Have you noticed? Walk into non-Holiday card section of any store and ~80% are birthday cards, ~15% are Sympathy. What's missing? ..... It's a struggle to find THANK YOU cards. A meaning-ful & encouraging 2019 goal: Tell people you appreciate them. Even when they didn't gift anything to you first... And since about 85% of my Facebook friends are musicians>>>

Remember to thank your Sound Production team, whether in your studio or band or CHURCH... After all: They can make us sound like Mickey Mouse. I taught the H.S./College Sunday School class how to do that to the preacher each year (with a parable of course) >> One of their fav lessons.

#### CHURCHES

100s of people drove many miles like me to go down to Stafford County VA for a 3 hour Watch Night service>> We ended up rejoicing in worship & singing together (not a "show") & praying yet another hour past midnight. Five full journal pages later, it was so exciting to record a fraction of Pastor Jeffrey Smith's VISION for God's church at Strong Tower Ministries- full of prayers for Ephesians 3:20 empowering from God, NOT just for blessings but for God's Glory (as Pastor declared)! - verse 21.

.....**Goal #1:** "A church filled with the presence of the Holy Spirit so that people can experience the reality of God for themselves - a consistent awareness & dependence on God." Which requires-- **a church people who fervently & humbly pray** for God's help. Music concerts are fun, but 4 hours of praising God among 1,000 people who love Him is such deep Joy.

....It was a bit sad as the last guitar and sax notes played, and the drummer hit that last crash. But another comfort is knowing: When we ask Him, God guides us to places where we can rejoice worshipping Him! May God richly bless your New Year, my friends and future-friends:) ....

NOTE:

This is My post from 6 years ago: In 2020.... Event was canceled because of COVID.

My just-corrected typo said "from 6 **TEARS** ago"... **Sure enough:** Seems like most every church these days suffers the natural consequences of not dealing with gossip and Drift off the Bible. This one changed, drifted, too.....

January 2 ·

How many times have you heard it? >> **"Allah is just another of the many names for God."** WORSE: >>

**"God has over 100 names in the Bible"..** (See original post's photos from BlueLetterBible.org). **\*\*NO!!\*\*** These are ACCURATE Titles or Descriptions of the True God-- but NOT His real name that He CLEARLY tells in Isaiah 42:5-10 > YHWH.

OVER 6000 times, English Bible REPLACES "YHWH" the Name with "the LORD" - a Title. SO WHAT? >>...

How can we teach followers of Islam (etc) WHO God is, if we won't tell them what He has 1000s of times in Hebrew: "YHWH - THAT is My Name".

How can we pray The LORD's Prayer completely of "Hallowed Be Thy Name" if we call God only "God" -- a noun, NOT His Name? ...

No wonder Satan easily CONS people to follow the tradition of "God doesn't like His Name used."

COMMENT - **"HALLOWED BE THY NAME" ?** >> "To hallow a thing is to make it HOLY or to set it apart to be exalted as being worthy of ABSOLUTE devotion. To hallow the name of God is to regard Him with complete devotion and loving admiration. God's name is of the utmost importance (Neh 9:5); therefore we ought reserve it a position of grave significance in our minds and hearts. We should never take His name lightly (Exd 20:7; Lev 22:32), but always rejoice in it and think deeply upon its true meaning." >> From

### SONGWRITING HINTS

Do you want to record songs with more instruments than you have skills in? (1) MIDI instruments played on a keyboard are always a choice; but also: (2) Consider calling a local music teacher to ask if he/she has a talented high school student in the instrument you want... The Lion's Club competitions prove there are some fantastic young musicians around... Be sure to pay any hired musician with a check or provide other paperwork that clearly says "paid as Work for Hire" so the musician won't be able to claim credit later. AND: You may be helping a Budding Musician of the Future.

I have some super-heavy-uppers-padded shoes that I wear only for yardwork as safety against dropping shovel or rocks against foot :) ... Putting them on this AM, noticed dirt bits falling off. So held them over trashcan to shake dirt off. Shook & banged against each other. Got table knife. Scraped for ~10 minutes. Got off most of caked mud-- NO way to get all unless I soak them in water...//...

We make New Year's Resolutions to try to shake off some of our Bad Habits "forever"... But NO way to truly cure them without God's Help. HE says. Our remembrances of past tries Say. Yet He GLADLY will wash us clean. If we're willing to do MORE than just shake off our most visible, embarrassing-to-us mud... Psalm 51; 1st John 1:7.

### **DREAM AUTOBIOGRAPHY**

Joy-filled dream last night, tho sad that it's probably not God's prophecy ;) ... In a large bookstore waiting for some stage event-- apparently a Coffee House-- young woman sat by me & chatted about being a singer, called 2 young men over that she intro'd me to. One said he played bass & I excitedly declared how I \*loved\* playing bass & guitar in bands like CROSSFire. Then all 3 were excitedly inviting me to join THEIR band and go play onstage NOW. Since I sight-read well, I Joyfully said SURE!...//...

Ahhh, what a sweet DREAM gift from God.... I've turned down several pastors begging me to be organist in their huge churches in the past 8 years, two several times-- but they did not know about my love of Strings we can SEE, not hidden like a piano's many strings.

Matthew 5:17 does NOT say God ended His Law with Jesus. CAN'T SKIP Matthew 5:18-20... That's how people say "Money is the root of all evil" and "Jesus freed us from the Law" >> By reading PART of scriptures... E.g. First Timothy 6:10 \*without\* God's inspired first 4 words ("For the LOVE of)... or Galatians 3:13 \*without\* 3 words "The

CURSE OF"... (or the rest of Galatians)...//... Same way Satan quotes scriptures into our heads out of context, hoping we will NOT be Berean (Acts17) and Look It Up.

