I was confused enough after seeing a short post by a FB friend who often has insightful ideas to click on "View more replies" under the first comment on his post which asked "What do you mean?"... THEN I saw his excellent explanation-- but it was easy to see that other people's comments meant they had NOT read it.

(1) Gossip & errors are started when we don't read ALL of a message-- and pay attention to what was said BEFORE and AFTER.... The SAME for reading God's Bible words. SO many false teachings are based on taking a single verse out of context.

(2) For Facebook:

I suggest to people that they post EVERY Reply as a NEW comment & NOT use FB's new + confusing NESTING feature for comments-- People often DON'T click on "View more replies."

Just as people read a few verses SKIPPING DEEP into the Book of Hebrews or Galatians without seeing what God had inspired to be written that ALREADY HELPED explain the Insightful Passage they're calling confusing.

My fall goal that I've already started on is to go one by one through my shelves of CDs and play each.... It's an ADVENTURE to suddenly remember how I used to love groups like Three Dog Night after knowing only Movies Music & Modern Jazz (Al Hirt!) at home ... An ADVENTURE to HEAR "new" sounds in these now that I know Guitar, Bass, Drums.... And I was delighted to find a new Treasure at Goodwill -- PETRIFIED as an Little Known CD of one of first Inventors of FUN ROCK Christian Lyrics & Music - by PETRA ;) ... In fact got a dozen Gifts from God there for 80 cents each. It's an

ADVENTURE to realize how my Music Style Loves have changed since 2000... and from Month to Month!

After swatting HUMONGOUS skeeters all night, unsure HOW so many got in, I found this hilarious article. It begins >> I'm usually a calm, peaceful person. But there are certain things in life that fill even the SWEETEST human being to their limits. Like being repeatedly woken up from a good night's slumber to the buzzing sound of a rude mosquito who disappears off into the darkness only to return as you're drifting back into sleep. A few rounds of this is enough to fill any human being with HOMICIDAL RAGE. 'Cause at this point it's not even about the biting, it's the TAUNTING that makes you want to SLAY this TWIT ;) ... One of my songs is WONDER and it asks: Couldn't God have made frogs to eat something ELSE instead?!

CBS THIS MORNING said at 8:30 today that Facebook is testing removing its LIKE buttons in some countries. Now ALL can wonder "Does anyone read my words, my ideas?" ... WOULDN'T IT BE FUNNY if someone printed a Bible with EMOTICONS after each verse where we could give GOD feedback with our pen... Don't even have to Dare Approach a Holy God with "This isn't Right or Fair".... Of course God doesn't have to wonder "Does anyone read My Words?" ... Not Funny HaHa. But we may as well have THAT Bible version since people mentally hit Like or Dislike. Some publisher is missing \$\$\$\$.

Ever have one of those days when something happens that's *absolutely* an answer to months of prayer incl. for the Wisdom of God needed for the decision... and later that day something happens that breaks your heart to be misunderstood again... and #2 weighs on you thru the night til you're constantly apologizing to God for not focusing on His gift of #1?... Growing mature in Faith is more confusing than getting thru your teens. At least that ended at 20. Sorta ;) ... But as we laughed at a preacher who said "But Romans 7 is followed by Romans 8"... YEP. God comes thru without zapping us. Talk about Amazing Grace!

AUTOBIOGRAPHY

On my first day of Home Ec, my teacher told us (girls only of course back then), "If anyone gets her finger caught in the sewing machine it's an automatic F"... A few decades later, I'm still wondering what happened the previous school year... There are some memories you wish would just go away. But others make you laugh years later.

Some church Denominations allow the Congregation to out-vote the Pastor.... Surprisingly including one that Stands Very Firmly on believing that God kept His Scriptures Right (2nd Timothy 3:16)... Yet

ENTIRE REASON Israel was stuck in that Desert for 40 years instead of the LESS than ONE year needed to walk it was >>....

Because the Congregation decided to believe the TEN SPIES and IGNORE Joshua & Caleb's report that God could Easily Take care of them despite Giants in the Land... 'MAJORITY RULE' didn't work so well for them. Why don't churches remember that? Odd. Sad. Ezekiel 34, even "bad shepherds" were in place only because God allowed them that place of AUTHORITY over the "sheep"... Revelation 2 & 3,

God Notices what churches do. And **CONSEQUENCES** come....

When CDs first came out, that HARD-to-remove Security Strip across top of case which "proved" a CD was New was ANNOYING. Now I *REALLY* appreciate them. Just bought 3 good-price CDs from 1980s thru Amazon; only 1 had that "proof" so I have to hope other 2 are Factory-Right, won't skip...//..

99% of Christians don't have any idea how *dangerous* it is that most of us are relying 100% on digital copies of God's Word. The "Adultery Bible" is like God's Joke-But-Warning that it takes ONLY ONE WORD CHANGE (like omitting the "NOT") to completely fool us about what God's Word says: And there are 1000s of people & principalities (demons; Eph. 6:12) who'd LOVE for us to be Deceived by a quick Digital Bible Change few would notice.

