YEAR 2018 WINTER PARABLES IN LIFE

NEW YEAR'S DAY, 2018 1 January at 12:10 A.M. 5 mins ·

First post of the Year: This summer I was stopped at a light after 2 hours of driving north when a huge SUV pulled up beside me in the left lane. Nice vehicle, so I looked... and all the way thru both its rear, tinted windows I could see a huge brilliant sun shining in the West as it neared the horizon: Beautiful round orb that I'd pretty much ignored all day... As one of my fav book titles says: **THERE'S TREASURE EVERYwhere!!!**... We just have to look to see God's blessings that Amaze us when we're Aware....

MAY YOU SEE ALL GOD'S BLESSINGS THIS 2018 NEW YEAR! #DianaDee 😊

Funny to wonder if sequel writers ever have a light bulb moment, after their story's in finished production, & suddenly tell themselves, "OH, I hope no one remembered THAT" from the original movie..... Amazing that Jesus, born about 2,000 years ago, was able to explain how prophets who lived HUNDREDS of years earlier had described Him To Come. Luke 24:44, which the BEREANS studied AGAINST ALL scriptures-- and accepted as TRUTH despite their Right Initial Doubts... Acts 17:11.....

PHOTO: The Bible is a collection of 66 books and letters written by 40 authors over a period of approximately 1600 years. the books fit together perfectly to tell one complete, cohesive and amazing story of the Savior of the world. These astounding writings were penned in 3 different languages by people living on 3 different continents, people of diverse personality, occupation, culture and situation with differing perspectives and unique styles.

POST 2 January 2018. 9:30 AM. 23 hrs ·

Excellent WARNING below. Jesus WARNED about False Teachers-- so did all the Bible books starting with "T" -- but you'd think Christians would do at least a TINY bit of Bible study to see how SATAN is USING THIS to convince Seekers to STOP seeking & call Jesus's followers 'FOOLS'. I've been saying this as FB comments for 2 years: Like DANCING thru a MINE FIELD, it's *AMAZING* how Ignorant some Christ*ians *LET* themselves be of all Satan's strategies to either fool Christians or SHOW them to BE as fools with obvious false teachings... the Poetry of Job & Psalms

(like "four corners of the earth" meaning EVERYWHERE, Isaiah 11:12, 40:22 "Circle of the earth") & of Jesus calling Himself a door, for example.... Who thinks Jesus meant He was made of wood?!!...

POST 3 January 2018. 8:28 AM. Just now ·

Imagine being HUGGED by God... leaning into Him with His powerful arms enfolding you in a Safety & Love thru which nothing evil can ever touch you.... A SAFE Place amid Life's sorrows. Yes, He's a KING, God, to revere: But He Himself invites us to His Very Throne in prayer! (Hebrews 4:16). Jesus HIMSELF spoke of LONGING to enfold even a city full of people who had *refused* His Love, had rejected Him... Matthew 23:37 gives a True Picture of The LORD's Love for you.... EVEN if you're still choosing self-sufficiency. 2nd Corinthians 1:2-4 = the "COMFORT COMFORT COMFORTS" verse that gives *such* peace. Even when things around us look scary & powerful against us.....

POST 4 January 2018. 6:30 AM - soon after awakening from Dream, then re-posted at 9:13 since no impacts yet; added photo for Ephesians 2:1-10 of 3 persons on Earth as seen from space, with words "God's Glorious Plan Includes YOU!" 20 mins

Odd **meaning filled** dream: A man was mocking me for the ancient book I have by **G. Morgan Campbell**: So I told him how "in those days" preachers would "re-use" sermons to different audiences... How GMC was so gifted that his sermons were more filled than seminary lectures & no one could argue him & win as he preached about God... how people left with pages of notes they could barely understand... how he loved God, but one day came to ****LOVE**** God.. And AFTER that day, he still preached the same sermons, but they were FAR different despite the same words. And people went forth still full of notes... but also with a LOVE for telling everyone about This Great God.... Ephesians 2, He MAKES ALIVE! **COMMENT added with the post timing (to keep post short):**

"Not academically trained, [**Gordon Campbell**] even failed in his "trial sermon" (he was told he showed "no promise"). Yet he was, eventually, acclaimed "the most outstanding preacher this country (the United States) has heard." 1 Between 1886 and his Diamond Jubilee [60 years], he preached some 23,390 times and wrote over 70 books. He was an ideal husband and father, whose four sons followed him into the ministry (what higher tribute could be paid to a preacher?). No breath of scandal ever touched his life. He loved children and was loved by them." --

The birds seem "irked" when I go out on "their" deck in AM to scatter more seed in the snow. They'd been scratching & finding bits of yesterday's blessings... and here I come seeming to take AWAY their gift as I walk out & they fly away. Yet once they get

courage to return, they're HAPPY again!.. So often it seems God has TAKEN AWAY His blessings. We sympathize with Job, "*Behold, he taketh away, who can hinder him? who will say unto him, What doest thou?*" (9:12)... YET GOD... **YET GOD** has The Best planned for His Children. What I READ: Five ways to make a resolution STRESS-ful."...

