Album: Amazing Creator 'n' Critters

ONE of the New Testament stories of God as Creator: Beginning at Romans 1, verse 18:

“The wrath of God is being revealed from heaven against all the godlessness and wickedness of men who suppress the truth by their wickedness, since what may be known about God is plain to them, because God has made it plain to them. For since the creation of the world God's invisible qualities--his eternal power and divine nature--have been clearly seen, being understood from what has been made, so that men are without excuse.

For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their foolish hearts were darkened..... --*New International Version*. [KJV and New KJV and ESV and NASB and RSV and ASV: “**They became fools.**”]

Song Story.

The song tells the story. Line 1g refers to a "field" of mica flecked stones along a river. So often I see dancing leaves when no one else is around, or cute squirrels like the one that inspired the song WONDER.... and I rejoice that God is with me wants to be with me..... wants to be with EACH of us to enjoy the glory of His creation together with Him..... Just as we share joys with our human friends.
