YEAR 2018 FALL PARABLES IN LIFE

AUTOBIOGRAPHY

One of the most disappointing gifts I ever gave my children was a telescope. I loved the stars, wanted to teach them that Love... but we couldn't afford a good one. I got one that I hoped might at least show them more of God's Marvelous designs... Problem: I didn't know>> There are telescopes for stars-- and for land. Guess which one I bought. They liked seeing distant bird flocks & hills, but I'm still sad at my mistake while they were young... I pray that Another gift I gave was the Joy of Seeking to Learn More of God's Marvelous designs... even after the time of Child-like Innocent Joy at the way stars sparkle when thin clouds pass over.

Yest at the end of a weeklong Bible Study convocation, a 14-year-old girl walked over, sat beside me, looked in my eyes & said "You're beautiful." She startled me, I thought I'd misunderstood her accent. Zoe repeated, "You're beautiful."....

NO one's ever told me that, except my first 2 boyfriends back in HS/college days...//... NOTE that if just 2 words had been added, the meaning would be *completely* different >>> "..... to me."..... That leaves instant thought addition, "... even if others don't think so."..//...

WHICH DOES YOUR DESIGNER SAY? God says, "You're beautiful-- Beautiful-- and *NO* different opinion is Right -- only MINE."

October 2 at 8:21 AM · *re accusations without proof in political "discussions"....*

I do NOT post political posts... Facebook is for Music & Parables for me, ways to enjoy connecting with people around the world... So, this is NOT political.... It's a simple statement of Fact: ... God set up His Laws in **Deuteronomy 19**, **that anyone found to be a false witness would SUFFER THE SAME PUNISHMENT** that he'd hoped for the accused person he lied about...incl. death penalty if that would've been done to the falsely accuse person... HENCE: THAT's why it took the Pharisees so long to find ONLY 2 false witnesses against Jesus:

Mom lived with her Aunt Grace every summer thru childhood & teens. She still talks of how Aunt Grace would get up in the mornings and whine, "I'm SOOOOO tired" -- and Mom'd wonder, "How can you be tired when you slept all night?!"... Mom says NOW she knows! ;) ...

I've found that EVEN when tired in the mornings, it's a JOY to get up when you have a special purpose for that day-- a task you love (like writing songs), a task that feels good when done (trimming trees-- STAY done for a year!), or a place to go (State Fair!)... Each day is God's gift. Especially seen when we honestly remember all the times when He LITERALLY saved our Life.... Thanking Him.....

DREAM. Prophecy?

The rather deep marble steps rose up like a mountain side toward the Roman style Building at the distant top. Someone handed me a large block to carry-- not heavy, but awkward-- & said: "If you want to know what is JUST, you'll find the answer up there." As I looked around, most people would go up some steps-- but then decide the trip was too much trouble-- & walk away with their blocks...///...

Doesn't have to be a Prophecy Dream of the future>>

We see "in the news" all the time: It's already HERE:

Huge % of people claim they want Truth, Justice---- but decide that seeking it is Too Hard >> So they just believe what they've already decided.

Can't believe how DARK it is at 8 in the morning... Supposed to be lovely warm yellow sunshine at this hour! ... Hard to believe how something as simple as a Dark Gloomy Day can make us have Dark Gloomy Hearts-- **if we LET it...**

John 1's "Christmas Introduction" with Matthew 4:16 quoting Isaiah 9:2 (Handel's Messiah source) has SO much more Comfort on a Dark Gloomy-Heart day, knowing GOD CARES and OFFERS HOPE: "The people who walked in darkness Have seen a great light; Those who dwelt in the land of the shadow of death, Upon them a LIGHT has shined."... "In Him was life, and the life was the light of men. 5 And the light shines in the darkness,....." (John 1:4-5a).....

I never went into a library until I was in 4th grade... no public library in town & my school for grades 1,2,3 didn't let small kids in. Still remember the ****JOY**** of being allowed to check out my first book to take home: "The Boxcar Children"....

Imagine if you'd never been ALLOWED to read words of God-- that you never even saw a Bible: Then opened one up to see all God's PROMISES of JOY &

PEACE!!! >> *That* is what happened just before 2nd KINGS 22's HISTORY (2K22) written 25 years after First temple destroyed (586 BC): People rejoiced to hear Newly-Found Scripture Scrolls that had been lost for decades in the temple Rubble....

Scrubbed 2 River rocks with dish soap... oh, not ordinary ones: a brother brought them 400 miles from his New England home. I keep them on the deck 15 feet from my "desk" & smile to remember him... to see beauty of MICA glinting like diamonds in the sunshine... to be amazed at a Creator who designed so many KINDS of lovely rocks-- & Etc... Just COULDN'T get all the green algae off the back side, so I turned rocks to face SunLight: THAT will kill it quick, without damaging human-made methods.

So many parable reminders in God's World:

Including that **His Light** kills off the nasty 'algae' in us that we turn toward Him.

