### **FIRST POST "EVER" ON FACEBOOK -- August 30, 2012 at 10:10pm** ·

Most days I am encouraged by a book in the case beside my bed.

I no longer read it because I remember its words.

Just looking at the spine title reminds me: \*REFUSE\* to let my feelings be hurt.

\*REFUSE\* to be offended. It's my CHOICE whether to stop being self-centered.

John Bevere's "The Bait of Satan" reminds me: Our self plus Satan --

who Jesus declared IS real (like John 8:44) -- join forces to encourage us all  
to be pride-filled, which is what being offended really is.

LORD, Please forgive me for those days when I forget this....

A prayer for our LORD God named YHWH (Exodus 3:14), as we enter this new year by our human calendar (ending of Month 3 by God's :) with many other prayers for our Self, our Family, our friends.... For surely we should also remember our Friend also in prayers: LORD, I'm so sorry for all the grief, sorrow, people have caused Your heart in this past year... for all that \*I\* have caused... Truly I am sorry for Your pain that You assuredly do not deserve, in Your love even for those who have caused it... Help me Remember... to not grieve You even more in this New Year, I pray, in love for You.....

The screen showed just *planned-out* battle scenes with *fake* fighters dying on a tiny screen; & the director-guided *fake* emotions & the music-inspired feelings of doom..... YET I find myself weeping like the cold rain outside as I re-watch the final battle in C.S. Lewis's THE LION, THE WITCH, & THE WARDROBE...

Weeping not for the fantasy battle scenes of blood, pain, & death... **but for the thought that our Loving GOD has watched the Reality version for centuries &**

centuries... and surely wept in sorrow at our human evil for which we can't pass all blame to Satan... And weeps in sorrow at how we casually pray "*Forgive me my sins*" **without a thought of the searing pain we cause others... and Him.**

Mom DARED NOT call her mother anything but "*Mother*"-- and I had to use the formal "Grandmother" as required thru the family line. It gives me joy to realize the honor of being allowed to use the COMFORT name "Mom" even as a child.... AND It's a joy to realize that all \*other\* words were simply translated from the Greek, but

LORD God guided that we be TOLD about **ABBA**... the Hebrew Name that Jesus called His Father & God comforts us to know WE who love Him can call him... like "Daddy" (with *Respect* for his rules)... Mark 14:36, Galatians 4:6; Romans 8:15 "For you did not receive the spirit of bondage again to fear, but you received the Spirit of adoption by whom **we cry out, 'Abba, Father'.**" **The term of tender endearment ALLOWED to a beloved child.**

People love reading the "fortune" slip in the cookie at a Chinese restaurant... though most are really just "maxims" these days... But we don't have to wait to eat out to find LOTS of great MEMES before that word was created... inspired wisdom from the Creator. Ecclesiastes 7 is FULL of fun ones, e.g. As a musician, I love 7:5 > "It is better to hear the rebuke of the wise Than for a man to hear **the song of fools.**"....

Doesn't 7:10 sound 21st century?? > 'Do not say, "Why were the former days better than these?" For you do not inquire wisely concerning this.' .... Nice reminder from Almighty God Who Helps those who honor Him, as we enter a New Year... Have a Happy One.

January 5 at 9:03am · <PHOTO of old farm house by river>

I see lovely old houses like this & think, "This was once someone's Dream Home".... It gets me back to reality & humbly asking God's forgiveness when I start slipping into desiring luxuries instead of the **More Than Enough** I have.... I am truly sorry for my self-centered longings for a big porch facing a quiet river just down the lush green, surrounded by singing birds.... God Is Indeed good even amid our selfish imaginations....

Weary & rushing in bitter wind, a nickel fell out of my pocket. As I watched it roll down sidewalk, I thought "*Is it really worth chasing after?*"... Woke up thinking of that. Even as a child I knew how my mom made a single pound of hamburger last for 3 meals for 4 people... expensive, valuable to us.... & I wondered why anyone WOULDNT go look for his 100th sheep (Luke 15, Matt 18)... Today's example:

**Jesus would do... AND DID... "anything to save you" >>>>**

**Even if you're not worth a nickel to other people. ....**

In Jesus's Luke 15 parable, the woman was searching for a SILVER **COIN** worth a full day's wages... Maybe **\$88** to us... YET in His heart, Jesus knows He himself searches for us who the world thinks are worth only a nickel.... if that much.

FAKE NEWS abounds on Facebook, yet people **QUICKLY** re-post it without doing any research.... SAME for Gossip.... CONSIDER: The first AND the last SIN in the Bible are the same: **LYING**. (Satan: "God is lying"; God: lists Love of Lying with Murder etc)... GOD *likes* us to respectfully Question, like Isaiah 1:18, ("REASON") and

Acts 17: **Paul commends Bereans who checked HIS words against scriptures.** Acts 17: "10 Then the brethren immediately sent Paul and Silas away by night to Berea. When they arrived, they went into the synagogue of the Jews. 11 These were more fair-minded than those in Thessalonica, in that they **received the word with all readiness, and searched** the Scriptures daily **to find out whether these things were so.** 12 Therefore many of them believed, and also not a few of the Greeks, prominent women as well as men."

WHO of us could have ever gotten away with telling our elementary school math teachers, "Division is JUST TOO HARD to understand!" ... We got other lessons that continued in high school with the same results: "You WILL study AND learn geometry!" These actually are useful, needed in life....

Micah 6:8.... When I first "became a Christian", I remember repeatedly telling God that "it's too hard to be a Christian!".... People's teachings confused me... even "How do you pray. WHO do you pray to? (Some people say Jesus, some say God, some say you MUST say "Father" like Jesus said, others quote Jesus saying in John 14:26 that the Holy Spirit is sent to guide us..... I just COULDN'T figure out all the **Do-This-Don't-Do-That rules**.... But.... we don't stop. and God gives a simple guide: "He has shown you, O man, what is good; And what does the LORD require of you But to do justly, To love mercy, And to walk humbly with your God?" ... Don't give up. ;)

I read 2 or 3 "Calvin & Hobbes" cartoons most days (ok... 2 \*dozen\* on SOME days!)... and I realized this AM: Poor 6 year old Calvin already faces a bully, but I remember only One Instance when I did: I was 12, the 3rd tallest in entire 6th grade (embarrassed-ly), so **NO one picked on \*me\***... But some girl decided on a long AM bus ride to rough up a 4th grader.

I got up, shoved her aside, sat beside the bullied-one, & gave a long set of scratches when the girl tried to bully ME... Of COURSE I got in trouble when the girl claimed \*I\* attacked Her... But: I didn't care, even though I did care about being known

as a "good student"... And my Father believed me & was Pleased.... Obvious parable of Comfort when we choose to get in Trouble taking Stands... Needed more & more these days against Bullies of "Believe my way or Get in Trouble!" God will help us against bullies AND expects US to stand up for justice for other people.