JUST BECAUSE JESUS FREED US from the **CURSE** of the law is NO reason to DISRESPECT God's Will which He clearly spelled out: John 15, First John: We OBEY BECAUSE of Love for God.... not to "earn salvation".... Accusations are also taken out of context to **call us "legalists" when JESUS warned in Matthew 24 of Law-lessness in End times. About GOD'S Law-- not civil laws.**

COMMENT 16w: Key conclusion: JUST BECAUSE JESUS FREED US from the CURSE of the law is NO reason to DISRESPECT God's Will ... We OBEY BECAUSE of Love for God.... not to "earn salvation".... Accusations are also taken out of context to call us "legalists" when JESUS warned in Matthew 24 of Law-lessness in End times. GOD'S Law-- not civil laws = His topic.

One time years ago, a photographer kept nagging & nagging for the un-smiling children in our Christmas family photo to smile. Finally I said (with some weariness), "THREE of them are smiling! Just TAKE the picture before THEY start pouting too!"..... Not one of my nicer moments, but still a rather funny memory! ... Photo from Iowa family of many children and relatives, all looking in different directions!

As my lesson to my H.S./College Age Sunday School class each year, I would have each "Draw a Doodle... anything with just one line." Most had one like this. After teaching how Jesus JOYS in fulfilling Romans 8:28 for all of them who honor Him, I had them turn their drawing into something nice, helping them if needed. Fun Art, fun lesson. THIS drawing? Adding an outline, it becomes a woven straw basket for the bunch of daisies to be added above it... by us on paper, by God in Real Life.

What it SAID: "Five ways to make a resolution successful." What I READ: Five ways to make a resolution STRESS-ful."... I'm thinking my mind was more realistic. ;) ... I'm amazed by my google search result that implies ONLY 60% of people GAVE UP on bothering to make New Year's Resolutions. Of the 40% who do, 8% report they actually succeeded??? (Doubting if 1 resolution was to be truthful to poll takers!) ... Most of us realize that **BEST WAY TO AVOID STRESS OF RESOLUTIONS: Don't make any. Romans 7 = We always fail eventually.**

YET GOD PROMISES HELP when we **really** WANT it! Romans 7's Failures Report is always followed by Romans 8, HOPE & Success with God!... And: Forgiveness when we fail..... Forgive yourself, my friends: It's the Keeping ON that = Success.

## SCIENCE & COMMANDMENTS

One of my fav TRUE **Parables**:

I saw a couple walking along sidewalk of busy small town street-- Letting their little puppy trot ahead! No leash?. In this pleasant town, police didn't care. Pup was well-trained: Came back if they called that it was too far ahead. \*BUT\*... Had a \*squirrel\* suddenly dashed in front & thru fast cars?...

**Pup \*would've\* raced after it into street..**

**Being on a loose yet firm when needed LEASH is a sign of LOVE..**

When Timothy wrote 2 Tim 3:16,

ONLY the "Old Testament" existed> "ALL Scripture is given by inspiration of God, and is profitable for doctrine (LAW)... reproof (thru PROPHETS)... correction, for INSTRUCTION in RIGHT-eousness (LAW).

**God's Law is His Loving "leash" & NOT a burden-** said JESUS: Matt 11:29-30. Even science (Nutrition, Sanitation, BLACK MOLD, shellfish poisoning) shows God's laws Protect us.

## ANTI-SLAVERY COMMANDMENTS in Bible: Deut. 23:15-16

When I was in elementary school mid 1960s in rural VA, I loved that my Daddy started coming home before dark every evening one winter. Only right before he died did he tell us why: He kept being afraid to be gone at dark because he thought some men might gang up to burn a cross on our front lawn because Dad kept preaching about the stupidity of racism...

"Back then" can seem more pleasant compared to all the Crises we see now. BUT evil was "preached" / taught by people then as "Normal - Just the way it is." AND evil was FOUGHT by people willing to Take Stands-- even when others mock us for saying God's Word Is TRUTH... Incl. Deut. 23:15, Racism, Slavery is WRONG, God said.

RIDDLE: What do school janitors MOST HATE? Clue 1: They need a LADDER for this job....Clue 2: Their hatred is mostly just in October and April.

ANSWER>> Good old-fashioned clocks..... Twice a year, it's the job of janitors ALL thru America to change old school clocks TO or FROM Daylight Savings time.... for EVERY hall, EVERY classroom, EVERY office... Something I never thought of TIL 2 months ago when a teacher mentioned it.

So our Nemesis decades ago of Agony watching Time Creep to FREE time is still causing Misery. HEY, Technology wins a point even for us who watch the news & start wishing for The Good Old Days (before we could HEAR BAD news EVERY moment of our day). Thanking God for His Bible where we can READ GOOD news EVERY moment of our day!

A bit of Autobiography about me... Getting my huge piano that literally changed the course of my life.... and has affected the lives of a lot of people who hear the music God has given me skills to do... That was the same 7th grade year when I started keeping a journal.

Absolutely no way to have known how much those 2 things would affect my future... For it's a lot easier to write songs when you've recorded ideas that lead to Music for God's World one day! ..... ### **AUTOBIOGRAPHY**

On this date when I was in 7th grade (Nope, not saying how long ago!), my grandmother gave Dad \$\$ to take me to a store & buy a Kimball piano. It had been used in their studio to teach students & still teaches:

On that January 10th, **I never would have dreamed how God would use** that oh-so-expensive gift to me- literally through the World (via internet website). Praying Ephesians 3:20-21, that God's gift continues bringing songs of peace & comfort thru His World.

When I set a trap on deck, I don't just put peanuts behind the dangerous Trip Plate. I put a few outside in **SAFE** places where abundant bait inside is visible.. & just inside.. & a bit further just inside: Still Safe.

Soon: Greedy squirrel isn't happy with just stealing from birds- It wants ALL it can get. And I get the squirrel.

**SATAN DOES THE SAME.** His Temptation Traps look quite safe as we keep returning to slip inside, a bit more. LIKE ME with squirrels, Satan has LEARNED what entices his prey. UNLIKE me who quickly transports trapped critters to "squirrel heaven" (200 wooded acres a ways off), Not til Death will we get transported to the place Jesus describes as "Weeping & Gnashing of teeth".

