing." >> THIS = the scripture I "accidentally" found flipping thru Bible searching for guidance on FIRST NIGHT I became a Christian at 19-- and AGAIN "accidentally" on the 2nd night. Who in the world "ACCIDENTALLY" finds the 3 pages of Zephaniah in a huge Bible-- except By GOD?!

This morning's cold biting winds seems to have encouraged the Canada geese to *finally* fly south -- squawking loudly above me. At least they fly fast. Sadly, Monarch Butterflies staying in the far north's Warmth of Late Fall too long might die-- too small & slow to battle sudden cold winds rushing in. **HAPPY WARMTH kept them too comfy to want to leave-- the slowest seen by Monarch Watch for 25 yrs...!!..**

Sometimes WE are too comfy where we are-- and God has to send troubles to "wake us up" & get us to move to the TRUE "Happy Place" He's planned for us... 3 years ago, the media kept showing a synagogue with pools of bloods-- where terrorists "had fun" killing worshipers.

God's Furious Words are relevant still today... not just to THOSE people but to people in America (etc) who haven't figured out that COMPASSION for women does NOT allow for spilling the blood of conceived babies. Creator God calls them PRECIOUS-- as are His people both within & outside the Tiny % of Earth that is Israel. The words of God-Named-YHWH (Isaiah 42:8, Exodus 3:20-21) >> ...

John Cage's Imagination of his unique idea- a *completely* different composition- has been called genius...by some. (Fascinating article describes it.) People's wide range of reactions the very first time a pianist (in a concert they'd paid a LOT for) "played" his creation named 4'33" ...<4 minutes 33 seconds> were FUNNY in their range, from laughing to anger! ...//... T

he article brought to my mind, though, the memory of my terror sitting in front of a concert grand for the first time in front of about 100 people-- including 4 judges.... About 1'33" of Silence were added to MY concert piece... & "genius" had nothing to do with this 14-year-old's "creativity"! ... I'm always so amazed at how the slightest flick of an article or a smell or a sight can bring an ancient memory back to "reality". Genius= God's design of our brains!

PARABLE in 4'33" music 'composition' posted yesterday... God's Parable to *COMFORT* each of us: Quote in article... "But when a musician sees a REST in the score, that rest is STILL part of the composition and is a valid part of the overall work."...//...

When you or I think God is RESTING & NOT ANSWERING our prayers by DOING something.... Well: The time of REST is ALSO part of His Composition Plan for our lives. And when, like the muttering audience (see article) we get more & more ANGRY at God's Silence... We've lost the whole point of Psalm 46:10 and Etc in God's Comfort Word Bible: Be Still. Last year was almost my last Thanksgiving, with recovering from May's poison spider bite that put a lot of water around my heart; deadly blood sepsis only 2 weeks after that annual family reunion, & a very dangerous fall this past May where I heard a "crack" as my temple hit the pavement...

MORE than EVER: There's a Peace knowing God will work out what's best... including 100s of Blessings we never even knew of, many that saved our lives. How sad that "Let's say Thanks" has often become a cliché for the cliché of "saying grace... Thanking God.

Let us each cherish & thank God for the friends we have-- & not just those in our "Geography" but also here on Facebook.... May each of you, my friends -- and I don't use that word lightly but literally -- be blessed today with Peace Amid your Busy-ness....

and given by our Great LORD God very many blessings-more thru this coming year to have fun GIVING as well as receiving! ~~DianaDee Osborne

We're in the same quandary about Santa Claus: What do we SAY? Our children see "him" everywhere! How can we explain the Real Meaning of Christ*mas? ... A good start is to explain that good Saint Nicholas who secretly left gifts for needy children was called by Dutch children who'd immigrated to New York "Sinterklaas" ...

and Washington Irving's 1809 book, "Knickerbocker's History of New York", made him so famous that children everywhere wanted to remember him.... but kept mis-saying the saint's Dutch name as "Santa Claus"... To be continued >>

What do we SAY to children about "Santa Claus"? Are we afraid they won't believe the Real Meaning of Christ*mas... the birth of God's Son coming for us who were Dying in Need of a savior? ...

