October 31st = 500th anniversary of Protestant Reformation... a PERFECT time for us to start asking this LOGIC Question: Why have we (rightly) rejected so many false teachings (for which those who stood true to God's Bible DIED) *except* for God's repeated-ly stated Sabbath Definition... for which those who stood true to God's Bible DIED or, today, are mocked?.... REMINDER: DOING WHAT GOD WANTS is our way of showing Him *LOVE* -- *NOT* our "way to be saved", which ONLY JESUS is...

YET JESUS defined His FRIENDS: Those who OBEY. (John 15) Obey what? What God clearly, repeatedly says He WANTS. That's what the 70 years Babylon exile was all about: Israel mocking God's definition of Sabbath which they DID-- but in their OWN way. (Jer. 25:7/11; 2 Chr 36:14 on, Heb. 3 on to 4:11-- "If we Disobey as they did...")

Creation EAST Music Festival in western PA>> The place of my 2nd (Real) baptism in June 2008 - at the BAPTISM POND on AGAPE FARM. ~200 youth & adults were baptized. Afterward we went to prayer tent: AND!> 3 pastors who did NOT know me or have ANY idea of my dreams & 2 full years of daily prayers to serve God writing music for Him ... prayed over me, "LORD, put a New Song in her heart." PSALM 40:3 - And God has! I'd written only 3 songs for Him up til then....

MIRACLE of a God who cared about a teen boy: Today is 17th anniversary of my first trip to Creation HUGE music festival in PA; I'd been boys' music leader for 6 months of practices by BELIEVERS BECAUSE group of ~100 teens that year, from city & area counties; CREATION was reward for this great young Drama Ministry traveling team.... :) During the tour to churches, one teen desperately needed a guitar pick. Out of ~120 people on our buses, *NO* one had even one. We went into only shopping center in area: NOPE. As he sadly walked back to bus, he looked on pavement... God Provides. Wow. THERE ONE LAY... NO explanation except::: God.

Added COMMENT Jul 02, 2017 4:25pm (By the way: I myself didn't have any picks because I began guitar lessons 2 years later... and I still usually don't, because I fingerpick except when needing louder sounds while leading a congregation with an unplugged acoustic :) .

2 July 2017 on GROUP post of a H.S. teacher asking for help in convincing superior to let him continue with an Evolution on Trial" project where he gets students to do scientific examinations:

Jul 02, 2017 7:36am First, let me commend you for yearning to open students to think thru multiple (not just "both") sides of a question from a Scientific Method requirement stand: Never assume the conclusion or you will probably taint the exploration process.... In the future may I suggest the title "Creationism on Trial" since, after all, both topic are... and it won't instantly raise defenses....

I start with 2 main instances of "Nature" to cast wide doubt on the assumption of Evolution.

(1) The huge variety of bird nests within 10 square miles (same predators)... Evolution implies "Once something works, it's adopted...." So no need for bird to have created all the many kinds, architecture, makeup, location (ground as well as low brush, trees).....

(2) The huge variety of Self Defense mechanisms, from camouflage to body design.... Again, Evolution implies "Once something works, it's adopted...." And no need for other types...

(3) And then of course, once persons are open to the possibility of a Creative Artist with a mind who enjoys making a Variety, instead of cold impersonal "Evolution" making things.... they're more open to believing YHWH God's ability to control how His Bible turned out... including writing "6 days" to create, inspiring Peter to write that a day is as 1,000 years....

(4) **Don't forget Math Extrapolation studies...** using an **assumption** that conditions have *never* changed over centuries -- when we can see it just in weather in 150 years... A "fun" study with missile defense... how varying temperature changes alone can affect the missiles path over an ocean.

POST July 2 at 9:17pm · From 2016...