The Trap, the PLACE is real. So is God's offer of RESCUE. James 4:7-8

### **SONGWRITING HINTS**

A friend observed that some recording artists use a great song done by an artist in another culture without giving credit. I've noticed that this same thing happens \*often\* in God's churches: When they do not pay [CCLI.com](http://CCLI.com) an annual fee that is then passed to artists for income when churches use their songs.

Not paying breaks copyright laws, btw. >> When churches do not, in small print somewhere on a set of projected slides, add the artist name & copyright info. When churches lead worship with a form of dishonesty, not recognizing their unfairness to musicians who need to provide for their families. One church leader even told me "God

gave them the songs, so they should not want money for their ministry." Blatantly ignoring GOD's command in First Timothy 5:17-18. Ignoring the \$\$\$ cost of recording.

PHOTO: \$50 to \$500. Music studios vary greatly in quality and affordability. Booking time in a good professional studio can cost anywhere from \$50 to \$500 an hour. Keep in mind you usually get what you pay for when it comes to recording studios. Most studios DO include an audio engineer as part of their hourly rate.

Thinking about final scene of Star Trek IV from 4 to 6 AM especially: Winds BLASTING rain against windows on 3 sides of house, shifting so fast. Trees creaking ominously. Me hitting PLAY for my "sleeper movie" that had ended at 2 letting me peacefully sleep on-- til 4... Me hitting the volume UP key a lot to try to drown out the storm. This AM: Storm gone, skies brightening, peace returning-- Like the movie, but no Swimming With Whales. ? ... I'm glad for Peter, trusting Jesus enough to "get out of the boat" & focus on Him, not roaring waves. But this AM, I empathize with the other 11 whose hope was that Jesus would SAVE while they STAYED in that "Safe" boat.... Hmm... that rhymes. Future song? ? ?!! ... ?? ...

**SONGWRITING HINTS**

SONGWRITING HINT- A Question I hear :

**"How do you write a good chorus to your song?"**

My (easy) answer that's also a PARABLE: One of hardest things is not in making a good CHORUS but in making a good DESIGN... figuring out what 'architecture' best fits your song-- including whether a great hook that's repeated in the middle of verses (cohesion) is better than a separate chorus...//... GOD did NOT make us people "all alike", with some pattern we should each follow to be "Good". It's His VERY CREATIVITY all thru Nature Designs that inspires "artists" - ALL of us, whether in paintings or storytelling (books), or MUSIC... OR Raising Children or writing computer code or, or, or... WHATEVER we "set our hand to" that brings Joy of knowing This feels like God's gifting plan for ME.

**MUSIC**

Both the 2 main methods for worshipers to know song lyrics have their good points: SCREEN projections help us to worship together as an ekklesia, a family gathering to praise God... HYMNALS (or any printouts) help us to look back on & forward to words as we pray the music we're singing. No Need To omit 1. SUMMARY: Different methods can all be used by God. Were it not for Technology explosion in last 30 years, we wouldn't be sharing God's words thru Facebook or sharing God's songs thru us to

persons via websites who we'll never meet in person on this side of heaven! .... :) ..

***Fire ants work together to save each other when their area flood...***

Parables can go in many directions ? >> "When waters start to flood a fire ant colony, they take evasive action.

1. Worker ants **link legs and mouths together**, weaving a raft in a process that can take less than two minutes.
2. **The ants move their queen and larvae** to the center of the raft, where they stay high and dry on top of the mass of bodies.

The fine coat of hairs on the ants traps enough air that those on the bottom layer of the raft avoid being completely submerged.

Hebrews 10:25 SUPPORT EACH OTHER .... even God's ANTS do so.

"Do not neglect to meet together, as is the habit of some"...

January 14 2020 · ARTICLE Thanks to Heavy Rains Ritual Baths for Temple now Fully Functional for First Time in 2,000 Years. **RELIABLE source BreakingIsraelNews.com**

Fascinating News yesterday. Article tells how these weren't even FOUND until archeologists uncovered them a short while ago (as they're finding MUCH that CONFIRMS Bible scriptures). What we don't learn in churches -- BAPTISM was NOT a new concept to John the Baptist. Jews were already familiar with going into water to be cleansed and seek forgiveness from God - especially before going into the Jerusalem Temple - called Mikvah instead of "Baptism":

COMMENT - I can't help but wonder if this is Another Sign. Romans 11:25 prophecies a coming time when God will soften the heart of Israel to once again listen to Him.. and when true repentance of heart comes, people dearly WANT to be immersed in the cleansing waters to give themselves to God, whether it be called Baptism or Mikvah. <https://biblehub.com/romans/11-25.htm>

**Bumble bees see colors...** In Dr. Beau Lotto's experiments with bumble bees, he proves that the bumble bee brain--similar to the human brain--doesn't encode color information in absolute terms but rather learns through the real world.

Bumble bees that survive on blue flowers will go to the grey flower if we construct their environment in a way that grey is the bluest color in an array of yellow flowers.

CHURCHES - old preachers

I've heard 1,000s of sermons and notice: Preachers seldom encourage us to read the wonderful words of God thru OLDER writers like Tozer & E.M. Bounds (prayer), or Oswald Chambers (God MEANT it when He says to be holy), or George MacDonald who inspired C.S. Lewis. McD's book THE LIGHT PRINCESS has this line: a Spoiled BRAT finally reaches point of saying "I'm so tired of MYSELF" -- & humbly turns to character who represents God... who waits for Each of Us to do the same. // What would our churches-- OR WE-- be like if we let God guide us to the earlier writings \*HE\* inspired? //.. I "accidentally" (God's way) found copy of Diary of Andrew Bonar... God brought HIM out of discouragement over his seeming lack of "success" in serving the LORD, to encourage US.

### **AUTOBIOGRAPHY**

Rats! Heading toward my cozy chair for some quick typing of song updates before church, I went to my Socks drawer for a Fluffy Soft Long Yummy pair for this cold AM... and realized all 3 pairs are in the hamper. Grumblings started building inside... til God helped me realize:

Anyone who just got up on a cold day under thick blankets on a soft bed under a solid roof & is heading for a nice chair with hot coffee & breakfast before the Freedom to go Worship Him wherever desired without Fear is... Super Blessed. What an insult to The LORD when I gripe. Thin socks will do!

