Song Story. This is a true story, one of my earliest memories. I figure Dad was about 28 then, and even he laughed over his silliness for years. How our Heavenly Father must 'shake His head' at the many silly things we try to do in our own power when He has specifically told us that He truly wants to help us... wants us to learn to depend on Him instead of losing our peace and getting frustrated by the frogs in our lives (including our own sins and dirt). God warns in Galatians 3:3 of the dangerous temptation to drift from remembering we can never earn salvation, into doing good works with the wrong motive--- trying to earn God's favor instead of doing them just out of love for Him and for His other children. 28 March 2010
