**Song Story.** I was playing around with some studio program library loops and just having fun before I left on a trip. When I returned 10 days later, I'd forgotten all about that project-- but my computer had not: Unusual for me, I had not closed out my last file -- so it *auto-loaded* my most recent program, this one. THEN my journal fell open to these lyrics that I'd written on the trip, a week earlier, a forming of God's Isaiah 44 Word into a music meter. I had prayed to get music soon for this song because the words from God are just so powerful. I had no idea that God had ALREADY given me the music! -- All I had to do was to triple music length.... These words fell exactly into the music's place. Once again I clearly state: **GOD is the author of His songs** thru DiDoReflections.com.

----- **they are without excuse**, -----

<sup>21</sup> because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. <sup>22</sup> Professing to be wise, they became fools.....<sup>25</sup> **who exchanged the truth of God for the lie**, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen.