I'm thinking my mind was more realistic. ;) ... I'm amazed by my google search result that implies ONLY 60% of people GAVE UP on bothering to make New Year's Resolutions. Of the 40% who do, 8% report they actually succeeded??? (Doubting if 1 resolution was to be truthful to poll takers!) ... Most of us realize that BEST WAY TO AVOID STRESS OF RESOLUTIONS: Don't make any. Romans 7 = We always fail eventually. YET GOD PROMISES HELP when we really WANT it! Among WORST sermons I've heard: BLAMING JOB for all his children dying. THEORY: 5th verse of the book: Job made sacrifices for his children in case THEY had sinned, so by THINKING this, Job CAUSED. APPLICATION of such a "sermon": Telling us Christians that we must NAME-IT-AND-CLAIM-IT the blessings we want, and DON'T DARE even THINK of anything bad happening or else God may CAUSE it...//... This False Teaching is like teaching "magic": It claims a Formula Prayer if said right will control God. God's Word CLEARLY says curses don't work against us & HE doesn't curse us based on what our parents/ ancestors did. (SEE COMMENTS)... So to all False Teachers:... QUIT BLAMING JOB with "formula faith": REMEMBER God's anger at Job's "friends".

COMMENT 1 (later) >> Thru Ezekiel 18:20 God tells us we each are responsible for our own sins, and we must bear the punishment for them. We cannot share our guilt with another, nor can another be held responsible for our transgressions. Few know how the Story of Jonah "played out"...a ****KEY** question TODAY**, after hearing Ben Carson's speech at noon. **Jonah** prayed (4:2) "You are a gracious and merciful God, slow to anger & abundant in loving-kindness"; Psalms & 2nd Peter 3:9 declare same. THE NATION MOURNED THEIR SINS & *GOD FORGAVE*... Held back His *promised, declared* punishment. AND God watched as, across 150 years, the people grew more & more evil until the time of Nahum when the ancestors of today's MOSUL (Nineveh) again filled their land with "harlotries" and "countless corpses"...//....

Nahum 3 gives details that sound like something out of this century's news reports.

Our COUNTRY'S FOUNDERS' words begin "WE the People"... giving God our Creator credit for America.... May God give us the grace of More Time to reach His Truth to more people... including all the un-caring people in His own Israel who are just as rebellious against God as most Americans.

2nd Chronicles 7:14 (Happy Promise) thru 19-22 (SCARY also-promise!) was NOT written ABOUT America: But God-Named-YHWH (Ex. 3:14) who never changes does KEEP His Patterns: John 3:16 is about the WORLD, ANY person or Nation who returns to God humbly.

Many people admit to being depressed.... and that a key cause of their depression is that they don't know WHY they feel that way when God has so blessed their life... Step 1: Psalm 46:10. BE STILL. Listen, wait on God. George MacDonald's definition of "perfect faith" **EVEN IF DEPRESSED**, (he inspired C.S. Lewis):

"That man is perfect in faith who can come to God in the utter DEARTH of his feelings and desires, WITHOUT a glow or an aspiration, [pride, self-hope] WITH the weight of low thoughts, failures, neglects, & wandering forgetfulness, AND [STILL CONFIDENTLY]

SAY to Him, **“Thou ART my refuge”**. [Anthology Quote I]

COMMENT 1-13-2018 on Songwriter Group to posted question, **“Sad songs are better than happy ones, agree?”**

ME: Sad songs are "realistic" of life, but happy songs give Hope... so nope, I disagree: Sad songs in MOVEMENT 1 that evolve into words of Peace, Joy despite the sorrow (in Movement 2) are the songs that many people love. BESIDES: It gives us songwriters the FUN of designing both Major & Minor color chords to bring our listeners thru our Song Journey. ;)

Consider GOD'S SONG GUIDELINES that He inspired written: Practically every Psalm (incl. those NOT in *THAT* book) opens with Sorrow & **ends declaring HOPE** as

we TRUST God: **Including Psalm 22 that Jesus quoted... that EVERY listener KNEW by heart ended with JOY...** like Resurrection brought.

Glad to see a movie that does NOT teach lies about angels/ Satan.

People believe SUCH NONSENSE "learned" in movies & books... & *church leaders* (1) see "no harm" OR (2) think they shouldn't "get involved" in what their members start TEACHING-- even in church. I got in *big* trouble, angrily arguing

how Peretti's books weren't *MEANT* as Biblical (yrs ago- still popular):: Church people *believed* his *FICTION* that "demons CAN force drivers off a road so they're killed."...//... With FB we have ops to PRESENT LOGIC & Scriptures when others are deceived... And Jesus said we're His friend (John 15) when we obey & teach His Truth. Even when FB people... & even church people... 6 AM, got 2 text messages, 2 minutes apart.

#1: My husband's workplace closed today for Snow Emergency.

#2: Employees should report at 10 AM. **Which to believe?** The popular County-wide Reporting system Message #1?... **No-- obviously #2 which was sent by his workplace...** A writer of 30 books who's believed because "popular" puts out "happy" posters like, "Ask your angels for help" & "The angels say, your loved ones are all in Heaven." **But... the Creator of ALL writers & angels clearly declared in His Bible that we must NOT seek out angels: that Jesus is ONLY mediator between us and God (Colos 2:18; 1 Tim 2:5). And that SOME angels seek to DESTROY you with Lies etc (John 10:10, John 8:44, Luke 10:18). We must CHOOSE the Authoritative Message Sender.**

COMMENT ADDED LATER: Consider if someone you dearly loved has died, & you are "comforted" with these words: ""God wanted another angel, so He took ___ to be with Him." That lie is FREQUENTLY said. And anyone who really believes it will understandably be furious at God... Which of course **Satan loves**. · [1w](#)

Don't you weary of people telling you how wrong your belief is?... LIKE: "We can't wear cross necklaces because God said to *not make any graven images* & the cross was really shaped like a T anyway!"...//... So here's my response:: NO Apologies... >>

I wear a stone cross because of Joshua 4: 20-24. **By God-Named-YHWH's command (vs 1) the 12 stones were "discussion starters" so "all the peoples of the earth may know the hand of the LORD, that it is mighty, that you may fear the LORD your God forever."** ...

