### **NEW YEAR'S DAY, 2019 ....**

**1 January 2019.** Yesterday at 11:23 AM ·

Have you noticed? Walk into non-Holiday card section of any store and ~80% are birthday cards, ~15% are Sympathy. What's missing? ..... It's a struggle to find **THANK YOU** cards. A meaning-ful & encouraging 2019 *goal*:

Tell people you appreciate them. Even when they didn't gift anything to you first... And since about 85% of my Facebook friends are *musicians*>>>

Remember to thank your Sound Production team, whether in your studio or band or CHURCH... After all: **They can make us sound like Mickey Mouse.** :) I taught the H.S./College Sunday School class how to do that to the preacher each year (with a parable & his OK, of course) >> One of their favorite lessons.

### **True love \*struggles\* to drag a person off the railroad track**

---- even when the speeding train is only yards away... My 2017 song cry-ingly asks, "**HOW IS IT LOVE TO LET**" people stay in DANGER instead of \*insistently\* warning them of a Forever punishment to come? To NOT give JOY to know Jesus loved them so much that HE came to warn as well as provide a Way To Safety: Which God ORDERS US to go tell... Matthew 28 end, Ezekiel 33 >> \*WE\* will be judged for casually watching

that Eternal train of destruction bearing down on those we claim to love. We should already be judging OURSELVES as UN-loving if we think it's better to let anyone stay in danger instead of us "interfering" in Love. ... Song & Free music at <http://dianadeeosbornesongs.com/Songs-2016-7.php> --

Yet another New Year here... Seems like there's been SO many, coming faster & faster. Fake math, of course ;) ....

My grandmother asked me when I was about 10, how old I thought she was. I very reluctantly, afraid I'd insult her, guessed **"43 ??"**

Took me a few decades before I figured out why she & Mom laughed and laughed when I thought 43 was ANCIENT... She was **64**.

Have you ever been on Facebook and seen a DIRE NEED for PRAYER... and been ready to quickly type "YES, I'll pray!"... and then looked at the long-past Date-- sadly?..//.. Prayer need for OTHERS this week: When SO many people are depressed after Thanksgiving family's gone home, Christmas busy-ness is over so you have time to think about being alone after the New Year's Eve party-- if not before:..... Make it a NEW

YEAR GOAL to Pray-- right THEN--when you see someone looking really sad. (And DON'T flippantly say "Smile, God loves you!"). >> "At the Golden Gate Bridge, the world's most popular suicide destination, 515 people were grabbed by cops mid suicide attempt between the years of 1937 and 1971. A researcher in the late 70s tracked these troubled souls down, and found that **ONLY 6%** went on to kill themselves." Article by Jack O'Brien July 07, 2010 on Cracked.com continues:

"This isn't to deny that there are people in the world who have profoundly difficult problems. It just indicates that for 94%, , ceasing to exist only seems worth it for a remarkably **brief** window of time.

So whatever day of the week it is, if you're thinking of doing something drastic, it's probably a temporary trick of the mind. Sleep on it."

That's the writer's suggestion for super depressed people:

"Just Wait And It Will Get Better."

**BUT people often have physical causes** that were worsened by events, or lack of events like accomplishments called "successful". God may provide ops for *you to help them also by Being a Friend*. LUKE 18, Jesus: "And he told them a parable to the effect that they **ought always to pray and not lose heart.**" Keep praying... **and for others who are losing heart, too.**

I try to not get "long" on posts... but sometimes the Sadness of others makes it hard for us to not share as much love & encouragement as we can.

Excitedly as I combed my (long!) hair this AM, I prayed THANKS! ---- to have \*finally\* gotten the **toy bear's song OUT of my head**-- and to realize the catchy melody & words I was singing was "my" (God's) song-- but which one? Realized NO! -- It's Bridge to song for next week shown in photo... not just Jesus's WARNING "I never KNEW you!" to people who don't honor God's Law (Matt. 7:23 etc) despite GRACE that pays the Price of Death for sins when we're sorry we did because Jesus did that (Bk of 1st John)..... but JOY that He gives Abundant Life to all who DO in LOVE for Him! ### **AUTOBIOGRAPHY**

Dozens of people now & in future would NOT EXIST if I had believed the CON when I was age 15 to 19: Every single boy I met was SO "dumb" (selfish, immature). I found the word "*lesbian*" reading dictionary L section (yep that's "me" even then! ;) ) ... was \*terrified\* I was one because I despised guys. All I met were hurtful. TIL the one I met at 19 & celebrated our decades of marriage with last nite. If I had BELIEVED THE CON, then all our children & their FUTURE children's children would never exist-- their

mates & children's future mates would have missed this happiness... BEING HURT is why people WANT to think they're homosexual. But their "answer" causes only worse agony in Life & After... Be kind but honest: Share God's Love but also TRUTH. WAIT on His plan (Jer 29:11-14). Don't let SATAN rush you toward Destruction (John 10:10).