CAN'T ignore Santa Claus: They'll envy their friends who teach them. So... In God's wisdom you pray for (James 1:5), TEACH about the real Saint Nicholas to encourage children to learn to enjoy Giving: Nicholas secretly left food & gifts for children-- incl. \$ to avoid slavery. Teach that SC's name itself came from Dutch children who'd come to NY calling him "Sinterklaas" ... with the foreign words sounding like "Santa Claus"... MORE details in yesterday's post >>

Even at 12, I didn't believe everything "preached at" me... Dad didn't appreciate me "thinking for myself" when I'd sometimes comment that it seemed like a mean trick for God to just SOUND like He meant He'd not destroy the earth again, period.//.. Watching all worldwide news esp of Fires, I realize:

God doesn't need to destroy Earth by fire or anything else. We humans with our selfish carelessness OR evil like Arson (PHOTO: Gatlinburg, last year this week, burned by 2 teenage arsonists) are doing a daRned good job by ourselves. And I really mean the other "D" word.

This a **Lantern Fish**. It shines a little bulb of light right in front of its cutting sharp teeth.

Fishes swimming thru the dark waters

get EXCITED thinking the light is something good...

and swim right toward Danger... Very much as God describes thru **First Peter 5:8.**

Satan NEVER can make us choose Deadly. But he entices us to come closer & closer until the EXCITING! Temptation leads to our **Destruction**-- which Jesus described as Satan's GOAL (John 10:10a)... while JESUS offers LIFE in His Light... John 10:10b PROMISE.

COMMENT added later 29 mins: **ANGLER Fish**... another name for this Deadly creature that "goes fishing" for careless victims that were so self-focused on getting what they want that they didn't even consider whether there might be danger in the temptation.

This description of an Angler Fish (remember FINDING DORY's "oooo, pretty!" lines?) **is so crazy-- and unique beyond most any other creation**-- that we should laugh to think it happened by chance instead of by a Creative Designer with an Amazing Imagination: >> AND A PARABLE IN NATURE WARNING US OF SATAN!

a full SCIENCE description:

GOD's AMAZING DESIGN – not an accident, which NO OTHER FISH has:

"Some deep-sea anglerfish ... emit light from their esca to attract prey.

This bioluminescence is a result of symbiosis with bacteria.

The mechanism that ceratioids use to harness them is **unknown**, but researchers speculate that the bacteria enter the esca through small pores from SEAWATER."

IMPT Thanksgiving JOKE ... another of my Dad's favorite: A BRIDE cooking her first ham, cut off each end & threw them into trash before gently putting rest in pan.

GROOM: Why'd you do that?

BRIDE: I don't know-- Mom always cut of the ends; I'll ask...

(Later) MOM: "I don't know-- your grandmother always did."

SO, the bride called her Grandmother, who replied: **"We didn't have a pan big enough----- I had to cut off the ham ends to fit."...//.**

IMPORTANT: We must NOT ASSUME all we've been taught, even from caring, smart Christians, has been what GOD said. We must study GOD's Word, PRAY for wisdom (James 1:5)... & be willing to change. God SAYS thru Jeremiah16:19 >> one day we may SADLY admit: **We wrongly believed some Lies taught by our forefathers.** JESUS scolded many as "Traditions of men"... taught by religious leaders.

Yet still I must come to complete stop... BUT THEN: I was first car on cross road, stopped at a RED when a huge truck came *SAILING* into the lane to the Post Office, SLAMMED on brakes when driver finally saw the irksome red light.... and came pretty close to me, trapped in my spot...//...

I **LIKE** that stoplight now! :) NOT LOGICAL: How could a GOOD God create *BAD* laws? Why do we get so IRKED just because we don't understand His reasons for them?.... Gotta wonder at our LACK of faith that's IRKED at obeying God's laws that seem "useless" to us.

DYING TO SELF: on Facebook, 12-5-2017 photo
Source unknown

When you are forgotten or neglected and you don't hurt with the insult but your heart is happy -- that is dying to self.

When your advice is disregarded, your opinions ridiculed, and you refuse to let anger rise in your heart, and take it all in patient, loving silence -- that is dying to self.

