"God of Grace and God of Glory" (Public Domain, CCLI # 43107)

JESUS READING THE PROPHECY OF HIMSELF in the Temple as He began His ministry:

"The Spirit of the Lord GOD is upon Me, Because the LORD has anointed Me To preach good tidings to the poor; He has sent Me to heal the brokenhearted, To proclaim liberty to the captives, And the opening of the prison to those who are bound; [Isaiah 61:1] ...

MATTHEW 5:11, Jesus's warning that becomes increasingly seen: *"Blessed are you when they revile and persecute you, and say all kinds of evil against you falsely for My sake.*

1 (TWICE)

God of such Grace, God of such Mercy,

God of such Love: LORD, I'm unworthy of such mercy.

Help me to show You my Love. Help me tell others of Your Grace.

CHORUS

GOD OF GRACE, and God of Glory: On Your people, pour Your Power.

Help us show Your grace and Your Mercy. Teach Your holy righteousness.

Grant us wisdom, grant us courage

to STAND on Your Bible WORD of Truth,

to REFUSE TO WATER DOWN Sin's Truth,

to take JOY in Matthew 5: 11's Truth:

Jesus said they'll persecute those who speak Truth.....

Give us the Courage to NOT water down Your

TRUTH that we Die to hell unless we seek Your Grace.

Give us the Courage to NOT water down Your

TRUTH that we Die to hell unless we seek Your Grace.

>> CHORUS

2

God of such Grace, God of Compassion

God of such Love: LORD, we're unworthy of such mercy.

Help us to show You my Love. Help us tell others of Your Grace.

>> VERSE 3

3

God of such Grace, God of such Righteousness,

God of such Love: Help Your Church teach of Your Holiness.

Help Your Church show You our Love. Help us teach Your Holiness.

>> CHORUS

Song Story. I "had a song in my head" and went downstairs to my home studio to record it before I left for the river beach where I go to pray before 8:30 church services. I don't usually get on the system on Sundays... So I knelt to pray as the programs loaded... and the words of Verse 1 were my prayer. And I saw it was in rhythm to God's "song in my head."

And I prayed "**WOW, God!**" Finished melody & chord touch-ups beside the river.
