PEOPLE LOVE JOHN 3:16. Verse 17 says the same as 16... Jesus came in love, not judgment.

BUT - how often do we KEEP reading? 3:18 - "He who believes in [God's Son Jesus] is not condemned; **BUT** he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God." Jesus said that Hell IS real and some people WILL choose to refuse to believe in Him... & thus WILL be judged and WILL be sent to hell because of their own choice.

Matthew 5:22-30; Matthew 23:33; Matthew 25:41 - **hell is Everlasting Fire prepared for the devil & his**

angels, which we call demons; but people not saved by Jesus choose hell themselves.

Deuteronomy 30:19. And **Jesus weeps over their coming pain...** see end of Matthew 23.

Song Story. Inspired by sermon sentence that Satan will try EVERY DAY to PULL you away from God and my journal comment that Satan doesn't NEED to try to get us to actually **DENOUNCE** God: Matthew 25 shows that he can settle for keeping us TOO BUSY for God... Maybe even doing busy work for God in churches...Matthew 25: Jesus describes for the nations, but it's also applicable for individuals.
