3/4 PRELUDE, 4/4 time rest (pu = 0) dedicated to our Creator: Who CARES for **YOU**, 7 April 2019

TEMPO: 110 BPM

Album: Amazing **CREATOR 'n' Critters**

REF: 37-257

**HOW do doves find such tiny bits amid grass & rocks, to keep from starving??** A *silly* question for those of us who've seen all the Evidences of a Caring Creator: When He sees a hungry sparrow etc, God can just speak a Word -- Food will be somewhere in the path where they are seeking :) - Matthew 6:26... JESUS said God feeds them... & provides for you & me. :)

**Psalm 27: 5 NKJV.** "For in the time of trouble He shall hide me in His pavilion; ....."

**Isaiah 51: 1, 6** "Listen to Me, you who follow after righteousness, You who seek the LORD [YHWH His Name, Isaiah 42:8]: Look to the Rock from which you were hewn... Lift up your eyes to the heavens,... My salvation will be forever, & My righteousness will not be abolished." – GOD.

**Psalm 46:10.** "God is our refuge and strength, a very PRESENT help in time of trouble. Therefore we will NOT fear, even though the earth be removed, and though the mountains be carried into the midst of the sea; though its waters roar & be troubled, though the mountains shake with its swelling. SELAH.....BE STILL, AND KNOW THAT I AM GOD."

**Song Story.** I often use the opening parable: AMAZED as I watch birds ALWAYS seem to find something to eat "in the middle of nowhere". I still laugh at my Q in 2015 asking how God guides them as they SEEK... and suddenly realizing, He's STILL a Creator! Song inspired by this Q... on a sad day remembering Jesus's words in Matthew 6: **God who cares for SPARROWS care for US!**
