“For we were saved in this hope, but hope that is seen is not hope; for why does one still hope for what he sees? But if we hope for what we do not see, we eagerly wait for it with perseverance. Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered. -- *Romans 8:26 NKJV*

Song Story. I confess: I was in a “funk.” There I was praying, and realizing that I was too weary to pray anything beyond a simple “thank you” to God, because I was too worn out to even think of anything to pray. I sat at the piano at church (too weary to pray) and let my fingers 'roam' along the keyboard. This simple melody immediately arose.... a 5-NOTE song. And really only three notes are used more than once. A simple song gift from God for the weary. As Jesus understands, since scriptures show that he too was at times weary physically, that He at times withdrew from the crowds of people to rest.