People often say "Put the past behind you" as a way of supposed comfort. But just the OPPOSITE gives us peace when we honor God: For He helps all who call on Him with respect.. even when we doubt-- see the GREAT COMFORT in Mark 9:24 where the man gave an *honest* prayer of having some UN-belief:

When we look backwards, like the People heard thru the famous History Psalms of 105 thru 107 that God inspired, **we REMEMBER all that God already has done for us!** And we have PEACE knowing that God Never Changes: He STILL cares & Answers! When my hubby & I got to South Myrtle Beach huge hotel, I felt rather irked that-- out of 100s of available rooms-- we got a 2nd floor (my request) room that is one of about 6 behind indoor pool in outer bldg-- HUGE square roof & great view of AC unit... with 5 rather large palm trees in front of IT. BUT: I decided, I prayed for a good spot (joking with God as a friend, not as a demand!)... So we enjoy seeing the ocean view to either the left or right of it :) BLESSING: Today with effects of Storm Michael coming-- that bldg & trees are blocking the heavy winds! POINT: How foolish to complain when we've prayed & get "something else"... God proves o'er & o'er: He Provides. And Protects.

LATER COMMENT: Psalm 105 thru 107 are current ones I've drafted into song lyrics form... which say over and over: God kept providing. People kept complaining... Ages ago I also wrote the humorous but sadly true song: POOR GOD BLUES... <http://dianadeeosbornesongs.com/Songs-2008-2012.php>

Diamonds have NO worth: Except what a person decides. To some, a diamond ring is priceless-- NOT as a "pretty rock" that others would pay for, but as a Sign of Committed Love. To others, it's pretty-- but a simple band is priceless. MORE PRICELESS DIAMONDS: The sparkles of sunlight on the calm ocean after a Tropical Storm. :) .. The glittering sunlight off flecks of more "just rocks" like mica. The sparkle in the eye of someone smiling at you in Love.... Let us choose wisely what we call Treasures: Memories will continue on into our Life Together with our Priceless Creator....1 Corin. 3:12-15 (anything WE value will be tested for worth) ...VERSUS... Matthew 6:21, Jesus: "For where your treasure is, there your heart will be also."

A Glorious Comfort Parable of Jesus told> that God forgives when we return to Him: BUT ALSO I'm convinced Jesus intends it also to comfort those who ALREADY are His, that He understands when we parents are broken hearted by what our children do even when we raised them with many prayers for wisdom, and for them....//.... May YOU feel His Peace amid the pain if those you love seem to have left you-- and to have rejected God Whom you raised them to honor..... The PRODIGAL SON was gone so long (to spend all that inheritance & be driven to finally give up pride staying away).... Just watching 2D fiction version, I was traumatized as a child by a MOVIE (another not-for-children) my dad took us to as a rare "treat". And I've refused to EVER again see PAST the Wedding Scene...//.. I wonder if the little children actors in that movie-- now in their 50s-- feel the pain of remembering being in FIDDLER ON THE ROOF??... And that was JUST the re-enactment that "ended better" than "real life" for most who suffered... and for their children today in their 50s & 60s: I met one at SUKKOT camp whose father created Richmond VA's Holocaust Museum as his way of teaching what I NEVER learned in school... Surely GOD is heartbroken by both evil cruelty & its repeats in various "forms" of death & injustice..... PHOTO: Wedding tradition refs "His Banner over me is LOVE", Song of Solomon 2:4.

Do we treat God worse than our cats & dogs??... My little kitty Lea was friendly, yet aloof, for 8 years after we adopted her: She'd be loving-- in HER chosen time. Suddenly 2 years ago she started "yelling" at me the moment I'd walk in the door after

a week's retreat-- though I had provided all her needs & Jesse is her constant (cat) friend. Last night was awful...I was "yelled awake" & had to turn on the TV before going back to bed at 4 AM> TV voices helped calm her.

HOW EXCITING: **SHE WANTS TO BE WITH ME**-- NOT TO JUST BE BLESSED with food etc... 1st Thess 5:17 parable: Instead of "talking to yourself" all day & going to God (praying) a time or 2 a day-- Talk to God. He's more of a friend than our pets, & CALLS to us...loves being with us: Constantly. 1 Thess. 5:17.

Churches used to be like fast food places: Go to a McDonald's in Wyoming and you can expect the same taste as in Georgia. Use to be, we could walk into a Methodist or Baptist church and generally know what they believed. Now churches seem to be "making it up" as they go... and we have no idea what "We believe the Bible is God's Word" means to THAT church we're looking at... or it they will change their definition next year to follow the popular opinions.

John 14 & 15, Jesus repeatedly said that to be His friend, we must OBEY His Commandments.... A question still, unbelievably being debated, is "What ARE Jesus's commandments?" Sometimes the same people will say Jesus is God there giving the "Ten Commandments" in Exodus 20 Deut 5 (etc) will simultaneously say Jesus completed all the Law for us... taking Matthew 5:17 out of context + saying only 9/10ths of those original Ten are still "In Play".