HAPPY 9-10-19 AND BACKWARDS DATE 91019 ... Enjoy the Last Palindrome Week for a CENTURY -- yep, for 92 more years. Maybe your GREAT-grandchildren will post the next one on Facebook! ? Next Palindrome weeks will be in the years 2111 to 2119... Every day for 10 consecutive days is a date in the m-dd-yy format that can be read same if backwards. 9-10-19 AND 9-11-19 AND 9-12-19 for example. Now if only Life was so organized that it still made sense when looking at it backwards.....

A week ago I was sitting by a window and a HUGE Hawk with an orange tipped beak came to sit for 5 minutes within inches of me in the holly tree outside: God KNOWS how much I LOVE His hawks! He truly GIFTS us sometimes, just for HIS "fun of it" like the loving Father He is! Especially when we need COMFORT & Reassurance that God Really Cares. I have searched & *searched* pics of hawks with solid-yellow-tipped beaks without finding what this Gift is... not like this Audubon lovely photo.

Grr. SO frustrating when companies don't build Quality into their products: 5 tries on my new-ish (+ new batteries) Braun thermometer says my temp is anywhere between 100.5 and 105.1... No, I wasn't dyslexic-- and since I was ALIVE to read it, 105 definitely wasn't right! :) ...//.... We must always be willing to QUESTION "Facts" that contradict evidence (like hot skin)... which includes when we read parts of the Bible that don't make sense. FACT: Jesus cursed a poor fig tree that wasn't SUPPOSED to be bearing fruit then (Mark 11:13). TRUTH: He wasn't unfair: Fig trees have fruit first-- so when Jesus saw leaves he SHOULD have found food... like religious leaders then LOOKING "godly" but having NO good fruit...

Are you shy about telling people the Controversial but CLEARLY described TRUTHS that God declares through His Bible? ... Here are 3 EXCITING War Tactics (because Satan tries to convince people to stay Silent)... (1) Believe & act on Romans 8:26, asking God's Holy Spirit to pray FOR you; (2) Believe & act on John 14:26, JESUS said the Holy Spirit WILL help you Remember Scriptures;

BUT Most Comforting is to (3) MEMORIZE the gist of Ezekiel 33's start >> God says GO TELL. He does NOT say GO CONVINCe. Once you GO TELL, you've done all

God said to do. Of course you can (4) keep praying for the listener who rejects God's Words Thru you to set aside pride & truly Seek God.....

PATTERNS help us remember WHERE to find God's promises-- like "The Dieter's Promise" at TEN fingers 13 + backwards = 31..First Corinthians 10:13 = NO temptations are unique to you-- Other people's experiences also have proven God is faithful... When you are tempted, He will show you a way out so that you can endure!" ..//..

THEN BACKWARDS 31 - Easier to FIGHT temptations when we remember WHY: We FIGHT to do what pleases God: "...whether you EAT or drink, or WHATEVER you do, do all to the Glory of God." ..//.. WHY? To honor our Heavenly Father... Like for a Mom or Dad, doing what they SAID they like shows we REALLY love them.

Watching John Goodman interview on NBC for new series "The Righteous Gemstones" where he plays the part of a preacher, the actor mildly comments, "I wanted to get to preach - I think Preaching is an Overlooked Performance Art." Hmmmm... Rather depressing when thinking of certain TV Evangelists...

VERY depressing when remembering excellent- message pastors in churches we've attended who were NOT well liked because they were -- honestly -- rather boring in their voice and presentation... Well, scriptures clearly say in the "T" books including Titus that it's the PERFORMANCE Artist who will CON church people...

Paying medical bills can be so GGRRRrrr... And it's NOT just the amounts: Several MAJOR firms assign a DIFFERENT Account number for EVERY bill-- same patient-- so it's impossible to use easy banking Bill Pay. Try to call them? Good luck, at least 8 automated responses later...//...

"Life" can make us SO grateful that God is NOT a "superstition" Prayer Answer-er who gives you what you want (like a vending machine) after you Correctly Guess the Right Automated Response steps... In fact: In love He sends His HOLY SPIRIT to HELP us pray when we "don't know what to say", or How to "Pray Right"... Romans 8:26 right Before the Famous vs 28 PEACE Promise!

Saving \$\$ by buying outdated cereal has risks beyond blah taste... So tonite I've been thinking of a scene in one of the few still-made TV shows I like: In BONES, Hodgins is joyfully vacuuming up beetles off the crime scene (which he'll of course set free in his

lab glass) while laughing, "LOOK- BUG RAPTURE!"... And so, as I vacuum the cereal's pantry moths off walls.. & ceilings..

I've been wondering: Just HOW will people explain the sudden disappearance of those who Dearly Love Jesus as their LORD?... TV shows about aliens coming to capture humans will give a way to avoid saying Bible is true: Claim Aliens took Christians. Fiction like 1938's WAR OF THE WORLDS. But it's not really a Fictitious War. VICTIMS of "the god of this world" who don't really want to believe anyway will be blinded to Truth... 2nd Corinthians 4:4 war of 2 worlds.

Sadly many (many) people assume that all Feelings of Despair are emotional only and can be "cured with faith only"... hence keeping many from seeking medical help (esp for women who can have true terrible hormone imbalances) & feeling guilty for "not enough faith"...

