Album: Amazing Lord 'n' Logic

“Test me in this,” says the Lord Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.”

-- *Malachi 3:10 NIV (but see full verse for full description of that specific experiment)*

1

I'll try prayer experiments. These are safe experiments. What harm can they do? What harm can they do? When depression haunts my mind, when black despair blinds my mind, when there's no hope I can find, I'll pray to the AIR. Maybe there's Someone there. What do I have to lose but despair?

2

I'll try prayer experiments. These are safe experiments. What harm can they do? What harm can they do? When FEARS and doubts CRASH my mind, when nightmare thoughts fill my mind, when there's no hope I can find, I'll pray to the AIR, hoping there's Someone there. What do I have to lose but despair?

3

I'll try prayer experiments. These are safe experiments. What harm can they do? What harm can they do? When dark sorrows fill my heart, when past griefs just won't depart, when pain slashes to my heart, I'll pray to the air, AS IF Someone **IS** there. What do I have to lose but despair?

END *Spoken.*

In science, we contaminate experiments results if we decide before the end what the experiment results will be...

So I'll pray and I'll wait to see if my prayers show YES, a God hears me... if my prayers show God does care for me.

Malachi 3:10 says, “*Test me in this,*” says the Lord Almighty, “*and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.*” a safe experiment