When you lovingly and patiently bear disorder, irregularity, tardiness, and annoyance... and endure it as Jesus endured it -- that is dying to self.

When you never refer to yourself in conversation or record your own good works, or itch for praise after an accomplishment, when you can truly love to be unknown... that is dying to self.

When you can see your brother or sister prosper and can honestly rejoice with him, and feel no envy even though your needs are greater -- that is dying to self.

When you are content with any food, any offering, any raiment, any climate, or any society -- that is dying to self.

When you can take correction, when you can humbly submit inwardly as well as outwardly, with no rebellion or resentment rising up within your heart - that is dying to self.

Zephaniah 3:18 "I will gather you who mourn for the appointed festivals; you will be disgraced no more

3:19 And I will deal severely with all who have oppressed you. I will save the weak and helpless ones; I will bring together those who were chased away. **I will give glory and fame to my former exiles**, wherever they have been mocked and shamed.

3:20 On that day I will gather you together and bring you home again. I will give you a good name, **a name of distinction, among all the nations of the earth**, as I restore your fortunes before their very eyes. I, the LORD, have spoken!"

GENESIS 12: 3 PROMISE OF GOD NAMED YHWH: "I will bless those who bless you and curse those who treat you with contempt. All the families on earth will be blessed through you." This may "BUY AMERICA MORE TIME" in God's Grace to continue on, as America spirals down as a nation that kills unborn babies spilling their blood as much as NINEVEH did to innocents (see NAHUM 3, about 150 years after Jonah's Day when God spared Nineveh because they repented) , and spirals down to CELEBRATE IMMORALITY as Sodom, Gomorrah, AND the many lands God led the Israelites to defeat had done.... until of course Israelites started JOINING them in idolatry and sexual horrible immorality, as America has done.

Well, we've survived 5 more years than the Mayans planned for. (Remember the "scare" prophecy that since their calendar ended 12-12-12.... ;) Doesn't it seem like there's always someone trying to Scare Us into believing their Opinions?

COMMENT 12 December 2017. It's so sad, the blindness of "educated" people who cannot figure out the joy of the freedoms they take for granted as they decry anything they don't like... For example, the people of North Korea are kept in such isolation from the rest of the world, they only know the life they were born into...one of poverty, total control, and oppression. It's hard for anyone in the Free World to comprehend because they will not STUDY to see what Life is really like for people elsewhere.

COMMENT 12 December 2017. We might be most moved by a pastor who's speaking "normally" in a prayer or message & then suddenly is choked up in Grief as he urges us?... It's been said that's why **Jonathan Edwards** led SO many to God.. because he **CARED** that people ignored being "in the hands of an angry [holy] God"...

BUT TODAY: So often it's a "**show**" to cry that we can't quite trust a pastor's heart til we've "known" him more... Sad for GOD, too. :(

COMMENT 12-13-2017

Deuteronomy 19:16 on.... one of the Laws that people seem to want to be freed from of God's Good Laws is this: ANY false witness who is "found out" will be GIVEN the SAME results that the witness meant to happen to person he (she) accused.... (Deuteronomy 19:19). IMAGINE what our society would be like if people were AFRAID of being EXECUTED if they were caught lying in a way that would cause someone to be charged with the Death Penalty for a murder they did NOT do.

COMMENT 12-13-2017 on SONGWRITERS group post question: **What is music theory? My answer:**

The frame inside which the art of music can be anything our imaginations brush into existence.... and some of us like to color outside the Borders.

POST December 13 at 9:49am

I teach my students that if they make a pretty badly-obvious mistake in a public performance (usually a church setting), to just go a few more measures and then do it AGAIN: Once, & it sounds wrong. Twice & the audience assumes it was a "color chord" ;) Truly: Many composers who've been called "genius" JUST included a lot of CLASHING CHORDS that are so weird that the average person can't believe they'd DARE do that unless it were, indeed, "Genius"...//...

DIFFERENT. UNIQUE. Ephesians 3:20, There's JOY in Creativity that no one else is doing, whether in music or other ways of living for God.... who gives us Ideas Beyond our Dreams. Beyond "normal"!.....

