**READING:** God will guide ALL who ask for help planning our To Do Lists. Just talk to your Heavenly Father Who dearly loves you, and He'll lift your heart to realize >> **It's OK when you haven't finished your "to do" list...** Especially if you spent some of that time giving Him your full attention, instead of focusing on your own "Best of Intentions."

Proverbs 3: 5-6.

"Trust in the LORD with all your heart, and do not lean on your own understanding. In ALL your ways, acknowledge Him-- and He WILL make STRAIGHT your paths!" (& you will have **peace** even if YOUR plans change!)

James 1:5.

If any of you lacks wisdom, let him ask of God, who gives to ALL liberally and without reproach, and it will be given to him.

**Song Story.** Song inspired by the obvious.... a day when I eagerly awoke looking forward to accomplishing a lot... and by late afternoon, I was tired & discouraged because I hadn't gotten much done... and by bedtime I realized I'd done only 2 things on the list. Two important things, but it was **still** a bit daunting. I felt rather like a failure.... YET: Like James 1:5 promise of God says -> God gave me wisdom to realize that many other people feel the same... And then He gave me the **ideas for this song to, I pray, encourage YOUR heart.**