I find myself fascinated that Creator God even allowed for tiny birds to have their individual personalities... As snow rages down from all directions, a flock of juncos is happy that I put 2 old window screens on the deck & filled the big areas with seed. YET a couple of birds picked their area to bully others who come near.

Even though there are PLENTY of blessings for all.... AND if I get annoyed enough to walk to (inside of) the glass door, the BULLIES are the ones who fearfully fly away... while the "nice" birds watch with interest but Peace -- then enjoy eating more. Hmmm. Fascinating parable there.....

FUN discovery!! > Gorgeous music & views of God's creations in France on a public (PBS) TV station... but descriptions in French, so fast I couldn't understand a bit.

IDEA: I turned on Closed Captioning.

Sure enough, I could understand about 60% by reading: Learned that one city's Museum of Antiquities "ironically has one of the most modern architecture designs"... in a TRIANGLE.

Though a few decades have passed since I took 1 year of French (& 3 of Latin helped!), I Remembered & could grasp enough to enjoy the communication and LEARN.... **John 14:26, James 1:5**... God promises that when we SEEK & WANT to understand, **His Spirit will help us Remember & grasp enough**....

What is heartbreaking-ly sad... How UN-loving it is, that People raised with Islam are living in terror that some 'god' named allah is going to punish them horribly, with no hope of EVER being good enough... while Christians who KNOW this hope are telling people "oh don't worry" instead of telling them how to find the One True Peace that true God-- named YHWH-- offers for free. (Exodus 3:14, 1st Peter 3:15... "But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear").

A fawn can stand in 20 minutes... can walk in an hour... can run in a 24 hours.... **can outrun a man in 5 days**..... No one can convince me that it was selective evolution instead of God's Selected Design that helps protect them from predators-- whose babies didn't have to learn to run within a day!... AND:

When a fawn "looks lost"... the mother deer is staying hidden away, watching,

**NOT to protect her own self, but because God has given her the knowledge** (we call "instinct" but that makes no sense!) that she herself has a scent that will attract predators-- She keeps back from her weak babe to draw predators to HERSELF..... a DESIGN OF CREATION we aren't taught.

Springtime coming... already thinking of flowers... The world's smallest seeds are in the orchid family, growing in the tropical rain forest: Some seeds are only 1-/300th of an inch - invisible to human eye. Far smaller than mustard seeds that Jesus spoke of in Matthew 17:20, "...if you had faith even as small as a mustard seed" you can say to a mountain to move, and it would...//...

I'm CONVINCED: Jesus would compare faith to these orchid seeds for us who know of them..... BUT CONSIDER: We cannot make ONE flower, even, grow in our own power. Our FAITH seed is **only the container we offer to The Creator:** He's the one Who honors our prayer & gives the **power to GROW & DO...** Ephesians 3:20-21.

On this date when I was in 7th grade (Nope, not saying how long ago!), my grandmother gave Dad \$\$ to take me to a store & buy a Kimball piano. It had been used in their studio to teach students & still teaches: On that January 10th, I never would have dreamed how God would use that oh-so-expensive gift to me- literally through the World (via internet website). Praying Ephesians 3:20-21, that God's gift continues bringing songs of peace & comfort thru His World.

I was amused, watching old Carol Burnett show, to see a young Roddy McDowell... I've loved his dry humor like in Goldie Hawn's making-fun-of-haughty-people movie, "Overboard", as her patient butler. When I checked IMDB to learn his age on CB, I read this: "He was a rarity among movie stars in that he appears to have made no enemies at all during his lifetime. A man with numerous friends both in and out of show business, those who knew him continue to speak well of him to this day, and his funeral drew overflow crowds." ..//...

How I'd love to be described like that.... How nice if today's actors (etc) would "learn something"... Consider what God thinks about us when we're nice EVEN WHEN other people already want to be with us all the time for some reason....

January 11, 2017 at 9:50am · ... WITH PHOTO quote of Albert Einstein: "I speak to everyone in the same way, whether he is the **garbage man** or the **president** of the university." From the movie OVERBOARD (related to my last post!) where Roddy McDowell so perfectly plays patient butler to haughty Goldie Hawn's role...

AT THE END: [Andrew hands Joanna her earrings] >>>

"You best not lose these again, madam." Joanna: [perplexed] "Again?"

Andrew: "You will forgive me, madam." > [imitating her old way] >>  
"Andrew! I seem to have lost my ruby earrings somewhere between 64th & 68th street, FINNNND them."

Joanna responded: "I've behaved so badly." ... Andrew quietly answers, "Apology accepted, ma'am.... Most of us go thru life with blinders on. Knowing only that little station to which we were born. But **you madam, have had the... rare privilege of escaping your bonds for just a spell. To see life from an entirely new perspective. How you choose to use that information is entirely up to you.**" ... **IF WE WILL LISTEN TO GOD: He will help us see ourselves as we ARE: And as we SHOULD be, to reflect Him:** 2nd Corinthians 3:18

Pretty amazing: Walked in from sweeping entire deck to put leftover bird seeds into stretched piles along railing... the wind blows off useless hulls & dries off wood under where rain had soaked seeds... Dr. Oz was summarizing his guest's words that I missed: 7th DAY **REST-ART** << not the usual "Re-Start">> ... How studies show that ONE day a week of doing *Nothing you don't like* truly **helps** our health... I laughed & muttered, "Yep, God knew what He was doing!"... and then the guest started describing that this is how GOD designed us... incl to get out in nature, read comfort words, pray, keep a journal of ideas...

As many of my Facebook friends face ice storms today.. AWAITING our version tomorrow... I SHUDDER at the thought of Darkness when we "lose power"... I fill the place with oil- and battery-powered lamps...//...

DARKNESS on screens upset many even in daylight: No computer, TV.. no phone after hours pass...

And I WONDER at the sadness AWAITING those so busy with earthly lights that they won't believe: (quote) "DARKNESS with weeping and gnashing of teeth," described Jesus Who Knows (Matt 8:12 & 22:13 & 25:30).

OUR PRAYER & God-empowered goal: Acts 26:18 "...to open their eyes.. turn them from darkness to light, & from the power of Satan to God, that they may receive forgiveness of sins and an inheritance among those who are sanctified by faith in Me." - JESUS. (Beyond "comfort" in front of a screen's light.)

This week I invited a very shy child who wouldn't make eye contact with anyone to leave the "safe" pew away-aways & come sit by me on the long bench & just play "anything" on my keyboard that I keep at a 90 degree angle to the piano. She gingerly sat, touched a few notes. I showed her how to turn them into Organ... Horns... Flute... & which button started Drums... Then I pretended to ignore her. In MOMENTS she was experimenting with sounds that sounded first like JAZZ... then like Romance Period BAROQUE....

