### READING after Verse 10. Then to Chorus on next page.

**God in His mercy provided a way of SACRIFICE to meet the JUSTICE needed for sins, whatever "flavor" kind of sin. Example in Leviticus 4: 13 and on:** 'Now if the whole congregation of Israel sins unintentionally, and the thing is hidden from the eyes of the assembly, and they have done *something against* any of the **command-**ments of the LORD *in anything* which should not be done, and are guilty; when the sin which they have committed becomes known, then the assembly shall offer a young bull for the sin..."

**Reading at end of song:** Psalm 103: 10 to 12 tells of the Lords unmerited **MERCIES** to us, no matter the flavor of our sins ..... when we humbly grieve for them & repent of them:

"[The LORD] has not dealt with us according to our sins, Nor punished us according to our iniquities. For as the heavens are high above the earth, So great is His mercy toward those who fear Him; As far as the east is from the west, So far has He removed our transgressions from us."

**Song Story.** I am UTTERLY amazed how GOD developed this song!... NO way is this \*my\* skills. My little bitty idea was to name the song "SIN in 3 Flavors" and just include the 3 different words that are often grouped in scriptures, in English being "Sin, Iniquity, & Transgression". But BlueLetterBible.org recently added PRONUNCIATION to its website for Hebrew words, and I'd been learning just enough that God enabled this song to "fall into place" with 7 definitions.