Added comment later: Stravinsky's Sonata using Octatonic scales (C D Eb F F# Ab A) through the piece, the bass line has augmented chord & 3rd notes>> "NOT acceptable" in classical & romantic period music, "but this discord always in the 20th century music." >> **FUN HARMONY doesn't follow all the "Rules" or "Norm".**

SQUIRREL-SQUIRREL-Journaling: Why bother keeping even notes in a special place? >>Thru our day, God's Holy Spirit OFTEN gives us Great ideas! But as "Life's Squirrels" run in front of us, we forget... BUT NOT if we've jotted down a note to remind us later. Few SONGS, Poems, Novels, Science Discoveries were written in one "Sit Down session".

Few PRAYER ANSWERS do we Remember if we didn't keep a record of EVIDENCE that "God heard me, Cared, Answered".... And often we can write them into a Song or a letter of Encouragement to someone ELSE: 1st Peter 3:15, sharing the REASON for God's Hope within us. As did John Wesley, Andrew Bonar, OTHERS whose honest journals encourage us!

EASY PATTERN to find GOD's opinion on the subject: 21-22-23. Exodus 21-Verse 22 warning- Verse 23 Death Penalty: God-Named-YHWH [translated LORD; Ex. 3:14 number of PI] demands....."If men fight, and hurt a woman with child, so that she gives birth prematurely, yet NO harm follows, he shall surely be PUNISHED ... and he shall pay as the judges determine. 23 But if any harm follows, then you shall give life for life..." >>> God sets the Death Penalty for Murder. God sets the Death Penalty for killing children not yet born, to Whom He obviously speaks also, as He did to John the Baptist in the womb..... It's silly, how Christians act as if they've forgotten amid the political arguments: Daniel 4:35, "All the inhabitants of the earth are reputed as nothing; He [God, YHWH] does according to HIS will in the army of heaven and among the inhabitants of the earth. No one can restrain His hand or say to Him, "What have YOU done?"..." ..//...

How can we who believe (as we claim) God's Bible, believe that God will Never Again make Jerusalem what He's promised all thru His book?

Did we forget that **God mocks the nations** (Psalm 2) who "rage against" Him & against Israel (to whom He's repeatedly shown a protective Father's yes-- punishment--but also of love)???

Jesus reminds us to WATCH the signs, NOT to fear them. Or to forget that God has Final Say-- no matter who through the entire world holds political "power".

CHRISTMAS STORY begun long ago: **A scallop has ~60 eyes** that line its mantle- beautiful brilliant blue. ANOTHER example of the sense of HUMOR of a Designer... It's going to be SO fun to meet with God whose humor decided on 60 bright blueberry-look eyes in a single sea scallop that seems designed "just for the fun of it"!

Statistically at least a FEW of the millions of other creatures should have this if "evolved by chance". God is Amazing-- and repeatedly shows us! (Romans 1) "When I consider Your heavens, the work of Your fingers, The moon and the stars, which You have ordained, what is man that You are mindful of him, and the son of man that You

VISIT him?" CHRISTMAS PROPHECY.... *VISIT, DWELL*, Psalm 8.

Zechariah 2:10, ""Sing and rejoice, O daughter of Zion! For behold, I am coming and **I will dwell in your midst,**" says the LORD."

Sad, Sad Q: Why are most of us so LESS excited to know Jesus paid ALL our debt of sin-- a TRUE GIFT-- so we can live with God Forever in Joy and Abundance ??? (John 10:10, First John, Romans 8 & 10:9...)..//... Christmas= A time to REMEMBER, in humble thankfulness, that Jesus left His RICHES (2 Cor 8:9) to come be GOD AMONG US... It must be sad to have moved ahead thru WEEKS of a national music competition and-- on the very last night-- seem to have a cold, where even your coach is encouraging the Audience to vote remembering how truly great singers are Unique "even when their voices crack & pop" (a quote!)...//...