When people ask why I believe in a God who cannot be seen, I reply "**Statistics.**" USUAL RESPONSE: "*Huh?*".... That almost always leads to an interesting discussion... including of how God NEVER gives "PROOF" of Himself-- only *Evidences*. Otherwise, we wouldn't be able to have faith, per Logic & what God says in Hebrews 11:1... What is Verse 11:3, by the way? >> "By faith we understand that the

WORLDS were framed by the WORD of God..." The Greek "aion" means more than "universe".... it means Times... ALL Time thru the end of the Ages. >>

"INCOMPREHENSIBLE JARGON"... It inspired Randall Munroe to write the book I'm reading this AM: "Thing Explainer". Scientific things explained using sketches & only 1000 common words. FOOD HEATING RADIO BOX? = Microwave. BAGS OF STUFF INSIDE YOU? Cells... with truly fascinating descriptions that raise the Q of how anyone can think even a single cell happened by accident... // ...

We think **"INCOMPREHENSIBLE JARGON"** makes us *sound smart* &

"Christian" as we spout words like

"Evangelical".. "Gospel".. "Redemption".. "Sin".. "Salvation"...

and then there's my favorite phrase: **"Expiation** for our sins".

When SURELY God meant thru 1st Peter 3:15 to instead say "Tell people.. MY Good News..... *SIMPLY*.

By the way: My DAD always said it was a shame the Bible writers were not **southerners** who would write **Y'ALL** wherever God was saying **"you-plural"** because in English, "you" can mean 1 person or a million... but OLD KJV clearly says **YE** for the million people! <http://ministry127.com/christi.../90-hard-words-in-the-bible>

Romans 1: People canNOT have it "both ways" in "Science"-- "Explaining" but **not seeing Obvious Conflicts** against what they said elsewhere **to teach "facts" implying there's no Creator-- Just Chance...**

HUMOR: Remember all the teachings that creatures evolved over millions of years? YET instead of saying 500 in Hawaii became 100,000 in 30 million years, the film "explains" how the other 1,000s got to Hawaii via terrific storms bringing even birds & reptiles from the closest lands... 2,390 miles from California OR Alaska's tip; 3,850 to Japan...

Silver bait ball fish stay together like SWARMS & their prey struggles to catch a bite amid a Feast... *This is how they "get eaten"*: A sea lion swims fast & scares the gathering... The fish ball splits into 2 balls... Again, & again the sea lion scares them into separating-- until at last a FEW fish dive away alone to hide in a rock-- where the sea lion easily grabs it...//... First Peter 5:8 in Action >> Satan the Roaring Lion does all he can to separate us from the support of other & from praying to God (James 4:7-8)-- so he can Devour us, one by one.

It's intriguing to think that God's answer to grant Elisha a "double portion" of Elijah's spirit (2 Kings 2:9) must have been a "yes" because the Books of Kings record twice as many miracles by Elisha as by Elijah (14 compared to 7) and 2x as long years of service to God by Elisha compared to Elijah (almost 50 vs 14)....

Radio announcer ended talk with caller, "Bless you for that." He then added, "We don't bless people enough. We should be going thru our day blessing people we meet."

Welllllll..... **We** really can-NOT bless anyone. This is another example of **Christianese: Shorthand** for "*May God bless you*".....

which should be more shorthand for "*May God give you blessings if that's His Will*".... But Radio Guy's point WAS well-meant: We spend too many thoughts frustrated or angry at others & hoping God will thwart them.... instead of praying for "enemies" as Jesus said.

Jul 09, 2017 11:34pm My comment later: Good related quote:

"It becomes a **habit** that we say thoughtlessly, "God bless."

Well, that's better than a lot of other things we could say, but we want to be able to put our whole self into our blessing. That is something we need to be thoughtful about. We don't just rattle off a blessing. It's a profoundly personal and powerful act." >>

RE: Hebrew definitions of what SELAH might mean.