Problem is: Man-made decision not announced by any prophets

(Amos 3:7, or Jesus in Matthew 24 saying Sabbath still exists in End Times)
has led people **to decide that the "Cliff Notes" version of the 10 Commandments** >
2 sentences means that changing God's 4-verse Sabbath Definition is still obeying/
loving Him.... It's hard to see thru 1,800 years of teachings when Father God never sent
a prophet to clearly teach a change people wanted... But that's a good place to stop...
let others study, pray for wisdom....

silence, then saw others racing to hide under things. Walked back confused: "Looks like

waiting for Free Fun. Finally: a TORNADO ALARM. But now it was TOO LATE to find

I rise-- that Jesus didn't fuss at the man for "lack of faith" in his feelings... remembering
by the time I get to the top: I didn't get there until I'd climbed the other 11 steep steps:
Reminding me that God often provides needs bit by bit while I'm getting "there" with
difficulty esp when my bones are aching... and my heart.... Hebrews 2:18, "Since Jesus

People ask: How could God call David "Beloved" after all his sins?... Well, firstly Hebrew has ~20 different words for what English calls "sin", varying from meaning accidental to "Gave in to temptation" to DEFY GOD sins. (1) In the Answer we learn much about David: Like us, he tried to forget or hide sins sometimes: But he *always* ended up confessing AND grieving for them: And wrote prayers to God in songs (psalms).... (Secondly) AND in the Answer we find much about GOD: all His definitions of SIN include a matter of "Heart" (Matt 15:19, Jer. 4) -- a Goof isn't same as a Lapse or Rebellion against God's Rules.... 1 of God's *ODD-est* healings! >>> Found 1 daughter's old thick grade-school glasses while cleaning a drawer. She got contacts early in HS. After ~2 years she ran out soon after an eye exam & new prescription. We mail ordered a box-- and she saw only BLURs with new contacts! I of course was miffed (& concerned that she might think her eyes got worse). We took her back to eye Dr-- who re-examined her & replied: "They filled my prescription right: Her eyes don't NEED correction anymore." WOW. I often joke that God created WEATHER so we'd have something to talk about ?... Sadly-- church people won't even talk about THAT to me at Little Zion-- a place I've loved to go to worship God for 3 years, have visited over a dozen times-- yet ONLY ONE "little old lady" has ever had a conversation with me as I sat alone 10-15 minutes before service-- and Noretta no longer goes. THIS AM, ohh how I longed to be in this church that FERVENTLY prays & sings... Decided "No-- It's too Lonely." ? ..//.. Preacher's article below: "When I ask people how churchES received them as visitors & guests, 2 complaints are voiced again & again: 'No one spoke to us' and 'The people seem cliquish.' They seem to like one another, but do not welcome intruders into their little family."..//.. SO... How about YOUR church-- Today?

November 5 at 1:40 PM ·

"Yes or No: Have you stopped beating your wife?" ... This Q shows the dilemma of DEMANDING a "Yes or No" answer to the Q, Is there any such thing as "Once Saved Always Saved"?... Most churches instantly teach YES! >> But that's NOT what God *clearly* says, e.g. Hebrews 6:4-7. An **EASY** answer to Confusion: THERE

ARE TWO "parties" in this Relationship >> (1) God ****NEVER EVER**** breaks His Promise; but 2ND half = (2) PERSON: lovingly, God gives people freedom to REJECT Him (Matt 23:37 Hen Verse) >> EVEN after they were "saved"-- even if they TRULY accepted their Messiah at one point in Life...

Hebrews 6:1 clearly says verses 4-7 are written to ADVANCED level already-Followers of Christ... This is about HEART for God-- not just sinning but GLAD to reject God's authority over them. We are not puppets: God ALLOWS us to reject Him (NOT "OSAS") but HE'll help us to NOT reject Him, to be SAVED "to the Uttermost" >> Next chapter, 7:25, "Therefore He is also able to save to the uttermost those who come to God through Him, since He always lives to make intercession for them."

Terribly sad real life example is Charles Bradley Templeton -- Evangelist even before Billy Graham-- and a friend whom BG grieved & oft visited till BT's death after Templeton absolutely rejected the Messiah whom he once preached of & helped many people find in early 1900s. >> <https://www.google.com/search...> ...// ... Fascinating -- but terribly sad-- article about a key conversation between 2 friends, Billy Graham & Charles Templeton (who even earlier than BG was a famous evangelist) -- Templeton rejected God after deciding the scientists must surely be right & thus the Bible wrong about Evolution and Old Earth "science" >>

... If anyone tells you "Who Cares?", here's a perfect example: If you won't trust that God guided the record of His scriptures in Genesis, then HOW CAN YOU believe John 3:16 or any *other* Bible words??.... or God's POWER itself?