I've talked with a number of singers worried about This Year's Church Cantata... so many people having voice problems. (I'm on Week 4 of acute bronchitis.) YET: Our goal is to please GOD, not the congregation... and we do that with our HEARTS, not vocal cords... May YOU find much pleasure designing your Birthday Gift for Jesus this year... SINGING WITHOUT a FLAW? Or, Singing with EMOTION? Which is better?...//... Years ago I would've had First Place in the State Piano Competition, said the judges, for a Flaw-less performance... but the person who won & had a few note goofs had put FEELING into the music... Hmmmm. Don't think I ever told my kids this about me. I was 17 and-- honestly-- tired of piano because it was no longer a challenge.... AND NOW? ... At Christmas, singing solos about "Baby Jesus", I often wish I COULD leave out the Feeling... Because I often slip into Weeping, thinking of all we people over centuries have DONE TO "Baby Jesus" who grew up... who suffered unspeakable Ripping Pain because of us. Because of HIS feelings of Love.

CHRISTMAS POST - FROM November 13, 2014 at 7:41am

*Good thing I'm a professional singer mostly for .MP3 recordings--- and seldom for "live performances" during the Holydays. I usually manage to control my personal emotions..... It's really abashing to be practicing a beautiful Christmas Cantata solo in front of people and suddenly burst into weeping as hard as I did when Dad died. Some days I can't get through a practice even in my home. **It's a struggle to avoid my mind shifting** from "Little Baby Jesus" to "**The Old***

Rugged Cross."..... but maybe little baby Jesus "who grew up" is pleased also when the music's full of broken-ness within our hearts... not taking His GIFT for granted.

Today is the 4th anniversary of our area's first Guns & Ammo shop-- and its parking lot was packed. Shoppers seeking Christmas gifts. WHATa WAY to celebrate the birthday of the Prince of Peace. ? Weird Sudden Memory that still makes me laugh: There's a now-closed store on a back road I take on way to the ALIVE music festival in Ohio each June -- Route 9 in WV, on a bad curve. The store name is something like "Mama's Gun Shop and Wedding Chapel." Not kidding. Guess Mama would approve these "gift ideas".

IMPT dif Q at the end>> I have known since I was a child that most Christmas celebrations were really selfish & not about CHRIST-mas. Have known since a teen that the True Date is unknown.

THE IMPORTANT QUESTION: Does it MATTER that December 25th is not the actual "Christmas Day". Answer 1, of course not... ANY day is a wonderful day to PRAISE God for sending Jesus to DWELL AMONG US (see John 1:14).

Answer 2: My own grandmother had friends who did not KNOW when their OWN birthday was: Often only those from families who could afford a nice Family Bible with the Babies Born record page knew their own dates..... SO they'd just "Pick a date". And if those who LOVED them wanted to, they'd CELEBRATE that date.

Such FOOLISH arguing amongst us, to care whether "December 25th" is the date when ****GOD**** (Named YHWH, Isaiah 42:6s Hebrew for LORD = YHWH) has **NOT CARED to share that fact**.... or to care that people did NOT celebrate birthdays either back then OR in Jewish tradition. IMPORTANT ANSWER is in most Christmas hymns: O COME LET US ADORE HIM, CHRIST THE LORD... ******EVERY****** day.

POST 24 December 2017 December 24 at 2:28pm ·

Jewish traditions & instructions are recorded in the work they call the "Mishnah", similar to Bible commentaries... explaining how to obey the Torah, or history that's been done. According to the Mishnah, BABY LAMBS often thrash about & hurt their tiny legs in their first hours of life. Caring shepherds (1) carefully checked newborns & set aside those who were perfect: Without Blemish; (2) then SWADDLEd each in cloths to

comfort & protect them.... AWAY IN A MANGER, the Baby Jesus, the Lamb of God, was laid in SWADDLE cloths.

What became of the lambs? (3) Those Without Blemish-- set aside-- were later SACRIFICED for the Remission of Sins for that one day of sacrifice.....//..... PHOTO: JennedyPaigePaintings - REMISSION scriptures:

My brother & I have passed on a few generations' of our family tradition: Children MAY (after 7 AM!) on Christmas morning, open & play with anything in their Stocking. Our mom packed in great little toys-- and of COURSE, we set aside the orange & dug into the CHOCOLATEs :) ...