People ASK me & I talk about God... & I often handle mine during day to remind ME to seek His pleasure & not be self focused... Similar to "evil" symbols??> Just means Satan's created another Fake. And it's not an "idol" that, by definition, is worshiped. Sure, some disagree... We all pray for wisdom "as we go" and reach conclusions that often don't match someone else's...

The added "RULE" is that God forbade wearing jewelry after that incident with the Golden Calf.... **Huhhh???**..... More FAKE rules....God even inspired Isaiah (61:10)

to use His **OK** for jewelry in this comparison: "I will rejoice greatly in the LORD, My soul will exult in my God; For He has clothed me with garments of salvation, He has wrapped me with a robe of righteousness, As a bridegroom decks himself with a garland, And as a bride adorns herself with her jewels."

And when people come at us with First Timothy 2:9, "...;in like manner also, that the women adorn themselves in modest apparel, with propriety and moderation, not with braided hair or gold or pearls or costly clothing...">> ???. Ok....

If you take this LITERAL & not about Paul by his own words ["I desire" in vs 8] **clearly not creating a new commandment**, BUT emphasizing a humble HEART>> THEN since verse 8 begins "**In like manner**", thus **you'd have to ALSO be LITERAL with verse 8: that men MUST pray EVERYWHERE with their hands UP.. "held high". "No other way to pray" if you invent this rule.**

No WONDER so many people TURN AWAY from God when people using His Name keep arguing about unimportant things.

No WONDER Satan is laughing at us as he gets **win** after win in his DIVIDE & CONQUER strategies.

Ask anyone-- not just a "Sunday School" child-- what the Book of Jonah is about. Most likely the answer will be "A **Great Fish**."

NOPE: It's about **GREAT God** who had **GREAT Mercy** for a **GREAT CITY** full of people, who He **GREAT-ly loved** (John 3:16 didn't start in 30 AD)... and **God's GREAT Plan** to use an ordinary person to GO & just SPEAK.

Jonah didn't even need wisdom:

God gave him the words (see John 14:26 too)...//... So, about that Truth that "God never changes" >> **He gives each of us a Nineveh to GO to, & just SPEAK in**. And yeahhh... It's usually not a Disney World. But the resulting fireworks are a JOY because our GREAT LORD is a Friend who gives Peace to all who obey... John 15.

COMMENT 1-18-2018 RE God in time, physics, omnipresence, etc.

ME: I love studying science & math, and seeing all God's "parables" in them... But sometimes when my brain is tired & I am afraid I'll get tired of the search for truth, I just rest on this image: **Of a master artist painting his masterpiece.... FOR**

the greatest creation never has as much

beauty & power & Dimensions as its Creator.

COMMENT 1-18-2018. **I have often expressed my anger at churches that never teach James 2:19--** that "even devils believe one God and tremble".

"Anger" sounds like a bad word-- but just think of all the church pews filled every week with people like I was, who **think** that just because they fervently BELIEVE in God (Romans 1's end-- no logical person would look at nature at NOT believe), that this does not mean they've accepted the Truth of all Jesus did & taught. <Anger that church leaders/ preachers don't SEE that they're NOT telling people what they need to know to avoid hell: THAT **BELIEVING IS WHAT EVEN DEMONS BOUND FOR HELL FOREVER DO.**

God TEACHES that anger is sometimes right: "Be angry but sin not." Psalm 4:4, which God repeats in Ephesians 4:26... Righteous anger like Jesus had at moneychangers who were cheating poor people.

Good PARABLE about Love from Tim <Tebow> below... I do ****NOT**** laugh at that often-told joke of the old married couple: After 50 years, she goes to the preacher & says "I want a divorce"-- even though they never fought etc. Husband, dragged into Couples Counseling, declares he doesn't understand. Wife: "For 50 years you've never told me you love me, and I'm TIRED of being hurt!" Husband (grinning to preacher): "Well, I TOLD you the day we got married that I love you-- If I ever change my mind, I'll let you know."...//..

I've noticed that ONLY MEN laugh at this "joke".... though I'm sure many husbands also feel no love because No Love is Spoken back...//... God isn't amused, either, when we people excitedly tell Him "I love You" after first 'saved'... but gradually take God for granted despite His Love.

PHOTO quote of Tim Tebow:

Newspaper clipping in 2015: A day after a former Denver Broncos quarterback said in a radio interview that he wished the man currently taking the snaps in Denver, Tim Tebow, would curb his references to Jesus Christ and his faith, Tebow responded. On ESPN's FIRST TAKE, Tebow said:

"If you're married, and you really love your wife, is it good enough to only say to your wife 'I love her' the day you get married? Or should you tell her every single day when you wake up and every opportunity? My relationship with Jesus Christ is the most important thing in my life. So any time I get an opportunity to tell Him that I love Him or get an opportunity to shout Him out on national TV, I'm gonna take that opportunity."