Looked at sky & found myself muttering on way to church, "I SURE hope You don't give us rain today, God. I HATE driving in cold rain.".... OOPS. And I'd just been studying Psalm 106 & 107. POOR God, He does SO much for us, and still we complain. Even on our way to worship Him together. :( Psalm 107:43, "Those who are wise will take all this to heart; they will see in our history the faithful love of the LORD." (NLT)

COMMENT added: IF Israel had just obeyed God in the first place (no complaints!), **then** they wouldn't have grown to huge numbers in 40 years before finally heading direct toward God's Promised Land: AND THUS ..... they wouldn't have scared other nations into \*attacking\* them, when per God's instruction, Moses nicely asked ONLY permission to just pass thru their land, not even allowing cattle to drink... .. BATTLES were direct results of the parents' COMPLAINTS & DISTRUST of YHWH God. EXAMPLE: Numbers 20:14 on.

Ever notice how, the more you excitedly tell people how wonderful our LORD is, how He will comfort them.... Within HOURS it seems you're smacked with feelings of discouragement, even despair. It's so embarrassing: "Do I have a weak faith after all?" you ask yourself but dare not ask anyone else. Or voice this to God... Growing fear of asking friends AGAIN for prayers... I often feel like such a wimp. YET God inspired the **"4x COMFORT"** words of **2nd Corinthians 1: 3-4**. I am sure I was in my late 20s before I watched **"Mr. Smith Goes To Washington"** again & realized it was NOT fiction but, instead, showing the tempting influences that tackle most \*any\* politician's initial resolve to be truly "For the People".... No matter our thoughts on individual topics, we must stay alert. Social media helps. I still remember surprise to even consider that government officials aren't all honest- from "Mr. Smith Goes To Washington":} I thought it was fiction. Yesterday's small font newspaper TODAY IN HISTORY clip: '5 years ago today' [exact anniversary of Roe v Wade], politicians quietly made a change to allow our country to fund international organizations that provide abortion services. Did that "make news"? Not much if so.

**24 January 2017** 15 hrs · 6 P.M. *WHILE TYPING SONG BY THAT NAME* (adding "Praising" to title of song lyrics written today: **"BUT... IF... NOT"** .... Many people will recognize these words as a quote from **Daniel 3** ("fiery furnace" miracle): Our **CONFIDENCE** that we can declare with Joy, trusting God that whatever happens, He will save. When we stand on His Bible Word despite knowing our character will be attacked as "intolerant" -- and Jesus promised Worse To Come for many people -- We can declare as did the 338,226 soldiers rescued ONLY by a Miracle at Dunkirk: God CAN save. BUT IF NOT, we STILL trust Him..... Link: Fascinating history-- & relevance to today's Church & to us... <http://www.truthmagazine.com/archives/volume38/GOT038247.html>

**QUOTE** The British commander was able to get a communiqué back to Britain that consisted of just three words, **"BUT IF NOT"**! Those three words sparked a surge of courage, determination and down right grit throughout the British military and the entire civilian population. Those three words brought about the bravest, most unorthodox successful rescue of any army in the pages of history. Admiral Ramsey was chosen to attempt the Dunkirk rescue.

He ordered all civilian fishing, pleasure and commercial craft between 30 and 100 feet in length to report to Dover to join the Naval ships for the rescue. Some 850 craft arrived and the civilian owners and their crews volunteered to man their craft. They had only one day to complete the rescue which would be only 45,000 of the approximately 365,000 troops. They departed from Dover and something unexplainable happened.

Just as General Guderian was ready to surround and attack with his large tank force, **Hitler ordered him to stop at the outskirts of Dunkirk**. Guderian was furious. Instead of one day and 45,000, Admiral Ramsey had 9 days and rescued 338,226 British and French troops and brought them back to Dover.

**Do You Recognize Those Three Words? >>**

Why did three simple words move the British to such gallant action against overwhelming odds? Do you recognize those three words, **"but if not"**?

They are from Daniel 3:18.... "They said, "O King, our God whom we serve is able to deliver us from the burning fiery furnace; and He will deliver us out of thine hand O King, **"but if not"** be it known unto thee O King, that we will **not** serve thy gods nor worship the golden image which thou has set up."

God delivered them from the fiery furnace. Read Daniel 3.

Notice that the British were familiar with the Bible and their army turned to the Bible for strength and courage when it looked like they were doomed. They turned to the God of heaven believing that he could deliver them, but if not, let it be known they wouldn't fall down before Hitler's Panzer Division.... <article conclusion: > The British, the Americans and people in other countries turned to the Bible and to prayer for strength and courage during the second world war.

They revered God and had an appreciation for His word. Romans 15:4 had a very real meaning for them as they learned first hand that everything written in the past was written to teach that through endurance and encouragement of the Scriptures they might have hope. This was the only hope that they had.

53 years have passed and people no longer turn to the Bible for hope and guidance. The wisdom of man has replaced the wisdom of God, secular humanism has re-placed Bible precepts and situation ethics ("no absolutes") has replaced "thus saith the Lord." These philosophies teach that man is supreme, there is no right or wrong, and everything is relative depending on the person and the circumstance.

The TIMING of when Pharisees decided to try to kill Jesus is, well, quite political. 2 instances: John 8:58-59, "Jesus said to them, "Truly, truly, I say to you, before Abraham was born, I AM." Therefore they picked up stones to throw at Him" <seeing connection with Exodus 3:14, where God declares His Name is YHWH which is I AM), THEN: John 10:30-31, "I and the Father are one." >

"The Jews took up stones again to stone Him..." Obviously their interpretation was **NOT** the modern one "Oh, Jesus just meant he was like-minded in goals etc". >> TIMING: In John 6:66 (an Ironic number, shall we say?!), many, many followers have left Jesus, not willing to keep seeking to understand Him. SO: It makes sense that Pharisees SEE Jesus is becoming less popular and decide it's a safe time to attack.

10 minutes into TV show, the sheriff accepted the alibi of GUITARIST at reunion of his own famous 40-years band: "I was at the next town's repair shop, to fix a broken string." I just shook my head & said "He did it." Even if age hindered him from hand twisting, he'd've just asked the other guitarist to replace string ..//..

With all the \$\$ that TV writers, producers, actors etc get, you'd think that SOMEone would've bothered checking how guitar players deal with broken strings. Instead: All just presumed their "knowledge" was sufficient, correct.. //..

Similar tendency among many of us studying God's Word:

**Easy to presume our "knowledge" is correct about some scriptures**-- for so long, that we see no need to test it, ask others, & be open to God's guidance, whether to confirm-- or change.

Don't you sometimes wonder if people who designed "re-closable zippers" on food bags actually TEST them? Like: 20-lb pet food bags, huge sugar and frozen blueberry bags that will make TERRIBLE messes if they fail... if you can open them at all without giving up & cutting the zipper since the un-glued edge is too close to get a grip to open the zipper....//...