God also answers prayers for wisdom to know "what to do"... May we be careful to not give Quick Cure-All formulas that quickly accuse people feeling despair even though they DO absolutely know in their minds that Jesus "Is the Answer".

I often comment that God gifts different people with different skills & Knowledge sets-- that are tools used in producing the best music possible for Him... That's why I feel Honored to pay skilled producers: They enhance final results FAR better than I could EVER do! ... + why I deeply appreciate producers both respecting my ideas AND being honest in suggesting how much I might love the result using their (dif!) skills & ideas.

TEAMWORK: Also a gift from God when everyone's one goal is Eph. 3:20-21 to produce the best possible for Him & not self-fame. So: A Thanks to ALL producers for their essential parts of the Whole! ... Ezekiel 34... Church leaders choosing to be "kind & loving" by not scolding & dealing with people (incl. leaders) who teach that God is SO Much Love that He Changed His Mind about certain sins "because Everyone Sins & Grace Covers Us"... Quoting Romans 7 without 8's warning to STOP... & God HELPS (so no excuse!)...

Ezekiel 34: God's SCATHING words to "shepherds" of His flock...

AND evidence that Jesus Yeshua is indeed God, since Only God is the Good Shepherd. Pharisees knew that "good and well" was what Jesus was saying in John 10... RIGHT after that Abundant Life verse everyone loves to quote the 2nd half of without first 1/2 of John 10:10 ..

Satan is out to Destroy-- like the Bad Shepherds do.

It's rather odd when people say "Happy Yom Kippur". YOM = "Day" in Hebrew. "Kippur" = Atonement... Seeking At- One-ment with God our Creator and THE Lord of All (whether people believe that Truth or not).

Prayers for God to forgive our sins are NOT of course for Once a Year, and Certainly not only for Jews! God (named YHWH as HE says in Isaiah 42:8 mis-translated as LORD) set up this Wonderful Day of No Work & Full Day Prayer, Walking with Him as Adam did before he sinned...

Yom Kippur is the most solemn day of the year,

YET it is FULL of an undercurrent of **JOY**--

because we can have Confidence in God who promises to accept True repentance & forgive our sins & save us- 1,000s of times repeating His promise ALL thru scriptures... THANKING HIM for His Amazing Grace. Hebrews 4:16.

When we look backwards, like the People heard thru the famous History Psalms of 105 thru 107 that God inspired, we REMEMBER all that God already has done for us! And we have PEACE knowing that God Never Changes:

Satan loves to destroy anyone he can with doubts, fears, guilt, deep sadness, Etc.- FEELINGS. (John 10:10, Jesus said, w His Promise of Abundance thru Him)... But feelings of failure are Satan's favorite *battering ram* against ANYone who loves God... So they're actually a GOOD sign--

Satan's frustrated if we worship & seek to serve God -- and frustrated at how quickly he loses out if we remember to RUN TO GOD to RECHARGE our Hearts with His Word, To Again put on His weapons incl. reading His scriptures-- James 4:7-8 plus Ephesians 6:10-end.

What do you do when your heart is broken, when what you had dreamed for is now, you finally see, not likely to happen? A good ("right"?!) answer *would* be "celebrate that at least I know what is Truth now" ..//.. A realistic answer is Withdraw for awhile & pout a bit before I pray to God asking "What next?"...

ACTUALLY: A time of Rest is NOT automatically "sin" - Hey, it Worked for Elijah in 1st Kings 19 - God had plenty of ops to angrily scold him but DID NOT. Instead, God gave Elijah rest & food & then some new goals in Life that were revealed as Elijah took time to talk with God.

LOGIC --TRUTH TABLES & KITE PARABLE

Schools took "Truth tables" out of math classes - Lessons like having a 6x6 chart (6 rows, 6 columns) that addresses Qs and "returns an answer" of "Is this True?" -
SAMPLE Q: "Will this kite fly?" ... Statements like

- | | |
|---------------------------------------|---|
| (1) Kite is lightweight enough - True | (2) Not too heavy -T |
| (3) Material won't rip easily - T | (4) Tail is long enough - T |
| (5) Tail is NOT too long - T | (6) Crosspieces are sturdy - T |
| (7) They aren't too heavy - T | (8) Kite is big enough to catch wind... |

?? // .. You can have 35 Trues and one SINGLE false that makes the entire Truth table FALSE - >>

AND, thus, That kite ain't goin' nowhere high...//...

Many people forget LOGIC.

WHO of us would willingly fly in a plane where the pilot did 36 pre-flight checks, got SINGLE False, and decided *"well, 35 out of 36 is good enough for Safety."* ???

A year later, and this post is still heavy on my heart. God says LOVE Him. Jesus said in John 15 that LOVE for Him = obeying Him... Why is it so hard to have Respect For God + for others in church at least for the 5 minutes before a service? 5 minutes to ready our hearts in prayer to Him...

Pre-church is as loud as before a theater movie- Unlike when we were kids & "knew better", with our parents' warning looks help! ;) Where is just 5 minutes of Quiet Reverence for the Creator of all... Psalm 46:10 Waiting on Him, Listening for HIS thoughts... Sigh... I wonder if God sighs??