Heard Jesse / JeSuis crying & crying. Only a 1-floor small house but had to search AND search... Found her in large cabinet under bathroom sink-- that I'd bungee-corded shut to keep her out: PROTECT her. This old cat figured out a new trick> She could STRETCH the cord to squeeze in> But forgot that trick for getting out :) ... Feels like I'm forever trying to protect 2 cats from their own ideas; Lea's = to sail out of a door for fun-- but dogs & fast cars await her...//.. God too must get weary of warning & warning us BOTH in His scriptures & by what we call "Well, I THOUGHT about that but..." We can THANK GOD for His GRACE when we do dumb things. But we still often suffer the natural consequences. Sometimes just an hour of fear like Jesse's. Sometimes permanent like my beloved Samson who sailed out a door one day....

Sometimes we think we're smarter than God. We try to run ahead of Him. We try to run around Him. We try to run without Him. **All of those things are pure foolishness.** The Bible warns us:
Proverbs 3:7 "Be not wise in your own eyes; fear the LORD, and turn away from evil."

COMMENT 1-24-2018 on post asking if it's a sin to listen to secular music.

ME: Sin is nauseating to God... If the words of a song are nauseating to us, we won't keep listening. If they reflect what God's word calls evil, we should have been nauseated and so..... But otherwise plenty of music seems inspired & lifts our hearts even if not "about God".

This AM, guard told me the reader rejected my badge, but I could go thru & check it later. Went to Security Head after gym. He figured out problem. I was afraid the guard would get in trouble for having let me thru, so I said "He knew me because I go to gym so much." The Head said "I started working the gates in 2003 and we *ALL* know you because you go to gym so much!" ..//..

We laughed, but I gotta tell you: Started thinking about how SCARY it is to know that for over a decade, if I'd been grumpy when feeling bad or rushed or etc during the few minutes these people saw me many days, they'd think that's the way I *always* am... AND it's SCARY to know that when we call ourselves "Christ-ian" meaning "Little Christs", people will think that's the way God's people *always* are & want nothing to do with Him.

ADDED LATER, definition:

"WANT" as in "YEARN" with a wrenching heart desire as Paul described all through Romans 7, yearning with our mind, our Will, to please God. The true "we" of our soul is far different from the self-centered brat child of our body, also called our "flesh". · [1m](#)

I have some goals in my **ever-shorten-ing life** that I want SO much to happen "Now". Urgently don't want to "wait on God's timing". Fascinating yet scary-if-you-think-it thru.... That short, bitty SuperBowl Commercial created NEW use of ancient word: Turning "Family" into a Verb... "Sweet" seeming commercial encourages us that "You should family the way you WANT to family." Sounds nice, doesn't it? Wonder how many people realize the Rebellion, the Doublespeak potential in there..... in George Orwell's book, those new uses of old words-- which "sounded good"-- led to terrible Evil. In God's book, too.

PHOTO: DOUBLESPEAK IS NEWSPEAK DOUBLETHINK: In "1984", Orwell introduced us to the words doublethink and newspeak. A word he DIDN'T use but which combines the two is doublespeak. Doublespeak is saying one thing and meaning another, usually its opposite.

PROBLEM WAS: Brad said "Blackhawks, Bulls, Bears and Cubs."...//...

Because he added 3 little letters ("and"), he lost \$\$\$\$.
In the Gospel of John, Verse 1 we see that "Word" refers to Jesus:

AND the following sentences described Jesus coming after he was announced.
Jehovah's Witnesses add a single letter to the end about Jesus:

We must decide if these are just faults as everyone has or a "deceitful heart" as God describes -- and gives us a Model Prayer for protection in Psalm 120.

.

COMMENT 2-23-2018: A preliminary to the science seeking is this simple **logic**: If God's Bible repeatedly called **having blue eyes a sin**, we'd quickly have a lot to say about Him *punishing* people for genes they couldn't avoid having. It's good to keep seeking Truth... as long as we pray to not be blinded to it. James 1: 5.

Flicked on TV near end of a Disney movie I've never seen, "Wreck-It Ralph"-- just when Ralph is being told that if little Vanellope races in the cart he helped her build & learn to drive, she'll be destroyed: Her flickering light will be noticed more, & thus the video game unplugged, trapping her in it forever. In love, Ralph wrecks the child's kart-- and heart-- because she doesn't believe he did it for her good...//.....

We easily understand such plots.

We see it in "real life" all the time when a more informed person takes a Stand even when unpopular.

YET: How often do we get furious at God for not answering our prayers? Which is how... sadly... we often define God's "love". Psalm 30, God turns our mourning into GLADNESS.

Have song ideas but not sure what to do with them until you have time/ \$\$ to produce them? IDEA: Create a website that has a tab for FUTURE songs. To EASILY ID DRAFTS from finished songs as you type songs from journal notes before writing the music: ID by filename as well as computer folder, adding to the Title like this:

(1) for lyrics: Song Title -LYDRAFT;

(2) In music setup form: Song Title -MUSET; and

(3) once you start adding melody notes & chords: Song Title -MUDRAFT 2-24-2018. Put your copyright statement in the header so it shows on every page. I also put the date in the -MU file's footer, so printouts show which is the latest edit of the Music Sheet. Has been a great organization idea from God! ... I would "trade days off" watching my friend's 4 children age 3,4,7,8 along with all my own brood whose ages fit under, over & in between. One day I left a store with all the well behaved children "in tow" when some smart aleck walked a fair distance to get to me & say, "You know, there IS such a thing as family planning!".... I sweetly responded to her... loudly so all the other people around would hear my answer to this rude woman: **"YES, I KNOW -- AND WE'RE SO EXCITED AT HOW WELL IT'S WORKED!"** ... :) (yes, we DID use natural family planning, for all our little blessings from God.) ... And my husband & I are SO thankful for God's gifts. Though I dearly miss little Paul Joseph, our last child, who died before birth.....

