Song Story. Often as I am praying, I find that my words are falling into a song pattern. In 2012: Twelve YEARS passed before I had the idea for what I thought was God's Best Music for this prayer >>>>>>> In 2025. In 2 HRS, I wrote MUSIC & in 3 hours, I recorded all instruments in my home studio. We recorded the song 6 hours later at the professional studio... in 2 hours, with added Live Drums by Claxton. GOD's Song in *eleven* hours.

This is by the Holy Spirit's giftings... inspiring me.... Romans 8:26 And often I pray at my laptop computer typing the words into music setup format – for lyrics only – as I pray. Apparently that is what I did 13 years before I found this song setup in my FUTURE folder on the computer.... during a time when this was very much 1 of my most fervent prayers, at the top of my “desires list”, **that I bring our Great LORD much joy.** In 2017, I finished off the pattern & filled in a few more words.... Enabled by the Holy Spirit, per His **Ephesians 3:20** empowering, to ALSO be organized enough to have come up with the ideas of how to KEEP song ideas – even if years pass before I finish them for Him, For His Glory – verse 21. :)