"You shall keep My Sabbaths and reverence My sanctuary: I am the LORD." -- Leviticus 19:30, EXACTLY repeated by God-Named-YHWH in 26:2. AUTOBIOGRAPHY

Tonight I'm rather sad that I found a good home for my Easter Egger Hen. Yep, I had a hen for 10 days. I was hand scrubbing that last 8 feet of my very long deck to prep it for waterseal. Looked up to see a hen strolling inches from my head, finding dove food seeds that I'd swept into cracks (old deck). She'd come when I called "Here chick chick" and even let me pet her while she ate food from a cup I held. God's sense of humor gift: I spend lotsa time in the Doves & Hens tent at the state fair every year

admiring His many designs! But I have no safe place. Gave her to LouAnn who has a fenced area with a big wooden house coop & "friends"... Weird to miss a hen, huh? And the amusement of watching my old cat arch her back & fur at a hen that's as big as she is!

COMMENT - LouAnn says "my" free hen gift from God is doing well in her new home-- named after me: Chicka-Dee. Never had a critter named after me before

In the 8:30 AM church sermon on Sunday, the preacher literally said- I wrote it down right then to not later misquote him- **QUOTE "God's people are NO LONGER defined as Law Keepers. We're now defined as Loving Others."** ...//...

I literally gasped loudly-- couple of people looked at me-- that he dared say this so blatantly >>

This is *Exactly* what Jesus warned about in Matthew 24, that in End times "Law-lessness will abound".

Jesus never taught about civil crimes but about breaking YHWH's Laws.

People love to quote God saying **"My house shall be called a house of prayer for all nations."** BUT >>>>>>

That's Isaiah 56- **Right after God *declared* that even GENTILES must keep HIS def of Sabbath & HOLD FAST His covenant to be brought to His holy mountain. Isaiah 56, God's words clearly spelled out **no matter our beliefs.****

COMMENT - We should all REALLY learn Acts 21 -- an excellent resource for us to prove that Paul kept YHWH's Law fully... Yet we must also *always* point out that in Verse 25's translation, words were ADDED that appear to say that Gentiles did NOT have to keep Law other than re food for idols >> Footnote = NU-Text omits words "THAT THEY SHOULD OBSERVE NO such thing, except..."

Yeah, it's often hard to "figure out what God wants" when the books or music we write seem FAR beyond our natural skills & thus inspired/ empowered by His Holy Spirit - Ephesians 3:20-21 ... yet the finished work seems to "Go nowhere"... After a great sports game, would you tell a friend *everything* you saw? Of course not. If you kept a diary, would you record EVERY detail? Same for Bible events: Each is a Summary. Only a Video recording constantly on (like movie "The Truman Show") could capture all...//.. We wonder how Eve could be fooled by a snake suddenly showing up & talking at her. I'm *convinced* that Satan appeared as a friendly snake for

months before that Big Day of Sin: Listening, acting caring while Adam was off being busy & Eve got lonely... Praising her beauty, intelligence... Turning her attention away from her Creator...

Genesis 2-3 does NOT give us a Timeline saying "One day a snake showed up." We've just assumed it... Satan is crafty. We ALL must watch for "innocent" suggested thoughts that become so familiar we finally accept them as OK.

ENCOURAGEMENT

The Holy Spirit helps us pray when we're too weary / sad to pray.. Romans 8:26; to remember Jesus's words... John 14:26 First Peter 1: 6 NLT: So be truly glad- There is wonderful joy ahead, even though you have to endure many trials for a little while. 7 These trials will show that your faith is genuine. It is being tested as fire tests and purifies gold—though your faith is far more precious than mere gold.

So when your faith remains strong through many trials, it will bring you much praise and glory and honor on the day when Jesus Christ is revealed to the whole world. 8 You love him even though you have never seen him. Though you do not see him now, you trust him; and you rejoice with a glorious, inexpressible joy.

God doesn't call "Halloween" FUN. He's Furious at people thinking Witchcraft & occult can be PLAYED with... *Unlike* Photo says: we don't "Worship" Satan.

But Satan loves Deception of making the Occult look Unreal. Ephesians 6:12 Unseen Powers DO exist & we need God's Defense-- to survive Guaranteed attacks...//..

I got in major trouble with "pillars of the church" when I *loudly* took stand against having a "fortune teller" for a Halloween party years ago... I was a very shy & calm 28 year old: Still surprised at the Fury I explained to "old" church people who planned to let lay leader's wife tell "Fun fortunes" at church party. Talk about MIRACLES OF GOD- when people actually listen to "nobodies" who quote God.

COMMENT - We must Stay Aware even at things "approved" by churches...

I often think of all the preachers of Yesteryear incl. John Wesley (UMC) & Billy Sunday who influenced Billy Graham to faith in God's Word... How they would grieve to see the WDC... Watered Down Church... that's becoming the most common denomination.

October 31, 2019 · PHOTO: C.S. Lewis and the chilling letters of Screwtape

Is this Halloween stuff really bad? EASY ANSWER in C.S. Lewis (NARNIA) tiny bk "The Screwtape Letters". 'Satan' is teaching a new devil how to DECEIVE people so they end up in HELL with them when God judges all who Rebel against / Reject Him.