ME: As a musician, when I'm reading Psalms the songs & I come to "Selah" I think not just of what I'd been taught (as above: 'Stop & reflect') but also of instructions in music notation for **INTERLUDE**.... An Interlude like Psalm 46:10's wording, "WAIT on The LORD".... That we "don't know everything" itself gives peace as we stop & just 'be' with Him without 'asking' (or yakking at Majesty)... **SELAH** is in Bible 74 times: All in

Psalms except 3 in Habakkuk 3 that is DEFINITELY a *SONG* of praise to God-Named-Yahweh... which supports my "INTERLUDE" instruction idea!

COMMENT July 10, 2017 9:02 PM on real friend (former church drummer) post re what people think of churches:

At a music festival bookstore ~9 summers ago, I bought this book: **"They Like Jesus But Not the Church", by Dan Kimball**... It was as good as I was expecting... Thankfully God had guided me to literally accidentally find STRONG TOWER church at "just the right time" to be able to worship while getting thru events at another church... God Always answers prayers to help us find the right place... but it often takes time... Even for acoustic guitars, it can take a couple years of searching before we find the right one for US, even when another might work great for 100 other people.

Someone else's comment that I love >>>> I think what they're tired of are "church-goers" and not the church. The origin of church has been drastically changed during the generations. The church is a major part of God and his kingdom. So although I understand their point, it's hard to love God and not love HIS church. Again, I do understand their point, but we must learn to go to church because the Spirit of Christ is there and not be distracted or discouraged by mortal beings, their opinions, or religious system(s).

POST re false idols "today": Jul 10, 2017 9:43pm -

My favorite example from God is where He's mocking those who carefully create an idol from wood to pray for to be delivered- and then use the leftover wood to build a fire to cook bread & stay warm... Isaiah 44. We too can be so blinded by how ridiculous it is when we cry out that we feel empty-- but then seek filling in everything Except God. AKA idols.

POST July 12 at 12:12pm ·

Starting around 2 or 3 PM each day, I find myself looking at my **"To Do" list** and thinking **"No way."** ... James 4:13-15 is a comfort. :) So is Matthew 6.

(1) James 4: 13 Come now, you who say, "Today or tomorrow we will <do what's on our TO DO List>"... 14 whereas you do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away. 15 Instead you ought to say, "If the LORD wills, we shall live and do this or that."

(2) Matthew 6, ending in 34 = = Why Worry? Why bother worrying? What can you accomplish by worrying? >> "Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble." -- Jesus.... MORE COMFORT when our To Do List doesn't have many crossed-through items! :) ...

Children's picture books give disgustingly informative science facts... and 'the gross-er the better' for many kids! One Fact made me fight gagging every time: Many bird species eat seeds or worms... and throw up into their babies' open beaks. {gross Gross GROSS eeuwww}. The Royal Society for the Protection of Birds (RSPB) reports: "Regurgitated food is a way of passing on gut bacteria to help digestion... and the birdlings GROW UP to get their own food." ..//..

Odd comparison today: It used to be easy to just sit in front of TV & hear News.

Now we have to calculate the strategy of *why* "this" was said instead of "that" Must find supporting (or contradicting) sources & draw our own conclusions. Because Regurgitation still pretty gross.

COMMENT July 13 at 8:01pm on radio friend's posted question to Musicians:

If you knew going into the creation of your band that you'd NEVER become famous or make a living from your music...would you continue to pursue your art? Why?...//...

MY ANSWER: Been there, DO-ing that.... just the title of the radio song "Audience of One" explains it for those of us dearly loving the LORD for whom we're writing music... and it's in HIS empowering anyway that we write, play music: For HIM. -- Ephesians 3:20 & 21.

Driving safely past the warnings SO often, people ignored them- & Some were badly hurt. Do WE do the same for all God's warnings? NO-- that ONE time sin doesn't seem to be a FALLING ROCK against us this time, or the next or next.... But one day, ignoring God's signs will be deadly. But the Godly are as bold as lions.

We hear the warning in First Peter 5:8. But usually FORGET: Peter had FIRST-HAND experience giving into Satan's temptation of FEAR that denies Jesus Christ. Peter reminds us: Satan is like a roaring lion wanting to DEVOUR us all.