Jesus: "But whoever DENIES Me before men --

him I will also deny before My Father who is in heaven." --Matthew 10:33 nkjv, similar in Luke 12:9 .....

Jesus NEVER said "But this applies only to when your life is threatened" even though that obviously was the 'society' in which HE & listeners were in at that time..... What of us? Our longings to protect our home, belongings-- reputation (not being mocked)? ..? ..? ..??

Is Facebook a waste of time? NO!! if you seek to serve God with it by helping people you'd otherwise never reach in person. Just 2 KEYS: (1) Just set a timer and promise yourself to keep to it. (2) First ask God to guide you to the "right" posts, before you get on FB. Amazing how often I think he's used me to help someone else by seeing their post in that very limited time I was on FB that day...

January 26 · LINK: **ARTICLE re FRIENDLINESS - or not >** CHURCHES

"Sometimes you want to go Where everybody knows your name And they're \*always\* glad you came." Sadly that song won't get out of my head this AM as I consider driving 45 minutes to church I've gone to for 5 years >>

**NO** one but about 6 -- at 8:30 service -- knows my name. After 5 years. (I know theirs.)

Church DOES have small groups (like the Wesleys guided original Methodists to have) to support each other: But not enough groups for 400 members: Filled within a few days each "semester". Not organized to group those who go to 8:30/ 9:45/ 11 AM services, so the few I've fit into still don't know me at 8:30...

SAD isn't it that probably 80% of people over 40 **know the INVITING words** to a Bar, "Cheers"... But many have the same thoughts about church. **Even in stores where no one knows our name, many shoppers nod & smile at us...**

COMMENT 1 - (The article presents some good questions about church fellowship / friendliness / caring... Best one I could find despite some theological ideas & writers not supported.) · 13w

COMMENT 2 - 29 April 2020 1m - One section in article: QUOTE: "Jesus said, "By this shall all men know that ye are my disciples, if ye have love one to another." John 13:34, 35. But exactly what is this love Jesus talks about? There is a lot of emphasis lately on developing a friendly church. And that's a good thing. Friendliness is much better than unfriendliness. But friendliness should never be confused with love. Friendliness is by **definition** a superficial thing. **Love takes time**. Friendliness likes a shiny surface. But LOVE requires deep personal knowledge, understanding, acceptance, empathy. Friendliness is sanitary, detached... Love takes in and accepts the wounds, the flaws, the jagged shards deeply buried in the heart. A church where only the bright shiny surface is accepted is not a loving church, however many smiling greeters are posted at the door." END QUOTE

January 26 · PARABLE - acting CHRIST-like

One A.M., base gate guard told me the reader rejected my badge-- but I could go thru & check it later. Went to Security Head after gym. He figured out problem. I feared the guard would get in trouble for having let me thru, so I said "He knew me because I go to gym so much." The S.H. said "I started working the gates in 2003 and we \*ALL\* know you because you go to gym so much!"..//..

We laughed--But It's SCARY to know that for over a decade, **IF I'd been grumpy** when feeling bad or rushed or etc during the few minutes these gate guards saw me many days, they'd think that's the way I \*always\* am...

SCARY to know that when we call ourselves "Christ-ian" ("Little Christs"), people will think that's the way God's people \*always\* are & want nothing to do with Him..

PHOTO: "Success has nothing to do with what you gain in life or accomplish for yourself. It's what you do for others." -- Danny Thomas

Some songwriters are discouraged, thinking they're past the "usual age" by which a musician is a "Success". My HINT & HOPE for you today: Even if you define successful as high money making, please take heart in fact that you know of only a fraction of people who have written songs earning \$\$\$...

OR who simply **reached others' hearts... comforted them** (even in sharing grief, loneliness, etc), **encouraged** them, **offered hope** and a moment to think of something besides their daily problems.... PARABLE: DEATH

**PARABLE OF DEATH** first posted 6 years ago: [February 2, 2014](#) ·

Yesterday's AP Business reported China stock market downsizing & a US town's 'small' investor whining that he's fighting urge to sell, but "I've lost, maybe \$50,000 in the

past week." Not MY def of 'small'.... Regardless, he's quite \*wrong\*.

..... Until he "cashes in" he's lost nothing. The number on reports changes daily, but only the number on Sell-out Day is the actual VALUE. And CHURCHES should teach this with Romans 7 & 8. We sin & rise & sin & rise, day by day until we die. (A good future song rhyme:}

..... But only when we "cash in" this body in death\*\* does is our number 0 or 1 (false or true, your computer's 2 code numbers) determined: ON that day the number is decided: Were we trusting and striving earnestly to obey Jesus as our LORD the son of God Who rose from the dead (Romans 10:9) and when we die will forgive our falls if we humbly and sorrowfully ask?

-- If a 1 (true), then we have cashed out of Earth with an astounding Treasure: God's presence in Heaven.

.....TO be SHARED with those who don't know this JOY:

Jesus Weeps for Each who CHOOSEs number 0 (reject Him; see end of Matthew 23, the loving & protecting Mother Hen verse).

BUT -- UNLIKE in the stock market, our actual VALUE has already been set: \* Jesus values you so much He died on a cross to give you the ability to choose Him as the 1 way to God/Heaven - quite LOGICAL since He Himself \_ IS\_ God (John 10:30).

BIRDS PARABLE

I tap on the glass a moment before going out-- & birds fly away to nearby trees until I've tossed out seed & closed deck door again. But in sub-freezing wind & cold, even timid sparrows fly back quickly to get my gifts while I'm standing there-- sometimes while I'm still tossing seeds, which then bounced off hungry ones' wings...//... We tend to wait before timidly coming for God's blessings... unless we're desperately in need & decide to 'risk' coming nearer to Him. ## JOURNALING

I absolutely love the fun puzzles of writing music for God... The lyrics come so easily into choruses and verses that I find my prayers often rhyming! ... And sometimes being crafted into Prayer Songs, like EFFICIENCY PRAYER scheduled for this Wednesday's Studio. My point-- not a bragging:

When God gives us great ideas about \*anything\*, it's quite wise to write them into a special book, a journal you keep with you. Don't fret about handwriting, skipping days, mistakes that you scratch out.... Just pray for wisdom (James 1:5-6), and then REMEMBER-- EASILY-- the wisdom that God gives to you, by writing it down for the future. For future puzzles to play with!