Satan's 2 best tricks:

(1) Convince people he doesn't exist-- so Halloween HELPS Satan by mocking these things as myths & SAYING the Bible full of lies when God warns of His FURY at witches etc; and

(2) Convince people if Satan DID exist, he's ridiculous & powerless, dressed in red with horns and a forked tail...

- Luke 10:18 Jesus *clearly* says Satan exists.
- Ezekiel 28 *clearly* says Satan was in Garden of Eden. Both *clearly* say he's a fallen angel who rejected God--
- 1st Peter 5:8 and will do ANYTHING to get you in hell with him. Incl. making Halloween look FUN.

Fell asleep on sofa; awoke at 4 AM as a carefully selected Johnny Carson show began with his monologue: "Well, we survived Halloween last night. Today the REAL HORROR begins: Trying to survive all the ads for Election Day this week." ... YEP. Each week has its new challenges to our resolve to obey God's Philippians 4 commands::

REJOICE! Be Gentle. Don't be anxious. [Re elections, we tend to think Yeah Right..] And Thank God IN all things (often MIS-read as "for" all things, as if He caused evil; Nope: James 1 is clear)... Just a few more days of Political Ads!... But then> Medical Insurance ads thru Dec 7 ... Never Ending Challenges to Phil 4 attitude of Life!

November 4, 2019 · PHOTO Quote by C.S. Lewis - "If we find ourselves with a desire that nothing in this world can satisfy, the most probable explanation is that we were made for another world."

Do you find it hard to "figure out what God wants"? Confusing when the books or music we write seem FAR beyond our natural skills. Surely they were inspired/empowered by His Holy Spirit - Ephesians 3:20-21? Yet the finished work seems to "Go

nowhere"? What to do? I ENCOURAGE YOU: Don't focus on numbers, like King David did taking a census as if to Quantize God's Blessings. Then you won't get Discouraged-- or Proudful.

Tell yourself, "Since there's no way I wrote in my own power, I'll just keep writing & trying to "market"- but trust God to work out any "success". Ephesians 3:20 brings JOY knowing results are God's Plan & not our "report card" from Him. We seek to serve others-- but it's HIS Pleasure that we MOST want, not ours.

That Galatians 6:9 verse of God Really "Gets to us" sometimes, doesn't it? We wonder >> REALLY? *Really* is it True, this promise that "And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart."?? ...//... Thanking God that "For all the promises of God in Him are Yes, and in Him Amen, to the glory of God through us." 2nd Corinthians 6:1.

The answer to REALLY? -- no matter how we, I feel -- is YES. Yes and in Him (not you or me), AMEN. Don't fret when weary: God will help you. Mark 9:24, He Helps us despite Unbelief too, as Jesus showed!

SONGWRITING HINTS

Every choice to do one thing takes away time from doing another thing. Songwriters follow their dreams to use more of their Limited Time in life to write song ideas in their own creative minds. Many singers/ musicians follow their dreams to craft music someone else wrote into their own unique form.... No 'better' or 'worse' choice.

November 7, 2019 ·

An old story that can bring tears.... God guided me to find it again in this Broken Period when I don't know what He wants me to do with music> Struggling with ideas, 2 fingers in much pain when I play piano... PSALM 121 has a great Q: From whence does my Help Come?... From The LORD. Only..//.. I was in Dollar Tree last night. Long Line. A lady behind me had a toddler + a bigger child who held a pack of glow sticks. Her baby was screaming for them so the Mom opened the pack & gave him one. He waved it around smiling. But then the bigger boy took it. Baby started screaming again. Just as the Mom was about to fuss at the older child, he bent the glow stick & gave it back to the baby. As they walked outside, the baby noticed that the stick was now glowing. His brother said >>

"I had to break it so you could get the full effect from it." I almost cried: I could hear God saying to me, "I had to break you to show you why I created you. You had to go through it so you could fulfill your purpose."

That toddler was happy just swinging that "unbroken" glow stick around in the air because he didn't understand what it was created to do which was "glow". Some people are content just "being" but often God knows why we will be happiest after we've been

"broken". Sickness, sorrow, lost friends or spouse, financial woes... In those moments of desperation, God is letting us be broken, but "Pulling out a Romans 8:28," bringing GOOD out of our brokenness. We will Glow when we trust His Grace and Mercy!

About the two witnesses described in Revelation 11: Many people say these MUST be Elijah (prophesied to return) and then Enoch who never died...Hebrews 9:27 does declare humans die once only and then are judged. BUT Remember it's CHURCH doctrine that declares that God will no longer send (human) prophets as He once did before His Messiah came... and we all know that not every church doctrine in history has fit God's scriptures... as Martin Luther wrote in 95 theses 502 years ago on Oct 31 or Nov 10 (disputed 1517 day).

WHO ARE the 2 witnesses described in Revelation 11? It's so SILLY the Reason why many people say these MUST be Elijah (prophesied to return) + Enoch who never died... Yes, Hebrews 9:27 declares God's Truth that humans die once only - and only these 2 men never died. BUT SILLY to think God "can't" Plan 2 more humans to become 21st Century Prophets...