Jesus had said that in John 10:10. SOLUTION? God gives it in James 4: 7-8 >> **Run to YHWH Jehovah God and AWAY from thoughts God calls wrong...** often put in our minds by Satan. We can GO boldly into the world only after we COME boldly to God's Throne. Hebrews 4:16... It's our choice: "LET US therefore come boldly to the throne of grace, that we may obtain Mercy and find Grace to HELP in time of need."

My recording producer keeps joking with me that the scripture based songs we record have a "LOT of words"... Yesterday I answered, "Well, God inspired a lot of words in the Psalms..."... But also: Many written in last 2 years specify "God Named Yahweh" and include the Exodus 3:14 reference where God gives it... Familiar number? The INFINITE number of Pi in math! ;) 10:45 P.M. Comment 7-20-2017 to a good post re people who quickly un-friend anyone who disagrees with what they've already decided in THEIR Bible studies.

ME: Many people think it's "Bible study" to study only things they already have an opinion on... and to confront anyone who brings up other ideas to study against scriptures. They forget that **Paul actually commended people who did NOT automatically agree with what he taught**... He *wasn't* offended, but *praised* the Bereans... When we learn more about topics, we can learn that the stands we've taken do--or don't-- indeed have Bible support. (Acts 17). And Facebook provides a medium for learning others' ideas so that we CAN examine them, test them against scriptures.

IRON SHARPENS IRON... We'll never learn if we only go to 1 church & talk to only people who always agree with us. (Proverbs 27: 17)

Cleaning in the studio, I found an audio CD *way* under studio table: 2012 sermon re marriage. I *know* I'd thought it a Great message: church charged \$7 per disk & money was tight. BUT: 3 months later after that church sermon & the selling of that CD..... Everyone in 600-member congregation learned:

Pastor was caught having an affair with a married woman...

My older friend told me it was HER son's wife-- & how devastated the small children were. We church people felt grief. I had run a soundboard there 2007-2009 & witnessed **how the FERVENT prayers before each service had stopped:**

People got too busy... I wonder how many people threw out all his CDs they'd bought...

SATAN GETS A TRIPLE WIN when he convinces us that a *little* sin is "normal"... Says it won't hurt our soul, hurt those involved, or **devastate our years of work telling others about our great LORD**... Satan whispers that Ephesians 6's weapons aren't really needed ALL the time....

COMMENT 7-22-2017 in a Facebook group re the financial accusation of Huffington Post against Ken Ham and the Ark project in Kentucky. **ME:** GOSSIP is still one of Satan's weapons of choice... In discussions, don't forget to occasionally teach that "Sabbath" does NOT mean **ONLY** Day 7.... There are several days that God-Named-YHWH (Exodus 3:14-15) calls Holy, set-aside. That includes 7 "High Sabbaths" listed in Deuteronomy and/or Leviticus, as special rest days within His festivals. Example Lev 23:39-45, Feast of Booths (sukkot) mentioned in New Testament with the name Feast Of tabernacles (when disciples asked Jesus on the mountain about building one for Him, per the instructions God gives).... NO WHERE has God stated "Anyone who kills himself is a murderer with no time to repent SO goes straight to hell."... **EVERYWHERE** God's Word shows He "knows the heart"... including DESPAIR caused by the physical body's raging chemical imbalances that doctors often CAN fix: God HAS warned us re ADDING theories as we quote His Bible.... Racism is downright stupid. So is the effort to claim that the first chapters of Genesis are all myth: God REPEATS His word thru the NEW Testament, including re creation! .. Acts 17:26 is just one more place that says clearly: God made all humans from ONE. All the different amounts of melanin etc that give skin AND hair their colors & follicle size textures are just His Variety-- as you'd expect from ANY Artist whose work is far from boring!