Don't you sometimes wonder why we people gripe about these types of things

without thinking how blessed we are that it IS the type of things we gripe about? While many others are too busy wondering about food, shelter, safety from cruel people....

How odd to suddenly consider:

I find myself in a quandary: How many times can I use "exhaustion" as a reason for not getting much done for God before it becomes an excuse instead? When is it a valid reason versus just some "comfort" to me as I look at all the blanks on my Yearning To Do For The LORD list?.... becoming a sad concern as days pass while I gladly sit & type song setups etc-- Typing's a fun game to me-- but I don't really do any more for Him than people who don't yet know what a Great God He is.....

It's been a very (very) long time since I was surprised by how very much I loved a new movie... HIDDEN FIGURES has both much humor & a lot of history to think upon. I still laugh at the police officer's heavy southern accent-- this WAS 'just' Hampton Va... we don't have such thick accent 'til the land rises deep into our mountains!... :)

It's been a very (very) long time since I've looked forward so much to a movie: BEAUTY & THE BEAST, on March 17th. Interesting >> These 2 SHARE a theme: God did NOT make our value to have anything AT ALL to do with what we look like on the outside... 1st Samuel 16:7, God is quoted saying "...man looks at the outward appearance, but the LORD looks at the heart." >> Trailer:

Awoke clobbered with grief about a mistake 11 yrs ago that I hadn't thought upon for awhile... oh, Not a sin. "Just" a major financial mistake, a co-decision that I could've stopped if I'd've been as smart about such things then as now. A mistake that I thought I'd prayed for wisdom about. A mistake that changed the lives of 4 people minimum.... A decision that I \*THOUGHT\* I had prayed & prayed about, & still leaves me hesitant

about believing "prayer answers for wisdom" sometimes....

James 1:5, God promises Wisdom when we ask. My only choice... OUR only choice: Trust in God's help & not our own selves' ability even to listen to Him. And Press Forward despite mistakes we've made: Phil. 3:12-14... God's Word said this TWICE together, .... and this in His Word's pattern always means **IMPORTANT!**

I have 6 minutes to decide if I'm going to slip on shoes & head out the door to the church where I'm a member for its 8:30 service, before I go worship at the church where I'm a paid musician at 11...Facts:

- (1) Sermon is always "right on" both Bible & being applicable to "real life";
- (2) music is harder-rock praise style I like;
- (3) comfortable place;
- (4) friendly smiles.

5TH FACT: With being in hospital for a number of days in Dec & painful recovery, I haven't been where I'm a member for 2 months-- and no one's noticed...

MISSIONS for God are great: But they "start at home" to comfort hearts as Jesus also did. Not a matter of "me" but of wondering how many who don't have a 2nd church just stay home when "clouds are gray" like today... inside as well as out. 2nd Corin 1:2-4, in CHURCH, too. Some people say Jesus said to pray, "**OUR father**", so we shouldn't call God "**MY father**", **that Only Jesus can do that.**

We have a large family. When my Daughter #2 says to someone,  
"My father did this for me,"

she is NOT saying that he's **only** HER father and not the father of Daughter #3 or Son #1, etc... PERSONAL relationship to YHWH is what Jesus taught... something NO other religion has... something He sought to teach God-Named-YHWH's Children of Israel to widen their understanding of YHWH's Love... EACH person is precious to **Abba** & not *just* "one of a group"... and those who understand will call Him "my Father" while knowing like my kids do that YHWH can also be each of them's father ALSO.

Driving thru fog... didn't know the narrow winding road well. Couldn't see more than few car lengths ahead. Fighting fear. Pulled over into a driveway and prayed for a "pilot car". Within moments, one slowly drove by. I pulled out, followed tail lights easily for the 8 miles to the 4-lane road where fog was lifting..... That was the \*only\* car out, at 6 am on a Sunday....

That WAS God's answer-- and a parable reminder: We don't have to wait to be bright suns to help others. Sharing our bit of light can help guide & comfort people in their fears and sorrows. 2nd Corinthians 1:2-4, God's 4-"COMFORT" passage for us. BUT.....

FIERCE black clouds suddenly arose to our west. We urged all our children to walk much faster, almost run-- Not easy near the end of a 7-mile state park hike ending w STEEP hill.. & backpacking a toddler. We prayed aloud as winds began crashing & whitecaps filled the river by beach. Danger would be in our van under swaying pines, so we herded them all into a bathhouse-- with 2 dozen other refugees. Years later, EVERY child remembers that day: How we rushed down final steep (LONG) hill & God helped us get into the only block building just moments before thundering winds hit-- later reported as a small tornado.

Our 2 youngest huddled their faces deep into their Mom's & Dad's arms, knowing we couldn't stop the storm, but comforted by our voices as we told them to ignore all the people's fear around us: That God would take care of them....

HE DID. HE STILL DOES. For all who honor Him, **Romans 8:28 Power Beyond us.**

I remember as a kid on Christmas morning literally counting my gifts as compared to others, and happily concluding "Mom and Daddy Love Me More because \*I\* got MORE presents! ... My mother very soon taught me some New Math ;)

**But truly:** People tend to equate "bigger" with "better", "more successful", even MORE BLESSED BY GOD (thinking we deserved it). One result: Church membership rolls are seldom "updated" to accuracy... People moved 5 years ago but are still "on the roll".

There's an argument as to why to even have them... Like for King David doing a census that God did NOT agree to: It depends on what you'll do with them. Useful as a reminder to go & show concern for those who've stopped coming.... When the list of names on our church roll is markedly larger than actual attendance— are we trying to look "more Blessed by God"? ... Will we stop teaching and preaching a Complete Word of God's truth in order to draw in more people with Popular messages....?

**16 February 2017 2:40 PM**

I was NOT a popular kid in elementary school. Just average: No one hated me, few especially liked me, and I lived "in books" and my imagination... so I didn't care. Mrs. Barlow was NOT a popular teacher. She "took no nonsense". And THIS is in comparison to days when all teachers believed in "Give them an Inch & they'll take a mile" type discipline.... Mrs. Barlow wasn't going to give even a centimeter. BUT FOR ME... She knew I was "good" (actually, too disinterested to cause troubles).... so anytime the whole class got in trouble, if she asked "WHAT HAPPENED?!" and got 20 opinions (none mine: I kept silent).... she'd ask me. AND believed my viewpoint **exactly** because I didn't *care* to take any side.

It seems that ALL the news media is slanted toward the opinion of the reporter. It's ridiculous how usually-intelligent people are so cautious or even paranoid about other things but can't see the Logic to **be on guard** realizing that **most information** is given in a way to sway the listener to a specific way of thinking. We need reporters **who don't care what the Truth is**... just Report what happened & let us reach a conclusion based on **Evidences**.... John 8: Jesus Reported Truth. But John 6:66 shows (Fascinating "Number of Satan") : People believe only what they want.

