Song Story.

The title and verses 2 and 3 were written 5 days after I sketched out Verse 1. Some way, God's way, I started thinking about how God can stomp troubles like bugs... and then started thinking about all those nasty **fuzzy bright yellow little SQUASH BUGS** that my Mom used to make me pluck off her plants... yes, huge itchy squash plants... when I was age 7 to 9.... So I started laughing... and then plotting out these words. God's inspiration! Notice that the One God Named Yahweh (YHWH) *truly* cares about people... even those who do NOT honor Him.... and truly HELPS those who humble themselves to Him.
