Song Story.

The words (verses 1 and 2) to this song were sketched out between 4:40 and 4:50 PM [in a total of TEN minutes... yet another evidence of God's writing],

on 2 July 2010, right after a Musician's Workshop at the CREATION music festival in Mount Union, Pennsylvania (USA). The melody was another song gift from God nine days later, again in minutes. It almost takes longer to sing God's wonderful Praise song than it took to write it down for us worshipers.

One fantastic comment at the CREATION workshop:

“Music brings things out that words sometimes can't. OFFER GOD A MELODY.”

Or, as the Psalmist wrote in 96:1,

**“Oh, sing to the LORD a new song!
Sing to the LORD, all the earth!”**