We KNEW More & Better was to come! ... But we weren't allowed even a Hint of More until DADDY came & said "It's Time!"... Christmas is our reminder: Jesus came wrapped as our Heavenly Father's Gift, & we can NOW enjoy His Wondrous gifts of Salvation, of Weapons against Evil (Eph. 6:10-), of Love / Joy / Peace (Gal. 5:22-23)... And ONE DAY Father God will say "It's Time!"-- & we'll see More & Better when Jesus Returns to bring us (who truly love the LORD) to Him-- Forever!

Poor Calvin! The 6 year old has struggled ALL year to fight temptations to clobber Suzie with snowballs, stay out of the Principal's office, endure his babysitter, not drive his parents crazy... By mid December, he's pretty sure his failures will result in NO gifts under the Christmas Tree. Cartoonist Bill Watterson deliberately included many Christian truths in his CALVIN AND HOBBS strips. This panel is his Picture of GRACE. Sadly-- like for Calvin-- most of us fool ourselves into thinking we managed to "be good enough" when God surprises us with special Blessings....//.. Yet Salvation is an OFFERED-TO-ALL free gift that we **choose** whether to accept: "...NOT of works, lest anyone should boast." (Ephesians 2:8-9).

3 years ago, FAKE NEWS was already rampant about "religious" things. TRUE NEWS from BBC News on 12/26/2014 = *"Egypt has banned a Hollywood film based on the Biblical book of Exodus **because of** what censors described as 'historical inaccuracies' "...* ...SO: HOW did "NBC NEWS LIVE"

report this? Long **quote** from TV station reporter who was *READING* from her paper [no way it was the reporter's fault] :

*"Egypt has banned a Hollywood film based on the Biblical book of Exodus; **NO REASON was given**, although Egypt has banned religions films before." ...//....*

Most of us have long realized American news is limited, but downright LIES like this are angering. No wonder News Networks mock foreign news, the internet, & Facebook-- They get "caught" in their "errors".

Do you ever feel like God gives Blessings to SO many people, but Forgets about YOU? We moved in June when I was young. In Dec we learned that our new church had FUN TRADITION: It gave gifts to EVERY child on Christmas Sunday. I excitedly waited as gifts were handed out to all... except me. **I was FORGOTTEN**.... But: I figured it wouldn't happen NEXT year. It DID. And the next & next, til we moved after the 4th year. No one cared about me; I said nothing..//....

SO WHAT? It **should ANGER us when people slander God**... even in churches "using Christ's name" (Matt 7:22) **claiming that God predestines some people to get Blessings** Now & His gift of Eternal Life Later-- **but IGNORES others**. What evil SLANDER!.... NO: We don't understand when we FEEL Forgotten: We can KNOW that we are NOT. Simple Logic trusts a Loving Father God. "Even When."

Annoying math: FB programming avoids overwhelming your feed by putting only "most popular" posts in it. 2 easy solutions for NO MORE EXCUSES if you REALLY care:

- (1) Select MOST RECENT for feed each day;
- (2) If you REALLY want to know what a friend is thinking: JUST click on "Friends" >> "Search.." for his/her name...//....

"Fake leather Christians" look good-- at a distance.. --DianaDee Osborne

I fill 3-4 journals a year with God's song ideas & Bible study & Prayer reminders, & use Brown Leather for each 5th number. Walmart quit selling 300-page

ones 2 years ago, so on my trip from Huntsville AL to DC thru back roads like 460, I stopped at most every Walmart to get what was left on shelf; then zip-bagged.

THIS AM, I pulled out one for JOURNAL 35 & went "WAIT a minute! **This FEELS wrong!**"... **Looked the same at a glance, but I realized that Casemate had switched to a POOR** quality "leather" binder... Back in the bag it went! Glad to find others had NICE binding..//..

SAD how true Matthew 25 is: So many people *fooling* everyone with their assumed name "CHRIST-ian" (little Christ) that, when their **fake covering** is finally seen -- it is Christ Jesus who gets blamed.