COMMENT 1-6-2019. While looking for song ideas for my BIG WORDS audio album this AM, I came across the title idea *TRYST WITH A SNAKE*, which in my IDEAS folder on laptop, of course included source of the idea from 8 months ago-- from the FB post of a FB friend-I'll-never-meet-on-this-side-of-heaven.... God DOES use the ideas of His that you share in your various ministries. Sometimes you just don't hear about the results after you've reached ideas to people. So I encouraged him by telling him!

January 7 at 8:32 PM · PHOTO of an art DOODLE PARABLE

As my lesson to my H.S./College Age Sunday School class each year, I would have each "Draw a Doodle... anything with just one line." Most had a simple swirl that filled the paper. After teaching how Jesus JOYS in fulfilling Romans 8:28 for all of them who honor Him, I had them turn their drawing into something nice -- like a flower or pretty mountain rocks scene--- helping them think of possibilities, if needed.

Fun Art, fun lesson. THIS drawing? Adding an outline, it becomes a woven straw basket for the bunch of daisies to be added above it... by us on paper, by God in Real Life.

Heart-BREAKing>> People raised with Islam live in TERROR that **some** 'god' named **allah** is going to punish them horribly--- with no hope of EVER being good enough---- Yet Christians who KNOW this hope oft worry about how they look if they tell ANY one "in person".

Facebook helps us share our faith in a GOOD way... but **how sad that we don't do it more Face to Face with people** who will one day meet God Face to Face after a life of thinking He's non-existent OR as unkind & unloving as fake gods. 1st Peter 3:15... "But in your hearts revere Christ as Lord. **Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have.** But do this with gentleness and respect." Startling find yest in Daniel 7:25> Vision from God about "one to come" whose INTENT = "change the TIMES & LAW". That happened!-- but centuries ago: The 1 Organized Church's leaders demanded that there was NO NEED to keep God's feasts anymore, & they changed HIS definition of His own Sabbath law..//...

Sure! **\*\*We CAN still gather & worship on Sundays\*\*** -- Disciples (Bk of Acts) did **\*every\*** day... But we're missing the Joys of God-Named-YHWH's feasts-- and not obeying God's established Times while teaching "God Never Changes".

LOGIC> WHY did they kill ALL who refused the changing of Times OR who translated scriptures so people could read for themselves?? WHO created same excuses we're still taught like "to honor Jesus who rose on Sunday"? History shows: People who hated Jews. PHOTO = CHART of the 7 "I AM" statements of Jesus.

**PURPOSE: To discredit people claiming FLAT EARTH THEORY based on POETRY in the scriptures including Psalms and Book of Job:**

Jesus said I AM the bread... I AM the light... I AM the door...

I AM the vine... ---

and although **never a shepherd in that society**, He said

I AM the good shepherd...

(Photo has references from Gospel of John.)

**Was Jesus literally these things? Of course not.**

In grammar these are called **metaphors**, & we easily understand POETRY imagery that illustrates things & feelings beyond human words. I'm not joining in (or answering) these 1st Timothy 6:4 discussions "obsessed with disputes and arguments over words" that God decries>> God's Word is Truth but **even Jesus's parables were NOT all LITERAL history** in their usage for illustrating **Truth** in **understandable** ways.

COMMENT | ADDED THE NEXT WEEK: 1-17-2019. 3m

Jesus said "I AM THE BREAD." .... He came to feed those starving for GOD with His Truth. But **too many teachers change His Truth to be**

One of my favorite IMPT movie quotes is from movie **OVERBOARD**: Roddy McDowell as patient butler Andrew says to haughty Goldie Hawn's RICH 'Joanna' role AT END, handing over her earrings] >

"You best not lose these again, madam". Joanna: [perplexed] "Again?"

Andrew: "You will forgive me, madam" .... > *[imitating her old way]*  
"Andrew! I seem to have lost my ruby earrings somewhere  
between 64th & 68th street, ..... FI-....ND *[find] them."*

Joanna: "I've behaved so badly." ...

Andrew: [quietly] "Apology accepted, ma'am....

Most of us go thru life with blinders on. Knowing only that little station to which we were born. But you, madam, have had the... rare privilege of escaping your bonds for just a spell. To see life from an entirely new perspective. How you choose to use that information is entirely up to you." ...

