Song Story

While waiting for a church worship time to begin, I was flipping through the Bible looking for psalms that are not in the Book of Psalms.

It certainly seems that God guided me to this one, because the song just flowed out in minutes, -- in the words of God's Word, in an easy 4/4 rhythm. The next day I sat at the piano before band practice and quickly sketched out the melody and chords. Yet another song that is surely not mine but our Lord's :)