Fascinating to get "out of the New Testament" to teach even children about Jesus. On the ROAD TO EMMAUS, Jesus taught about all the words prophesying Him that are in "Moses" (first 5 books) "and the Prophets".... Make a fun link between Jesus's parables & the the corresponding "Torah" scriptures He was talking about.... Example: "The Good Shepherd" identifies Yeshua as YHWH partly thru Ezekiel 34 where YHWH scolds the shepherds (which Pharisees knew He was doing as he told the peoples this story) and... vs 34:11, says "Indeed I Myself will search for My sheep and seek them out.... see also Zechariah 2:10.

Half-watching a 1970s sitcom, my attention was suddenly grabbed by kitchen scene: I thought, "Jiffy Pop! I FORGOT about Jiffy Pop!!!" / That was Mom's 'treat' to us... amusingly marketed as "...offers a fresh homemade taste that no microwave popcorn can match."

Sure, NOW we know it's not so healthy... But the sight of this snack long forgotten brings back to many of us FOND memories of eagerly watching the foil rise-- impatiently waiting as the aroma wafts out (assuming Mom didn't burn any kernels!)-- laughingly munching with your family...//.....

Somehow, in the Busy-Ness of Life, we often forget things that once brought Much JOY that we stopped doing... "too busy": Like all the time spent on our knees Alone with God, Joy-ing in Psalm 46:10's Love Command-- both Healthy & Not Just a "Hint">> "Be STILL .... & Know that I AM God."

As I walked onto deck to throw out birdseed this beautiful AM I thought: These birds are as happy as they were on 21 Feb LAST year... When I was healthy-- no black widow spider bite til May (with its heart complications), no blood sepsis &etc til Dec-- and I was JOY-fully with my hubby waiting for our spring reunion with children at Pigeon Forge cabin we went to each year: Not yet burned down because of 2 Self-focused teens...

The BIRDS like Rocks & Stars just Praise God daily without worries: Psalm 19, Luke 19:40, Job 38:7 (& COOL! astronomy discoveries!)... A and that's only for JOY that God Created them! How much more do **we** have Reason to JOY in the LORD **no matter what** ! :) First Peter 3:15, HOPE Within Us!

We oft forget Jesus wasn't "Gentle Jesus, Meek & Mild" like the hymn says. **NO**: HE tossed tables when church leaders mocked YHWH God. **NO**: HE surely had Right(eous) Anger in His voice as He warned people, "Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves." ... He commanded, "Go Out (Beyond Church Walls)" >> But also "Be wise as serpents" at all times (Matt 7:17, 10:16). Many people say there's NO wrong, & "right" is whatever you think.

THUS: Title of book/ movie "Fifty Shades Of **Grey**"...

RESEARCH: Author E.L. James STATED that for her character, she "chose the  
surname of Grey "Because Nothing is black or white; it depends on your point of  
view."... Why the number 50? Her answer: It "has magical powers". (source: Yareah

WHY aren't more church leaders TEACHING about "real life" popular beliefs &  
books &etc & how God's Word is STILL relevant .... of how culture not just "tickles the  
ears" (2nd Timothy 3)-- **it offers excuses to justify "whatever you want to believe"....**  
**says there's NO Truth-- just SHADES OF GRAY.** Or, as Pontius Pilate tried to  
evade & John 8:44 lies enjoy suggesting: "What is Truth?"... No wonder people are  
thrilled to see the sequel of 50 Shades of DARKER..

Still: As a radio teacher said same day, if we \*really\* believed Jesus's words

I used to have a scale that you could step on & get VERY different readings if you got off, pushed it to another part of floor, & got back on. I'd step on it 3, 4, 5 times... and write my Favorite "Truth" on the hallway wall calendar for all to see!... Sadly ;) > The new scale is accurate. I push it around 3 or 4x out of habit, but it always tells me the same truth. Today I happen to like it: BUT the number won't change even if I don't...//...

People often read God's Word & see truths they don't like. **SO they "push around" scriptures until they find a Flexible Interpretation (shall we call it?) they like...** And then share to anyone "walking by" in their life, the facts they Like & Call True.

In my dream, I was wandering in a high school, lost. Suddenly a huge man appeared in front of me: The gym coach, I presume, since he got right in front of me & started yelling at me at how much trouble I was in-- and demanded that I "Drop & give me 50!"...

But suddenly I realized: Yes, I am \*IN\* this high school, but I don't BELONG to this high school, and my Coach is not \*this\* man----- He has **\*\*NO\*\*** power to tell me what to do..

A cool dream that EXACTLY parallels what Jesus said in His prayer recorded in John 17: 15 "I do not pray that You should take them out of the world, but that You should keep them from the evil one. 16 They are not of the world, just as I am not of the world."... **And THIS WORLD'S POWERS, whether human or Satan-ic, have NO authority over you & me when we've chosen GOD as our Authority: our LORD!**

I was backpacking my acoustic guitar up a steep mountain path in Gatlinburg TN when an elderly man walking down the path glanced at me & wryly remarked, "A harmonica is lighter." .... I agreed: & still laugh! :)

There are days when we truly appreciate the comfort, calm, of Jesus telling us that HIS Burden is LIGHT..... though few people realize, "Burden" is a synonym for Law. Jesus was talking about ll the confusing man-made traditions that were called "Laws" (like priests deciding that since God told THEM how to wash their hands for sacrifices, they would claim that God wanted ordinary people to do that, too.... as they describe in The TALMUD -- the equivalent of Bible Commentaries that were later called Laws. (Different from The TALMUD -- the entire "Old Testament", or the TORAH -- the first 5 books, by Moses.... Just because all 3 are short words starting with a "T", people get them mixed up if they're not careful.)

This AM I am **"watching DERECHO winds" approach in my Life & am wondering if the worst of the "60 mph winds" will pass rather alarmingly yet Safely** by once more, as they did at the CREATION MUSIC FESTIVAL on 29 June 2012. About 60,000 of us campers (at least 3,000 children) -- 2/3 in tents, 1/3 in campers-- prayed hard as we watched BLACK Clouds race billowing FAST at us.

Without phones with radar updates back then, we raced from the main stage to our sites (for me, only 1/2 mile; a mile or 2 for most), praying. All night it pounded. From Photo 2, see how God answered: We were right between the 8 & 10 PM markers, where God pushed the winds south of us....

The next day we praised Him!... BUT NOT TIL we went home did we see all the twisted, broken, fallen trees barely to our south... This was LITERALLY a miracle of God that defense-less people living on a farm field during a week of praising Him with music were not badly hurt. Or that any died....//...