"But when you are invited, go and sit down in the lowest place, so that when he who invited you comes he may say to you, 'Friend, go up higher.' First Timothy 4:8 says **"Exercise is of little use."**

**NO KIDDING. Few preach THAT verse...**

**YET they'll take the prior verses out of context to say "Eat any animal."** Bits of simple LOGIC:

- (1) Such teachings on verses 4-7 conflict with Isaiah 66 ETC> Eating pork is an Abomination to God-- as rest of 'O.T.' says.
- (2) We rightly Teach that God does not change.
- (3) Even we humans never start loving something we've called an **ABOMINATION**.
- (4) "Food" never includes MICE or BATS: We \*know\* it's unhealthy to eat some creatures, even though people "push the limits" to eat anything & BRAG
- (5) **Truth> First Timothy 4:3 limits edible creatures** to -- QUOTE --  
"foods which God **created** to be received with thanksgiving" (**meals**).
- (6) MOST IMPT: The ENTIRE reason why Jews reject Jesus as Messiah is because **they think HE taught such things**. **History** shows that this misteaching that First Timothy 4 were not taught for 150 years after Jesus walked on earth, by followers of The Way. Bishops of The Church were Jewish until then when Rome started killing ALL Jews.... and the New Church "govt" powers started re-interpreting scriptures like this out of context.

COMMENT 1-12-2019 re a famous pastor's newest mis-teaching:

I am glad to see that several leading pastors have stood up to him... and disappointed by his "defense" "critics needed to understand the context, especially

since his remarks were more for an audience that is turned off by biblical arguments." In other words: He was "dumbing down the Gospel"??... Ezekiel 33's Truth reflected in 2nd Corinthians 6:7 etc should ALWAYS be our guideline: " We faithfully preach the truth. God's power is working in us. We serve God whether people honor us or despise us, whether they slander us or praise us. We are honest, but they call us impostors." :( ... God who knows when we're getting frustrated is like a Loving Father who waits-- knowing we grow in faith while we keep seeking without results-- **YET throws out clues** that Feed our soul & delight us, at "just the right time!" to Encourage us!!! :) Proverbs 25:2, God gives us "glory", FUN in searching for His treasures-- Far more JOY than just "handouts"!

January 14 POSTED to FB website page first

One lesson I taught yearly to my High School/ College Age Sunday School students was how I came to \*firmly\* believe in Satan before I firmly believed in God... Parents were annoyed that I'd dare to teach about the occult in church, but I demanded that youth (& THEY) need to know the Truth about Ouija boards... That shuttle is NOT controlled by "the unconscious mind", I & my friend had PROOF-- it turning TWICE by itself. I published my highest paying article about it in a huge Baptist magazine. Thanking God for His delivery & helping me find ways to teach this truth-- incl. so many

SONGS with Scriptures about our Enemy. Samples: 2015 TAB with MP3 links, & <http://dianadeeosbornesongs.com/FUTURE--S-Z.php> (ABC order).

My [COMMENT 1-16-2019](#). [21h](#) [DianaDeeOsborneSongs.com](#) We have a CLEAR example of Spirits in Fortune telling like Ouija Boards being REAL >> Acts 16:16-18 where Paul gets annoyed with an evil spirit thru a girl. WHY? Because it was drawing attention AWAY from God's Truth that Paul was trying to teach, toward the truth that evil spirits pretend to "help" people.... Which is exactly why these NOT-a-toy boards are used... My friends & I used to ask "Will it snow??" with much hope of a day off from high school! ... [https://www.openbible.info/topics/fortune\\_telling](https://www.openbible.info/topics/fortune_telling)

My [COMMENT 1-16-2019 4 PM](#). [19h](#) 1 Chronicles 10:13 goes with 1st Corinthians 10:13 (pattern): About King Saul:" So Saul died for his UN-faithfulness which he had committed against the LORD, because he did not keep the word of the LORD, and also BECAUSE HE CONSULTED A MEDIUM FOR GUIDANCE.... 1 Corin 10:13 -- NO TEMPTATION to know the future without GOD's guidance can conquer you. Satan doesn't have that power. But you have the power to reject God's help against temptations to know what God has for now hidden from you.

It's fascinating how an obstacle that seems impossible suddenly seems do-able when someone else shows a way...such as sending Timothy "to establish you & encourage you concerning your faith, that no one should be shaken by these afflictions..." (1st Thes. 3:2-3).

Ahhh how tempting it is to get TIRED of people & want to stay Home Alone in our "nest". God knew what He was talking about in His command via Hebrews 10:25 to STOP neglecting to gather with others "as is the habit of some.".....

God is Wise. Why does that seem to surprise us whenever we see Yet Another Proof of that? -DD

**17 January 2019. 11:30 AM** [9 mins](#) ·

Satan is an excellent **chess player** with 1,000s of years' more experience than you or I... "What would YOU do" if YOU were Satan, to con people into ARGUING until they drive people AWAY from seeking the True Creator God they claim to be "defending"?? .... Flat Earth Theory sure could fit Satan's "Good Strategy" column.

