**BRIDGE**

A quote by Richard Panekin his book  
The Four Percent Universe

**VERSE 1**

***The Milky Way's spinning so fast it should rip***  
Math showed 1969 by scientists  
Jeremiah Ostriker made a computer simulation of the  
Milky Way's Spinning  
So fast it should have ripped apart  
Astronomers know there's more than  
Telescopes have previously shown  
There's more than the four percent  
Of this universe ever seen  
Nature reveals Treasures  
Romans One Verse 20 reveals  
***Creator Designer God***

**VERSE 2**

Ostriker of Princeton went to James Peebles  
To share this puzzle as he wondered  
***Did his math err - Was it wrong***  
They decided there are more stars

Than we see in huge telescopes  
More stars than 4 centuries seen by astronomers  
Astronomers developed math that now shows  
There's more matter than we've known  
There's more than the four percent  
Of this universe ever seen  
Nature reveals Treasures  
Romans One Verse 20 reveals  
*Creator Designer God*

**VERSE 3**

Recent studies show the Universe is made of  
Just four percent ordinary matter we guess  
The Glory of God reveals more  
Treasures as we seek what He concealed  
Through four centuries from World astronomers  
Proverbs 25 in Verse 2  
It's a joy to seek openly for truth  
There's more than the four percent  
Of this universe ever seen  
Nature reveals Treasures  
Romans One Verse 20 reveals  
*Creator Designer God*

**SPOKEN WORDS 1**

Proverbs 25 TWO It is the  
Glory of God to conceal a matter but the  
Glory of kings is to search out a matter  
Like treasure hunts  
Hebrews Eleven 6 But without faith it is  
Impossible to please God for  
He who comes to God must believe that He IS  
And that He is a rewarder of those who  
Diligently seek Him

**VERSE 4**

Treasure hunts and puzzles can give us  
Much joy while searching for answers  
As in science and math  
Five decades of scientists found 73 percent  
Is made of dark energy and

They do not know what *that* is  
**Genius** scientists admit their  
Old Math guessed wrong to think **all** was found  
There's more than the *four percent*  
*Of this universe ever seen*  
Nature reveals Treasures  
Romans One Verse 20 reveals  
*Creator Designer God*

**VERSE 5**

If you have studied but still do not see and  
Thoughts of a Creator are hard to believe  
Keep on seeking open to Truth  
Evidence adds up to see Romans One  
God made His world point to **GOD as REAL**  
God lets seekers of Truth find Him  
Hebrews 11 six promised to you  
God's parable  
More than the four percent  
Of this universe ever seen  
Nature reveals Treasures  
Romans One Verse 20 reveals  
*Creator Designer God*  
(CHORUS)

**SPOKEN WORDS 2**

When we were children we loved to hunt for Treasure  
We looked for things  
And that's what Science is  
Seeking Truth  
Proverbs 25 Two in New King James Version  
It is the glory of God to conceal a matter  
But the glory of kings is to search out a matter  
Like a Treasure Hunt  
Creator God created much fun for us to discover  
When seeking thru His Universe  
John One verses 1 through 3