## SONGWRITING HINTS

February 10 ·

One "little" but MAJOR hint for deciding on your melody: Don't have a 'long jump down' from a word down to an ESSENTIAL word. (WHY: It's hard to emphasize a low note unless already singing in that low region... VS tendency to get over-powerful when we sing a long jump UP, because average as well as pro singers naturally take a deep breath before hitting a high note.) SAMPLE: I Love the F6 chord {F-A-^D}. I'd written in **PSALM 73 SLIPPING FEET** (on this week's recording studio schedule),

**"But don't envy their slipping feet"**. Melody for "But" at High D dropped ten 1/2-steps to lower F for DON'T-- definitely impt word! So I kept my F6 for "But" but changed

to regular F chord and high C for "Don't"... TEST-SING your lyrics for ease by OTHERS, if you want a more useful song that people enjoy.

A few years back, my child's teacher from years ago told me how startled she was the day I called because she DID give my child a 0 for not turning in a take-home test, and I told her I wanted my child to do the test after school-- Teacher said "I can't give her a grade" and I replied, "I know-- that's GOOD for her, to learn she can't get away with laziness just because her A average is so high that she'll still get an A in the class.".... Teacher said she'd been surprised but learned over the years that I was one of most interesting parents she had. ### **AUTOBIOGRAPHY**

My friend MB told me during a very VERY depressing week during my freshman college days, "The Bible says 'It came to pass'.... NOT 'It came to stay'." That's quite a few decades to remember & ponder upon & pray upon a great phrase heard when I was 18.... Joshua 21:45, God keeps EVERY promise He makes, even when we fail Him. PHOTO: NOT ONE WORD of all the good promises that the LORD had made to the house of Israel had failed. ALL came to pass.

COMMENT 1 - 2 Peter 3:9... "**The Lord is NOT SLOW about His promise**, as some count slowness, but is patient toward you, not wishing for ANY to perish but for ALL to come to repentance."

COMMENT 2, 10 weeks LATER when creating this Compilation File- Photo is true for All that have been applicable to THIS time, including sending the Messiah through the Line of David.... Of course, the FUTURE Reign on the New Earth has been promised but the Time Is Not Yet -- Isaiah 11, when "the WOLF also shall dwell with the LAMB" (not a Lion & Lamb), and a toddler child can sit and play safely beside a cobra hole (11:6).

I miss my cat Lea who died last fall. She'd try to get as close to me as she could as I walked. Well, I don't miss THAT after almost tripping a few times! But it was a good reminder to ME to love God so much that I try to get as close to Him as I can during my walking thru life. Just as the followers of any rabbi would try to do.... >>

February 9, 2014 My cat has a new game: When I'm not watching, get right in front of my feet so I step on her tail. Besides not wanting to hurt her, it's disconcerting to be barefooted, feeling like I stepped on a little snake. Never mind that there are no snakes in my hallway. I pray:}

.... This AM, remembered cool info about Bible society: Students of priests TRIED to walk so close to their teacher that mud from the teacher's sandal would flip upward and dirty the hems of their clothing. They'd rejoice in dirt showing their devotion. Gives new light to James 1:2.. Rejoice when we get mud because we walk so closely with Jesus.

ALL of us were once "Pre-born," some seeming to have "no potential for the World." When baby Booker T. Washington was born to a VA slave family in 1856, his parents had NO idea what special plans God had (Psalm 139). At 25 he became leader in a new school first meeting in an Alabama church-- No idea that this Tuskegee teacher's

college was the setting where God would use BT to inspire 100s of 1000s other African Americans to see the great possibilities not only for their lives, but for them to help & inspire others-- as BT still does today.//..

VALENTINE'S DAY photo cartoon: John the Baptist standing in the water: REPENT! For the Kingdom of Heaven is at Hand! .... People's response: That's NOV very loving and Christ-like, John. Don't be so judgmental!

FUN WORDS & phrases to consider as we watch people and read their quotes in the media: The DUNNING-KRUGER effect that studies people's BIAS about themselves... In the field of psychology, the **Dunning–Kruger effect** is a cognitive bias in which **people with low ability at a task overestimate their ability**. It is related to the cognitive bias of **illusory superiority** and comes from the inability of people to recognize their lack of ability. Without the self-awareness of metacognition, people cannot objectively evaluate their competence or incompetence.

About people who are skilled under-estimating themselves, while proud people over-estimate how smart and humorous they are AND in comparison to others... READ FOOTNOTES in the Wikipedia article about phrase **Hanlon's razor** –

"Never attribute to malice that which is adequately explained by **stupidity**."

Few church people realize that (1) there are 100s of 1,000s of American civil laws that we manage to keep because 99.9% don't apply to each of us individuals, and (2) the same applies for God's small # of commands; incl. those re the Temple, to farmers re fields to non-farmers, laws to women only not for men, etc....KEY words from God's Son are

"ALL the commandments HANG on these two," Jesus said... Matthew 22:40.

He did NOT say "fulfilled by"...

First John shows that just saying "I love you" does NOT count if you DISOBEY God.

Disobey what? His orders: commands.

**FUN STUDY: Do a flow chart & show how just maybe 50 commands fall under 1 or another of the 2 (LOVE GOD, LOVE PEOPLE) ... BUT STILL the laws continue...**

Jesus ALSO said Matthew 5:18-19 though many people quit reading after verse 17.

PHOTO: DID GOD CREATE SATAN? NO, God created the person who BECAME Satan. Like the rest of God's intelligent creatures, the angel who BECAME Satan had the freedom to CHOOSE between Right and Wrong. By choosing a course in OPPOSITION to God and inciting the first human couple to join him, he MADE Himself SATAN, which [name] means "Resister". (Genesis 3: 1-5).

