Abbá – means "Father," also used as the term of tender endearment by a beloved child – as in an affectionate, dependent-for-life relationship with their father:

"Daddy," "Papa", "Tata", "Abba"

but ALSO with the **Absolute Respect** that a Father would receive.

Second Timothy 3:16, ALL scripture is inspired by God.... His Words He inspired many writers to put into writing to tell us how to live, how to love, and how HE loves US! summarized in First John.

Song Story. Song was inspired as I read older pages in my journal, with a smile & much joy, taped in postcards & Mother's Day cards that two children had recently sent me :)
Movement 2: Yes, the “H” and “Hell” words are MEANT to be startling:
But, sadly, God uses the same word as a real Noun. Hell is REAL. Look up scriptures of Jesus's description, with the word “Gnashing” as a key word. Hell is HORRIBLE.