POST July 29 at 9:55am ·

I've gotten many reactions to my post that I wrote after another person's post RE whether a person who commits suicide can go to heaven after doubting God like that.....REMEMBER John 10:10 A- the FIRST half, which people seldom quote- + John 8:44 + First Peter 5:8... Much can weaken even years of trusting God, yes Satan is real & SEEKS to destroy us (YOU). Like sneaking lies into your mind that "God can't forgive me for THAT", "Just give up."...//..

****EXCITING GRACE**** >> The YES that we can REST in: God is FAR more fair that we are: HE will judge Rightly... AND IS ANGRY when people claim He said what you must INFER (opinion) from Scriptures that NEVER cause the Evil Grief to those already grieving for someone who committed suicide, by telling them the old-church-doctrine lie that "You can't repent after you die, so that person went to hell." THAT = def of a false prophet; "prophet" = messenger OF God.

2nd Corin. 1:5 **"For as the sufferings of Christ abound in us, so our CONSOLATION also abounds through Christ."** God comforts us.... & SENDS us to comfort others **with that SAME comfort**... He says that **4 times** in **2nd Corin.1: 3-4**.

Useful when someone claims it's "unscientific" to believe in God-named-YHWH (Ex. 3:14-15, Isaiah 42:8) as Creator >>>

PARADIGM: (quote) "A framework within which you INTERPRET evidence. Science isn't just about the evidence, it's about how you INTERPRET that evidence." (unquote) -- Thomas Kuhn, The Structure of Scientific Revolutions (U. of Chicago Press 1996).... //...

THUS, since CREATION-ism uses the SAME EVIDENCES of Nature to show the need for an Intelligent Designer, its is NO LESS scientific than what's called "Science" >> which simply puts out different OPINIONS of what evidences mean.

Besides: Many Scientists DO see the infinitesimally LOW likelihood that CHANCE WON over Physics **Entropy (2nd Law of Dynamics)** to create our Amazing World..... Entropy is the OPPOSITE of evolving... Everything disintergrates toward a LOWER state... ages... decays....rots....

Years ago my hubby gave one dozen roses. I wasn't surprised: It WAS Valentine's Day morning, after all... BUT THEN: While I was downstairs in my music studio later in the day, he snuck into the house during his lunch break-- and left ANOTHER 12 roses on the kitchen counter with this note on them: "One Dozen just isn't enough." Ah, how I love remembering all the moments of shared love between us.... LOVELY PARABLE of years-past surprise moments of loving help in unexpected & un-prayed-for ways from Loving Father God. Too many Unexpected Blessings to be coincidental.

POST 4 August 2017. Just now

How did Jesus end up getting crucified? Mainly: LIES.
(1) Those who hated Jesus so lied about Him & what He said, and
(2) then convinced "the crowd" to believe the lies since "we all know" that "if ALL those people believe something it MUST be true"... // ..

Great Chess strategy, looking many moves ahead. SO: If you were Satan & were upset that a leader or a church was serving God in a mighty way, what would you do? SADLY EASY: Put in a few people's heads some lies, and they'll SPREAD lies like viruses.... You'd think after all these centuries, at least Church people would have learned. John 8:44- Jesus said Satan = Father of Lies since The Beginning. Don't give Satan fun.

Hobbes has it right: Satan sometimes **suggests** ideas, but it's always OUR choice to (often quickly) do what God said "NO" to. Romans 7 is oft quoted to "bad-mouth" God's Laws because we humans fail so often. Yet God inspired (2nd Timothy 3:16) Paul to write clearly in 12, **"But still, the Law (word = Torah) itself is HOLY, and its commands are HOLY & RIGHT & GOOD."** As is, of course, the Writer who inspired its writings that tell US how to be good, kind, loving to other people. People who hate & harm/ kill are often DECEIVED into trusting an evil leader who called these good deeds- even "serving God". All are loved by *some*-one...