**When we love God... We WANT to do what God likes, NOT to "earn salvation" but to show that love.** John 14 & 15: Jesus said obedience = only way to be His Friend. Obey what? 2nd Timothy 3:16, only "scriptures inspired by God" at the time were the Old Testament... NOT about Salvation or Grace, but about THANKFUL agreement that God never wrote any Bad Laws.... Just pray for wisdom (James 1:5) & honestly be open to the possibility that "habit" is to be avoided as we study God's Word... all of it, incl. the Torah & prophetic writings from which Jesus explained Himself on the Road to Emmaus. (Luke 24).

**Reminder: Jesus is God... so Jesus wrote more than a 2-line "summary of the law" that's like the Cliff's Notes versions of all God's good laws** (of which probably only 40 at the most apply to the average person... at least 2/3rds were only for temple workers, some for only men / only women, some for only farmers, some for only soldiers... YET: For my very first little girl, I \*DID\* stop using powder when she was about 4 months old **because** all those years ago, there **WERE** public warnings already...//...

Likewise, God keeps & keeps warning us of things bad for us-- some via His laws-- and we suffer often only years later if we ignore them. And, sadly, even if we listen, we often worry more about "interfering" in others' lives than in at least pointing out dangers to them...

**Ezekiel 33: God has NEVER said it's our job to \*convince\* people.**

**5 March 2017** re new movie THE SHACK:

I was **blasted** (yes, that is an accurate word) by many of the church LEADERS when this book came out & I provided many of its lines with an explanation of how it was **New Age**... Don't fret about gender of God being called female: ... More impt is the concept claiming all people are God's children-- despite John 8:44, Jesus declaring some are SATAN's children, & He was talking to >> church leaders

The book was nauseating in the way it twisted God's character to make him fit the way we'd like "a god" to be FOR us...

On a comment claiming if we look for heresy in THE SHACK we will find it, and a long explanation of how it helps those who have a negative image of God based on what their father was like: I REPLIED, Where the book does not conflict with the Gospel, it does provide thoughts for deep consideration, especially of how our negative view of God is so often based on hurts by humans we've known.

<Does it really matter?>

The Movie presents NEW AGE BELIEFS that OPPOSE Jesus's teachings thru John 8:44 >> Some people are children (*actual* word) of their father **Satan**. (See also John 10:10, Luke 10:18 >> not an "allegory for evil" but about a REAL being)...

This book like ALL New Age theories **combines** the **TRUTH** that God loves everyone (1st John 4, e.g.) with the **LIE** that says every person is a "child of God."

**WHY IS THIS DEADLY TO PEOPLE? Because**

**why would anyone seek to truly pray for Wisdom & Seek God's Truth if told "aww, sure, God'll let you into heaven no matter what since He loves you.".... ??? >>**

Ephesians 4:15 "speaking the truth in love" comes RIGHT after God's warning thru vs 14 of "[Do NOT be...] children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting," (NKJV)

### SONG RECORDING HINTS

I have literally asked my drummer who I pay for song recordings to re-do a drum track for a song we're working on in the studio even though it's excellent... WHY?

Because, I tell him, **it's TOO perfect....** People will assume it's a drum machine! We pianists guitarists etc play "with feeling" and sometimes that includes drifting in our volume or even tempo a bit just to get the mechanical, the "technical" feel out.

Some people don't trust **anyone who tells them about God who seems "too perfect"**... I don't mean, who doesn't ever sin or admit to sinning. But like for a drummer --

We CANNOT use as an excuse that "I'm not Technically perfect" to keep from going to tell people the exciting Good News about our Savior.... Ezekiel 33, God calls us to speak His Truth. HE will take care of whatever happens afterward. We need not fear!

**5 March 2017,**

A friend (part of a well-known touring band, which the accuser did not know), said he was being accused of being a drummer who was not a musician because he did not know the term "meter."

**ME:** First time I went to a recording studio, the producer asked if I could play to a click track. I went, "Huhhh?"...

Then he turned it on, and I said with surprise, "Ohhh... you mean a **METRONOME!**" :) .... Tomato, ToMAHto! .... God does not want us to wait until we're experienced....

God does not want us to wait until we know everything....

God wants us to admit that we need Him as we speak about Him.

Which gives us MORE exciting news to share with others:

You don't have to be perfect. God uses anyone who honors Him.

ADDED LATER: When my studio producer heard about this about a Tour level band drummer being accused of not being a drummer when he didn't use the word "meter"... my producer cracked up laughing. He's my drummer on all my recordings & doesn't use that word either-- but still remembers my happy surprise 8 years ago at our first session when I figured out that "click track" meant "metronome" in my **pianist-trained** mind!

Have you ever had a boss (etc) who keeps telling you what to do & HOW to do it-- but after you do it Exactly, tells you it's Wrong?

You start sending YOURSELF e-mails recording the Exact instructions, giving dated Proof when s/he claims you failed?-- Of course your boss gets mad that you have Written Proof to show HIS or HER boss if needed??.... If not, you're blessed../..

But it makes a great Parable of how **God has given us Written Proof of what He wantS**, thru Moses & the Prophets who God inspired-- God would've had fixed any Words if written wrong... -- God calls it His **LAW**.

8 March 2017 9:20 P.M. to Group The Joy of Biblical Hebrew

BlueLetterBible org has been my fast online Bible reference for years, for easy copy-paste of scriptures to music sheets, with a choice of many translations including Hebrew or Greek words... Interlinear is a great tool BLB gives for finding where ELSE that same Hebrew / Greek word was used, for better understanding meaning.

NEW FEATURE: Pronunciation of the Hebrew word being used.

Example: [https://www.blueletterbible.org/nkjv/gen/22/14/t\\_conc\\_22014](https://www.blueletterbible.org/nkjv/gen/22/14/t_conc_22014) which I found while researching YHWH Yireh... Press the 'HORN' icon to hear recording of the Hebrew word.

I just found out that in Hebrew, there's only one pronunciation each for every consonant & vowel point symbol (the 'dots & tittles' of Matt 5:18/ Luke 16:17)... So if you know those about 30 pronunciations, you can sound out every word even without knowing what it means. God's language is pretty cool!

I love the music of dozens of bands, but seldom learn members' names. It's been an adventure on FB finding music I love via dif groups, requesting friendship so I can continue to hear ideas from dif people.... & I go to a lot of MUSIC FESTIVALS to watch & learn. Ohio's ALIVE Festivals are big, but you can still "get close" to musicians. During dinner break some years ago, I was near the booth watching a guy set up soundboard for AA concert, & he started talking to me about his settings. Eventually I commented on cool tattoo on his left hand ring finger and he said "That's my wedding band". I laughed "Now THAT's commitment!" and he laughingly agreed. Be careful of \*discouraging\* people who tell you they're wondering, "Hey, I'm not saved!" if they don't remember a "Day" they changed...

There are NO scriptures at all which support a common (= another "tradition") saying being passed around.... that you changed on ONE date.