POST: If you were Satan-- or, if you prefer, the Antagonist in a Major Chess Game-- **wouldn't you want your opponent to THINK that you're all powerful and \*can defeat\* him or her?** That is First John 4:2-4. Satan wants us to think that since good is the opposite of evil, to think Satan is equally opposite to God. Wants us to forget that God CREATED the angel called Satan.

That's a key trick re evolution, by the way-- get us to dis-believe that God's ALL Power created ALL things-- including angels who by THEIR choice rebelled to become

what we call "demons. They hate us & yearn to destroy all. (John 8:44)... Continuing Genesis 3 all over again: "Did God REALLY say?" "Surely God loves you too much to..." Chess moves to distract us from Truth

COMMENT 1 - **Lucifer** is just **another name for Satan**. Ezekiel 28 is confusing until you get to verse 12 on that identifies who the "king of Tyre" is. Names of other fallen angels (his brothers) are apocryphal, **not Biblical**. Some may be in Talmud ("commentary" on God's inspired Torah). Angels have free will also. No puppets.

COMMENT 2 - My related post from last year that I didn't use with this post: February 17, 2019 - Why God doesn't just wipe out Satan & Demons... or entities that propose great Evil and murders?? ..... Was amazed to **\*\*really\*\*** read Judges 3 yest >> **We MISS OUT on a lot of Encouragement if we read only God's Newest Words if we don't read the "old" testament too** >>> God \*deliberately left\* His people's enemies alone, so they'd STAY around His people. Why? God ANSWERS >>

To see if His people "would obey the commandments of the LORD, which He had commanded their fathers by the hand of Moses." Like James 1 says... God USES our challenges to help us GROW in patience, endurance, and most of all: Trusting HIM.

FIERCE black clouds suddenly rose to our west as we were ending a 7-mile state park hike. Despite weariness we urged children to hurry down a STEEP hill. We prayed aloud together as winds began crashing & whitecaps covered Potomac River. Parked van was below swaying pine trees, so we herded into a bathhouse- with 2 dozen other refugees.

Years later EVERY child remembers that day: **How God helped us get to the ONLY block building-- MOMENTS before a small tornado**. Our 2 youngest huddled their faces deep into Mom's & Dad's arms, knowing we couldn't stop the storm, but comforted by our voices as we told them to ignore all the people's fear around us: That God would take care of them....

HE DID. HE STILL DOES. For all who honor Him, Romans 8:28 Power Beyond us.

5 yrs later (see story below), the laptop that God healed is STILL working... I'm typing on it now. When God heals, He does it good! ;) ... POINT OF STORY = "Remember geometry?" >

To prove to your teacher your line was correct, you had to have more than 2 points on it from your equation. The more the points, the more Proof. AND the more God answers prayers, the more Proof we have that (1) There is a God in Heaven and (2) He answers prayers incl for wisdom... Daniel 2:28. So let's Use God's wisdom to STOP saying "I was lucky" when it's a great opp for telling people how Great He Is, in storms & Sunny weather.

February 16, 2015 ·

**MEMORIES 5 YEARS AGO post,**

Who but a caring, big-hearted God would "heal a laptop" without humans touching it, after weeks of problems that couldn't be identified? No... I'm not kidding. Sure, maybe it's "coincidence" that my 4-yr-old portable workhorse that supplements my older Mac home studio workstation and kept crashing for weeks suddenly began working fine 2 months ago: Long enough to call "healed"... We've all had blessings that even those who believe in God would call "coincidence". But I learned in GEOMETRY:

- You can't prove a line by 2 points (dots connected).
- You can stay suspicious of calculated points if there are only 5 (events).
- But if there are 10, 20... **You have an assured LINE.**

.... Like: when my low mileage van dies exactly at the safest place on road but engine lasts long enough to get UP-hill into a public lot... Or my car spins on black ice even at 25 mph, & slowly comes to rest against ONLY hill between 2 deep drop-offs (yrs ago)...

Or doctors says for some reason he can't do the usual checkup test that worked fine for me last time-- so he has to do a substitute test for plain checkup which shows a softball cyst that the usual test never would have (last Aug)... Hey, there's 4 points right there in my life LINE: ....

.... We EACH have a caring, BIG-hearted God as our VALENTINE: Not just John 3:16&17 assurances of His love... or Jonah 4:11 (check THAT book's last line Valentine!) .... or the many etc's. First John 4: "THIS is real love—not that we loved God, but that He loved us and sent His Son as a sacrifice to take away our sins." (verse 10 ..... of many).

I've found it useful to provide ~250 words at a time (2 paragraphs) of detail on ONE topic "The Church" (Catholic) taught (or still does) that Protestants now admit were NOT scriptural .... & conclude each with, "This was the teaching of the same Church that said God-Who-Does-Not-Change likes having His Sabbath Day changed and His good Food Laws ignored-- because they were anti-Semitic & seeking to define Christians as different from God's chosen people." ....

Topics include Priests must be unmarried/ childless (God said the opposite) and of course Fish Friday "To honor Jesus the Fisherman". WHY:

Show that God Really Does Not Change His mind on His GOOD LAWS yet thru Jesus Forgiving when we fail \*without rebellion\*. Romans 7:7,22.

Very sad for a few reasons this AM. One is silly... The Oxalis that a Bible Study friend gave me ~6 years ago-- before she moved far away, a year before my beloved Precepts group 'broke up' (merged & moved to day I couldn't go)-- this plant that

suddenly started blooming & flourishing ~3 years ago-- started dying 2 months ago. Today it's down to a few strands. Meanwhile, intensifying health issues make me wonder if God is reducing my goals to a few strands.

His Plan is always best of course, Romans 8:28. But it's sad to watch What & Who & Life's How that you've loved, to start disappearing from your life. But I think I just glimpsed a bluejay on my deck. A new gift from Him? Each day brings new blessings even when we miss old ones.

February 18 · Recorded at 9:13 AM. Was rushed to hospital Emergency Room 1 PM.

