**Isaiah 5: 4, 7.** What more could have been done to My vineyard That I have not done in it? Why then, when I expected it to bring forth good grapes, Did it bring forth wild grapes? ... The nation of Israel is the vineyard of the LORD of Heaven's Armies [*hosts*]. The people of Judah are his pleasant garden. He **expected** a crop of justice, but instead He found oppression. He **expected** to find righteousness, but instead he heard cries of violence." (NLT)

**CHORUS at beginning & end of song** \*VINEYARD pronounced with a short i like "sin".

**Song Story.** Lyrics set up for this song within 1/2 hour while working out on the elliptical machine at the gym one day..... I am very thankful that our LORD God-Named-Yahweh (the Name He tells to us, such as in Isaiah 42:8 and Exodus 3:14-15, YHWH which is translated as **LORD** in many Bibles).... thankful that YHWH has \*honored\* me with the ministry of crafting HIS words of HIS Bible into music form to HELP PEOPLE both to remember God's Words & remember WHERE they are... Chapter + verse.... **It is \*SO\* weepingly sad to write music with the lyrics of most of God's words through the prophets...** like Isaiah 3 ("*Choosing Sodom*") and Isaiah 5. **So sad that after ALL that our Holy God has done FOR us,** we people still treat Him so badly... bragging about how "God is Love" and often not even trying to hide our sins, expecting "instant forgiveness" without **grieving** for what we do to HIS heart, hurting Him.....