What's the Link? >> (1) TODAY'S VOTING & (2) God ordering Joshua to take Israel AROUND some nations (leave them alone) because HE'd set boundaries (Deut 32:8)-- BUT to attack others? >>> The ***ONLY*** nations God said to attack were those whose men & women even taught children they kept alive, that for FINANCIAL GAIN & blessings, to throw babies into fires-- WHY? So Baal (the false god) would give them a Rich life...//... God is so nauseated by this evil that now He's called Evil for choosing to stop it... As we vote: Is God still being nauseated by choices to prefer FINANCIAL GAIN promises of leaders who also think it's ok to kill what Ultrasound Science CLEARLY shows are living babies that JERK at pain??... Most everyone would call it Evil if these were unborn Puppies... PHOTO = ~6 dead puppies, title "*Horrific UK Pet Graveyard*"

COMMENT 11-6-2018 on **Christian Jazz Artists Network** - Post asked if anyone wanted to collaborate providing sax for recording. ME:

I send mixed MP3 files of my songs that need lead guitar fills to one of my collaborators via a shared Google Drive... We talk on the phone about my ideas (especially for full-stop places in the music)... Then he records a number of tracks, separately, and 'bounces out' each along with my original MP3-- and sends the new MP3s back via same Drive PLUS his individual tracks that I can edit in my own studio if I like several different pieces.... God's really inspired some great additions to build up the songs, using this Long Distance method that works well.

First Corinthians 5:11 certainly is not taught in churches that RE-DEFINE words they don't like in God's Bible-- like saying God (repeatedly!) meant "Inhospitability" but let people goof & put wrong word in DOZENS of verses about "homosexuals".
SCRIPTURE TO CHURCHES: "But actually, I wrote to you not to associate with any so-called brother if he is an immoral person, or covetous, or an idolater, or a reviler, or a drunkard, or a swindler — not even to eat with such a one." Verses 12-13 clearly says (unlike Islam) it's not our job to judge people outside the church-- that's God's job-- but we ARE to DISCERN & AVOID REBELLIOUS people who try to divide our churches by bringing in Excuses for Sin.>> 13 quotes God in Deuteronomy 17:7; 19:19; Deut 22:21+24; 24:7. >> Photo: slideplayer.com/slide/10466295

I love to give things to my children, to see them smile-- always have. I delighted to find "gift treasures" in Goodwill & free ones along beach/ in forest beauty... Loved gifting them with taking them to Pet Store just to see the fish. But at times I STOPPED giving one or another child anything... Why? Because as is natural, at times a child would PRESUME that I'd give something, even Demand it. Or I'd get to thinking about Lack of Thanks for something I'd joyed to give.... God is The "Father" but we often forget: Like a human dad or mom-- He loves to Give Surprises, delights in our joy!-- but often holds back because our prayers show we're losing Respect, have become Presumptuous & demanding. How SAD for a Father who delights in Giving.

Is it true that "The God of the Old Testament was ANGRY but the God of the NT is Loving"?? OF COURSE NOT! >> Few of us were taught! >> (1) God ordered Israel to PASS THRU some nations-- not even letting their cattle drink. BUT some nations refused & fought-- were destroyed in self defense (Numbers 20-22 e.g.). :((2) God-Named-YHWH ordered destruction ONLY of nations that worshiped false gods with

names like Baal in a way that THREW CHILDREN INTO FIRES and etc-- CRUEL-EVIL ways of worship, versus other types of worship of idols that were wrong but didn't include killing children & horrendous immorality (like in America) that He'd judge later. Children learn from watching-- they would have grown up to do the same.

God's sense of Justice is FAR more than ours.... Logic! Remember: He brings Innocent Ones to be with Him in heaven... It's sad, people's gossip about Him who gives SO many chances to Turn Back-- Like LOVE warnings that entire city of NINEVEH believed! (see Jonah). God must judge or NOT be righteous... including America one day.

Really tired of them, esp. since I don't watch much "live TV"... Shriners Hospital for Children spends \$27 million a year for Ad Space in 2016 / "St. Jude's ran 46 different ads-- some 100s of 1,000s of times"... COST: \$84 MILLION, for ad space ONLY-- not production... I know their goal leads to Good. Nagging works some. But all these \$\$ costs lead me to look for more cost-effective agencies that also do good...//... I ponder: Why do so many TV etc church Ministries spend \$\$\$\$ on ads & mailings, "giveaways", etc-- and so much radio time Asking -- Time that COULD've been spent Telling the Gospel that leads to Good? Just as I get so irritated by repeated TV ads that I don't want anything to do with these hospitals-- Many people get so irritated at "famous" Ministers' nagging that they don't want anything to do with *God*.

PARABLE OF SABBATH

I never took a shower until 17: Mom taught us all to bathe well using sink. First time in college dorm's shower room was funny-- trying to figure out what to do (and of COURSE no one to show me!)...//... a Jeremiah 16:19 parable: We were taught, growing up, to keep 9 of the Ten Commandments as written-- but were taught the "sink version" of "Go to church on Sunday now" >> being told that "Sabbath" on Day 1 was "clean" to God.