Not something that falls into God's category of "useless... foolish, ignorant arguments that only start fights" (ironically defined in the 2nd Letter to Timothy, 2:14 - 23). Even though it's an Exciting moment for some persons (like me) who can quote the date they changed: ...

Many others-- incl GREAT servants who dearly loved & served the Lord all their lives... have specifically said they don't remember a "Moment They Changed"...

**"Fruit" shows whether or not the change exists, not a memory.**

God calls us to KEEP changing as He keeps teaching us things we've overlooked or were taught wrongly, etc... :)

The last time I'd taken off my close-reading glasses, a tiny hair had snagged in the joint. So when I put them back on, it was driving me CRAZY! I searched & searched & then with much effort removed its pieces that kept breaking off... Little hairs, or tiny splinters, or (shudder!) little sea ticks embedded in our skin: TINY yet TERRIBLE til we get them out-- sometimes needing HELP!...//...

**That's how much God wants us to URGENTLY seek to  
to rid ourselves of even what we call TINY sins:  
He calls them TERRIBLE. "ANETHEMA".**

And: In all the sermons I've heard about Jesus's words, I've never heard anyone mention that YES: The other person \*should\* get that speck out of his eye, too; it's just not OUR place to be preaching at him about it. But Specks in "them" or "me" can hurt terribly: We need God's Help....

Definition of Christian by many people:

"Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?': (Matt 7:22)....

Def of Christ-ian by **Christ**:

"21 "Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven."

[God's will as defined by Him, not us or us re-writing His stated will "to honor Him".]

"And then I will declare to them, 'I never knew you; depart from Me, you who practice **Law**-lessness!' -- Jesus, Matthew 7:21 & 23

Gorgeous silver moon cast long shadows of the trees last night... Would have been treasure the night before if-- in black gloom of the Ice Storm outside and blackness inside with no power-- it had shown light thru our windows.... Often I look at it & think upon all the months of my life that I never bothered to appreciate God's gift...

Often I think on Trace Adkins' "You're Gonna Miss This" song of not really appreciating ordinary moments with your children til they're gone.... And of how people will one day miss God's Silver Moon when it's no longer visible: Jesus's prophecy in Matt 24:29 just a reminder of what God already said thru Isaiah 13:10, Joel 2:10 & 3:15. May those who are now blind to the Light God offers come to See & accept His gift NOT just of Moonlight Creation-- but of His Son with Salvation.

PHOTO: "As the moon, though darkened with spots, gives us a much greater light than the stars that sewn all-luminous, so do the Scriptures afford more light than the brightest human authors. In them the ignorant may learn all requisite knowledge, and the most knowing may learn to discern their ignorance." - Robert *Boyle quotes* - <http://www.azquotes.com/quote/1181518>

COMMENT 1: SO: who IS Robert Boyle? The guy you studied about a bit in High School chemistry: (1) Boyle's Law – the first of the gas laws – relating the pressure of a gas to its volume; (2) proved that electrical forces are transmitted through a vacuum, but SOUND is NOT; and (3) showed heat comes from movement of particles.

COMMENT 2: Most impt to EVOLUTION RELATED Qs: Boyle was FIRST to write specific experimental guidance for other scientists to achieve reliable, repeatable results. Boyle's STEP #1 >> Do not begin experiment with Presumption of Conclusion.

COMMENT 3: These days most scientists violate "The Scientific Method" rule >> DO expect results will prove the Bible is Untrue: Incl age of Earth & no death of Huge Lizards that grow til death (aka dinosaurs) before Adam & Eve brought death into world. (1st Corinthians 15:20)... And somehow they don't see the Dis-connect of how their Expectation will affect Conclusions... though Boyle who lived 1627 – 1691 wrote about it!

Among all the many Music Festival experiences I've had in 15 years, nothing matches moments like this when band members listen to God's Holy Spirit inspire them to invite concert goers to realize "It's more than just a concert." And the JOY of seeing the crowd \*not mind\* the "interruption" of the music.

I saw these type of Moments With God quite often at festivals like Creation East & Alive Music & Outreach Festival ... but sadly, most often from young bands at the smaller stages...

Most impressionable to me & others was Seventh Day Slumber who I saw over a dozen times... and at EACH, the lead singer (Rojas) shared with 100s of youth his story of how Jesus helped him in desperate times & could help them... & with adults how their prayers for 'lost' youth are truly heard by God. ,,,

People absolutely hate to be told that they are wrong. We can't change that. It's not our JOB from God to change that. Ezekiel 33, God says "Go Warn them." How they respond is not our responsibility but God's. REALLY: That' exactly what GOD says in Ezekiel 33. ....

Jesus couldn't change the HATE-rs either without seizing back God's gift of **freedom** to **choose** hate. Matthew 23:37, you can almost "hear" Jesus's tears speaking of all those in Jerusalem who hated Him saying their way was wrong

After working as musician at a huge MD Retreat Center, I went exploring its Acres & Acres :) of large evergreens. Cocoons decorated branches like Christmas ornaments. And a WISP OF MEMORY hit me: I remembered- first time in years >>>

When I was a kid (but old enough I should have known to "look it up"), I thought cocoons stuck to pine branches were like bird nests -- abandoned each winter.

So I plucked & dissected a few. I saw no signs of life inside, & dissected more. Only 30 yrs later did I learn: These were Monarch butterflies that I had killed. I still sorrow for destruction done in ignorance...//... I still thank God for His forgiveness At Hand the Moment we sorrow & ask... AMAZING GRACE.

In high school we were forced to learn about "The Scientific Method" in chemistry. Robert Boyle (died 1691) pioneered it to guide scientists. His Emphasis: Scientists must NEVER have "presumptions" about what a conclusion would be; otherwise either the experiment or the subsequent conclusions would be tainted by their personal opinions and prejudices.

These days the Scientific Method is still followed *EXCEPT* if the results indicate that **"Yes, this evidence shows God might exist"**. Any such results are then "Explained Away"... Over 300 since the Progress that Boyle started, Science willingly is moving backwards to reject a Creator. Romans 1. >> Atheists accuse creationists of not being objective -- while THEY won't be. Lest they have to admit that there's a God and THEY are not He.

I didn't "send ahead" tracks from my home studio via Google Drive to my producer before arriving at my studio session. So I watched with amused expectation as he started initial mixing, hearing the song for the first time. A drummer for bands: SO he

was instinctively nodding his head to the beat as he mixed. SURE ENOUGH-- He stopped mid movement as soon as the violins came in, & looked puzzled. I struggled to hide my laughter: I'd deliberately created "flexible timing" so that the violins were always Slightly Off Beat, to reflect the tension of the words of Psalm 119:161 re STUMBLING ...//...