Remember, it's NOT in scriptures:

Luke 16:16 is the ONLY 'close' sentence in 66 books, & does NOT say Prophets ENDED but that they were the only source of Truth til Jesus brought the Gospel to be preached BY ALL.... VERY next verse,

Luke 16:17, Jesus says (as He did in Matthew 5:18 AND 19), *NOT A TITTLE* (dot above a letter) of the Law has ended, so that FITS Context >> God can still send Prophets if He wants-- as long as their words do not add to or delete from God's Words (see end of Revelation).....

Remember, **It's old CHURCH doctrine that took ONE verse** to declare that God will no longer send (human) prophets as He once did before His Messiah came.....

(just a glance at history shows how many church doctrines have NOT matched God's scriptures... as Martin Luther wrote in 95 theses, 502 years ago (1517).

SCRIPTURE REF Luke 16:16 to 17 PLUS CONTEXT - The change is NOT that Prophets ended, but = that NOW EVERYONE can preach God's Word....

Remember that like with human contracts, there are TWO persons involved in the covenant of whether or not you (anyone) are/ is saved:

- **You** from whom God does NOT steal free will to later reject Him-- shown in Hebrews 4:4-6 FOUR times as past-tense about people who HAVE accepted salvation.... and
- **God** who will NEVER reject you (anyone) because of sin or anything else-- end of Romans 8 clearly summarizes -- just as your (anyone's) choice to do good / stop sinning, did not save you in the first place but He did....

Isaiah 56 is only one (but 1 of easiest to see much at a glance) place where God Named YHWH clearly shows He invites Gentiles (foreigners, strangers, etc) to join in (be grafted in / Romans 11) to His People.... But ALSO where He defines His people: Those who honor Him, keep His commands like Sabbath.... who love His Name...

Our definition of "predestination" does NOT match SO many of God's scriptures-- incl. John 3:16... He wants ALL people to choose Life with HIM. That's what HE predestined for us-- but He doesn't force us to choose His choice, though He begs us to choose Life: Deuteronomy 30:19 ETC. Verse 1 - >> "ONE SINGLE CELL ON MARS" is all it would take to / excite us to think that life on Mars does exist! / ONE single nucleus, in protoplasm would THRILL us, fill us with HOPE that there's / life on other planets. ONE single cell is enough to call LIFE there.

CHORUS

One single cell on Mars, scientists call "life."
One body here on earth with heart cells and fingernails
SEEN moving to pain..... cells SEEN by ultrasound.....
cells moving ON THEIR OWN --- // NOTcalled LIFE because on Earth.

VERSE 2

MANY cells on Earth are called just plasm -- a not life --- a
Child that's forming in the womb called NON-existent live.
One fetus with any distinct types of cells is
killed because it cannot yet take a // breath outside his mother. Each
growing child deserves life, NOT // DEATH on Earth. [repeat CHORUS]

God will NEVER reject anyone who has accepted His Salvation: But TRUTH in Hebrews 6, whether we like it or not: God shows He WILL let any person have free will to later reject HIM. See the PAST tenses in Hebrews 6 >> 4 For it is impossible for those who

- were ONCE enlightened +
- HAVE tasted the heavenly gift +
- HAVE become partakers of the Holy Spirit, 5 +
- HAVE tasted the good word of God and the powers of the age to come, >>

6:6 if they fall away, **to renew them AGAIN to repentance**, since they crucify again for themselves the Son of God, and put Him to an open shame. //

FIVE times clearly says: **They WERE saved**. No "OSAS"... Research to learn of Billy Graham's mentor & friend Charles Templeton. Key = Heart, not acts of sin.

The verse BEGINS "Those who sanctify themselves and purify themselves,...." + ends warning about those who ignore God's specific commands.

COMMENT 2- Jeremiah 17:10 .. "I, the LORD, search the heart, I test the mind, Even to give every man according to his ways, According to the fruit of his doings." ... PS, "the LORD" is a mistranslation of God's name YHWH in the actual Hebrew... 6,000 or so times in Bible.

Have you ever told someone "I feel crappy today." Where in the WORLD did THAT word come from?!... Turns out: It's from the root word of CRAPULENT, & appropriate right after Thanksgiving meals & Leftover Pie Weekend ? .. Crapulent means "suffering from excessive eating or drinking." Root = Latin crapula ("intoxication"), and has been found in dictionaries since the 17th century when Edward Phillips defined it as "glutted with meat, having taken a surfet" (1658 for surfeit)..//... Having Nothing to do with food: We feel CRAPPY when we Ignore God & All He gives us to be Thankful for....

Easy BIRD BATH for snowy, freezing weather: Fill medium saucepan 1/2 with water & boil. Put its lid or a larger pan's lid on top >> *upside down*. Carry it & a container of warm TAP water outside, & put some water in lid... The steam from pan keeps water in lid from freezing for long time! Birds can sit on rim to drink. JUST BOIL PAN again as needed! ..//... I was excited to think of this as poor birds pecked at ice! Thanking God for all types of James 1:5 wisdom -- including this fun kind.

People ask why I'm not thrilled with 'Feel-Good-If-you're a Christian' movie, 'GOD'S NOT DEAD'. My DEEP concern: I've believed in God since a child: Per Romans 1, nature shows the LOGIC of Belief. But for 30 years of church-going, NO one ever taught James 2:19 > Even demons believe in God.