NOW, we realize how much dirt/ sin we'd left in our lives by following how we were taught instead of seeing: Jesus never said He was changing sabbath; "church history" people did. Isaiah 66 (often quoted) is clearly about End Times that haven't yet come: Yet food laws & Day-7 Sabbath are clearly said: They will still exist. God doesn't change. And like any loving Father: He'd TELL us Clearly if He changed what He wants.... No scripture gymnastics interpretations needed.

POST November 30 at 8:02 PM · PHOTO: Why would a bacteria be considered Life on Mars... And a Heartbeat not be considered Life on Earth.... **Why we March-- Because abortions stops one heart and break another.**

This was the theme of my ©2012 song "One Single Cell on Mars" with free music sheets + audio on 2013 tab of <http://dianadeeosbornesongs.com/Songs-2013.php> ... Written on Christmas Eve as my gift to BABY JESUS: Verse 1 - >> "ONE SINGLE CELL ON MARS" is all it would take to / excite us to think that life on Mars does exist! / ONE single nucleus, in protoplasm would THRILL us, fill us with HOPE that there's / life on other planets. ONE single cell is enough to call LIFE there.

CHORUS

One single cell on Mars, scientists call "life."
One body here on earth with heart cells and fingernails
SEEN moving to pain..... cells SEEN by ultrasound.....
cells moving ON THEIR OWN ---

NOTcalled LIFE because on Earth.

2

MANY cells on Earth are called just plasm -- a not life --- a
Child that's forming in the womb called NON-existent live.
One fetus with any distinct types of cells is
killed because it cannot yet take a
breath outside his mother. Each
growing child deserves life, NOT
DEATH on Earth. [repeat CHORUS]

Exodus 21: 22-23 clearly says GOD calls an unborn baby "LIFE".

=====

Song Story by DianaDeeOsborneSongs.com.

I was extremely angry as I wrote these two verses into my journal -- in about FIVE minutes.

And as I created all of the main music tracks within a couple of hours with God's Creative empowering. I had just learned that a Christ-following American company <HOBBY LOBBY> was being threatened with being forced to pay for employees to abort human lives in the future. WHEN the same employees could *easily* obtain Planned Parenthood type services for the same low cost without denying their employer the right to their religious convictions.

| As I prepared the music tracks only 3 weeks later,
| government officials were organizing plans to force every company to choose
| between closing or not being able to help any employees with full time hours or
| ANY benefits, to avoid choosing to kill unborn babies.
| As I talked with prayer partners about what we could do
| -- prayers with feet & hands and not just words---
| I remembered a poster that my friend Sarah had posted on her FACEBOOK. It
| asked a very logical question:

| .
| "Why would a Bacteria be considered life on Mars...
| and a heartbeat NOT considered life on earth?"
| (TheFullTimeGirl;com by LifeCanada).

| Wikipedia's description of a *single cell* bacterium:
| "Bacteria, despite their simplicity, contain a well-developed cell structure which is
| responsible for many of their unique biological properties."

| http://en.wikipedia.org/wiki/Bacterial_cell_structure

| So why are many multiple TYPES of cells in a "fetus" -- unborn baby -- NOT called
| Life? YES! We must have COMPASSION for & to help women who need to find homes
| for coming babies.
| BUT Science canNOT ignore LOGIC
| that's inconvenient --
| even to show compassion.
| Next logical question:
| What does God want YOU to do about it?

| .=====

| Exodus 21: 22-23 clearly says GOD calls an unborn baby "LIFE".

| .=====

| James 1 verse 5, from God to you. >>>
| CHORUS of LOGIC:
| One single cell on Mars, scientists call "life."
| One body here on earth with heart cells and fingernails
| SEEN moving to pain..... cells SEEN by ultrasound.....
| cells moving ON THEIR OWN ---
| NOT ...called LIFE because on Earth.

COMMENT 1 >> later that day: · 1d Thanking God that I still have Life-Time to type these lyrics and put them on His website... man in giant pickup truck decided suddenly he'd waited enough for HIS light to turn red, and SAILED thru tight space to cut over to the hardware store lane to cross further down road-- right in front of me coming thru with my green light.>>>>

COMMENT 2 >> Missed him by literal inches despite hard braking ONLY because he veered to his left into the ditch AND because God was watching out for me. Thanking God, as always, for His additional gifts of Time

HYMN MYSTERY... Isn't it rather frustrating to think of a GREAT song, to sing pieces of the hymn to God in praise, but to realize: You love singing the words to Him, but you can remember only bits of Verse 2 or 3-- no way to look it up in a hymnal!... This morning's for me >> "Changed from glory into glory / Till in Heav'n we take our place, / 'Til we cast our crowns before Thee, / lost in wonder, LOVE + praise!"

SO EXCITED, looking forward to that day! WHAT ARE the CROWNS?? > Our rewards for service & faithfulness (2 Tim 4:8, James 1:12) that we gladly GIVE to God One Day (Rev 4:10). THANKING God that *yesterday* was not that day: Him saving me by inches from Truck Driver racing thru despite my green light.

