BEFORE Verse 1: Romans 1: 18-20 But God shows his anger from heaven against all sinful, wicked people who suppress the Truth by their wickedness. They **KNOW** the truth about God because he has made it obvious to them. For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see His invisible qualities—His eternal power & divine nature. So they have no excuse for not knowing God. <<Yes, they knew God, but they wouldn't worship him as God or even give Him thanks. And they began to think up foolish ideas of what God was like. As a result, their minds became dark & confused. Claiming to be wise, they instead became utter **FOOLS**." >> **READING at End: Isaiah 42: 5**, "Thus says God the LORD YHWH Who **created** the heavens and stretched them out, Who spread forth the earth & that which comes from it, Who gives breath to <US> people on it, & spirit to those who walk on it:"

Song Story. Lyrics set written in 30 minutes, sitting beside the gym's Rippling Sparkling River on the first sunny morning after 10 days of RAIN Tropical Storm Helene. Music written in 45 minutes at the church before choir practice on that same night. NOT MY skills..... Yet another evidence of Creator God INSPIRING more creations, including of songs through me. Eph. 3:20.
