Album: Amazing Jesus 'n' Children

“Then Jesus called a little child to Him, set him in the midst of them, and said, "Assuredly, I say to you, unless you are converted and become as little children, you will by no means enter the kingdom of heaven. Therefore whoever humbles himself as this little child is the greatest in the kingdom of heaven. Whoever receives one little child like this in My name receives Me.

But whoever causes one of these little ones who believe in Me to sin, it would be better for him if a millstone were hung around his neck, and he were drowned in the depth of the sea.... Take heed that you do not despise one of these little ones, for I say to you that in heaven their angels always see the face of My Father who is in heaven. "For the Son of Man has come to save that which was lost. “

-- Matthew 18: 2-6, 10 and 11 NKJV.

Song QUESTION:

Do the number of times you speak good over your children, speak blessings over them, speak God's Word of love and forgiveness to them, **far outnumber the number of times** you criticize them, scold them, or even "just" complain about them to your friends -- or even privately to your own

mind ?...?....?.....?.....?.....?.....?.....?.....?

Supporting Word from God

Matthew 10: 42 New KJV: [Jesus:] "And whoever gives one of these little ones only a cup of cold [water] in the name of a disciple, assuredly, I say to you, he shall by no means lose his reward."

Mark 9:41, NKJV: [Jesus:] "For whoever gives you a cup of water to drink in My name, because you belong to Christ, assuredly, I say to you, he will by no means lose his reward."

Song Story.

This is a "pleasant" song... but I was trying to figure out how to get into it a feel of "anguish" of teaching our children about Jesus so that they can know how to live forever with Him.

Tempo has for years been a weaknesses that God has helped me greatly improve. The "**danger**" of using two time signatures, 4/4 and 3/4, seemed to convey urgency moving **from a sweet waltz time to a rock 4/4 time**. And the "textures" -- the 'bonging' instruments the resonate -- convey a sense of TIME urgency.

This is one of God's 30-minute songs, music and lyrics written on knees at the church altar. I take no credit. I don't even remember why I had the idea. Perhaps because I had been thanking God for the 5-month-old baby I'd been hugging and kissing in his feathery blond hair that morning.....

The Evidence of Him is in His skills.... not mine. Not mine.