Do not dare Hate them: God grieved for bloodthirsty people of Nineveh (end of Jonah). Jesus wept over entire city of people who approved killing prophets (end of Matt 23). **God gives us NO EXCUSE to hate Muslims or ISIS or anyone**

For years I've heard how God ripped the Temple veil (curtain) when Jesus died to show the removal of the need for a priest, of our Separation from Him. When the political-office-winner high priest tore his clothes (Matt 26:65), he disqualified himself as HP (Lev 21:10): Making it Possible (by God's law since there can be only 1 at a time) for Jesus then to become High Priest by whom we CAN come humbly before God at His Throne of Grace to obtain forgiveness & mercy: Hebrews 4.//..

In the mood for an old movie, I put in a DVD with the usual annoying "Previews" that you can't skip on some disks. This one had an ad for HIDALGO: "Based on a true story", it SAID. If we're not constantly on guard, we'll drift into doing the same thing as we tell people about God's Bible Truth: "It was about a guy [Jesus] who came and did stuff to make people blessed." Nowhere near the whole truth; and ... a partial truth is a Lie.

BIOGRAPHY: POST 21 August 2017. with great VIDEO of the eclipse when I was in high school.

Some people wrongly say today's is the first major solar total eclipse in our lifetimes (Someone even interrupted the pastor to "correct" him in church yesterday)..... but my dad and I were walking downtown near the East Coast when people suddenly

stopped on the sidewalk, pointing up at the sky on **March 7, 1970.**

... a fun to watch official type video of what my Dad and I saw in complete surprise! And a nice MEMORY of Dad caring enough about his 'little girl' to take me shopping, window walking a lot downtown that surprising Eclipse Day....

17 hrs The oddly gray ECLIPSE shadows outside suddenly reminds me of C.S. Lewis's parable **THE GREAT DIVORCE**: The narrator finds himself on a bus & figures out everyone is traveling away from their Life on Earth... The people are excitedly expecting to arrive in Heaven, thinking the low rose colored light around them is Dawn. But the narrator realizes NO: They are approaching their Final Outer Darkness

Comment 8-21-2017 to someone quoting another instance of "all Muslims are evil"...

Me: The bit of the clip doesn't say "All are", any more than all Christians are evil because some go on rampages against abortion clinics... **In any category of people is a subcategory of people who've done things that hurt the whole's reputation... TRUE STORY from radio 91.9 (DC area) >> An exhausted mom's active youngster was always 'inspiring' teachers to call her in for conferences about misbehavior. She enrolled him in a 2 week art summer camp hoping to give him a fun outlet. But on Day 3, his teacher called & asked to meet. TEACHER: I'm sorry, your son's just not 'getting it.'" MOM: "Should I take him home now, or can he stay til tomorrow morning?" TEACHER: "OH NO! I just wanted to ask if you can suggest how I can engage him?" ... MOM: "He likes origami." SO, for the rest of camp, he cut paper & made animals ... Feeling happy & wanted-- Because a teacher took time to learn more about him, instead of just scolding or rejecting. Pretty cool....

POST September 4 at 7:30pm · With PHOTO comparing early Christians to most Christians today. A few samples inspired by this photo...

EARLY CHRISTIANS

"MODERN" CHRISTIANS

Willing to sell or give away everything	Teaching to pray for Blessings, Nice house etc.
Beaten, whipped, imprisoned, worse	Complain if church is too hot, cold, noisy, "long"
Taught ALL Bible incl re ALL sins	Soften the message to attract more people
Diligent to learn all scriptures	Reads a few Bible scriptures in church. Maybe.
Holy, set-apart life	Blend in with the world to "plant seeds" secretly
Knew what "pick up cross" MEANS	Thinks it = Give away some \$ & volunteer time

By FAR, **this does NOT describe *every*** church or person using Christ's Name, "Christian". But God guided all the "T" books and Revelation 2 & 3 about CHURCH (&

people who make up the Congregation/ the accurate translation of word) for a reason: Satan is out to destroy (John 10:10A)... and FAR too many churches don't bother to Fervently Pray for protection against him & his tricks... Including convincing us to be like Little Bo Peep... Just wait for other people to come find US.