Took a 6 year old to feed bagel crumbs to the little fish at the subdivision lake. I pointed out to him that many fish had different size or location for their spots, & dif stripe patterns... Then taught him that scientists have examined 1,000s of zebras & found that not one had identical stripe patterns to others... They can all be identified by their stripes, just as we can be ID'd by our unique fingerprints... AND 100s of black bears examined (under anesthesia!) were found to have unique nose prints..... NOT ONE is alike. God is a GREAT Creative designer! If we will look, there are "adventures everywhere" --- like watching the tree full of buzzards across the lake, & watching rows of ducks come sailing down to the water to prepare for evening sleep

I who used to be terrified of sliding boards was happily ready to go... am sorry I awoke too soon!...//...

But it's a question for ALL of us to consider: BillyGraham's final witness may very well be thru all the radio commentators who've been quoting BG saying "When you hear "Billy Graham is dead" DON'T BELIEVE IT! COMMENT 3-2-2018, someone asked what's a Scripture verse that has greatly influenced our life. **My Answer:**

James 2:19 that would change MILLIONS of "Christians" if churches would just teach it: "You believe in God? GOOD FOR YOU. Even DEMONS believe -- and TREMBLE." 23h - a good reply comment added that people "take any scripture out of context because then the true meaning of the scripture is lost and people can make the scripture mean whatever they want it to mean. ENDS OF THE EARTH scriptures >

"Look to Me, and be saved, All you ends of the earth! <ALL people!> For I am God, and there is NO other." 98:3, "ALL the ends of the earth have seen the SALVATION of our

I was furious (glad it was a dream-- I'm not usually) & declared, "You KNEW this book was special to me. I'm taking it back!" And the mom got mad at ME... The boy left room, came back quietly told me: "I thought the book was telling me to go & do bad things." Immediately I had compassion & forgave him- NOT for his words trying to explain, but because I could tell he was truly sorry & not "making excuses"....//...

GOD is like this dream shows... He already KNOWS our mental reasoning but is still furious when we're destructive in ANY way: But is compassionate & forgiving when we humbly come to Him without excusing what we did. First John 1.....

Intriguing God Thing? that I'd find this wand 18 hours after beginning music tracks for new song HALCYON DAYS ENDING ... Its theme, as we watch news & know of much testing of weapons in U.S.: War IS coming-- already here for many nations. I dread the March 7-10 three-day stretch-- remembering a year of trying to prove them wrong. 6 years ago yesterday was also a Friday.. drenching noon storm. On this anniversary weekend, I've been thinking a lot on a Q I used to ponder about so much. Luke 23:9, Herod was excited when Jesus was brought to Him; he wanted to see "some miracle" and to ask lots of Qs. But Jesus "answered him nothing." I used to think, why did Jesus not use this op to talk with the head political leader? Experiences in life bring us to a deeper understanding of God's Word, with His James 1:5 promised wisdom. So Satan works HARD to shift God's musicians into Selfish-ness & Sin-- and Discouragement.... RECORDING MUSIC HINT: If I take all my home studio instrument tracks to 1 of my 2 professional studios & don't have enough TIME for the producer to balance (pre-master) each track to the others for EVERY song before he records me singing vocals & he plays drums (+ often bass) to complete the song >> TRICK GOD gave idea for: I sing to the FULL track I brought, & studio masters song after I leave. BUT: Sometimes I can't clearly hear the Melody thru all the flute, oboe, swirling or (for harder rock!) crashing &c background tracks>> So WITH the solo'd full track, he adds the instrument track that gives me Guidance...//...

Amid Life's NOISE, often we can't quite hear GOD's guidance. POST (#2) March 16 at 3:49pm · re movie A WRINKLE IN TIME.

Filmmakers changed ~90% of key words-- Madeleine L'Engle's heirs must have signed contract without demanding final say over plot edits OR cared more about \$\$ than honoring her Faith she built into all her books-- Film shows Antagonism against Faith of author who died in 2007: In her book, Earth's great fighters against Darkness gives Jesus first place & includes artists & scientists (DaVinci, Shakespeare, Bach, Curie, Einstein) + religious persons (e.g. Buddha, Saint Francis, Gandhi). Movie has racial diversity (GOOD adds of Nelson Mandela, Maya Angelou) BUT DROPPED all religious people- incl. Jesus- fighting a Darkness as Satan is described in Bible... & makes the 3 women almost as gods, not Created Beings as L'Engle has guided 1000s of children to see as comfort from a loving Creator who Protects all Innocents & those who turn to Him.