First Timothy 6:4 describes those who "get off topic" with Satan's SQUIRREL SQUIRREL strategies to divide us >> "...he is proud, knowing nothing, but is obsessed with disputes and arguments over words, from which come envy, strife, reviling, evil suspicions"....// FIVE of The "I AM" statements of Jesus are NEVER taken literally.

Poetry thru the ages knows *"the 4 corners of the earth"* is a lovely way of saying EVERYWHERE. No sharp edges.

Mom lives 100 miles away, but sometimes we watch game shows "together" & then joke by phone about prices-- especially \$6,000 hot tubs! DO YOU REMEMBER? Elementary school... High School ;) .... watching the clock's minute hand move inch... by inch.. til End of Day bell?? Pondering that during my 30-minute organ prelude in silent church-- my 3rd in 4 weeks> Any of these mourners thinking that? Did person whose body is in coffin ever "wish back" for

excruciatingly slow minutes waiting for work, for church, for a boring car trip to end?....

CALVIN has it right: Time is unfair: It flies all the faster, the more fun we're having. Yet it's our choice: what to DO with our 24 hours today.

God didn't promise tomorrow on earth. But-- JOY!-- DID promise an Eternity with Him without clocks to watch if we rejoice in BE-ing with Him while here, even while the minute hand drags... 1st Thes 5:17 explained: Just talk with Him about This Minute, as a Friend He yearns to be for you. John 15 Promise.

**31 January 2019. Yesterday at 9:24 AM** · Micah 6:8: "What does the Lord require of you but to DO JUSTICE, & to love kindness, & to walk humbly with your God?"...//.... I spent over an hour crafting words & researching a Q this AM-- a Q that applies to ALL of us on Facebook... Figured I may as well share: YOU'VE PROBABLY SEEN IT: **People taking a comic strip panel like PEANUTS and then CHANGING the original words to add their own message.** Often I even agree with the message-- but **this is illegal and Just Plain Wrong.**

Yet: Any time I SAY so-- not with "long preaching" but in simple **truth** that "stealing is stealing & the meme maker should make his OWN art work"... **I get accused of Legalism. I repeat: Stealing is Stealing.**

This Human Law of Copyrights reflects God's clear Law. So-- no fancy pictures & certainly not showing the meme that I took time to respond to :) ... Here's my Stand. Don't bother telling me to Lighten Up. GOD certainly **expects** us to Strive to do what He calls Right.... and **JUST**.

ASK: Why don't these MEME-Makers **make their \*own\* artwork** instead of **stealing** art that belongs to the company that spent a LOT of \$\$\$\$ to buy rights to use Charles Schultz's Peanuts characters?

It's easy to research who owns this art.... and who does **NOT** have the right to \*add words\*.

As I huddle under a blanket after 2 hrs in my chilly basement music studio, I'm thinking of a thick "chair blanket" Dad bought when I was in High school. He was \*so\* excited to think he'd finally figured out what Mom would like. Money was tight and we didn't use credit cards, so he saved & saved. His hope was dashed that Christmas morn; blanket stuffed into closet for years.

**Poor God: Unlike Dad, He's known since Forever** how many people would hate the Costly Gift He'd planned with Love for eons....

People who still ignore it, hide it from their minds, and mock it whenever they happen to think of God's Precious Gift of Salvation to ALL who accept it:

John 3:16 continues on to some really scary words in verses 18 & 19...

**DEATH** for all who Reject God's LOVE Gift that first Christmas.

Simplest way to understand "Why keep God's Laws the best we can?" is a **parable**>>

- I love my mom.
- I would do anything I can to make her happy.
- If she told me she wanted a bed of sunflowers? in her small yard, I would **NOT** plant "roses" because "Everyone knows roses are better".

.. ?... **God's Laws tell us clearly What God Wants.** Anyone who truly loves Him does NOT modify His clear Wants (Law) to give Him our ideas of gifts instead. And anyone truly thankful for HIS gift of grace tries as hard as possible--praying for help-- out of true Love, not to "earn salvation"....

It's not "work" to do what God wants out of true Thankfulness that we don't HAVE to do the impossible which Jesus did for us ?....

### **AUTOBIOGRAPHY**

"I'M FIRING ON ALL 8 CYLINDERS TODAY!!" my Dad used to declare happily during those years he managed 4 groups of people in 4 locations while driving far & doing homework for the 4-year college degree he had to get to KEEP his job. A age 12, I had no idea what he meant.

Now I do... but also know what happens when those cylinders don't work Together, in the right Timing-- If all tried to fire at once, which Dad seemed to think was a Good Life.

Psalm 46:10... May you & I find REST in GOD today... Otherwise you & I will find Life more like 8 STROBE LIGHTS all firing **AT** us, fast & scary.

