Album: Amazing Holy Hope 'n' Humor

**1**

This is a \_\_ \_\_ dorky song. Its melody is REAL ...DUMB.  
This is a \_\_ \_\_ dorky song. But IT'S AMAZING..... WHAT  
God, Mighty God can DO.... with dorky songs. **And dorky me.**

**2**

This is a \_\_ \_\_ dorky song. It has a dumb melody.  
This is a \_\_ \_\_ dorky song. But **IT'S AMAZING..... WHAT**  
**God, Mighty God can DO.... with dorky songs. And dorky me.**

**SCRIPTURE READING BETWEEN VERSES 2 AND 3:** Jesus spoke to Paul who wrote these words in 2nd Corinthians 12:9: *"MY GRACE IS SUFFICIENT FOR YOU, for My strength is made perfect in weakness."* Paul's response was that he -- and we -- should not WORRY about feeling DORKY -- though he didn't use THAT word! -- but instead, use that fact to show others that YES, it is the POWER OF CHRIST IN US that helps us -- *Corinthians 12:9. New KJV*  
*"Therefore most gladly I will rather BOAST in my infirmities, that the POWER OF CHRIST my rest upon me. I take PLEASURE in infirmities, in reproaches, in needs.... For when I am WEAK, then I am strong."*  
**LONG INSTRUMENTAL SECTION BETWEEN VERSES 2 AND 3**

**3**

THIS IS A \_\_ GORGEOUS SONG.  
God empowered its dumb melody!  
Now it's a GORGEOUS song, like YOU AND I CAN BE,  
when we pray Ephesians 3..... **God empowers us! We're not dorky!**  
We're NOT dorky!

**Song Story.**

It takes me over an hour each way to reach my "final drafts" studio, Valley Worship and Praise. (God has honored me with enough songs to need 2 studios.... and provided J&T Studio when I had never even considered the fact that we were "getting behind" in recording all the great song ideas God has been providing.) To use that travel time wisely, I listen to CDs I've created containing recordings that I have made in my home studio, sitting at the keyboard and "just playing" and creating loops and drumkit tracks and instrument tracks. *(Sometimes rather randomly.... and they come out great with God's help! Having THE Creator for inspiration is AWE-some!)*

As I listened to the recording of "UNTITLED HAPPY IN C" *(ok, so it's not an original song name, but it's descriptive!)*, I was passing an exit only 8 miles away from my studio's exit. By the time I got to the correct exit, I had realized that I was singing what are the actual words to verse 1, in this melody-- a true prayer, "THIS IS A DORKY SONG." And then I started laughing and laughing with God, shaking my head at my silliness. [MORE story is on MUSIC SHEET.]

**God's grace IS sufficient in our weakness.  
He can use dorky people like me... what an honor!**