This DRUMMER KNEW something was "wrong". AND:

Here's an joy-filling Experiment for you: A wren built a nest in my Christmas wreath beside my front door & I see her often. 2 dozen wrens come to my feeding deck daily -- they all look alike to me. Yet, God knows WHICH one has that nest. AS YOU SIT AT STOP LIGHTS, glance at other drivers & Consider: God knows the Name of each driver, what s/he loves & hates, his or her dream:

Psalm 147, just as He Knows the Name of each Star... You are more than just one more 'wren' to God, too... I'm not fond of squirrels & possums that come up on my deck to steal birdseed... yet it still made me sad yesterday to see so many of their carcasses on the road near my house yesterday...//..

A very tiny bit of the sorrow God has when we repeatedly do things that will lead to OUR harm, even eternal death... Some people say "The God of the Old Testament was an ANGRY God"...

But His GRACE & Love is all thru those words too: He does Not change... Ezekiel 18:32, He urges, "For I take no pleasure in the death of anyone, declares the Sovereign LORD. Repent & live!".... In 33:11, "As surely as I live, declares the Sovereign LORD, I take no pleasure in the death of the wicked, but rather that they turn from their ways & LIVE. Turn! Turn from your evil ways! Why will you die...???"

**COMMENT I added later:** "The 23rd Psalm"...Psalm 46:10... Psalm 27:11, 13, 14: "Teach me Your way, O LORD, And lead me..." God \*STILL\* leads us if we ask. "PET HEAVEN"... The chorus of this HUMOR SCRIPTURE song was written after a day of playing with my pets & watching wild birds & thinking, "I'd miss animals in heaven." NEXT thought: "Why do we humans \*assume\* that God limits heaven to humans and His angels?" AUDIO Link:

[http://dianadeeosbornesongs.com/media/2010to2012SONGS/Pet\\_Heaven.mp3](http://dianadeeosbornesongs.com/media/2010to2012SONGS/Pet_Heaven.mp3) ...

ANSWER>> We've been TOLD "animals have no souls". **BUT:** It's God's Home in Heaven... **He can INVITE all He wants! Incl. bringing to Heaven all His critters!**

**\*\*LOGIC\*\*:** God made us in His image, to become like Him, incl to Love (Genesis 1;26-27, Hebrews 2:17, First John 3:2). >> So since many of US would miss our animals friends, then

**\*\*LOGIC-al conclusion\*\*** says God also enjoys animals and would take "No Pleasure" in their "death forever" --- but \*GOD\* unlike us has the power to DO Something About it!.... :) Below are God's Bible Scripture Word EVIDENCES that YES-- Animals DO live on after their earthly death.

**FACT:** God's Word \*NEVER\* says that God won't welcome pets" (song's repeated comfort line!).... Ever. Not even beetles or caterpillars that God designed (with GREAT intricacy!) are mentioned as omitted from God's Heaven because they're "unimportant".

**LOGIC:** God's Heaven has plenty of room for animals-- His Heaven can never "Fill up" -- "AND There's Room for me!" ... "Surely God can make Heaven Sing with animals singing Praises to our Heavenly King!" (song lines)

**FACT:** There is NO Bible basis for The "Theological" Reason that animals have no souls and thus don't go to Heaven.

**SCRIPTURE:** Genesis 1. After God created each set of things -- including animals -- God's Word says that He "saw that it was good," in Genesis 1. EXCEPT after he created male and female people (1:27). Think about that one :)

**SCRIPTURE:** Psalm 19. Heaven is a place for worshiping our Great God. Even the stars and planets can do that (Psalm 19, 148) -- unless you think God through David in Psalm 19 lies. Even the stones you walk on can praise God (Luke 19: 40) ---unless you think Jesus was exaggerating ("lying with a purpose in mind").

**LOGIC:** since Stars & Planets & as Jesus said even ROCKS can praise & worship God, certainly little birds & dogs & cats & lions & spiders & bears etc do! Why would their Creator lock them out of being WITH HIM-- the Definition of "Heaven"?

**SCRIPTURE:** Jesus compared HIS love to the love of a mother HEN gathering her chicks in a storm. (Both Luke 13:34 and Matthew 23:37 emphasized these words of love.) So..... God's Son SAID that hens care about their little chicks! Just think of all the other animals that have shown caring -- toward their babies... or toward PEOPLE, like to you. Why would their Creator lock them out of being WITH HIM-- the Definition of "Heaven"?

**LOGIC CONCLUSION:** "Religious people" have declared things about God & His CHARACTER that were **\*\*LIES\*\*** thru centuries ... Why should we who love animals... even care about insects & goo-ey/ stinging/ biting/ creations that our Creator chose to design... choose to **ignore LOGIC** & wrongly believe the words of people who declare that our Loving God does NOT invite animals to "Be With Him after Death" ( = Definition of Heaven)....

..... Now **\*\*\*THAT\*\*\*** DEFIES Logic! --Thoughts (I pray, from God) thru DianaDee Osborne, "PET HEAVEN" original song with Scripture Support..... Obeying God's Command thru 2nd Corinthians 1:2-4, to COMFORT others with the same COMFORT by which He COMFORTED me, by STILL WATERS in November 2010 when my little black cat died..

(I told myself)....As I muttered to myself, 'I HATE cold!' (over & over) >> I suddenly stopped mid-mutter with the thought: .....

**Suppose I hated 'little' things that God hates with the same passion?  
Little white lies, gossip (even if true), impatience in lines** (as if I'm more impt &

should be first).. "Last sins list" in Bible = Revelation 22:15.... WE PEOPLE call some **normal**. Incl loving lies, loving \$ & Stuff. **GOD does NOT.**

March 30, 2017 at 7:16am Say, you visit a dear friend who's bed-ridden for months. He asks you to mail a letter. You look at destination & realize Danger! You warn, DON'T contact this person locked in a max prison!... who'll try to look safe, to deceive, to get \$ \$... AND who's known to send others to destroy anyone who doesn't agree.//... BUT your friend INSISTS.... You take it to P.O. & put it in right slot. SHORTHAND WORDS: You SENT it where your friend chose. But you yourself dearly did NOT want to "send" it....

A 'poor' parable for this Rich Truth:

God does NOT SEND anyone to Hell: He doesn't just WARN but BEGS us. YET: We have free will. Hebrews 9:27, at the point of physical Death, God who is Just must place us where WE chose: Even if it GRIEVES Him each time someone chooses "AWAY from God".... which is the Definition of Hell, that Jesus describes as OUTER DARKNESS.

2nd Peter 3:9, Ezekiel 18:32 & 33:11, Matt 23:37... **LOGIC: If it were God's CHOICE, He wouldn't grieve over people's Eternal death.**

Repeated begging us to choose Life, Ezekiel 33:11, God commands that His Word be shared (by us, too, 21st c) >>

"Say to them: 'As I live,' says the Lord GOD, 'I have no pleasure in the death of the wicked, but that the wicked turn from his way and live. Turn, turn from your evil ways! **For why should you die...??**"
