Album: Amazing **LORD n' Logic** Ref: 15-146

John 14:6 & 26 ... James 1:5 ... Proverbs 3:5-6... Romans 1 NATURE:
If you **REALLY** want **Truth: God will** help you see it. **LOGIC:** God **honors** seekers.

SPOKEN WORDS 1

Isaiah 1 Verse 18 God invites reason

Of course He will win

Yet He respects honest questions

Investigate setting aside your preconceptions

John 14 verse 6 and James One 5 Seek logic

Trust God completely

VERSE 1

If you want Wisdom just ask God for it

Just speak to the air if you doubt God exists

That's quite OK

It's not religious

'Cause real faith in God is Relationship

Not a set of cold rules but to Follow Him (2X)

BRIDGE 1

What God wants most is relationship with Him

He loves you so much

He would pay anything

Look - God sent His Son Jesus to die on a cross to

Pay the price of your sins

For God's Logic goes past

Human needs

VERSE 2

If you want Logic just openly seek
Just speak the word HELP
Call it Experiment
For Wisdom and Logic if you truly want these are
Worth risking failure
Worth embarrassment
God gives More than just hope
For you'll truly find Him (2X)

BRIDGE 2

Jeremiah 29 Verse 14 Seek Truth
Like scientists seek
Choose to objectively seek
Examine how often you've Seen statistically
Against all the odds God helped you
For God's Logic looks past
Human dreams

VERSE 3

Keep seeking Wisdom and you shall find it
Jesus repeatedly told doubters this
God gave you this mind
And is pleased when you seek
The Logic of God and math statistics show how
Many find God when they Truly seek Him
Show how
Many find God when they Truly seek Him

SPOKEN WORDS 2

God promises in James One 5 to
Gladly give wisdom to anyone who
Respectfully asks Him
But God's promise continues in verses 6 and 7
God says don't expect wisdom if you're
Not honestly open to believe God and
Listen to any wisdom God gives