A "season of peace"? HARD to "find" peace amid our huge To DO list... May you find Peace in God who cares re sparrows so of COURSE He cares about you! (Matt 10, Luke 12)... Yest, I was *only* person in Universe who prayed this-- + God was *only* Being who COULD answer: As its breast went from fast breathing to seeming stopped & its tiny eye closed,

I begged God to save the huge red headed flicker woodpecker that sailed into my glass door + fell to deck. I laid my hubby's sweatshirt over its body: warmth like a cave. Prayed more... An hour later it flew away. Today it's eating nuts-- minus a huge red tuft of feathers. Sure: I know people would say "It was just stunned." But *I* declare: We have a God who CARES about His critters-- and about YOU & me. Who gives repeated PROOF-- when we take time from our To Do lists to notice....

Read Mom's Reader's Digest 2015 :) mag o'er Thanksgiving>> TRUE tale of a pug with its head lolling out the open window of front passenger seat... Owner realized a moment TOO LATE that he was overly interested in the convertible that had pulled up on passenger side to also stop at the red light. Its driver was eating a sub.... with meat, cheese & lettuce everywhere incl in the dog's mouth a moment later. Article was titled "When Pugs Fly"... True story says owner's next stop was pet store: For a doggie seat belt :) ... This lady SHOULD have known to have a safety belt for her beloved dog. She "lucked out" that he wasn't killed leaping out the window into the convertible... But WE have been warned by God's Words many times of what is "safe" for us. Do we wait til "something happens" before we finally listen?

UNEQUIVOCAL FUTURE >> You do *NOT* have one if you trust God... No doubts or fears asking "Will I 'survive this'? Just the OPPOSITE: All psalms alone tell you: God dearly loves you & MOCKS any person or demon who tries to destroy you... Psalm 2, John 10:10... AUTOBIO of when I learned I wanted to be a WRITER: In 6th grade, age 11, Mr. Coker made 30 kids choose one index card with a sentence. Homewk: Write a 5 page short story using that sentence. I asked to have the dozen extra cards he'd prepared.... Then I wrote a 32-page (handwritten) short story named UNEQUIVOCAL FUTURE that used ALL the stack of cards' sentences! :)

I used to "read the dictionary" for fun... honestly we did not have many books in our house & weren't allowed to check many school library books. So I came across this word, loved it, used it for my short story title-- to show off that I knew its meaning, I confess!...

4 decades forward: I was just this week praying for ideas for new songs.... Suddenly I remembered this ancient Story From My Life.... Has to be God's guidance, as always: I am Confident!

The MOST PERFECT of the many EVIDENCES that the disciples NEVER taught that Jesus changed the Sabbath to Day 1.... The Bereans would have declared NO WAY! ... Acts 17, "Paul and Silas <went> to Berea. On arriving there, they went to the Jewish synagogue. Now the Berean Jews were of more noble character than those in Thessalonica, for they received the message with great eagerness and examined the

Scriptures every day to see if what Paul said was true."... Preaching was EVERY day, but Bereans would have said NO WAY if *any* "gospel sharing" said Jesus changed the Sabbath or ended ALL God's Law. **LOGIC: Acts 5:34-9**, **IF** disciples had taught this, Pharisees/ Sanhedrin couldn't have been convinced to leave them alone (awhile).

How do you define "Worship leader"?.... See **1st Chronicles 25** for God's definition AND qualification: How SAD for HIM when we don't care Enough to follow His Example :(>>: Musicians were SKILLED.. They bothered to practice on their own a LOT even before coming together for "Band practice"....

the Q to emphasize: Doesn't God deserve our BEST and not "Good enough"? (Phrase I've actually heard a lot of leaders use across my years in various groups on FB & in bands.) ... Verse 3 (example): "They worked under the direction of their father... who proclaimed God's MESSAGES <scriptures> to the accompaniment of the lyre, offering thanks & praise to the LORD." ..

A Christmas Story: A guy proposed to me ~3 dozen times, years ago. Fun to talk to, but I enjoyed freedom. We'd get together, he'd propose, I'd say no, we'd plan another outing :) ... The May after my D.C. grad school semester ended, he drove me 4 hours to Virginia Beach knowing he'd have to drive us back that night. (I never stayed overnite.)

NOTHING was dif that day except: For about #36, I said "Yes". He'd already started the usual laugh-- then startled, asked "What did you say?".. and I ALMOST replied "No"... ? I've been delighted with these decades with my Beloved-- But almost missed them for Fear of Commitment.....//... God asks us each OVER & O'er, "Come BE with Me! I LOVE you!" >>> The CHRISTMAS story:

God even SENT HIS SON to try to convince us of His Love (John 3:16-17)... Sadly: When we love our "Freedom" and we fear commitment... we MISS a John 10:10 Life of ABUNDANT joy!.... One day it will be FOREVER, since God DOES eventually STOP asking & lets us ignore Him: Romans 1.

