**PEOPLE LOVE JOHN 3:16.** Verse 17 says the same as 16... Jesus came in love, not judgment.

**BUT - how often do we KEEP reading? 3:18** - "He who believes in [God's Son Jesus] is not condemned; **BUT** he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God." Jesus said that Hell IS real and some people WILL choose to refuse to believe in Him... & thus WILL be judged and WILL be sent to hell because of their own choice.

*Matthew 5:22-30; Matthew 23:33; Matthew 25:41* - **hell is Everlasting Fire prepared for the devil & his angels, which we call demons; but people not saved by Jesus choose hell themselves.**  
*Deuteronomy 30:19.* And **Jesus weeps over their coming pain...** see end of Matthew 23.

### VERSE 1

Satan gladly SETTLES for getting us to think that God just wants us "Happy", with lives that have NO meaning. Satan still wins if he SETTLES for getting us Lazy. As long as we do NOT serve God,

>> **CHORUS**

### CHORUS

.... just as **Matthew 25** describes.  
In Time we are all judged by God: by what we did -- or DID **NOT** -- to HELP people --- in LOVE for God....  
to work NOT to earn salvation, BUT to show whether we TRULY LOVE God.

### VERSE 2

Satan delights to SETTLE for distracting us from God, to get us to want "Happy", at any Selfish cost. Satan tempts us to give money (at the most) and never serving God, and then to drift, and NOT praise Him,

>> **CHORUS**

### VERSE 3

Satan has fun to SETTLE for keeping us busy, focused on what gives us "self-worth", too busy to help others. Satan tempts us to say quick prayers (if at all), mostly ignoring God. As long as we DON'T really worship God,

>> **CHORUS**

### VERSE 4

Satan knows if he SETTLES for keeping us selfish, God will judge us, send us to hell by CHOICES we OURSELVES made: Satan knows God keeps His promises (constantly), and does what Jesus said: Sends to HELL all who selfishly lived.

>> **CHORUS**

**Song Story.** Inspired by sermon sentence that Satan will try EVERY DAY to PULL you away from God .... and my journal comment that Satan **doesn't NEED** to try to get us to actually **DENOUNCE** God: Matthew 25 shows that he can **settle** for keeping us TOO BUSY for God... Maybe even doing busy work for God in churches...Matthew 25: Jesus describes for the nations, but it's also applicable for individuals.