"The anemometer broke." This morning's news. NOT kidding.

Irma's winds to fast to record. But there's always hope: Because as Twila Paris's old song goes: GOD IS IN CONTROL. Paired up with the Truth-filled children's song from John 3:16 AND 17, where God meant "ALL people" >> "Jesus loves me, this I KNOW." We can put the 2 together: ASK our loving God for help... even if we're in a "safe" zone, for others who *we* should lovingly care about.

People forget: YES: God LOVES...

but He's under no obligation to save us from problems. He's Master, we're not. Psalm 91:14-16 shows 3 "PREREQUISITES" for God's promises of PEACE, JOY, RESCUE:

- (1) "Because he LOVES Me," says the Lord, "I will rescue him; I will protect him, for
- (2) he acknowledges My name.

(3) He will CALL UPON Me <ASK, PRAY>, and I will answer him; I will be with him in trouble, I will deliver him and honor him." ...//....

Many people pray Romans 10:9 ("The Prayer") & figure God will bless & auto-protect from then on. That's called "presumption"... and we HATE it when people do that to us: It's insulting, not Love.

COMMENT 7 Sept 2017: Easiest way to overcome fear of witnessing:

ONE OF MY BEST PARABLES, with a Recording Studio Hint: I found that after I "quantize" violin notes (made on a synthesizer board), if I move all just a tiniest fraction early, then each note is "fully" there right on the Count. You don't notice with the click track (metronome) that the notes are early. I usually sing with flute. ONE SESSION: I sang with violin instead. Checked; realized that at least 1/5th of my singing notes were

slightly off the Right-On-Time click that I was SUPPOSED to follow... And it was awful, til I re-sang WITH the CLICK...//..

It's so easy to not notice when we get "a tiniest fraction" off God's Bible, God's "click track". Which He calls "Sin". & Awful.....

Many OLDER people have the same exhaustion-- often praying, "God, I'm exhausted- Just TAKE me now!" ... We can encourage them AND ourselves in sharing: (1) Their PRAYERS for others are a wonderful ministry! and (2) Matthew 9:36, Jesus "was moved with compassion for them, because they were weary." 11:28, "Come to Me, all you who labor & are heavy laden, and I -- WILL -- give -- YOU -- REST."

Like when my children'd whisper, "How did Mom KNOW??" ...//.... BUT then I thought about that ahhh-Frappe I didn't tell my hubby that I'd bought... and about that ohhh-so-nice long straight road with no one in sight to see me...

.... Adam & Eve were So Silly to think God wouldn't "know". We all forget: DAD WILL know. AND we forget: Our sins GRIEVE God- not the details sometimes (nothing about Frappes in Bible- I think), but to see our DIS-respect for Him. Look at Genesis 6:6. That phrase " it grieved Him at His heart" is Hebrew#6087 in Strong's Concordance. Definition:

..... It literally means TORTURED, WRESTED. The description of Genesis 6:6 that our Hebrew instructor gave: God grieved-- like a tiny baby screaming in agony so hard that she can't catch her breath.....

We call God a LIAR when we're saying His commandments (needed because they define what actions ARE "sins") are not good for us like JESUS said in Matthew 11:30 (My Burden/Law is light.)....

..... We grieve, torture our Abba GOD Who loved us So Much that He gave.....

From C.S. Lewis, forever a Truth: "As Christians we are tempted to make unnecessary concessions to those outside the Faith. We give IN too much. Now, I don't mean that we should run the risk of making a **nuisance** of ourselves by witnessing at improper times,

BUT there comes a time when we MUST show that we disagree.

We MUST show our Christian colours, if we are to be TRUE to Jesus Christ.

WE CANNOT REMAIN SILENT OR CONCEDE EVERYTHING AWAY." --