I've loved you forever --- you are My darling.

Ever hear of "Pascal's Wager"? It's LOGIC: not in scriptures but good "cause to pause" + think: Pascal did a "math" chart that asks "What do you have to lose if you consider accepting God?" > Pascal concludes that Nothing Bad happens if you believe & are wrong-- but TERRIBLE if you WON'T believe in Jesus & are wrong... Sad also at how many people miss out on Jesus's OFT-proven over centuries John 10:10 promise of an abundant Life...//.. As the world celebrates a holiday with Christ's name in it-- that phrase "real Christians" is a key: I certainly thought *i* was for 19 years because I believed all the history about Jesus... Churches don't teach James 2:19, so many people sitting in pews don't realize that "Even Demons believe in God-- and tremble"... So they trick people, by using Christ's 'name' into thinking that's what He approves.

I had fun meeting a friend and **shooting the breeze**.

Told her I had to quit caffeine coffee **cold turkey**.

She said her boss first put her **behind the 8 ball** adding new tasks at the job-- & then **threw her under the bus** when the team missed its deadline:

The Blame Game **is for the birds**, isn't it?//....

Chances are, you understood all that. But what of someone who didn't speak English until a few years ago? Are they trying to figure out what recipe this is for Turkey, if the 8 ball is huge since people can fit behind it...? The Bible written 2,000 PLUS years ago has wording about 1000s of idioms + CUSTOMS that few of us know. We SEE crazy mis- communications when people don't know

English. ..>>>>

TWO IDIOMS are in Jesus's words of Matthew 5:17 "Do not think that I came to destroy the Law or the Prophets. I did not come to destroy but to fulfill." Rabbinic scholars used "destroy" and "fulfill" as technical terms when arguing a point. If a Rabbi thought one of his colleagues had misinterpreted a passage of Scripture, he would accuse him of "destroying the Law and the Prophets!" SO when Jesus said He came to FULFILL the Scriptures, He was using the COMMON IDIOM to say: "I am interpreting scriptures CORRECTLY." Then He'd discuss "man-made traditions" later in the Talmud ("Commentary") and NOT in the Torah (Scriptures) -- like telling ordinary people they had to wash their hands as hard as priests preparing a Temple sacrifice.

KEY: The Bereans (Acts 17) "searched the scriptures" & concluded that Jesus did NOT say "Stop obeying some laws". That SHOULD convince us to read PAST Matthew 5:17 to Jesus's next verses of words that CLEARLY say He didn't END the Laws (How else could we know what a sin IS to confess-- First John & LORD'S Prayer)..... Should make us see that people should consider whether they've been taught lies by teachers who didn't ever study about IDIOMS in scriptures & CUSTOMS. (Jeremiah 16:19)

18 Dec 2018 COMMENT 2h ... There are a lot of idioms AND CUSTOMS that most people never bother to even consider in Bible studies-- even though they recognize crazy mis-communications in their own lives by people who don't understand the background. Just the fact that the Bereans (Acts 17) "searched the scriptures" & concluded that Jesus did not say "Stop obeying some laws" should convince people to consider that they've been taught lies (Jer. 16:19)

How did the wise men, however many there were, HEAR about the prophesied King? Besides the obvious (Matthew 2), studying the Jewish scriptures? ... FUN CLUE in Esther 1:13 & 6:13 set in Persia (Iran) with "the wise men who understood the times" -- and Daniel who was captured by the Babylonians (same area), trained with the "wise men" incl. astronomers, & lived a long life faithful to God-Named-YHWH (Isaiah 42:8) which he dared to *show*... so the captors' wise men quite possible learned from Daniel & his teachings.

Maybe not... but it's cool to consider. Either way: Even if NOT "wise"... anyone who TRULY wants to find God's Truth WILL, God says... Deut 4:29 etc (see last post)... He is FAIR that way. But not always what WE call "prompt" ;) ... God gives us time to *yearn* to find Him as we seek!

Since I don't post more than 1 or 2x a day, I don't share much beyond God's parable ideas or music.... This one is especially meaningful at CHRISTmas time, but all

thru the year... thru our Life. Matthew 7:22-23,: "Doing For Jesus" is NOT the same as Letting Him In as our LORD & Savior... LORD meaning the one we Let In to have authority over our Heart's Desires.

**We're all Innkeepers who decide
if there is room for Jesus.**

December 23, 2018 ·

You most likely have one: A "collect-all" drawer where things go 'til you have mental energy to put them in place... to hide them from sight "for now"... You probably have one: A room that instantly becomes "the place" to quickly take all the clutter if you get 20 minutes notice that a friend is stopping in... And-- as dear a friend as he or she may be: *NO WAY* will you open that room door & invite ANY one in THERE! .. //... This time of year, we hear all about NO ROOM in the inn for Jesus, the Baby who became our only possible Savior. But ALL year: We often try to hide our "faults" (sins) in secret rooms of our heart, knowing our Friend *truly* wouldn't reject us because of them: But we're embarrassed & AFRAID that He *would*..???

