Album: Amazing Holy Spirit 'n' Church

PRELUDE READING: **Matthew 24 New KJV** [BOLD FONT on recording]

JESUS warned TODAY's church thru **Matthew 24**, "Then many false prophets will rise up and deceive many." [verse 11] ... "For false christs and **false prophets will rise and show great signs and wonders to deceive, if possible, even the ELECT.**" [verse 24] "**But as the days of Noah were, so also will the coming of the Son of Man be.** For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, "and did not know until the flood came and took them all away, so also will the coming of the Son of Man be." [verses 37-39]

****JESUS** said the Flood was real.. but today many **CHURCHES** are teaching FROM THE PULPIT that it's just myth. Just as **SATAN** asked in the garden, "DID GOD REALLY SAY?"** (Genesis 3:1) **Satan's** still pulling his old tricks.

Will we **STAND** in church? Will we earnestly **PRAY** for God's wisdom, James 1, and then in His empowering **STAND & DEMAND** that the church follow God's **WORD**?

INTERLUDE READING: Lamentations 2:14, God tells the Israelites what God who doesn't change still says today: "Your prophets have seen for you False and deceptive visions; They have not uncovered your iniquity, To bring back your captives, But have envisioned for you false prophecies and delusions." The church leaders taught health and wealth, AND said these were messages from GOD via their false visions. Church leaders did not tell the people that they were sinning. The same is true in many churches today, in the name of COMPASSION that is EVIL. Church leaders are still causing people's punishment as captives to continue. Those churches that today will not teach the TRUTH about sin but instead say that God is so loving He will tolerate sins we've decided are natural -- those churches are causing HELL FOREVER for the people who believe such lies. Even in church.

Matthew 24:24, an easy pattern to remember. JESUS said ""For false christs and false prophets will rise and show great signs and wonders to deceive, if possible, even the elect." The elect are the people of Jesus's church. LOGIC thus says the deceivers are in CHURCH. 2nd Corinthians 11:13 specifically says these people pretend to be true Christians- transform themselves AND are workers. Second Peter 2 and 3 speak a lot of WRONG TEACHINGS in church. QUESTION: WILL WE STAND FOR GOD'S TRUTH... even when people will get mad at us?

Song Story (POSTLUDE READING **IS IN BOLD**).

I am quite ashamed to report this this song was inspired by my frequent remembrance that I did NOT stand and speak at a mainline Baptist Church in Alabama USA several years ago... **when the preacher began announcing how the first chapters of Genesis were myth, and his supporting words were that it's because nations all over the world have the same story, so Judaism just adopted the myth. This was a mainline church.**

Well, this is an absolutely non-logical twisting straight from Satan: God gives us EVIDENCE that the world-wide flood is Truth because the world-wide peoples teach it. And Satan's having fun in the churches twisting the evidence around to call it a lie.

I wept through the entire 30-minute sermon, tears streaming down my face even though I was embarrassed and tried to stop crying. How can we in church LET these lies into our churches? Even TEACH them in seminaries?

Think of the LOGIC: We see the evidence that God created the entire Universe. What's so hard about God guiding the 40 or so men who wrote out His word onto paper, or the dedicated followers who translated it? Where is the LOGIC in saying God was not able to control the work to keep out important misunderstandings? Where is the LOGIC in seeing that --unlike *all* other religious writings -- the multitude of writers have come up with an intricate weaving of words that form one true narration of the Glory of our ALL-Powerful LORD God of the Universe? And of paper and pen....