God's guided me to teach youth re my Ouija experience that proved: Evil beings are VERY real.. In a backward way, I *really* believed in them before having absolutely no doubt believing in God. Movie leaves people- incl in church pews- feeling SAFE if they can honestly say the same as demons, per James 2:19 GOD EXISTS. Satan loves tricking long-time church members to think Belief = Faith.

AUTOBIOGRAPHY

When our first girl was planning her wedding, she asked our marriage advice. My husband & I laughed as we suddenly realized what our method is: "Whoever is in the worst mood WINS."....Sure, later, we talk it out. But in the heat of the moment, the one least unhappy (& it does vary!) steps back from continuing the useless-then discussion. Pretty cool: Hardly any out and out arguments thru the years.

I am SO FURIOUS at famous, respected radio preacher who just **'taught as if fact'** that Rahab (Book of Joshua) wasn't just a prostitute (earning \$ for family to live), *but* RAN a BROTHEL... **That's HOGWASH! It is NOT in scriptures-- not even original Hebrew. It's what Jesus called "Traditions of men"- in loosely translated "Targum" that has NEVER been accepted by Jews as Authoritative: It paraphrases & adds personal ideas to God's True Word. This LIE has to twist a form of a word to mean "innkeeper".**

For awhile, Jewish TRADITIONS accepted the Targum (in Babylon), but NONE accept it for synagogue worship today.

DON'T BELIEVE everything, even by respected preachers. Acts 17: God thru Paul praised BEREANS who "study the scriptures to see if it's true."

PHOTO on 2 Timothy 2:15,"Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth."

DESCRIPTIONS of FAILURE to correctly study scriptures-- like re Rahab:

- *Injecting personal opinion
- * Injecting a figurative meaning
- * Adding or subtracting words, phrases, books, etc
- * Taking a passage out of context

COMMENT - My supposition-- ALSO not in the Bible but just an idea based on Joshua 2:1, 2:3, 6:17, 6:23 and 6:25 = ... that Jericho's people were on edge (with enemies outside their walls), so it was the *men who saw these strangers enter Rahab's house* who reported her to the authorities-- on suspicion that she was aiding the enemy. Not because of her "living" or about her past.

Hey, it's 12-12 AGAIN! ;) ---> Well, we've survived 7 more years than the Mayans planned for. (Remember the "scare" prophecy that since their calendar ended 12-12-12.... ;)) Doesn't it seem like there's always someone trying to Scare Us into believing their Opinions?

Yet there's ALSO Someone always trying to get us to accept His Peace... John 14:26 (help in understanding scriptures) leads to Verse 27 Peace Beyond Understanding. >>> JESUS: "Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid."

COMMANDMENTS QUOTE

We say "We love Jesus"... want to be like Him. Say His words are true-- DO we mean it? > 2 Simple definitions identify our HEART / GOAL... 1- LEGALISM: Keeping God's laws TRYING to "earn heaven/ salvation". 2- OBEDIENCE: KEEPING God's laws

to the best of our ability as our THANKS & HONOR To God for all HE has done to provide a way for us to have salvation... Honestly: What's the BIG DEAL about giving up Bacon & shopping/ restaurants on Saturdays after ALL our LORD has done for US?! JESUS in John 15: Keep My commandments.. I have kept Father's commandments." Matt 19:17> "But if you want to enter into life, keep the commandments." ... OPPOSITE of Obedience to God: LAW-lessness Rebellion that Jesus prophesied in Matthew 24 for End Times: NOW.

PHOTO: Quote from Fred Zaspel --

"But we must be careful not to confuse legalism with obedience.

Obedience is not legalism.

Obedience is obedience. God commands us to obey His Word, and when pressed with those commands we must not cry foul - 'legalism!'

No: Disobedience is sin, and obedience is NOT legalism."

My eyeballs really hurt tonite. BOTH of them. Conclusion: As predicted result of meds needed for healing hole, I'll need another surgery on R eye. But he'd Diligently Searched for reason of deteriorating vision in Left ...//...

Just as we often know our need for healing SOME sins-- but God pushes on & ON shining His Light to expose hidden-to-us the Deterioration caused by sins we have not noticed... (God's) COSMIC WREATH -- That's what NASA calls it: Hubble photo of RS Puppis-- a variable star known as a Cepheid. As variable stars go, Cepheids have rather long periods. Something to consider re The BETHLEHEM STAR that God sent to guide worshipers AKA Wise Men... who probably who came from the area of Chaldea... Babylon area... where DANIEL TAUGHT the 'wise men' of that day centuries before Jesus was born in Bethlehem. (Daniel 2 on)...

God's CONSTANT GIFT- not just for His Son's Birth >> Right between the comforts of Psalm 147:3 and vss 5-6, the LORD inspired the psalmist to Suddenly Write "He counts the number of the stars; He calls them all by name.".. But God is COMFORTING us with this seeming subject change: "Hey, I know every star's name: so I SURE know YOURS!"

How would you feel to learn it was a TRUE GIFT to you??! ...//..

Sad, Sad Q: **Why are most of us so LESS excited to know Jesus paid ALL our debt of sin--** a TRUE GIFT-- so we can live with God Forever in Joy and Abundance ??? (John 10:10, First John, Romans 8 & 10:9...)..//...