LATER 2 COMMENTS I ADDED: I already knew from the book & movie The Shack that some churches will praise the movie that's completely dif from the author's WRINKLE... so sometimes, we go where we don't want just to prepare by getting info, so we can Take a Stand More & more I think of the parable of "slowly boiling frogs"

"TRUST & OBEY"... one of my fav hymns since childhood. We *love* its encouraging guide on how "to be happy" (with Jesus)... Hymn reflects Proverbs 3:5-6 that we love to Quote: TRUST in the LORD (named YHWH, Ex. 3:14) with ALL your heart-- though we prefer vs 6: "and He shall direct your paths". (No one likes feeling Utterly Lost, though temp times are Adventures often ALSO guided by God...)... But that **2ND half of Hymn Title**? ALSO from Proverbs 3:1 ... God guided the writer to share HIS Word: "Do not forget my law, But let your heart KEEP my commands." John 15, def of how to be HAPPY WITH/ FRIENDS with Jesus>> Keep His Commands... TRUST, & **OBEY.** (1st John 1:1, 2:7, 2:24 AND John 1:1 WORD from the BEGINNING)

Reviewing a bass track before taking it to the studio for song production ("Andrew Bonar PRAYER Song").... there are a couple of places with "color chords" in piano that it seems no bass note "really worked".... an EXCELLENT parable for that "old saying" that really came from God's wisdom in Proverbs (17:28) >>> Better to be silent and thought a fool, than to be loud & remove all doubt :) Or, in this case: Better to let my bass stay silent in the spots with those piano chords than to show the world that I couldn't figure out what note works!

COMMENT 3-20-2018.

Quite often people have pre-decided what to believe before studying. Ezekiel 34: 11 on clearly identifies YHWH the Shepherd as coming to dwell among us. Zech 2:10- on convinced me that YHWH who can do anything whether we understand "trinity" or not has come Himself as prophesied: *Dwell* being same word as physical.. not just a symbol. Be encouraged as you serve Him sharing ideas. :)

POST (#1) 21 March 2018 written during huge snowstorm! 21 mins ·

Those SPAM phone calls you get from the same area code as your own phone??? That's called SPOOFING >> trying to FOOL you to accept them. The movie WRINKLE IN TIME might be "fun to watch" but we need to stay aware... in MANY places, it SPOOFS what the author actually wrote. EXAMPLE of leaving out her words about author's faith >> The "women" (1 = a star who had sacrificed herself & lost that joy) spoke of Fighters for Truth thru earth's history. "Who have our fighters been?" Calvin asked. "Oh, you must know them, dear," Mrs. Whatsit said. Mrs. WHO's spectacles shone out at them triumphantly, "And the light shineth in darkness; and the darkness comprehended it not." <John 1:5>. "Jesus!" Charles Wallace said. "Why of course, Jesus!" "OF COURSE!" Mrs. Whatsit said.

WRINKLE - my comment #1. ALSO quoting God's word in her book that was banned in many schools for being "too religious" (not a problem for the new movie) >> "God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty." — Madeleine L'Engle, A Wrinkle in Time, quoting First Corinthians 1:27. MODERN >>

26 Remember, dear brothers and sisters, that few of you were wise in the world's eyes or powerful or wealthy when God called you. 27 Instead, **God chose things the world considers foolish in order to shame those who think they are wise. And he chose things that are powerless to shame those who are powerful.** 28 God chose things despised by the world, things counted as nothing at all, and used them to bring to nothing what the world considers important. 29 As a result, no one can ever boast in the presence of God.

WRINKLE - my comment #2. QUOTE: "Why Was A Wrinkle in Time a Banned Book? 'A Wrinkle in Time' by Madeleine L'Engle was published in 1962. Since that time,

it has consistently made the American Library Association's list of frequently challenged or banned books." .. found by Google search · [1d](#)

WRINKLE - my comment #3. Some MAIN characters that the movie omitted were THE TWINS: Both Charles Wallace and Meg are very different & their twin brothers gave both hints on how to "look normal" among others, AND comfort in their uniqueness. Key Line about Charles Wallace who today might be labeled as "autistic" until you get to know him >> "There's nothing the matter with his mind. He just does things in his own way and in his own time." - Madeleine L'Engle, A Wrinkle in Time · [21h](#)

WRINKLE - my comment #4. **1m** I have often wondered if I'm wrong to "in a way" feel SORRY for Satan for his choice to GIVE UP so much that God had offered him, incl Joy, Peace, Friendship... L'ENGLE too offered this concept in A WRINKLE IN TIME >> ""If she could give love to IT perhaps it would shrivel up and die, for she was sure that IT could not withstand love." — Madeleine L'Engle, A Wrinkle in Time

COMMENT 3-21-2018. I often think of 1 line from a 12-season series of people using science to find killers... and a key character at the end, after "success", depressedly considers quitting with the line "What's the point? There's always going to be another killer". The quiet reply: "But THIS one won't kill anyone else."... I understand that kind of sadness... and God's that we are not rid of evil. But we pray against it & fight wherever we can. [1m](#)

Flipping channels, came across ANDROMEDA (2000-2005) & said in surprise, "Noah!"... 22 years ago (yes, 22), fans were sad when Keith Cobb left ALL MY CHILDREN (soap) to be Tyr in Kevin Sorbo's Sci-Fi series...//... We often joke about weird things we suddenly remember (like our HS locker combination)... YET don't seem to fully believe John 14:26. If we REALLY believed Jesus's promise that He sent the Holy Spirit to "help you remember all that I taught", then we'd have NO fear in sharing our Faith... Because fear of "being stumped" by a challenging doubter serves Satan well by stopping us from speaking. NEXT verse after 14:26? Jesus's oft quoted promise: We will have PEACE, NO FEAR. *IMPT* Greek for "another" in 14:16 is ALLOS (of the same sort), *NOT* Hetero (different).