TAUTOLOGICAL ARGUING: When you don't have enough evidence to support your belief, so you repeat the same statement in many ways-- trying to \*confuse\* listeners into thinking each is a separate, different evidence that you are right... NOPE: This isn't a political post. Though it applies.

It's SO SAD, how many people say they've "**given up on God**" when, in fact, it's the angry, nagging arguing of "religious people" (not necessarily in churches, as Facebook proves) which makes them GIVE UP trying to figure out God's Truth.

SO SAD that people ignore God thru 1 Tim 6:4- Don't be "obsessed with disputes & arguments over words, from which come envy, strife, reviling....."

How often do we DRIVE AWAY people from seeking God by GUIDING them to "shortcut" but hard scriptures instead of letting them follow the Basics until they're ready for the fun of Exploring??... I'd go exploring each year-- No smart phones then, just GPS unit.

In its 23rd year, 2010, ALIVE had grown so much, it moved the ~30,000 worshipers to Lake Atwood-- MUCH harder to find: Tiny roads, poor maps. Main roads DC to OH-- but needed GPS since heading different way> PA.

The LORD is my rock and my fortress and my deliverer; my God, my strength, in whom I will trust; my shield and the horn of my salvation, my stronghold. I will call upon the LORD, who is worthy to be praised; So shall I be saved from my enemies. 4 The pangs of death surrounded me, And the floods of ungodliness made me afraid. The sorrows of Sheol surrounded me; The snares of death confronted me.

6 In my distress I called upon the LORD, And cried out to my God; He heard my voice from His temple, And my cry CAME BEFORE GOD, even to His ears."

As I re-filled the deck birdfeeder, something "wrong" caught my eye in the house. I turned fast: My rather lazy Maine Coon cat was excitedly CHASING something just inside the closed sliding door. "Ohhh, I **\*\*HOPE\*\*** she's just chasing her tail & not a critter that snuck in when I opened the door!" I 'prayed'!...

Experience: 1 mouse, a dozen lizards, and a \*bat\* HAVE snuck in over the years. Experience: 1 of the cats or I DO catch it in a day or 2. **But even 24 hours with it in your house is HORRID!** :) ...//... God says the same: Matt 7:15-, 2 Peter 2, Jude 1:4 & His "T" books. We must stay aware & CATCH them & Throw them OUT - not for 'intolerance' but to protect people from Destructive Deceivers who will harm them... **THIS**, God defines as "Love" --- Ezekiel 33.

February 16 at 11:25 AM ·

**HERESY.** It does NOT mean what we were taught that it means, to "Not believing what God says, thru His Bible, is RIGHT & must be believed".

REAL definition = **"Not believing in what the organized group (like a church), thru its Statement of Doctrine, says is RIGHT & must be believed"...**// ..... **Thus: To the Pharisees, Jesus was a HERETIC for saying that they taught wrongly, "Traditions of men".**

What God thru scriptures says in MANY places including Ezekiel 33:

**TRUE LOVE WARNS.**

For centuries, people have chosen to die fighting doctrines that changed "Believe this" into "Believe that" to become popular. Jesus included >> He was a Heretic, to Jewish leaders of his day who added opinions as if Laws to God's Word. Why are we afraid to be labeled "intolerant" because we obey Ezekiel 33 & Eph. 4:15... Speaking God's TRUTH \*as\* our True Love that Warns?

EZEKIEL 33 is anyone's Easy Answer >>> God declares (1) WARN people of what HE defines as Sin, and (2) it's NOT our job to convince them, and (3) But if we do NOT warn... if we Condone... **God will judge US as well.....** ·

**God \*deliberately left\* His people's enemies alone**, so they'd STAY around His people. Why? God answers >>

To see if His people **"would obey the commandments of the LORD**, which He had commanded their fathers by the hand of Moses." Like James 1 says... God uses our challenges to help us GROW in patience, endurance, and most of all: Trusting HIM.

Yesterday I had to decide: ??> Take time in my rush to get out the door for putting more birdseed in deck feeders as the snowstorm approaches & they're hungry??

- (1) First thought: I feed them to enjoy **watching** them-- and hey, why add seed since I WON'T be home for hours TO watch them?
- (2) 2nd thought: They will come hoping for food. It's KIND to give some even if I won't "benefit".
- (3) Final thought that I'm sure was from God: HE sure doesn't get "benefits" from His Compassion & Kindness in blessing people most of the time -- even people who ignore Him. Yet in love He still does. First John 4:19, GOD first loved US.

**DECISION:** Left 5 minutes late.

Q: Why do Jews refuse to believe Jesus is their Messiah?...

A: Because they think it was **Jesus** who said "'I've replaced the Law", ....

... because Christians have been taught for 1,850 years (NOT 2,000 -- a JEWISH Bishop of the Churches for first 150 years until Rome started murdering any Jew in the city) that Jesus did say that....

