Album: Amazing Peace 'n' Passion

Psalm 147: 3 - 7

"The LORD, He heals the broken hearted, and binds up their wounds. He counts the number of the stars. He calls them all by name. Great is our Lord and mighty in power. His understanding is infinite. The LORD lifts up the humble.... Sing to the LORD with thanksgiving."

1

Long ago we thought thousands of stars were
pretty much all the same. Just rocks.
Now we know that trillions of stars are
each UNIQUE, like each man and woman and child.

2

Long ago God already told us He
knows every star by name -- Psalm 147.
And since God knows each tiny star, you can
trust God knows YOUR name, and loves you, knows you.

3

Long ago I thought I was just a nameless
person to God -- no one special.
Then I learned that God says my worth & YOURS is His Son's death on a
Cross. God loves you. Sent Jesus to save you.

CHORUS

Stars, special Names. Love -- each show
our God, Creator's Titus 3, verse 4 LOVE for you.
Stars, unique Names, Love -- each show
amazing God's Grace, Titus 3, verse 5 HOPE for you.
God's stars, God's NAMES, God's love -- each show
God's HEART to save you from hell -- Titus 3, [verse] 4 to 7.

4

Now, now, Yes I know God knows my name.
Psalm One-thirty-nine [139]. He made and named me.
Now we should know that John 3: 16 is God's
story of Love for us, for YOU -- we're God's
World He so loved.

Song Story

THE LYRICS:

The hardest thing about writing this song was coming up with a title. I'm still thinking it's awkward -- but I prayed and prayed, and this is the title that kept coming to mind. Three nouns that show us God's character:

Stars	God The Creator
Names	Jesus Who knows each of us personally
Love	The Holy Spirit who yearns to be with us when we call to Him

Here's some honesty for you: I did not make THIS connection until moments ago as I was sitting here typing this Song Story. Yes, I truly believe GOD guided this title for HIS song.

THE MUSIC:

The chords and basic melody came from "playing around" at a piano while waiting for choir members to come one night. The next day, I plugged the music into a set of lyrics I'd written the day before choir practice... but I still didn't have a title (and was praying for one!). It's God's song after, all, so I figured He'd want something special about how special HE is.

Once the idea of having the three nouns as a title came to me, I had to figure out how to make a unified song that included the title. (Logical progression is always nice!)

And -- hence -- the chorus.
And -- hence -- lots of prayers of thanks to Creator God for the ideas!