It's been over a year since I've been this sick... but I found myself pleased to realize that I was focused on the blessing of "over a year" instead of whining about my day...//... Small movements forward as we grow... It's easy to focus on our failures & not see our small movements toward growth...//... "God makes us more & more like him as we are changed into his glorious image." - 2nd Corinthians 3:18b... the Greek word = Metamorphose, & like as for caterpillars to butterflies, it can be a slow but Wondrous process.

COMMENT 3-22-2018 on photo of a manual typewriter asking "Do you know what this is? **ME** >> . Something fast typists don't miss. Many don't know that the reason even our computer keyboards have the QWERTY design (top left letters) instead of ABC order was to separate the vowels and other frequently used typewriters keys that would "catch" on each other when a fast typist wasn't giving the key arm time to get out of the way before the next arm came up to type a letter.

Family Christian Bookstores closed last year.

Claim: "Books are becoming obsolete." >>

NEVER! Paper Bibles MUST not become obsolete-- even while we enjoy online/ "Digital format" scriptures. WHY: It's easy to change a file, hit SAVE, & hardly anyone notices. Paper copies are PROTECTION from people who choose Evil > including changing Bible quotes to DECEIVE people. 2nd Timothy 2:17, "Their message will spread like cancer".... using Greek word *gaggraina* - like GANGRENE. Paper = our BASELINE: God blessed us with the **Dead Sea Scrolls** AND **Isaiah scroll** being found by archaeologists; both CONFIRM ancient texts as accurate: Found at exactly the Time He set up for Israel to again become a nation. And Isaiah 53 alone prophesies the Messiah, while 66 reflects Revelation CLEAR-ly.... Photo:

POST March 23 at 11:00am

Imagine facing on your journey a huge cliff in front of you... but you cannot turn around & go back. Then with Hope you see a huge crevice that might "Go thru". But you realize: It looks long, utter darkness, fearsome. As you stop in fear not knowing what to do, you hear a familiar voice calling you by name: Encouraging you, "I'm already here! Come follow my voice! I've seen a lovely green valley with peaceful streams on the other side!"...//...

And, without "seeing", you joyfully enter the darkness WITHOUT fear: Your friend WILL come meet you if you need... You can TRUST His word...//... Today I'm very sad. But I know my friend Sandy knows her friend Jesus, & has now SAFELY passed thru Death's crevice to live with Him. Psalm 23.

Here's an joy-filling Experiment for you: A wren built a nest in my Christmas wreath beside front door (yes it's still up!) & I see her often. 2 dozen wrens come to my feeding deck daily - they all look alike to me. Yet I have no idea WHICH one has that wreath nest. But *GOD* does! ...//..... AS YOU SIT AT STOP LIGHTS, actually quickly look at other drivers & Consider: God knows the Name of each driver, what s/he loves & hates, his or her dreams. And He truly Cares. And... You are more than just one more 'wren' to God, too. PSALM 124: God who knows the name of EVERY star knows YOUR name, & you!

My alarm went off right on time this Sunday as always (pre-set for a year) :) ... But I'd left phone in other room: alarm rang unheard... And time STILL marched on for an hour: I got up in time to be only "almost late"-- but missed the Peace I find in that extra time... //....

A few days ago, I asked a dear friend, who's becoming tangled in fears watching media news & politics, if he still reads the Bible. He said "sure". I asked how often. He said "every Sunday in church". From experience there, I responded, "You mean the few verses in the Bulletin that you all quote back?" He smiled a bit & nodded.//.. God's Word gives us plenty of warnings AND ENCOURAGEMENT! PEACE amid the media yelling "Be Scared!" at us. But it does no good if we leave it on the shelf. And time STILL marches on: One day will be too late.

"Who feels like Life is a roller coaster?" asked the preacher. A teen near the front row eagerly raised her hand and waved it back and forth energetically. Most of us looked a bit confused amid being amused. Then I figured it out: She thought the preacher asked "Who LIKES roller coasters?" ..//..

But she really had an EXCITED attitude that we should ALL have for the actual question! It's often only when our lives are like roller coasters that we even *notice* God is helping us! And the noticing brings *such* joy that God cares! 1 Peter 5:7, "Cast all your anxiety on Him, because He CARES for you!" with the confession: I'm copy-pasting this one into tonight's journal....

Last night brought a MAJOR problem in music recording computer resources.... But hey, God's Will is my yearning; I'll Wait on Him, Psalm 46:10. And pray (and pray!) for wisdom on how to fix. Yet meanwhile, this cartoon always makes me laugh when I "feel weary" :) And nope, I'm not giving Satan the pleasure of "throwing in the towel". SILLY for us to do, when there are so many exciting possibilities that God may yet provide for us! John 10:10 Abundance! >>

In a phone call today, someone I love asked "How are you?" I answered honestly, beginning with all the things that have quit working incl. my laptop battery & the system I need to record music... even my mouse battery joined the crowd... and I concluded with "It's been a ROUGHHHHhhh week."..... Pause..... Then we laughed to realize we were saying in unison, "And it's ONLY Tuesday!"..... Great joke for rough days: The Bible says "It came to pass" -- not "It came to stay."

It's not a good sign when you awaken to what you think is the refrigerator fan going bad, & **realize it's your cat purring. Poor Lia!** We all care deeply for our pets.

