Song Story. Lyrics written in 2016 after a week of serious health problems & a long hospital stay... and a miracle of God that the initial health episode led to the doctors finding what had caused NO symptoms, but would have killed me if not found in time-- a TYPE of LION'S DEN to walk thru in Life... I joyfully realized that I was not afraid, & that I trusted God's timing (1 way or another). These thoughts were in my mind as I was re-reading the book of Daniel and thinking about **ALL THOSE PEOPLE WATCHING as Daniel STOOD UP for God!** ... We forget that not only God watches us.... Others around us learn about having faith in God as they watch how much WE trust Him.... 1 Peter 3:15. In your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have, with gentleness and respect," ... **"WHATEVER" our own "Lion's Den" may be.**