My laptop battery is pretty weak but laptop so old that new ones can't be bought... So I realized this AM that I needed to quickly plug in, now that the meter says 56% charged... It "dies" around 40%... Turned on light whose strip also has charger plugged in. Did a bit of typing. Realized: Charge level is going DOWN. Worried some. Realized: Forgot to plug the charger's OTHER end into this laptop.. // ...

We all tend to do the same when worried on "Life" things >> We Have a Bible, Know lots of God's promises in it, but forget to Pray & ask Him to empower us thru our troubles-- Excitedly trusting in Him and not Our wisdom... the human kind that forgets to plug in both ends.

3 days in hospital included my husband & me really enjoying some laughs together (plus of course thanks to God for us still being together too!)... We'd had a nice Valentine's Day date only 4 days before, and spent Tues & Wed nite talking in hospital room & looking out at lovely street lights glowing 5 floors below looking like Paris (of a sort :) )... I suddenly said, "Hey look- we've been out on the town together 3 nights this week! First night was wonderful, But I want a better date for our next one, OK?"...//... We were still laughing about that tonight! God has been so good in the degree He has delivered me to be able to enjoy More Adventures ahead! ...

PHOTO in trees: Always be prepared to share the REASON for the HOPE that is within you. -- 1 Peter 3:15

When I was in college, I was collecting lots of pecans under the ignored campus trees to take to Mom. A couple of students stopped walking by to ask what I was doing. I said "Picking up pecans." They took a close look at the hard shells I held and asked, "How do you know?" I never did figure out how to answer that... and am still laughing. Memory inspired by a friend driving by a pistachio tree farm!...

DREAM

Photo: "Satan has no power over us except what we allow. Moment by moment, decision by decision, step by step -- will we operate in God's all powerful Truth or allow Satan to entangle us in his lies?" -- Lysa TerKeurst.

My added lines: EASY solution GOD gives: FLEE from Satan's attempts to give you FEAR and temptations .. BUT RUN to God ALSO: James 4:7 and 8.

PROPHETIC DREAMS. I don't have many but this \*IS\* a message from God: Matches His Word: I was wandering in a high school, lost. A huge man- gym coach? - got right in front of me & started yelling at me at how much trouble I was in. He DEMANDED "Drop & give me 50!"... But I realized: Yes, I am \*IN\* this high school, but I don't BELONG to this high school, and my Coach is not \*this\* man--- He has \*\*NO\*\* power to tell me what to do...//..

EXACTLY parallels Jesus's prayer recorded in John 17:15-6 "I do not pray that You should take them out of the World, but that You should keep them from the Evil One. They are not of the world, just as I am not of the world."...//..

THIS World's POWERS, whether human or Satan-ic, have NO authority over us when we've chosen GOD as our Authority: our LORD!

February 29 · PHOTO: BlueLetterBible.org search on "Every knee" yielded these:

Isaiah 45:23, Ezekiel 7:17, Romans 14:11, Phil. 2:10... **EVERY KNEE SHALL BOW.**

God is a Living God... Named YHWH: Isaiah 42:6, 8 & 1000s of places replaced His Hebrew Name with "LORD" (which He indeed is, but that's not the Name HE tells us)... God is THE Designer & Creator of everything.. whether or not people believe. When He speaks, things happen... whether or not people believe. When He raises His hands, there is calmness to those who believe.

One day, the Day of HIS choice not yet here to give people TIME to believe (2nd Peter 3:8-9), every knee will bow-- whether or not they believED before this meeting... All will see: ALL power has always belonged to God Named YHWH.

**Belief or not CANNOT change Truth.**

Early AM, I wearily stumbled toward the main room with containers of seed to toss out for birds who loudly were NOT waiting for "Dawn's Early Light." Wasn't an easy trip: My cat kept circling my feet & chirping out her pathetic meows. Finally I had pity, went to her dish-- but found my husband had filled it the nite before. What joy to realize: She didn't want anything FROM me... She wanted to BE with me! ..//...

May we give our ever-blessing LORD God the same Joy in far more of our prayers.

Someone replied: Such a beautiful analogy, [DianaDee Osborne](#). How God must smile when we come to Him just because we want to spend time w Him.

March 5 · QUOTE photo: "You have never truly FOUND JESUS if you do not TELL OTHERS about Him." -- Charles H. Spurgeon

God used Charles Spurgeon to CLEARLY state His Truth: If you have truly found Jesus, you excitedly TELL others about him. We see this ALL the time>> Telling people about Winning \$\$, about huge sales, about being HEALED (whether or not believing God did it)... Like the woman who went to the well in the heat of day to AVOID people & suddenly didn't CARE about their opinion as she told everyone Jesus's Good news >>

Quit fretting about Churchese "right words to evangelize"...

Pray for Wisdom & God GIVES it, plus His empowering. He promises, Keeps promises! Gospel truly means: GOOD NEWS! ..... John 4; John 14:26 scripture knowledge; Ephesians 3:20-21 power to serve God for His Glory. #DdO

March 6 · **DREAM**

The boy suddenly started ripping out pages of the special old book I'd given him- & tore each into 4 pieces while his mother just sat by smiling. I was furious (glad it was a dream-- I'm not usually) & declared, "You KNEW this book was special to me. I'm taking it back!" And the mom got mad at ME... The boy left room, came back quietly told me: "I thought the book was telling me to go & do bad things." Immediately I had compassion & forgave him- NOT for his words trying to explain, but because I could tell he was truly sorry & not "making excuses"....//...

GOD is like this dream shows... He already KNOWS our mental reasoning but is still furious when we're destructive in ANY way: But is compassionate & forgiving when we humbly come to Him without excusing what we did. First John 1.....