SO: AS an EASY way to start teaching them about their Messiah: **What harm does it do to stop eating Pork & shellfish, and to stop doing work on the Bible-**

**defined Sabbath**-- Sunday church service still being OK since Worship every day is?....

Isn't it SELFISHNESS to demand YOUR way to do what you want & then claim Jesus & Paul said it was ok? (Picking scriptures that support you, ignoring others.)

WHAT WOULD YOU DO to serve God by living a way that you can talk to His People of Israel about their True Messiah? 1st Corin. 8:13 can be read to NOT EAT what God says not to, as your beginning Witness when talking with Jews: "Therefore, if food makes my brother stumble, I will never again eat meat, lest I make my brother stumble."

Wouldn't you try to drag a rebellious teen off the track as a fast train races near? Wouldn't you WEEP if ANY one fought you with "It's MY choice"?... **Ezekiel 33: TRUE LOVE WARNS.** We are not facing just

(1) Church top leaders choosing to be "Compassionate" (which they should!) by condoning the choice to Stay in the Path of Destruction (God's Wrath that WILL come like a train, \*Jesus\* said... NO ONE loves more than HE, yet HE warns...) ... What is also before us is

(2) Church top leaders guiding people everywhere to Choose God's Pre-warned Punishment... That is \*not\* love. Ezekiel 33: God will judge those who do NOT warn... hold them accountable when others choose Death because of this.....

2nd Peter 2:6, God inspired warning: Sodom is our "example". NOT LOGICAL: These same church leaders who ignore many verses (incl. by Jesus) and reinterpret words like changing "homosexuality" to "inhospitality" also fervently preach, "God NEVER CHANGES."

The 2nd cross provides Evidence that NO "good works" or baptism (ANY style,  
so why argue?!) are Required to live with Jesus forever. Only requirements:

- (1) Honor Him,
- (2) believe He is NOT a liar but exactly Who He says-- who tells us only TRUTH,
- (3) and KEEP doing so as long as you live-- or as short.

Jesus promised the thief on the cross beside Him who'd done this

"TODAY you will be with me in Paradise." (NOT in the grave waiting around.).....

BUT..... We must be careful not to interpret quotes like Yancey's that "Grace does  
not depend on what we have done for God" to mean that God gives Grace to  
\*everyone\*... There was a THIRD man on a 3rd cross with this Evidence: Only those  
who accept GOD's conditions-- humbly and honoring Him-- receive His Grace.

Today is a sad anniversary for me... Year 11 of something dire. Sometimes feel like a fool for being so naive, so trusting even when "old". BUT: Given a choice: I wouldn't change.

The alternative is Cynicism = always doubting people, never trusting. Risking sadness is well worth the Possibilities of enjoying being with people. God sure thought so: He knew from Day 1 who would/ will reject Him. How sad for HIM!... Given a choice: He STILL does not change: STILL loves each of us (1st John 4:19 "First loved us") despite heartaches we cause. And... oh yeah... **I \*do\* have a choice.**

**I reject Cynicism.**

God's MIRACLE #6 in 5 years of saving my life is no less Amazing: On Thurs, Dr found cause of 2-yr intermittent pain, & it's deadly if ignored long... So God's saved me these yrs too. SO EXCITED! 30-min in-out surgery in 2 days should fix it!...

YET: Long before this OR 4 other Saving Miracles, with confidence in God's Plan, I recorded a Truth for 100% of humans, with a Promise for those who believe God: **"I'm Gonna Die BUT God"**... Free MP3 & music sheets for Comfort Song at >> <http://dianadeeosbornesongs.com/Songs-2015.php> - Hear it, with great Lead Guitar by Johnny Kyle of J&T Studio and drums by Claxton Sticks Wilson of Valley Worship & Praise Studio >>

... LYRICS: I'm gonna die..... but it's All Right! My God's with me! .... I'm gonna Die, and for a short while, you will not see this failing body. But I'll be all Right! So, please SEE:

For how else ever can we BE when we're with our loving LORD God, Who's walking right BESIDE me to eternity. God promised all who believe and honor Him: "I will never leave you nor forsake you." -- Hebrews 13:5 and Deuteronomy 31: 6 & 9

He was "sick unto death", begged God, & God not only healed him but \*promised\* 15 more years! SOUNDS LIKE A GOOD ENDING, doesn't it? ... \*\*NOT\*\*!! Because God in Grace gave Hezekiah 15 more years... BUT because Hez prayed for his OWN will>> In those 15 yrs, he fathered the Worst King, Manasseh (2nd Kings 20-21), who caused not only 1000s of physical deaths but spiritual Forever-Deaths by leading people to reject God & do evil.

