Song Story. The prayers described in this song are obviously autobiographical of ME... Much written 3:30- 7 AM. YET God's Faithfulness **despite** when we don't see God's answers is autobiographical of HIM.

Psalm 46: 10, "Be still and KNOW THAT I AM God", God named YHWH commands. And Jesus His Son promised thru Matthew 11: 28 that we FIND that STILL-NESS in our souls when we simply come to Him, trusting. And that is Enough, when God doesn't answer with a "yes" our prayers for more or deeper sleep... He promised to provide for the Needs of those who love and honor Him.... We can trust Him.

Even when what SEEMS to be "too little sleep" tends to make *our feelings LIE* to us about God's Faithfulness.