### **CREATION**

LOCUSTS show an INTELLIGENT DESIGNER: Check the map/ website chart to see if this is "your" year for them >> What's super cool is that locust cycles need descriptions like "17-year locusts" because each different species has its specifically designed cycle lengths (incl. 13 year cycles) -- yet again demonstrating God's CARING design that helps prevent cross-breeding AND prevents starvation: Food is available for each species without competition... NOTE TOO that the TV movies' depiction isn't what we usually see. And these days, locusts are GATHERED & SOLD to Restaurants-- many farmers "reaping" MORE \$\$\$ this way than in selling crops. I get SO angry when people say "The God of the Old Testament was an Angry God, but Jesus is a Loving God." ..... SAME God, who not only promised thru Jesus that God takes care of fallen sparrows, but who also made a LAW ORDERING people to be kind to fallen birds >> Deut. 22: 6, God Demands:

"If a bird's nest happens to be before you along the way, in any tree or on the ground, with young ones or eggs, with the mother sitting on the young or on the eggs, you shall not take the mother with the young;" --

God's COMMANDMENTS are KIND - even caring about little birds. Pharisees called this the "Least" commandment... Remember them asking Jesus only what is the Greatest, a common debate.

It's NOT just the old musicians reuniting, but NEW groups singing their songs to continue the music to "new generations"... Remember if feeling ill that Tylenol & aspirin are very different from the pain med ibuprofen which can make you sicker. From THE GUARDIAN 3-14: Health officials point out that anti-inflammatory drugs [NSAIDs] are known to be a risk for those with infectious illnesses. WHY: They tend to lower the body's immune system response. So avoid ibuprofen products & choose paracetamol –known in the U.S. by the generic name acetaminophen or its common brand name Tylenol – because “it will reduce the fever without counter-attacking the inflammation”.

FIGHTING FEAR every time you hear "The News" on #CoronaVirus? .. Back in 2016, we recorded a song calling times like this (or enforced rest from illness) a SELAH TIME Gift From God... Scriptures quoting God's WORD: Verse 1 = STILLNESS - Psalm 46:10 BE STILL and REST in God. VERSE 2 = REST FOR YOUR SOUL. Psalm 116: 5-8. "Gracious is the LORD, and righteous; Yes, our God is merciful. The LORD preserves the simple; I was brought low, and He saved me. Return to your rest, O my soul, For the LORD has dealt bountifully with you. For You have delivered my soul from death, My eyes from tears, And my feet from falling."

AFTER VERSE 3 - REST FOR YOUR SPIRIT, SOUL BODY - 1 Thessalonians 5:23. "Now may the God of peace Himself sanctify you completely; and may your whole spirit, soul, and body be preserved blameless at the coming of our Lord Jesus Christ."

...  
AFTER VERSE 4 - Jesus's words of COMPLETE PEACE

Matthew 11:28, "Come to Me, all you who labor and are heavy laden, and I will give you rest. ". And in John 14:17: "Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid."

AFTER VERSE 5 - SALVATION

Psalm 25: 1-5. "To You, O LORD, I lift up my soul. O my God, I trust in You; Let me not be ashamed; Let not my enemies triumph over me. Indeed, let no one who waits on You be ashamed; Let those be ashamed who deal treacherously without cause. Show me Your ways, O LORD; Teach me Your paths. Lead me in Your truth and teach me, for You are the God of my salvation; On You I wait all the day."

END TIMES

Are we seeing in "church people" an eagerness that matches the "Come LORD Jesus!" declared in many songs? ??? >> In Matthew 24:8 & Mark 13:8, Jesus's words re BEGINNING of Sorrows is similar to word "sorrows" used in prophecies Hosea 13:13, plus Isaiah 13:8 (LOT of 13's to help us find these) >> "And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth..."

We are seeing in our "Braxton Hicks" labor "rehearsals" that many people claiming TRUST in God, using Christ's Name, are far from ready for God's Plan to keep

In January, few parents thought they could ever homeschool their own children. 8 weeks later... Romans 8:28 declares God's promise that He brings good out of Every Bad for those who honor Him.

I've been wondering if He's gonna use this **to show people that they CAN teach their children**, incl. future sharing Lessons with other homeschooling families... that they DON'T have to send children to schools that insist on teaching not just old wrongs like "Me First" or "Everyone deserves same prize even if some didn't work for it" -- but also the new evils of confusing gender with the simple science of DNA-- either XX or XY that we're born with.

James 1:5, God gives wisdom for those who ask. Ephesians 3:20, God gives power for....

CHURCHES

I was given a stack of old Methodist journals (from long before the "United" was added). Being an avid reader... delved into them. From 1938's "The Richmond Christian Advocate" >QUOTE>

"Is Methodism to become another spent ISM in the ancient history of the future?"... "Right now with the same force that got into the hearts of the Apostles at Pentecost -- ENDUED WITH the power that came into the heart of John Wesley..."//.. I'm sad :(  
*-Above was my FB post March 31, 2015, about a church denomination I'd loved all my life. 80-year-old words >>*

What would "the hearts of the Apostles" say today? Or Wesley? Surely they'd declare: "God Does NOT Change; His Scriptures Say the Same." God: Proverbs 14:12, "There is a way that seems right to a man, But its end is the way of Death."

VERSE 1

**Hopeless End - OR - Endless Hope???**

Jesus offers ways to COPE.

Holy Spirit helps us pray, when Pain clouds what words to say.....

Father God stretched OUT His arms, with love and WELCOME:

WILL YOU COME, TODAY? TODAY? TODAY?

**Before it's *too LATE* ????**

2

Father, Spirit, Son are ONE. Mighty God calls YOU to come.

John 3: 16, YOU'RE the World Jesus loved on that Cross -- and loves still.

Jesus Christ stretched OUT His arms, love and WELCOME:

WILL YOU COME, TODAY? .. TODAY? ..... TODAY? ***Before it's too LATE?***

3

Just as YOU are, whatever your sin, Jesus calls you, BEGS you, Come to Him.

Set aside deadly pride. Choose LIFE with God. **Pray Romans 10: 9 and then you'll be saved for heaven.**

**JUST AS I AM - ORIGINAL MELODY AND Verses**

4

JUST AS I AM, without one plea but that Thy blood was shed for me,  
and that Thou bidst me COME to Thee: O, Lamb of God, I come. I come.

5

JUST AS I AM and WAITING NOT to  
rid my soul of one dark blot, to  
Thee Whose blood can cleanse each spot, O, Lamb of God, I come. I come.
