**Song Story**

Inspired by a dream that someone had stolen my only vehicle while I was in church.... and that it was a man who actually was inside that that church and just grinned as he followed me outside and watched me search the streets. In my dream, he was just a problem-causing human and although I was frustrated, fighting fear as I held the baby, wondering how I was ever going to manage.... nevertheless I was praying and fully expecting God to pull a "Romans 8:28" out of it -- to not only help me in my problem, but to bring something good out of it.

Yet somehow when I awoke -- and I'm convinced that it is God's guidance -- the thought came to me that **this is the way many people think of GOD -- as a mocker --- just watching us struggle through life.**

It's been said that your suspicions of others are based on the wrongs you yourself would do.... and **Jesus Himself said Satan is real** and the father of LIES (John 8:44). God tells us through Revelation 12:10 that Satan is the "Accuser of our Brethren". So the accusing thoughts that Satan puts into people's minds about God really describe *Satan*:

Satan enjoys watching on as we suffer through problems.

Satan has fun putting thoughts into our minds to accuse God for not caring.

That describes SATAN -- NOT GOD, who loved you so much that He sent Jesus to die on a cross to provide the ONLY way you can be forgiven for sins and choose Jesus as your LORD so you can live with Him in heaven -- which is God's ultimate goal.

**God's "Big Goal" is for you to have a relationship with Him.**  
So yes -- sometimes God **\*\*IS\*\*** just watching on as the problems He **ALLOWED** to happen in your life keep frustrating you. **Because God knows** that often we people *refuse to turn to Him* and pray when *Life is Happily Going Our Way*.  
Jeremiah 30: 11. God says to us people,  
**"For I AM with you,"** says the LORD, **"to SAVE you. ... BUT I WILL CORRECT YOU IN JUSTICE, and will not let you go altogether unpunished."**
