### **Song Story**

I was playing around with some music library loops and just having fun before I left on a trip. When I returned 10 days later, I'd forgotten all about that project but my computer had not -- it auto-loaded my most recent program, this one. My journal had fallen open to these lyrics that I'd written a week earlier, a forming of God's Isaiah 44 Word into a music meter.

I had prayed to get music soon for this song because the words from God are just so powerful. I had no idea that God had ALREADY given me the music! -- All I had to do was to triple music length.... These words fell exactly into the music's place. Once again I clearly state: **GOD is the author of His songs** through DiDoReflections.com.

### **Related Scriptures: Romans 1 verses 18 to 25**

18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness,

19 because what may be known of God is manifest in them, for God has shown it to them.

20 For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that **they are without excuse**,

21 because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened.

22 Professing to be wise, they became fools,

23 and changed the glory of the incorruptible God into an image made like corruptible man—and birds and four-footed animals and creeping things.

24 Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves,

25 **who exchanged the truth of God for the lie**, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen.