OLD CHRISTMAS HYMN:

Thou didst leave Thy throne and Thy kingly crown
when Thou camest to earth for me,
but in Bethlehem's home was there found no room
for Thy holy nativity:

O COME TO MY HEART, LORD JESUS.
THERE IS ROOM IN MY EART FOR THEE.

I *still* laugh at God's fun *HUMOR* song ideas to me back in 2013 >> "MERRY CHRISTmas REBELLION" ... The LORD God who's been with us through our many sorrows is / our only Savior,

destroying death; Hosea 13's promised Savior! so >>> CHORUS

Song Story.

OK, I'll admit it: When people wish me a "Happy Holidays", I either reply "Yes, Happy HOLYdays" or I say "Merry CHRISTmas" with a long i to pronounce Christ's name correctly. And OK, I'll admit it: I enjoy watching their expressions. And a LOT of them laugh! Try it yourself!

This song was written in about an hour on a very hot June day. Maybe I was wishing for snow, but I honestly don't know why I was thinking about a holy day 5 months behind our calendar and 7 months ahead.... except to say that God inspired the idea.

And I shall confess.... The initial concept came from an irritation as I read something about people being unwilling to share the joy that THEY know about Jesus with other people for fear of not being so-called politically correct. even while people are afraid to even comment upon anyone of a different faith sharing THEIR ideas. We who know the joy of being FREED from fears of physical death that SHALL come to 100% of people can -- if we ask God -- also be freed from the fear of "offending" people when offering them this peace.... see 2 Timothy 1:7 and 8.

We simply must humbly ask God's Holy Spirit for Wisdom on how to speak... and when to speak. And surely at Christmas time we should have the courage to respond to the words "Happy Holidays" with the actual blessing sought for the other person -- Merry CHRIST-mas. With a long sound for the letter I.....

** Our Savior was promised back in Hosea's writings 100s of years before Jesus was born as a tiny baby.

** Jesus destroyed death... for those who accept Him as LORD.

See Romans 10: 9 & the comfort of First Corinthians 15.

SO YES, CHRISTMAS AND ALL YEAR IS A JOY BECAUSE OF GOD'S GIFT.....

Not a "prayer request" for an individual, but for you or anyone you know in your life, with my sad observation (no pun intended) from experience: This article about word statistics makes sense for private journaling, & link to musicians is sadly interesting...

BUT the *NUMBER* of words spoken is a better indicator for most people when they reach the deep level: Afraid, or just too weary, to speak, lest someone notice their pain & try to "fix them". Or to quote scriptures at them. James 1:5... May God give you much wisdom of "what to say when" to anyone suffering depression in these dark winter months... including if for you.

Physical causes are real: So that includes, seeking medical help. Truly got me thru a Dark Dark time of life... Something we "Christians" are afraid to admit depression, so I feel led to encourage you.

THE POWER OF THE DOG poem:: Heavy on my heart as I watch my 15 yr old adore me in her now-6-lb body, 1/2 her norm. Vet gave high energy food, but Lea & her 13 yr old sister will be my last cats. I'm sad. "the longer we've kept 'em, the more do we grieve", wrote Kipling asking: So WHY do we give our hearts to a dog to tear?..//.. My husband at hospital, his mom in ICU. WHY do we give our hearts to family, friends, pets? God's Plan is NOT for our hearts to be Torn when they die, but Great Reunion in Heaven PROMISED for people who honor Him... *NO doubts** that our God of Love is surrounded & laughs in Joy at our Marbles + Rovers + all our pets who were His "short-time loan... in—Heaven (before we are there)". The fancy words are **Exogesis** (trying to get God's truth out of scripture you're studying) and **Isogesis** (deciding what you think God's truth *should* be & studying scripture until you can force that interpretation out of it)... Fascinating connection to my

morning study today. Much needed: James 1:5 wisdom! May we prayerfully learn what GOD chose to say, and not what WE would like to believe the scripture words say.

? ? "I'm an old cowhand from the Rio Grande... Oh, yippie yi yo kayah, yippie yi yo kayah" ?.. WHOA! Where did THAT memory flotsam of song Dad'd go 'round singing 20 yrs ago come from??? Isn't it SCARY the things we remember & don't want to... VS what we *need* to? My H.S. locker #50 combo was 25-10-4. 30+ yrs ago. If only I could kick THAT out to make room in my brain for finding Mom's gift in that safe place. :) ...

BUT REALLY: It's **our VERY LACK that gives us JOY** knowing God says He can use us "anyway", knowing it's HIS gift when we suddenly remember or "can" whatever. John 14:26 & Ephesians 3:20-21, our True Power is in HIM. For HIS Glory! ... NEW YEAR, NEW WAYS *God* offers us to serve HIM, in Joy! :)Photo: Heartlight