So often it is *downright painful* to look back on our lives and see how Quickly our Limited Time in Life has sailed by... "Man is like a mere breath; His days are like a passing shadow," God inspired the song words of Psalm 144:4.

In 1977 I was thinking that Mark Hamill looked sorta old but Harrison Ford looked REALLY old.

Whoa. Different perspective now.

Thinking about TIME & GOD is weird... He gives us Youth that seems to last 'forever' even in college - but then Depresses us with the Truth of how fast our Death Day is coming - and THEN excites us with the JOY of knowing an Eternity With Him is HIS Christ-mas gift for all who Believe in Him who made us... loves us... yearns to be with us Forever>> John 1.

SINGING WITHOUT a FLAW?

Or, Singing with EMOTION? Which is better?...//...

Years ago I would've had First Place in the State Piano Competition, said the judges, for a Flaw-less performance... but the person who won & had a few note goofs had put FEELING into the music... Hmm. Don't think I ever told my kids this about me. I was 17 and-- honestly-- tired of piano because it was no longer a challenge....

AND NOW? ...

At Christmas, singing solos about "Baby Jesus", I often wish I COULD leave out the Feeling...

Because I often slip into Weeping, thinking of all we people over centuries have DONE TO "Baby Jesus" who grew up... who suffered unspeakable Ripping Pain because of us. Because of HIS feelings of Love.

On this longest night of the year, as I look forward to more sunlight each day coming, I'm still amazed by the Christmas story of Light that came in Love: John 1:3-5 "All things were made through Him, & without Him nothing was made that was made. In Him was life, and the life was the Light of men. And the Light shines in the darkness, & the darkness did not comprehend it." With thanks.

PHOTO: When someone belittles you, it's a reflection of them, not you.... The words they said reflect their truth, not yours. Never allow people who use communication so irresponsibly to sabotage your self-image."

What would you think if, amid a prayer, you suddenly heard "Are YOU insecure?"??... There are VERY few people I actually dislike. Yest, I found myself in a new class with someone who'd gossip & mock others to us as we waited outside

Preschool door... Daily, 2 yrs. And we knew she did the same to us when WE weren't around. The few times I've seen her since then: SAME.

So this AM I was praying for God's help in remembering that most people like this are actually Lonely or Insecure. THAT'S when I "heard" this Q-- My Honest A = No.. //..

Timing is too weird to NOT be God's Q...

So cool that God cares enough to answer prayers so fast: Now it will be easier to have Compassion for her... As Jesus did for all sinners-- see end of Matthew 23. A wonderful Christmas time Reminder.

AUTOBIOGRAPHY PARABLE

My brother & I have passed on a few generations' of our family tradition: Children allowed to (after 7 AM!) on Christmas morning, open & play with ANY-thing in our Stocking. Mom packed in some great little toys-- and of course, we set aside the orange & dug into the chocolates :) ...

We KNEW More & BETTER was to come! ... But we weren't allowed even a Hint of More until Daddy came and said "IT'S TIME!"...//..

Christmas mornings are our reminders: Jesus came wrapped as our Heavenly Father's Gift, and we've been able to enjoy His Wondrous gifts of Salvation, of Weapons against Evil (Ephesians 6:10-), of Love / Joy / Peace (Gal. 5:22-23)... And one day Father will say "It's Time!", and we'll see More & Better when Jesus Returns to bring us (who truly love the LORD) to Him-- Forever!

When baffled at how to "ever" obey God-Named-YHWH as He deserves in His Holiness (all the what/when/ suppose I fail) Qs Perhaps it would help to change our many questions "to ME" (in our minds) to ONE Q:

What is my MOST TRUE GOAL? ...

In Business for years, that was called MBO or "Management by Objectives." If your MOST true GOAL = to please God-- your reason being dear love for Him-- all the other things will fall into place. Including praying for His help for you to meet each OBJECTIVE that reaches your goal-- such as **Humility, Time-management of His Gift of Life**, and of course-- **Obedience** to YHWH (who clearly tells His NAME in Isaiah 42:5-8 etc). As He guided to be written as a guide to comfort us via Romans 7:14 thru 8.

LINK gives Interesting MATH + History:

That Abraham was born in **1948 B.C.** per chabad.org ...

Recognize that date?

Same year A.D. when God gave Israel her own nation back...

Mathematically:

That makes Creation in 3761 BC (counting back using the recorded AGES of people when they died-- complete info in scriptures) which EQUALS 5780 Hebrew year after Oct 2019 ... almost 6000 years/ ... Now: Since a "day is as 1,00 years" per 2nd Peter 3:8 ... therefore that puts us into the 6th day before the Millennial Rest prophesied for... 1,000 years before God judges Satan etc.....

No one knows how long Adam & Eve were in Garden before they got kicked out. So we don't know their ages when children born.....

(God didn't think it important enough to tell us)...

THUS, the time difference to COMPLETE 6 days (6,000 years)

might easily be accounted for another 220 years-almost in the Garden of Eden....

**Fascinating possibilities for the year
20/20
when people hopefully will seek to See Truth.**

But: Considering how people tend to be:

Probably not for most.

**Romans1: 18- end clearly describe their Voluntary Blindness
despite all the EVIDENCE of God.**