Most of us even are sad to see a dead bird. How is it we're so Surprised, so Disbelieving-almost, that the Creator of All things deeply cares for "ME"?? Can you hear the frustration in Jesus's voice as He declares that "NOT EVEN A SPARROW falls to the ground without God caring? YOU are worth FAR more...." ... *****TAKE COMFORT TODAY*****, whatever happens: God CARES & will listen... to ANY one who respectfully talks to Him-- even Seekers who do not yet quite believe..... COMMENT 3-27-2018 to someone suffering nightmares: With my prayers, <Name>, for peace. We cannot control our dreams, but in our waking moments can **pray** what I often do: **That when it's our time to die, we will honor & trust God even thru that.** TRICK I TAUGHT MY CHILDREN that worked well: FINISH the dream: Go back and fill in a GOOD ending..... even if you're not asleep._

COMMENT thread Mar 27, 2018 2:22pm . Gary posted a picture with parable that just because someone pays for your speeding ticket does not mean he ended the speed law. I responded: The exact parable I've used a lot.... and it seems to truly help people "stop and think". Then I mention how it ALSO DISHONORS the kind person who CARED about you enough to pay for your transgression when you just go out & do it more... We human parents know how we'd react to a teen who did that!... Hebrews 6:6 comes to mind.... Disrespect.

Can you believe it's been 5 years? And in that time Hobby Lobby-- after STANDING for God's Word-- **flourishes!** Another example of how God blesses those who honor Him... as illustrated in the movie CHARIOTS OF FIRE, based on 1st Samuel 2:30, "those who honor Me I will honor, and those who despise Me shall be lightly esteemed." Which SOUNDS NICE UNTIL you read the whole passage and realize: God is telling someone-- Eli the priest who He'd blessed-- that He is now TAKING AWAY His blessings because Eli refuses to honor Him First now.

Psalms 23 astonishes with more & more colors as we learn. Verse 5, "Thou preparest a table before me..." THIS IS NO ORDINARY DINNER TABLE! >> The Hebrew is "shulchan". That word is used ONLY for a KING'S table...for private & sacred use -- like in the Temple. Like for the showbread's dedicated table in God's Presence (Exodus 25:30)..... And the King of Creation is preparing it for YOU, me, all who accept His invitation?? Wow. Amazing Grace..... TOMORROW: ANOTHER table....

Today = Day after we esp remember The Last Supper. DID YOU KNOW? Jesus put JUDAS in the SEAT OF HONOR!.. Giving "the bread of sop" to a guest is an ACT OF HONOR!... Jesus left Judas NO excuse to hate him, to feel "left out of the 12" like many people CLAIM as a logical reason to betray Jesus..... Yet like us people even today: Hebrews 12:3, God tells us to TAKE HEART when others hurt you.

EVIDENCE: Seating Chart + Bible. QUOTE:

"The host of the feast would NOT sit in the middle... but instead 2nd to the left, with the guest of honor on his left, and a trusted friend to his right... If this seating arrangement was followed by Jesus, and from the scriptures it seems to BE the case, ... John 13:23 indicates that John the beloved was seated to Jesus' right, as John had to lean on the bosom of Christ to ask of the identity of the betrayer.

"Matthew 26:23 indicates that JUDAS was seated to the left of Christ, in the **SEAT OF HONOR**, as both Jesus and Judas were able to eat from the same bowl.

"John 13:24 indicates that Peter was across from John, on the right side, as he had to signal to John to ask Jesus who would betray him."

Did you know?? God REQUIRED His people to keep that sweet little innocent lamb inside their house for 4 days... walking about, bleating as a scared baby does, being fed by hand.... before it was slaughtered for the Passover meal. (Exodus 12:3-6). WHY? Obvious reason = Ensure it was healthy & kept safe- the Perfect Sacrifice that God's method for Forgiveness of Sins required. But ALSO, considering God's heart of Love: People (especially children) might perhaps, after being with this baby, see how Terrible their sins were TO GOD, how HE GRIEVES over our SINS -- so much that an innocent little creature must die..... so maybe we will STOP before we say "Yes" to each sin??..... >>>

.....and then 100s of years later>>> So much that God's Kind & Loving son Jesus who HEALED & FED thousands with His Mercy & Compassion -- who NEVER sinned at all (like an innocent lamb) must die as our Perfect Sacrifice for --now 1948 years after-- the Temple was destroyed & lambs CAN'T be sacrificed: God REALLY forgives those who honor Him.

Passover begins at sundown tonight. May you ind much peace knowing that several 1,000 years ago, God named YHWH was preparing His message of Mercy & Forgiveness for YOU to know today. #DianaDee

1,948 years from Temple destruction in 70 AD til 2018.

END of 2018 WINTER PARABLES

6.3.2018 - UPDATED 7-31-2020

A 2018 ENCOURAGEMENT:

We never hear about **The Battle BEFORE David's battle with Goliath** :
Dealing with his brother LYING about him, calling him INSOLENT in heart.
"Eliab's anger was aroused against David, and he said, "... I know your pride and the INSOLENT of your heart, for you have come down to see the battle." <1 Sam 17:28>.
Don't be discouraged if "older brothers" berate you... only the LORD's opinion matters. James 1:5, Ask & He'll tell you when comments are out of ignorance... or even malice.
Suppose David had let critical comments distract him from Standing Up for God's Honor?