SO WHAT FOR US? Let's stop being Presumptuous, even in prayers for Healing (which any loving Father DOES welcome), & always end as Jesus showed: "BUT NOT my will, but Yours, O God"... For HE WILL do what's best for us-- Even if it's to bring us to Him earlier than we'd hoped.

I'm on Facebook only a short while when I am... & don't answer my cell phone the moment I hear an alert that someone messaged. I've been at times fussed at for "worrying" someone for not answering instantly... And enjoyed a friend's Sunday School comment today that we Treat Holy God the same way:

We pray & then want an instant answer from God-- \*worried\* that something's Wrong if He doesn't give us quick response showing that He heard our prayer.

**PSALM 46:10**... Just one place where God tells us, essentially:

**"RELAX. I've GOT THIS. TRUST Me."**

**Psalm 46:10** = One of the most comforting scriptures you could ever memorize to go with "Not my will but Thine" >> Mark 14:36, Luke 22:42.

Interesting to share re American News & party wars (on any topic): What WOULD happen-- God clearly warned -- when people rejected Him & demanded that they have a King to take care of them: First Samuel 8. Which ends, so God gave them what they demanded .....

..... a warning for America, wanting the Government to be King that gives everyone everything (they think, hope) -- God won't save a nation from what the majority of people demand despite all the warnings they got.

With cups of seed that had been inside by the door, I stepped out barefoot into snow -- because all the tiny bird footprints looked so pathetic: I didn't want them to have to wait for birdseed feeder refills while I got shoes. Moments later as I stepped back onto my warm floor & firmly closed out 25-degree air, I humbly realized >> I did so 'because I could.'...//....

I need, we need more awareness of all we have & can do that many people can't >> warm homes, working cars, work-able feet, sufficient health.... Thanking God for blessings often care-Less-ly taken for Granted. With prayers to see where I, we can help.

This AM as I was rushing to leave for hour drive, I grabbed the scissors & snipped the plastic strap holding 4 new big binders together-- only needed 2 for church music sets. Rushed to put scissors away... returned to 'throw' 2 binders into music crate: **And found the 4 STILL bound: There was a 2nd strap..//...**

As we struggle to stop doing what God clearly says in His Bible that He does not like (incl. "just" lying-- Rev. 22:15), often we REJOICE! We conquered a temptation's hold on us!... But then despair to realize: There's another that we'd never noticed in us, being so focused on that One Strap of Sin...

First Corinthians 10:13, REJOICE ANYWAY! God won't let ANY sin bound us.... IF we really want to cut it loose from our life. PHOTO I created from: <https://hymnary.org/hymn/SoS1945/149> "Glorious Freedom" from Alfred Judson

2 \*decades\* ago, our newly ordained pastor read Joshua 3:10> "By this you shall know that the living God is among you, and that He will without fail drive out from before you the Canaanites and the Hittites and the Hivites and the Perizzites and the Girgashites and the Amorites, the **copyrights, the urbanites, the parasites,** and the Jebusites:" .... He was miffed because our minds seemed a'wanderin' .... Memorable

sermon! ... & WARNING - Serious! It's EASY for anyone to insert "a few personal interpretations" into Bible verses as they read.

Follow along to be sure it's God's word-- AND IN CONTEXT with verses before & after. Else you find out it was the guy God was Angry at, who said that--- especially in Book of Job. VERY IMPORTANT teachings:

### **TOP 6 Bible Verses Often Taken Out of Context >>**

- Matthew 5:38 "You have heard that it was said, 'An eye for an eye and a tooth for a tooth.'" -- Jesus was quoting Exodus 21:22-25, which demands the death penalty for anyone who causes harm to an UNBORN child -- showing that GOD considers a pre-born child to be a HUMAN of value. Jesus's "But I say to you" was about instances NOT about "turning the cheek" to those who kill babies.
- Matthew 7:1 "Judge not, that you be not judged." -- Jesus clearly said to judge yourself first... and it was NOT about sending people to hell, and we ARE to discern what goes against God's Word.
- Matthew 5:39 "if anyone slaps you on the right cheek, turn to him the other also."-- Jesus was NOT talking about self defense when your life is endangered; simply -- when others insult you (we've seen movies where a face slap = insult), don't retaliate.
- Matthew 18:20 "For where two or three are gathered in my name, there am I among them." -- This verse is taken out of context and ripped out of a paragraph. This is about what to do when a brother or sister in your church sins against you... Entire section on Right Discipline in churches.
- Philippians 4:13 "I can do all things through Christ who strengthens me." -- The context is saying that we can do anything that is in the will of Jesus Christ because He is the One who will strengthen (enable) you do to it. Paul is not saying that you can do anything you want.
- First John 4:16b "God is love." -- TRUE but a fraction of God's character-- which includes JUSTICE and HOLINESS that lead to RIGHTOUS Punishment after Judgment.

I was up early: My cat pittered in with her pathetic mewing at me.

