VERSE 1

Little stars rise from the grass as the Day's round sun has passed,
beyond sight, making night darkness reveal New Lights.

Little stars rising from grass -- Summer lightning bugs giving laughs and
delights seeing bugs that glow with lights ... shining outta their "below".

CHORUS

Romans One, all our gorgeous world shows our great God and Creator.

Hebrews 11, all the Universe Lights show our great God and Creator.

Lightning bugs & star lights show **Power of God who loves YOU SO much!**

Reading after Verse 1: PSALM 148: 1-6. 1 Praise the LORD! Praise the LORD from the heavens;
Praise Him in the heights! 3 Praise Him, sun & moon; Praise Him, all you stars of light! 4 Praise Him,
you heavens of heavens, And you waters above the heavens! 5 Let them praise the name of the
LORD, For He commanded & they were created. 6a He also established them **FOREVER**.

VERSE 2

Little stars glow from great height, as day's sun slips out of sight,
sprinkling bright in the night, sprinkling white lights in black sky.

Little stars sending down light -- Summer, Winter, Fall and Spring nights give
delights made by God -- bugs that glow & stars shining in our days & nights. >> **CH**

After VS 2: Song from GOD in PSALM 19: 1-4. 1 The heavens declare the glory of God; And the
firmament [Earth] shows His handiwork. 2 Day unto day utters speech, And night unto night reveals
knowledge. 3 There is **NO speech nor language where their voice is NOT heard.** 4 Their line
[sound] has gone out through all the earth, And their words to the END of the WORLD!"

VERSE 3

Little stars and lightning bugs, sometimes called God's **fireflies**,
are Special, God's delight, made to hold and share God's Light.

You are too: Each child is given inner Light as God's gifts.

Second Corinthians 3: 18. **God will help you** reflect Him.

After VS 3: Song from GOD in PSALM 147. 1 Praise the LORD! For it is good to sing praises to
our God; For it is pleasant, and praise is beautiful... 3 He heals the brokenhearted and binds up their
wounds. 4 He counts the number of the stars; He calls them all by **name**. <SO God *certainly*
knows YOUR name!!!> 5 Great is our Lord, and mighty in power; His understanding is infinite."

6 The LORD lifts us UP !!!

=====

Song Story. Lyrics written in minutes in 2017.... then set aside & music written in minutes 13 months
later... "*Too fast to be just ME*", I wrote in my journal.... Beyond MY skills. God's inspired words... on a
weekend when many things were upsetting me. Then I thought of lightning bugs, of the humor of God
deciding to put little yellowish green lights on a bug's butt. Almost no other creation of Nature has that
specific **design**.... Another evidence when we feel all alone in this world>> God gives signs ALL around us
to comfort the "**little child**" within us to see: **God is here with me. Designed me. CARES for me.**