I looked down, then said aloud in realization, "OH! You thought I was talking to YOU! Nope, I was talking to the God who made you-- and He did a really nice job-- You'll love meeting Him one day!" ...

Then I laughed to realize how weird I'd sound to anyone who doesn't know me :) ... BUT REALLY! There's \*NO\* Bible evidence of church teachings that "Animals

I didn't "send ahead" tracks from my home studio via Google Drive to my producer before my studio session. So I watched with amused expectation as he started initial mixing, hearing the song for the first time. A drummer for bands: SO he was instinctively nodding his head to the beat as he mixed. SURE ENOUGH-- He stopped mid movement as soon as the violins came in, & looked puzzled. I struggled to hide my laughter: I'd deliberately created "flexible timing" so that the violins were always Slightly Off Beat, to reflect the tension of the words of Psalm 119:161 re STUMBLING...

This DRUMMER KNEW something was "wrong". AND:

**God yearns for US to know His Word-- His "beat"-- so well that we're Startled and Notice when someone's preaching is "just a little off" what God's Bible actually says.** (Thank you, [Claxton Sticks Wilson!](#)) ..... A good reminder to myself from FB post 6 years ago: March 26, 2013 at 3:47 AM -- Up until 4 AM finishing taxes. But actually in a great mood. Every time I caught myself beginning to mutter (with the Alternative Minimum Tax form being the height of math encirclings), I reminded myself: Many people have too little to bother filing tax returns. We are blessed.

I'm not fond of squirrels & possums that come up on my deck to steal birdseed... yet it makes me sad yesterday to see one's carcass beside the road..

God is sad at even evil people choosing what harms them or even causes eternal death... Some people say "The God of the Old Testament was an ANGRY God"... But His GRACE & Love is ALL thru those older words too: He does Not change...

Ezekiel 18:32, God urges, "For I take no pleasure in the death of anyone, declares the Sovereign LORD. Repent & live!".... In 33:11, "As surely as I live, declares the Sovereign LORD, I take no pleasure in the death of the wicked, but rather that they turn from their ways & LIVE. Turn! Turn from your evil ways! Why will you die...???"

This AM I \*finally\* took time to get the knots out that had been bugging me for 4 days. It took time, but was easy with conditioner, de-tangler comb. Had to choose: Put up with more knots soon-- OR trim the ragged ends even though my goal is for "longer"?...Trimmed ;) and I Love the smooth feel! ..

Because it takes time to actually study God's word, we often quickly read some verses and ignore the "knots" in our life: Imperfect peace, impatience, annoyance... sorta not praying lest God notice us!

YET: When we "Condition" with God's Peace & \*warning\* promises, and de-tangle busy-ness, we can enjoy Life so much more! BUT we must choose to actually TRIM off ragged little sins that God draws us to notice when we take time with Him & His Word..... Psalm 19:13 Prayer: "Keep your servant from deliberate sins! Don't let them control me."

Traveling west on huge highway: 3 of 4 EAST lanes had JUST become blocked by 2 separate accidents, 1/4 mile apart. Just 2 miles past that, I saw cars approaching at normal speeds: Drivers had NO idea of the huge delay & potentially dangerous brake slamming just ahead. I was sad for them, wishing I could somehow give a message: Exits they were about to pass COULD provide easy alternate routes to escape sorrow! Yet I had no way... and being "just 1 person", probably would've been ignored or mocked EVEN if I could've...

Over & Over God has shown how He yearns to help people escape blocks & dangers ahead if they keep going. Matthew 23:37 the HEN verse shows: Jesus \*sorrows\* when we ignore His Danger Warnings & offers of Salvation-- available only if we \*choose\* to exit the "bad way".

My COMMENT 29 March 2019. For a friend writing about how scientists "use science" to "prove" their belief in evolution. ME: I recommend a re-wording of your opening sentence-- to make it accurate & reflect what you're saying after it (quite well): >> "The use of Established Science to claim a truth for the theory of the evolution of the universe...." ... **Reason:** Only recently have scientists abandoned the 17th century's formal "Scientific Method" (declaring studies must NOT be begun with a pre-determined opinion of what they'll show)... 100s of scientists over the centuries would agree with your continuing words....

The above was my Facebook post 4 years ago,

**What would "the hearts of the Apostles" say today?  
Or John & Charles Wesley?**

Surely they would ALL say -- unlike many Methodists and persons  
in other denominations these days especially in America, the  
Nation that God blessed with FREEDOMS & Protection for  
centuries. YET:

**"God Does NOT Change;  
His Scriptures Say the Same."**

Malachi 3:6, spoken by God:

"For I *am* YHWH the LORD, I do **NOT** change;  
-- says God:

Proverbs 14:12,

"There is a way that seems right to a man,  
But its end is the way of **Death**."
